An Outstanding Chapter— Without a House!

A House is an asset to any Chapter if operated efficiently. It is important—but the story behind the success of any Chapter is the spirit and leadership of the Brothers. This is a story prepared by Bob Hawk, H.A.E. of Beta Chi Chapter, American University of their success without a House.—Ed.

Tradition again repeats itself with Beta Chi at American University securing twenty-four topnotch pledges who added to our size and prominence on the campus.

Of the fourteen men selected at American University, the Sigs put three men in the Who's Who in American Colleges and Universities: Jack Jones, Bill Petrini and Burt Stephens.

Life In a Quonset Hut

Unique? Yes, and to our knowledge, Beta Chi Chapter of Alpha Sigma Phi at the American University has the distinction of having the only fraternity quonset hut House in the United States. But is it really a distinction? We think it is and here's why:

We of Beta Chi do not have living quarters, but the AU campus is small enough so that both pledge and Brothers

are in constant touch with each other.

As with other chapters of Alpha Sig, the house is a meeting place, among other things. There is a "Sig Social Hour" each evening during the week from six to eight . . . the juke box really gets warmed up. But that isn't the end of it.

The seasons of the year have nothing on our hut. Fall, spring, winter and summer, the atmosphere bustles with activity. In the fall and the beginning of first semester, many parties are scheduled, the most outstanding of which are our annual hay parties in the house.

After rush and fall pledging, the Brothers get an opportunity to observe the pledges at work. The house improves each year, but all is not work . . . the patio immediately in front of the house is the scene of many dances and other activities.

Hot dog and marshmallow roasts usually

The quonset hut — bell, and signpost.

top off the fall session. Our fireplace, built last year during Pinnacle Week, is the point of activity.

Spring usually sees many improvements in the house . . . new furniture, paint jobs, etc. Ended with Saturday night parties, the spring session makes way for the summer cleanup which is handled mostly by Brothers who live in and around the Washington area.

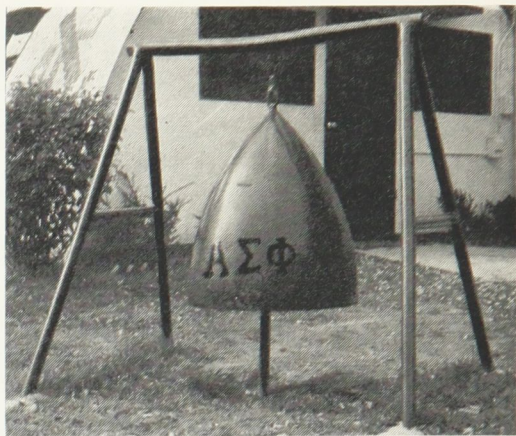

During the year, there are several fraternity and sorority open houses. The doors of the Fraternity are thrown open and a good time is had by all. Object of much attention is our half-ton torpedo warhead bell. When rang, the bell can be heard all over campus.

We have very few problems in the house transportation-wise. The house is only 18 feet wide and sixty feet long with no stairs to climb. From floor to ceiling, the height is a mere ten feet. But by compactly furnishing the house, one would think it to be much larger—in our 1080 square feet, we have a “coke” machine, a cigarette and candy machine, a large trophy case, a bookcase that covers half of the rear wall and a kitchen complete with refrigerator and bar. Part of the house is partitioned into two rooms, a TV lounge and an office.

Outwardly, the house looks like a great sheet of metal shaped into a half-circle. On the street side is a large crest of the Fraternity. Passing by in a car, one can hardly miss it.

The patio of the house is based in concrete. An overhead speaker conveys jukebox music to the outside while it plays in the inside of the house.

A great transition is expected in the summer of 1959 as we get the first spade into the ground to start work on our

“The Bell”

new house. But, in the meantime, life and spirit will remain in our quonset hut and our eyes will be looking to the future. When the new house is completed, many Brothers of the “old school” will look back to the hut with fond memories of brotherhood and the ideals that make Alpha Sigma Phi.

Beta Chi's Bell Borrowed Again

In the 1955 *Tomahawk* winter issue, there appeared an article entitled “Who Stole the Ding Dong?” After the article was published, Beta Chi Chapter recaptured the bell. Now, three years later, the half-ton torpedo warhead has again been “borrowed.”

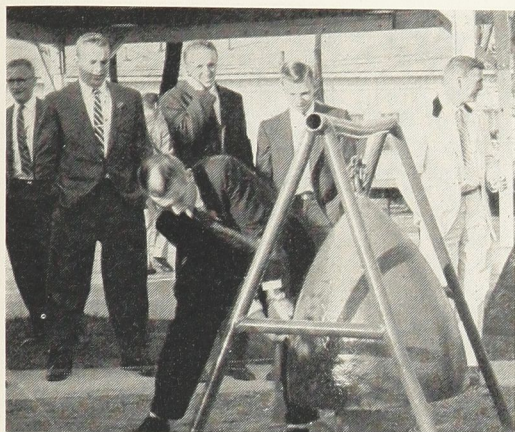

The news spread like fire around campus . . . “The Alpha Sig Bell is missing!” And so it went, from Thanksgiving, 1957 to January, 1958.

The bell had been loosened from its moorings of solid steel and cement. A hook holding the warhead was bent and the bell was lifted from its base. Hollow, the thick steel comes to a point at the top.

In the ensuing events, a regular “who dun it” developed. Many people on the American University campus were led to believe that the three other fraternities combined forces and relieved us of the bell. This was found to be untrue, however, as pledges and Brothers continued the search.

The mystery led to many places throughout Virginia, Maryland and the campus. Various “tips” led us to believe the bell was where it really wasn't. The mystery tagged on until about three months from the time the bell was taken, a certain fraternity on the campus found their charter missing.

Shortly after an impromptu negotiation,

Ringin' the bell after an initiation. In the background is the Alpha Sig Patio.

we learned that our bell was buried under dirt in the rear of the athletic field. With shovels and rakes in hand and a cart trailing behind, twenty pledges and Brothers dug up the bell and rolled it back to the House.

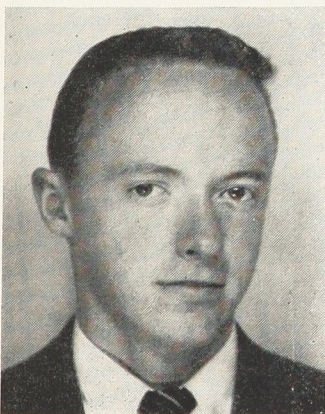

A joyful Beta Chi and many students turned out to witness the proceedings. When the bell was rung to indicate that it had been returned, a tumultuous shout rang out from the crowd.

On the far side of the campus, another shout was heard . . . the return of the birth certificate of another fraternity.

Class Presidents

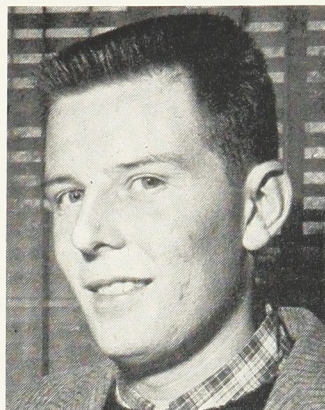

Beta Chi Chapter has in its ranks two class presidents.

Brother Dave Pattison, president of the Junior Class, is active in various campus activities. He is co-chairman of the Orientation Board, vice-president of the Debate Team, his dormitory, McDowell Hall, and Pan Athnon. He is presently serving as National Student Association co-ordinator for the American University College Council.

Brother Dave Pattison, Junior Class President at American University.

Brother Burt Stephens, Station Manager of American University's radio station, WAMU.

Brother Richard Gerard, Sophomore Class President.

An international relations major, Brother Pattison is attending the University on a National Methodist scholarship. He writes a column on world affairs for the campus newspaper, the *Eagle*.

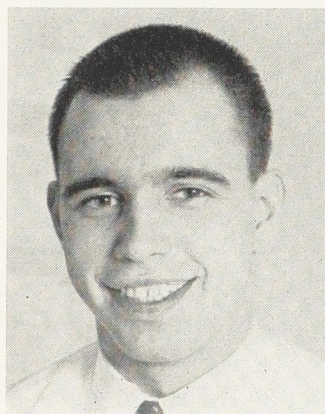

Sophomore Class president, Brother Richard Gerard, is a member of the Canterbury Club, the Orientation Board, Alpha Phi Omega, and president of the Constitutional Revision Committee of the Student Council.

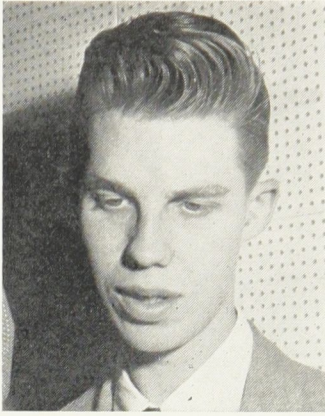

Brother Gerard holds the distinction of being class president twice in a row—Freshman class president and now Sophomore president.

Radio Station

WAMU, American University's radio station, has been under the direction of Brother Burt Stephens for the past two years. Station Manager, Burt won a Communications Department Award for "Outstanding Contributions to Broadcasting."

Brother Stephens also received an "Outstanding Award" in communications for a person *not* majoring in communications. He is a psychology major and a letterman

Brother Roland Jenkins, Chief Announcer at WAMU.

Brother Jack Jones, American University's Soccer Team Captain.

in soccer. He has also been listed by Who's Who in American Colleges and Universities.

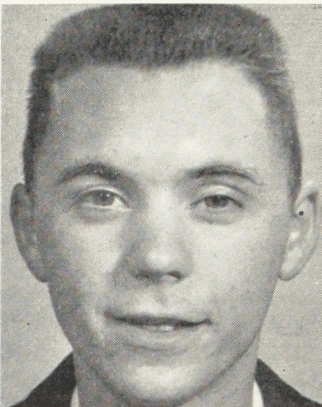

Brother Shep Morgan, a disc-jockey for WEAM, a Washington area radio station, has been program director of WAMU for two years in a row.

President of Pi Delta Epsilon, a journalism-radio-TV fraternity, Brother Morgan is also the Communications Board chairman.

Brother Morgan's show "D J's" has been acclaimed one of the best up and coming shows in the Washington area. After graduation, Brother Morgan would like to do news and special events work for a radio station.

WAMU Chief Announcer, Brother Roland Jenkins, helped write, produce, direct and acted in plays which were programmed over WEAM and WMAL-TV in Washington.

With WAMU for four years, Brother Jenkins is a member of Pi Delta Epsilon, the Communications Board, Orientation Board, serves on the Intramural sport's council and is Fraternity Intramural's Director.

Brother Robert "Shep" Morgan, WAMU's Program Director.

Brother Dick Terry is also at the station and hosts an early morning show.

Sports

Brother Jack Jones, captain of the University Soccer team was a fourth place winner in the recent Mason-Dixon Conference Wrestling Championship and is the only athlete in 15 years to receive three varsity letters in one year. He is also a member of the mile relay track team.

President of the Methodist Student Movement, Brother Jones is treasurer of the Junior Alliance Francaise, Beta Chi Chapter treasurer, Sports Editor of the *Eagle*, campus newspaper, and active in dramatics, chorus, and the men's "A" Club of the University.

A sociology major, Brother Jones is a member of Omicron Delta Kappa, national men's honorary, treasurer of Kappa Phi Kappa, national education honorary, a past candidate for the office of Student Association president, and one of fourteen students who were chosen for Who's Who in American Colleges and Universities.

Brother Jim "Mac" McLean, captain of the University wrestling team and twice a third place winner in the Mason-Dixon Conference Wrestling Championship, is a member of the American University Athletic Board.

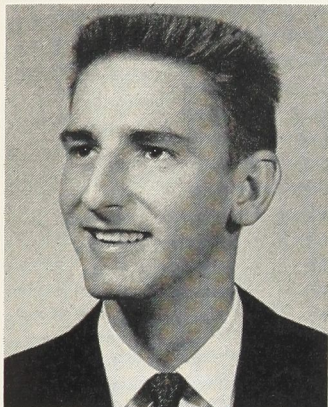

Brother McLean holds the best record ever held by an American University wrestler. Also on the wrestling team is Brother Skip Morgan, who won a fourth-place medal in the M-D championships.

The year at Beta Chi has been a successful one, as it always has been. We are proud to offer so many aspirants for campus positions for next year. With the spirit to push on and the willingness to work, Beta Chi in the future will be a name of which American University will be proud.

NATIONAL OFFICE
24 WEST WILLIAM ST.
DELAWARE, OHIO

Dear Brothers:

Not too many years ago your faithful Executive Secretary, Ralph Burns, beguiled my wife and me to the Pocono Mountains in September to attend the Fraternity's Biennial Convention. I enjoyed all of it very much.

This year the Fraternity is going back to the Poconos for its Convention and I have the pleasant opportunity to extend an invitation to you to attend. Please consider this a personal invitation to you to bring yourself, your wife, your kids, your grandchildren, and especially any daughters-in-law you may have.

If you come you may expect good food, good lodgings, good people plus an opportunity to see the results of powerful leadership among young men. You will also see some classmates, do some reminiscing and in general broaden your horizons.

Luther Campbell, Pennsylvania '47, of Allentown, Pennsylvania, under the eagle eye of his father, Roy, Pennsylvania '15, with the help of a strong Committee, is Chairman of the Convention.

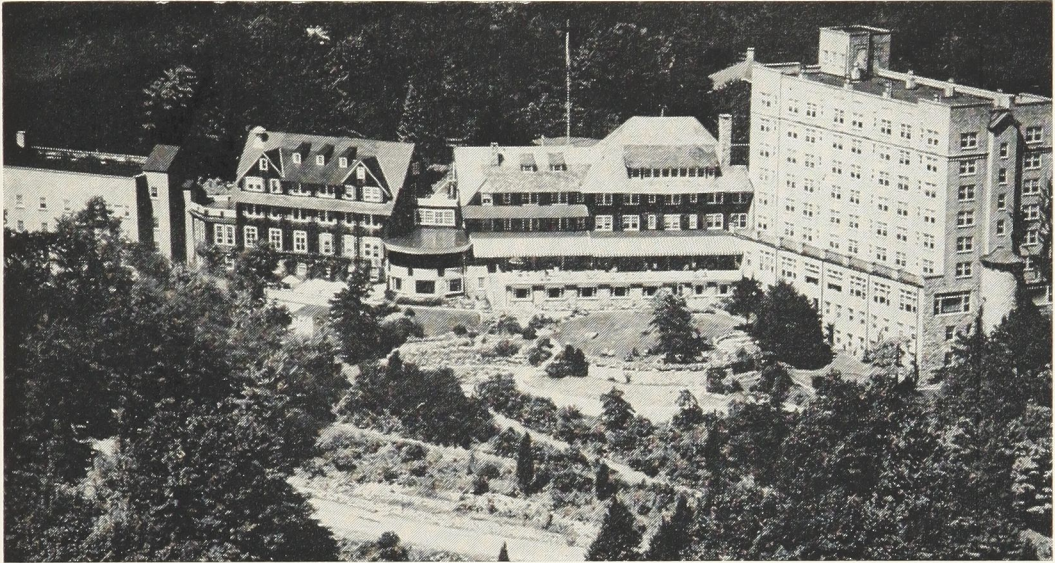

There is a reservation blank located somewhere else inside this issue, fill it out and come with us to the Poconos.

With best personal wishes, I remain

Sincerely and fraternally,

Charles T. Akre

1958 Fraternity Convention Pocono Manor, Pennsylvania September 3, 4, 5, 6, 1958

Pocono Manor Inn, Pocono Manor, Pennsylvania the site of the 1958 Convention of the Fraternity to be held on September 3, 4, 5, and 6, 1958.

The Twenty-fifth National Convention will be held at Pocono Manor Inn, Pocono Manor, Pennsylvania. Repeated suggestions were made since the 1952 Convention at Pocono Manor Inn that we return to this delightful spot in the Poconos—this has been the first opportunity, as you well realize.

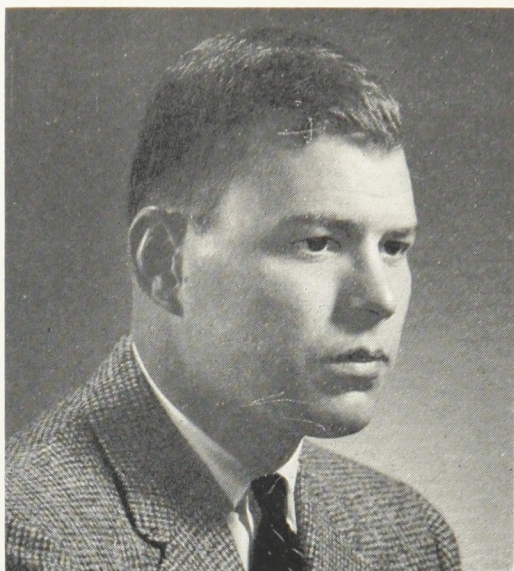

You're going to need a "break" along about Labor Day. Why not combine the regular holiday with an unforgettable attendance at the Convention on September 3, 4, 5, and 6? Come for all four days if you can—or come just for the weekend. But don't miss at least part of the fun and inspiration of an Alpha Sig Convention. You will have a wonderful association with your Brothers, undergraduates and alumni. Alumni are especially urged to bring their wives. Excellent recreational facilities at the Inn and nearby will make for a total vacation and an enjoyable change for alumnus and wife.

You're making your reservation? Fine, now how do you get there—well—

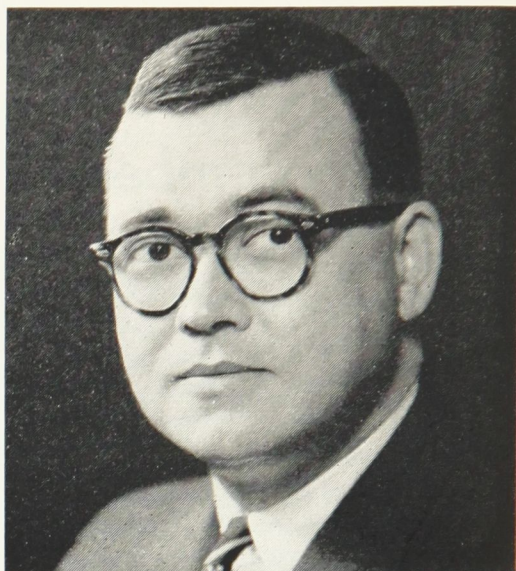

The Manor is serviced by the Delaware Lackawana and Western Railroad. Those

traveling from the West can make connections from Chicago to Buffalo, or go into New York and make connections in Hoboken, New Jersey. The Pennsylvania Railroad serves Philadelphia, middle and western Pennsylvania, and southern points with transfer at Newark to the Lackawana Railroad for Pocono Summit. The Manor limousine meets trains at Pocono Summit. From Scranton connections can be made via the D.L. & W. Railroad to Pocono Summit, or by Martz or Greyhound Bus to Mount Pocono. Bus service includes via Greyhound or Martz Bus Lines to Mount Pocono or Swiftwater. Guests will be met by calling 3611 on arrival or by making prior request.

Flight tips—From Pittsburgh via TWA or Allegheny Airlines, from Harrisburg via Allegheny Airlines; from Washington or Baltimore via Colonial Airlines to the Scranton-Wilkes-Barre Airport; from Cleveland via United Airlines to Allentown-Bethlehem Airport. Guests are met at the Scranton-Wilkes-Barre Airport, Avoca, Pennsylvania or at the Allentown-Bethlehem Airport. Private planes will find air-

port facilities at Mount Pocono.

If you drive, consult your map—from then on, you're on your own.

Just a few notes regarding the mundane details of the reservations—

Alumni and undergraduates—other than official delegates—should make their reservations direct with the hotel. The rates are \$18.25 per person daily, including tax and gratuity, American Plan, for a twin-bedded room with private bath and \$21.35 for a single room.

The Pocono Manor has made it possible for us to arrange to accommodate 35-45 non-delegates who may wish to stay in the Manor Lodge, which is adjacent to the Inn, at a rate of \$12.60 per day. This cost is on an American plan basis, including room, meals, tax and gratuity, and is a dormitory-type set up. Those Brothers staying in the Manor Lodge would take their meals with the others attending the Convention in Pocono Manor Inn. All brothers interested in this arrangement should make their reservations as soon as possible.

Just sit down now and make that reservation—please mention that you will be attending the Alpha Sigma Phi Convention, indicate which accommodations you desire, and address your envelope to: Pocono Manor Inn, Pocono Manor, Pennsylvania.

Luther R. Campbell, Jr., Omicron '47, is

the General Chairman of the 1958 National Convention. The name of Campbell is not new to Alpha Sigs from coast to coast.

Lu is the son of L. Roy Campbell, Sr., Omicron '15, Delta Beta Xi, Past Grand Treasurer of the Fraternity and auditor of the General Fund books of the Fraternity and present auditor of the Tomahawk Trust Fund. Roy, Sr. also served as General Chairman of the 1952 Convention held at Pocono Manor Inn.

Brother Lu Campbell graduated from the Wharton School of Finance in 1950, served in the Navy from '50 until '54, when he was released with the rank of Lieutenant. He is a partner of the firm of Campbell & McCollom, Certified Public Accountants of Allentown, Pennsylvania. Lu has been active in business, civic and service organizations in the Lehigh Valley. He is a member of the Chamber of Commerce, Kiwanis, Lehigh Chapter of C.P.A.'s, National Association of Accountants and the American Institute of C.P.A.'s.

Lu's vice-chairman is Ellwood A. Smith, Omicron '48, former Assistant Executive Secretary of the Fraternity and now Assistant Executive Secretary of the General Alumni Society of the University of Pennsylvania. An active Committee representing several Chapters are assisting the chairmen to plan an outstanding National Convention.

*Plan to Attend the
1958 Convention*

*Pocono Manor Inn
Pocono Manor, Pa.*

September 3-6, 1958

It has been suggested to us, and we concur, that all delegates and other undergraduates traveling to the Convention by car carry a distinctive and dignified marking so that it will be easy for traveling Sigs to spot another Sig car.

One piece of red grosgrain ribbon, $\frac{1}{2}$ inch wide and 18 inches long, and a piece of gray of the same width and length, properly attached to the top of the radio aerial should do the trick.

Convention Reservations

Members planning to stay at the Pocono Manor Inn should make their reservations directly with the Hotel. Reservation requests should be accompanied by check to cover cost during intended stay (\$18.25 per person per day in twinbedded room including meals, room, and gratuity, \$21.35 for a single room, \$12.60 per day for Manor Lodge accommodations.)

Featured speaker of the evening was Dr. J. Raymond Chadwick, Ohio Wesleyan '17, president of Iowa Wesleyan College.

servance of the 112th anniversary of the founding of the Fraternity.

In addition to Pennsylvania, the following Chapters were represented: Alabama, American, California, Cornell, Davis & Elkins, Lehigh, Massachusetts, Ohio Wesleyan, Penn State, Wagner and West Virginia Wesleyan.

The principal speaker at the dinner was Brigadier General James A. Richardson, California '29, who recently became Commander of the Frankford Arsenal in Philadelphia. Brother Richardson, after a few Fraternity reminiscences, spoke on the urgent need for young men who are trained in the sciences. His talk was quite fascinating as he drew upon many of his own collegiate and wartime experiences in what was a very sobering presentation.

The dinner was "toastmastered" by Brother Ellwood A. Smith, Pennsylvania '48, who prompted a few hearty laughs with what he frankly admitted to be "old material" used all over the country in his travelling days. Other speakers included John M. Wehner, Jr., Pennsylvania '43, President of Alpha Sigma Phi of Philadelphia, Inc., the Omicron House Corporation; Omicron H.S.P. Frank Tenusak; and Stephen P. Toadvine, Cornell '19, who as Omicron's Grand Chapter Adviser has become almost a "convert" except on Thanksgiving Day.

The honor of introducing Brother Richardson was accorded Brother William D. Gordon, Pennsylvania '16, Past Grand Treasurer and one of the first Sigs to welcome the General to Philadelphia. The Founders Day announcement also uncovered another Sig assigned to the Frankford Arsenal: the Executive Officer, Lieutenant Colonel Stanley W. Tyler, Massachusetts '30, who accompanied the General.

Alumni Brothers in Kansas City and undergraduate Brothers from Missouri and Missouri Valley Chapters celebrate Founders' Day.

At the suggestion of Past Grand Councilor Charles E. Megargel, Penn State '22, a committee was formed to plan a program for further activity by the Philadelphia Alumni Council. The committee, with Brother Smith as chairman, consists of: Angelo A. Di Pasqua, Pennsylvania '48; Lawrence Maxwell, Pennsylvania '48; Charles H. Murr, Alabama '36 and James Sanford, American '49. Area alumni who are interested in the Philadelphia Alumni Council and/or who wish to make suggestions should contact Brother Smith at 3401 Spruce Street, Philadelphia.

The Founders Day observance was the first activity by the Council in several years. Judging from the interest of those present, the Council should have a much more energetic future.
