

# Memorial Fund Goal Set

Two decades ago, in the Centennial year of the Fraternity, the Alpha Sigma Phi Memorial Fund was established. Although it remained relatively dormant, because of higher priority needs for several years, it began to develop strength in 1952.

Today the Memorial Fund has been designated by The Grand Council as one of the most important challenges of the future. Consequently a goal has been set to double the Fund's principal this year.

For the first time, contributions from Brothers to the Alumni Support Campaign will go into the Memorial Fund. Letters of explanation were sent earlier this month, and the campaign is underway.

The Fraternity's only fund that is approved by the U. S. Internal Revenue Service to receive tax-deductible contributions, the Memorial Fund exists primarily to encourage scholarship and leadership among our undergraduate Brothers.

It is administered by three trustees, one of whom is a member of the Grand Council, according to terms of its charter.

Trustees are:

Paul J. Cupp, Pennsylvania '21, chairman of the board and chief executive officer of American Stores Co., Philadelphia.

Hugh K. Duffield, Michigan '21, vice president and a member of the board of Sears, Roebuck & Co., Philadelphia.

Dr. Ray E. Glos, Illinois '22, grand treasurer of the Fraternity and a professor at the School of Business Administration, Miami University, Oxford, Ohio.

The Memorial Fund deserves the backing of Alpha Sigma Phi Brothers everywhere. Through annual contributions, or through terms of their wills, donors can reaffirm their belief in the Fraternity and the valuable contribution it can make to the education of young men.

Each contributor's name will be recognized by being permanently associated with the Fraternity in the work it is carrying on throughout the years.

More detailed information may be secured through the Fraternity Office, 24 West William Street, Delaware, Ohio 43015. A contribution form can be found on page

8 of this issue of the *Tomahawk*. For automatic qualification as a tax deduction, the check should be payable to Alpha Sigma Phi Memorial Fund.

## Purposes of the Fund

1. To enable or assist deserving young men, who may but need not be members of Alpha Sigma Phi Fraternity, to obtain or complete a college or university education.

2. To further learning by the establishment of scholarships, scholarship incentives and awards.

3. To seek and contribute to the attainment of high educational standards among college and university students.

4. To make, encourage and promote endowments and other donations to colleges and universities, including, but not limited to those where Alpha Sigma Phi Fraternity has chapters.

5. To conduct research work in the educational field and to supplement educational processes in colleges and universities.

6. To encourage and contribute to the improvement of education and scholarship and the development of high standards of honor, integrity, character and leadership among students of colleges and universities.

From this broad list of purposes, specific selection may be made by a donor to the Fund or by the Trustees, provided the specific purpose is exclusively charitable or educational and is within the general purposes of the Fund.

BROTHER ABEL

### Chairman Appointed

The Grand Council of Alpha Sigma Phi has appointed C. Wallace Abel, Westminster '44, chairman of the Fraternity's Committee on Expansion.

In his new office, Brother Abel will direct activities leading to the establishment of new Alpha Sig chapters at U. S. colleges and universities.

Among his duties are (1) corresponding with groups seeking affiliation with the Fraternity, (2) directing the preparation of petitions and subsequent investigations, (3) appointing investigating committees to visit petitioners and (4) making reports to the Grand Council.

Brother Abel, who was graduated from Westminster and the University of Missouri (M.A. in Journalism), is editor of *General Motors World*. A former newspaperman and journalism professor, he is the recipient of several awards and commendations.

Among them are first place, Edward A. Stern Awards for Company Publications, American Association of Industrial Editors, which he won last year; commendation from the Pennsylvania Secretary of Agriculture for an article in *The Press Bulletin* of the Pennsylvania Newspaper Publishers Association; a second place state award for editorials.

Brother Abel's *General Motors World* offices are in New York City.

Alpha Sigma Phi's second Educational Conference for undergraduates and alumni will be held on the campus of Morris Harvey College, Charleston, W. Va., August 25-28.

The conference, proven highly successful in its initial sessions in 1963, again will be directed by Grand Junior President John L. Blackburn, Missouri Valley '49, dean of men at the University of Alabama. Brother Blackburn, who directed the 1963 conference, was re-appointed to the position by Grand Senior President Dallas L. Donnan.

Using the case study approach, the 1965 Educational Conference will provide classes in programming (1) educational objectives of the chapter, (2) chapter scholarship, (3) financial affairs, (4) community relationships — other fraternities, IFC, college or university officials, campus organizations, alumni, and civic community, and (5) rushing.

Any undergraduate or alumnus member is invited to attend the four-day program. Total cost for room and board is \$24 per man.

Assisting Brother Blackburn will be

Grand Historian Dr. Frank J. Krebs, vice president for student affairs at Morris Harvey; Province XVII Chief James L. Fisher of Charleston; and Brother Donnan.

Alpha Sig Executive Secretary Ralph Burns, who is making plans now for the summer affair, expects attendance to exceed the 100 who took part in 1963. Enthusiasm displayed by participants that year provided encouragement for continuing the project, alternating summers with the National Convention.

Group participation sessions will be mixed with special convocations during the conference. Delegates will be divided into groups, according to their major interests for the case study sessions.

Outstanding alumni from business and education will serve as session leaders and speakers. Emphasis throughout the conference will be on developing ideas of leadership, rather than attempting to present rigid procedures.

A commencement luncheon will conclude the 1965 conference.

He was manager of the United States team in the 1963 Pan American Games and holds office in several national and international wrestling organizations.

Dr. Harry S. Manley, Westminster '39, academic dean of Monmouth College, has been named fifteenth president of Muskingum College, New Concord, Ohio. He will begin his work at Muskingum August 1.

"Dr. Manley has been an outstanding administrator during a great period of progress at Monmouth," Dr. Duncan Wimpres, president of Monmouth College, said, "and we regret to see him leave. But we recognize that he has great opportunities before him at Muskingum."

# Gamma Zeta Reactivated at Bowling Green

Gamma Zeta Chapter, Bowling Green State University, Bowling Green, Ohio, was reactivated on March 13, 1965. The installation program began with a special dinner for the new initiates at the Chapter house, served by the undergraduate Brothers from Findlay College. The entire dinner was held in silence.

The initiation ceremony began Friday evening and concluded Saturday afternoon. A reception was held at the Chapter house on the Bowling Green campus and the Installation Banquet was held in the Alice Prout Dining Room of the Student Union Building. After the installation banquet, a dance was held at the Chapter House.

Weekend activities were completed by Chapter members and representatives from the Fraternity attending church services on Sunday at the Thomas Moore Chapel and a tea given Sunday afternoon by Alpha Delta Pi, one of the national sororities on campus.

Bowling Green is one of the outstanding fraternity schools in the country. Other national Fraternities at Bowling Green are: Alpha Phi Alpha, Alpha Tau Omega, Beta Theta Pi, Delta Tau Delta, Delta Upsilon, Kappa Sigma, Phi Delta Theta, Phi Kappa Psi, Phi Kappa Tau, Pi Kappa Alpha, Sigma Alpha Epsilon, Sigma Chi, Sigma Nu, Sigma Phi Epsilon, Tau Kappa Epsilon, Theta Chi, and Zeta Beta Tau.

Gamma Zeta Chapter was first installed at Bowling Green in 1950, continuing in existence until 1955. Delta Lambda Fraternity was organized in the Fall of 1963 and

petitioned Alpha Sigma Phi in the summer of 1964. The Grand Council of the Fraternity considered its petition at the 1964 Convention. The local was granted Colony status because it had no experience in living in and operating a chapter house.

Bowling Green, which houses all fraternities on campus, was able to make a house available to the Colony in the Fall of 1964. At the January, 1965 meeting of the Grand Council, the Colony was notified it would be installed in the spring of 1965.

The initiation was under the direction of Executive Secretary Ralph F. Burns, assisted by undergraduate representatives from Findlay and the University of Toledo.

Principal speaker at the Installation Banquet was Grand Junior President John L. Blackburn, Dean of Men at the University of Alabama. Brother Blackburn traced changes in the field of higher education in the United States, indicating contributions which Fraternities have played in the area of student life and will be able to play in the future. He challenged the new Chapter not to "imitate but initiate" on the Bowling Green campus new ideas of fraternity operation.

Dr. Kenneth H. McFall, vice president of Bowling Green, brought greetings from the University and challenged the undergraduate Chapter to a realization of fundamental values which will continue to give strength to the fraternity system and student life at Bowling Green State University.

## Councilman Honored

The "Outstanding Young Man of 1964" in the city of Toledo is a personable Alpha Sig named Robert Savage, Toledo '56, who also holds the distinction of being the youngest city councilman in the city's history, having been elected at the age of 25.

Brother Savage, a partner in the John F. Savage Insurance Agency, received the honor from Toledo's Junior Chamber of Commerce in March. Mayor John Potter made the presentation during ceremonies, which included a run-down of Savage's civic record, presented by former Congressman Robert A. Taft, Jr.

Active in civic and church endeavors, Brother Savage also is a member of the Democratic state board of directors. Ironically, he was president of the Young Republican Club while a student at Toledo University.

Among the civic organizations in which he was active in 1964 were the Jaycees, Lucas County Improvement Association, Toledo Opera Association, Board of District Nurses Association, Joint Citizens Committee of the Toledo Area Hospital Association, Boy Scouts of America, City Charter Revision Committee, and Citizens Committee for Passage of Port Levy.

## Physicians Pay Tribute to Dr. Christie

At the Department of Pediatrics at Vanderbilt University there is a new portrait of the department chairman, Dr. Amos Christie, Washington '21.

The portrait is the gift of more than 180 pediatricians who presented it as a tribute to their famous teacher. It was unveiled at a program given in his honor in February.

When Dr. Christie joined the department 20 years ago there were no research grants available. Last year the department received \$252,914 in research grants from foundations and institutions, public and private.

Four physicians trained by Brother Christie now are chairmen of de-

partments. Four others are directors of children's hospitals or pediatric services. And 33 are in academic medicine full time. Forty-five are in group practice with other pediatricians and 22 are in mixed group practices.

Appointments of Dr. Christie read like a list of major U. S. medical positions, and articles by or about him have appeared in 95 publications.

THE TOMAHAWK is published four times a year, in January, April, July, and November, by the Lawhead Press, Inc., Athens, Ohio, U.S.A. for Alpha Sigma Phi Fraternity. Fifty cents a copy.
