

The entire 1910 Alpha Sigma Phi National Convention. Held in Marietta, Ohio. Seated on the top of the steps, third from right, is Edwin Waterbury, Alpha, who along

with Wayne M. Musgrave of Alpha, was responsible for the "Second Founding" of Alpha Sigma Phi and its rebirth as a national fraternity. The Second Founding in

1908 and the remarkable contribution of Waterbury and Musgrave is just part of the rich heritage of the "Old Gal".

Every Chapter has added to the rich heritage of Alpha Sigma Phi

Few fraternities can match the remarkably rich history of Alpha Sigma Phi.

Any pledge worth his salt can retell colorful events from the "Old Gal's" past: The founding in 1845 at Yale; Delta Beta Xi continuing the traditions *sub rosa* in 1864; loyal Cincinnati alumni keeping Delta Chapter at Marietta alive in 1880 with the first Sig Bust; the second founding in 1906 at Yale which led to Alpha Sigma Phi becoming a truly national fraternity.

So perhaps it is understandable that not quite as much is made of the histories of individual Chapters. Yet each Chapter has a story that is worth repeating.

Iota, Cornell University, for example, should have been initiated on March 26, 1909, when a group of ten men went to Yale for the ceremonies. But one man became separated from the rest, and the night was spent in search for him. He was found, sleeping in a Yale brother's room, waiting for instructions. The group was initiated on March 27.

Wayne M. Musgrave, who led the Fraternity from 1907 to 1923, is credited in orchestrating

the founding of 20 Chapters during his leadership. Chapters such as **Mu**, University of Washington, **Zeta**, Ohio State University, **Eta**, University of Illinois and **Theta**, University of Michigan, are direct results of Musgrave's contributions. Both Eta, formerly the Eos Club, and Theta traveled to Marietta in 1908 to be officially initiated.

Four of today's active Chapters became part of Alpha Sigma Phi with the 1939 merger with Phi Pi Phi. **Alpha Mu**, Baldwin-Wallace College, began as Mu chapter of that fraternity in 1926. **Alpha Nu**, Westminster College, where they are still called "Phippies", started as Nu of Phi Pi Phi. The Fraternity's Gamma chapter was installed in 1923 at the Armour Institute of Technology and the Chapter is now **Alpha Xi** of Alpha Sigma Phi at the Illinois Institute of Technology. **Alpha Pi**, Purdue University, proudly displays its 1930 charter as Phi of Phi Pi Phi.

According to **Grand Historian Frank Krebs**, **Mount Union '29**, 17 active Chapters and the **Beta Delta** Colony at Marshall University were

part of Alpha Kappa Pi, making the 1946 merger one of the single greatest contributors to the growth and continuance of Alpha Sigma Phi. "It was a good marriage," says Dr. Krebs.

Alpha Sigma Chapter at Wagner College gave Alpha Kappa Pi its name when that local joined with a local at Newark Technical College in 1926 to form a new national fraternity. Since the Wagner group had the honor of providing the name, the Newark group was given the Alpha designation and the Wagner chapter became Beta.

Alpha Tau, Stevens Institute of Technology, began as a local fraternity called Phi Nu, which became Gamma of Alpha Kappa Pi in 1926. Lambda Tau Delta, a local at Coe College became Zeta in 1928, then **Alpha Chi** during the 1946 merger with Alpha Sigma Phi. **Alpha Psi**, Presbyterian College, began as Phi Delta Tau, a local, and became Eta of Alpha Kappa Pi in 1929.

became Nu of Alpha Kappa Pi in 1930 and is now **Beta Epsilon**.

Beta Zeta, North Carolina State University, began as the Alpha Klub in 1929, formed by Albert E. Nebett, an Alpha Kappa Pi transfer from the Newark College of Engineering. In 1930 it became Xi of Alpha Kappa Pi. By remarkable coincidence, Phi Pi Phi chartered the Sigma Delta local at N.C. State as its Xi chapter! That local had been established in 1920. In 1927 the Phi Pi Phi chapter lived in a house at 10 Enterprise Drive almost half a century later, the reactivated Beta Zeta Chapter—with no knowledge of the house's history—moved into 10 Enterprise Drive!

Alpha Kappa Pi acquired many local fraternities during its history. Some of these went on to become Chapters in Alpha Sigma Phi. Phi Lambda Sigma was founded at Rutgers University in 1926. It became Rho of Alpha Kappa Pi in 1931 and now stands as **Beta Theta**.

Lambda Tau fraternity at Wake Forest was installed as Chi of Alpha Kappa Pi in 1932. Today it is **Beta Mu**. Hartwick College got its first national fraternity when Alpha Sigma Chi local became Alpha Alpha of Alpha Kappa Pi. At the 1946 merger it became **Beta Xi**.

Beta Omicron, Tri-State University, traces itself to Alpha Delta Alpha, founded in 1924, which became Alpha Beta of Alpha Kappa Pi in 1935.

Phi Epsilon Alpha fraternity was born at American University in 1937 and became Alpha Iota of Alpha Kappa Pi in 1940. Today it is **Beta Chi**.

Two national fraternities played important roles in the growth of Alpha Kappa Pi. Theta Nu Epsilon, founded in 1870 as a sophomore society at Wesleyan University in Connecticut, had a turbulent history which led to its disbandment in 1940, gave Alpha Kappa Pi two chapters. Lambda of Theta Nu Epsilon, started

An afternoon tea at Delta Chapter, held in conjunction with the 1910 National Convention of Alpha Sigma Phi.

in 1882 at Rensselaer Polytechnic Institute, became Alpha Kappa of Alpha Kappa Pi in 1940, and is now **Beta Psi**. Ohio Northern University was the birthplace of Theta Nu Epsilon's Omicron chapter in 1923, which became Alpha Lambda of Alpha Kappa Pi in 1924. The Chapter is now known as **Gamma Alpha**.

Sigma Delta Rho was the other fraternity that played a prominent role. Zeta Omicron, founded as a local in 1921 at the University of Toledo, became Gamma chapter of Sigma Delta Rho in 1924. In 1925 Kappa Alpha Chi local was born at the University of Cincinnati. It became Epsilon of Sigma Delta Rho in 1927.

When the Great Depression began, Sigma Delta Rho, which had never been a large national, began to suffer and actually failed. In 1937 the Toledo chapter became Alpha Delta of Alpha Kappa Pi and the Cincinnati group became Alpha Epsilon chapter. With the 1946 merger with Alpha Sigma Phi, the Toledo group became **Beta Rho** Chapter and the Cincinnati group became **Beta Sigma** Chapter.

Alpha Sigma Phi was boosted with a third merger which took place in 1964 with Alpha Gamma Upsilon. Today three Chapters resulting from that merger are still active in Alpha Sigma Phi. Alpha Gamma Upsilon's Nu chapter, founded in 1951 at Lycoming College, became **Gamma Rho** at the merger. Alpha Sigma Phi's **Gamma Upsilon** Chapter at Eastern Michigan University was Alpha Gamma Upsilon's Iota chapter founded in 1948. **Gamma Psi** Chapter, Lawrence Institute of Technology, was Epsilon of Alpha Gamma Upsilon, established in 1933. Following the 1964 merger, the group had to wait four years for accreditation of their institution before being chartered in Alpha Sigma Phi.

Several Chapters of Alpha Sigma Phi have their roots in social clubs and local fraternities as did **Delta Delta**, Slippery Rock College, and **Delta Epsilon**, Rio Grande. Many of these groups operated for several years before becoming part of the national. **Omicron**,

University of Pennsylvania, grew out of the Comedy Club. Seven members went to Yale on May 14, 1914, for initiation, and then on to New York City where the Chapter was formally installed by Wayne Musgrave.

The Alvarado Club at Stanford University became **Tau** Chapter in 1917. The Viking Club met for six years before it received its charter as **Upsilon** Chapter of Alpha Sigma Phi in 1918 at Penn State University. Many traditions in use today at **Psi** Chapter, Oregon State University are traced back to the Aztec Club founded in 1912. Psi received its charter in 1920.

Alpha Alpha Chapter at the University of Oklahoma was chartered in 1923, but began as Delta Kappa Rho local fraternity in 1921. The Tri-C Club at Missouri Valley College first met in 1927 and later changed its name to Alpha Delta Kappa. In 1945 the local was granted a charter as **Alpha Omicron**.

Delta Sigma, a local at Davis and Elkins College, was founded in 1946 with the intent of seeking national affiliation. In 1947 the group petitioned Alpha Sigma Phi and was granted status as **Gamma Delta** in 1949.

The Rover Club at Bowling Green State University was founded in 1946. Out of that club came the Chi Alpha local fraternity which petitioned for Chapter status in 1950 and was granted the designation **Gamma Zeta**.

Gamma Lambda, Atlantic Christian College, was the first local fraternity on campus—Sigma Alpha. In 1958 the group petitioned for and was granted a charter in Alpha Sigma Phi. Findlay College was the home of Alpha Kappa Omicron, a local founded in 1961. By 1964 the local had become **Gamma Pi** of Alpha Sigma Phi. Sigma Delta Phi was a local with a ten year history at Loyola University before it became **Delta Alpha** Chapter in 1968.

Two Chapters are the results of splits in local fraternities. Phi Alpha Chi at Concord College could not decide which national they wished to join. In 1964 the group that wanted to become part of Alpha Sigma Phi split off,

Visit with the Chapters as they make news across America

Delta **Marietta College**

Delta's all-Greek Derby Day drew a crowd of 12,000. Then, at homecoming, alumni came home from as far away as Oklahoma.

For charity, undergrads conducted a fund-raiser for the American Cancer Society. To better the Chapter's formal lounge, brothers held another fund-raising drive headed by alumnus C. Edward Stitt.

Eight Delta undergrads played on the Marietta baseball team. And the Chapter initiated eight new men this year.

Zeta **Ohio State University**

A big "thank you" to alum Chuck McLean for helping re-cement part of the front porch.

This year also saw 13 new pledges and a second place title in co-rec volleyball.

Eta **University of Illinois**

House improvements highlighted the year at Eta. There's new landscaping in the front yard and next fall brothers hope to repair the Chapter house roof.

Brothers' mothers enjoyed this year's new furniture at a very successful Mother's Day celebration. And eight pledges helped Eta win third place in the Delta Gamma Anchor Splash.

becoming Sigma Delta Phi and remained local for another two years before being chartered as **Gamma Phi**. Only part of Delta Omega Nu at Northern Michigan wanted to go national. The Alpha Sigma Phi Club was founded in 1967 and gained its charter as **Delta Beta** in 1968.

In more recent years several Chapters of Alpha Sigma Phi were begun as locals or clubs with the original intent on becoming a part of the Fraternity. Some like **Gamma Mu**, University of Charleston (formerly Morris Harvey College), first started in 1950 as Sigma Delta Phi and remained local for ten years before gaining Chapter status!

Lambda Zeta Rho was formed at PMC—now Widener College—in 1961 intending to

Theta **University of Michigan**

This year brothers boosted the Alpha Sigma Phi image on campus. A job well done as evidenced by a second place in the Greek Week Variety Sing, a first in the Greek Week Bed Race and a third place in overall Greek Week competition.

Theta also captured third place in the Gamma Delta Anchor Splash, earned the highest GPA on campus for all Greeks, and raised \$400 for the Humane Society.

Two all-campus rush parties each semester really helped get Alpha Sigma Phi known on campus.

During fall, Theta reached Division A football playoffs, and enjoyed theme parties with Pi Beta Phi and Alpha Omicron Pi.

Structurally, 1979-1980 brought new paint in the kitchen and storeroom. Now, the men want a new pool table.

Iota **Cornell University**

Iota got down on its hands and knees to sand and refinish all the house's hardwood floors. The kitchen and party room also got a revamping.

Brothers painted the house inside and out. And later put new insulation in the attic.

become Alpha Sigma Phi. **Gamma Xi** was the designation given to the group in 1962.

With the aid of **Stan Miller, Purdue '64**, then a graduate student at the University of Indiana, Sigma Phi local was formed in 1966. The members were pledged to Alpha Sigma Phi in 1967 and in 1968 was chartered as **Gamma Chi**. Stan Miller now serves on the Grand Council.

With the 1970's came the "Old Gal's" drive to establish new Chapters and to revive inactive ones. **Delta Zeta**, University of North Carolina at Charlotte, received its charter in 1979, but began its drive for Chapter status as a local, Delta Kappa, in 1975. In fact, Delta Zeta's activity led to the forming of the group that reactivated Beta Zeta Chapter at N.C. State.

At left, Ames area alumni and undergraduates gather for a special function at Phi Chapter, Iowa State University. Center, for Phi, Iowa State, 1980 marked a special occasion . . . passing the 600 mark of number of initiates. And here are initiates number 600, 601, 602 and 603. A fine-looking group but we weren't told who is what number or what their names are! Above, brothers from Alpha Nu, Westminister, played host to the kids from the local Head Start program. And older kids had as much fun as the younger kids did.

Away from the hard work, brothers cheered on the USA team at the Winter Olympics in Lake Placid, New York. Then, undergrads celebrated with alums at a spectacular Fourth of July get-together—complete with fireworks and a softball game. Earlier in the year, over 130 people attended homecoming festivities.

Mu **University of Washington**

When it comes to rush, Mu goes all out. This year two brothers were hired—given free room and board for one year—to coordinate the program. Also, everyone participates in all rush events—even during the summer. Mailings go out regularly.

During a productive summer "work week", twenty-nine pledges built a new sun deck atop the Chapter house.

To better alumni relations Mu created a new position—Director of Alumni Affairs. Already, the Chapter has placed its list of alumni addresses on computer to help keep the list of "lost brothers" to a minimum.

Lois Anderson, the new cook, kept the men stuffed and cooked up a storm during half a dozen exchanges with sororities. One recent dinner guest was the university's new president, Dr. William Gerberding.

(continued next page)

Delta Eta, East Carolina University, was first formed as the Nu Chi Colony in the spring of 1978. In December of 1979, it became one of the newer members of Alpha Sigma Phi. **Gamma Omicron**, Tulane University, first founded in 1964, was reactivated in February of 1980, after an eight year absence.

Three of Alpha Sigma Phi's Colonies are reactivations of Chapters. **Alpha Theta**, University of Missouri, first founded in 1929; **Gamma Theta**, University of Miami, first founded in 1952; and Marshall University's Beta Delta. And two Colonies—Delta Theta at Radford University and Phi Zeta at Longwood College—are eagerly building their own histories in becoming a part of the brotherhood of Alpha Sigma Phi!

Here she is—Sharon L. Stanek, the 1980 Alpha Sig Sweetheart. Nominated by Gamma Alpha, Ohio Northern University, Sharon is social chairman for Delta Zeta Sorority. She is a business management major, an accomplished musician (flute, piano, guitar) and is a varsity cheerleader. A member of Gamma Alpha's Little Sister program, she created a special hook rug for the Chapter featuring Fraternity symbols. She is Ohio Northern's reigning homecoming queen as well. All together now: "Who says Sweetheart to you . . ."

Omicron University of Pennsylvania

Three highlights this year—Twenty-two pledges, many house improvements and a special casino night to benefit Muscular Dystrophy.

Tau Stanford University

A homecoming champagne brunch brought back 200 dedicated alums.

For extracurricular, but educational, activities, the Chapter hosted Thursday culture dinners, when members heard different speakers from the area.

For social festivities, the Chapter enjoyed a raft trip, a wine-tasting party and a tequila sunrise bash.

Upsilon Pennsylvania State University

Upsilon ranks well at Penn State. This year it placed seventh in overall intramural competition, sixth in the homecoming competition and eighth academically among all fraternities.

Relations with alumni are also good. Many newsletters go out and homecoming saw one of the largest turnouts ever.

Phi Iowa State University

Phi said "so long" to their cook of ten years, now retiring, Thora Christenson. But they said "hello" to a new black labrador mascot.

Phi initiated its 600th brother this year and filled the house in doing so.

The new pledges challenged the actives to a football game. And the Little Sisters roller skated often with the undergrads.

As service projects, Phi painted 200 picnic tables in a local park with Alpha Xi and later trick-or-treated for UNICEF.

The Chapter entered Barb Brownell in the Alpha Sig Sweetheart contest and the Inter-Fraternity Council recently elected Brother Todd Harris as its president.

Psi Oregon State University

Psi brothers are big on rush. The Chapter organized the program in detail. It worked! An excellent pledge class filled the house.

Runners-up in the 1980 Alpha Sig Sweetheart competition: Lorene Washburn, left, nominee of Alpha Sigma Wagner. A special education major, she is president of Alpha Tau Mu sorority and was one of the founders of Alpha Sigma's Little Sister program. Jane Haskins Bruce, right, nominee of the Longwood College Colony has a near-perfect "A" average in her science major. She has taken an active role in all functions of the Colony when she isn't working as a Longwood cheerleader.

Gamma Chi Chapter, Indiana University, held a special Black and White dance at Bloomington's Fireside Inn. They got all dressed up and a good time was had by all.

Psi had the biggest Christmas tree on campus—30 feet tall. Also during the winter months, the brothers chopped fire wood for retired senior citizens.

Alpha Alpha University of Oklahoma

Alpha Alpha is spreading the Phoenix around the state of Oklahoma. Brothers and alumni hosted two rush parties in Norman, Oklahoma and three throughout the state.

On campus, the men took part in intramural sports, campus government and Greek activities.

Next door to the Chapter's present apartment annex is Alpha Alpha's new, handsome, two-story house.

Alpha Theta Colony University of Missouri

Duck! Soon to come is the Alpha Theta Thunderbolt. That's the Colony's new newsletter.

Alpha Nu Westminster College

Tradition is back at Alpha Nu. And it's a success. Undergrads and alumni shared in a memorable Black Lantern ceremony this year. And over 50 alums returned for homecoming. The Chapter's float featured the Phoenix.

Once again, the men sponsored the Eat-a-thon for Epilepsy.

Outside the house, brothers painted. Inside, there's new carpet in the Chapter room. But that's not all. There's \$3,000 worth of improvements planned for next year—including a switch from oil to gas heat.

Alpha Xi Illinois Institute of Technology

September's Black and White—40 alumni couples and 35 undergrads with dates attended—highlighted the year at Alpha Xi.

Brother Ted Dahlstrom receiving the Delta Beta Xi award was another highlight.

Alpha Pi Purdue University

Pledges painted an impressive new sign for the front lawn and then network TV gave time to a sheet sign the undergrads and Little Sisters brought to the Bluebonnet Bowl in

Houston, Texas.

Everybody chipped in to improve the house. The Parent's Club donated a fireplace screen, grate and blower. And alumni helped to remodel and expand the Chapter's library and guest facilities.

Alpha Sigma Wagner College

Pledge education is taken seriously at Alpha Sigma. There are bi-weekly meetings emphasizing Chapter history, operations and rush. That program produced ten new initiates this year.

Christmas activities included a costume party and a visit to a nearby nursing home. Later, the men sponsored a dance marathon for Multiple Sclerosis. In another charity benefit project, the Chapter placed second.

The men also captured third place in the campus Songfest.

Ms. Lorene Washburn, sponsored by the Chapter, was first runner-up in the Alpha Sigma Phi Sweetheart competition.

Many alumni returned for the Talisman Ball. Now, any alums interested in a special reunion next year should contact HSP Frank Vigliarolo.

Alpha Tau Stevens Institute of Technology

Alpha Tau brothers are junk food junkies. At least during studying hours. To boost Chapter funds, Alpha Tau sells twinkees, fruit pies, and donuts to brothers hitting the books. Oh, there are also exam files, studying tables and scholastic awards to encourage good grades.

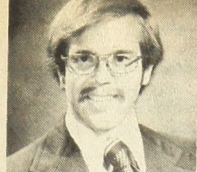

Thanks to great alumni support the house is in tip-top shape with a new patio and storm windows.

On the social scene were a toga party and the annual canoe trip.

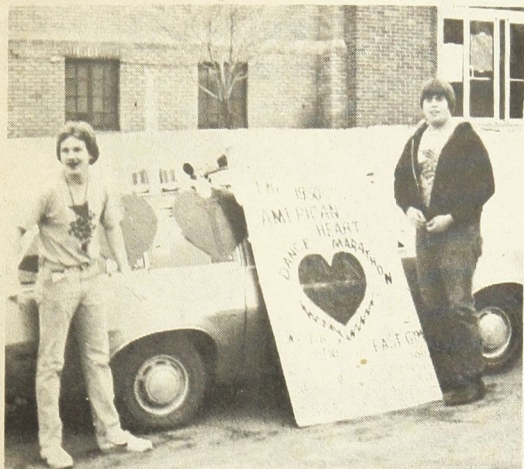

Brother Gary Smith is Inter-Fraternity Council president. Tom Simons is IFC rush chairman. And last winter, all the brothers shoveled snow for neighbors.

Alpha Chi Coe College

Alpha Chi is one of the bunch now. The Chapter is moving into Green Hall, the campus

Eric Jacobson, Michigan '74, is an Alpha Sigma Phi volunteer who assisted in the editing of this section of Chapter reports. Jacobson, a public relations staff member of Harris Corporation, Broadcast Products Division, Quincy, Illinois, also authors occasional feature articles for **The Tomahawk**. If you don't see your Chapter represented here, please communicate your disappointment directly to the Chapter.

The American Heart Association was over \$2000 richer at the end of a 48-hour dance marathon, thanks to Delta Delta Chapter, Slippery Rock State College. It was a big undertaking that involved the entire Chapter. Henry Passerini and Pete North, left, publicize the event. Passerini, who chaired the event, presents the winner's trophy, right, to Frannie Yurkoski, left, and John Usar, center.

dorm which houses all the fraternities on campus.

The Chapter also helped move eight families into their new homes.

This fall, the undergraduates hosted the Alpha Sig Olympics for the entire Greek campus.

Alpha Psi Presbyterian College

A fulfilled social calendar made this year special at Alpha Psi. First a riverboat celebration where brothers dressed in appropriate attire. Then, the annual Black and White dance. And finally, the Hawaiian Holiday party with alums.

Something new—The Chapter newsletter got a revamping. And congratulations to Jeff Taylor—the new Inter-Fraternity Council president.

Beta Epsilon Lehigh University

The Chapter celebrated its 50th anniversary at a spring banquet with Grand Senior President Rick Dexter as main speaker.

The undergrads ranked first academically out of 34 fraternities on campus. Their outstanding grade point average topped all sorority scores too!

At Christmas, Beta Epsilon threw a party for 15 teenagers from the Valley Youth Center. A month later, the brothers treated themselves to a superb ski trip.

Beta Zeta North Carolina State University

Beta Zeta spread a lot of good publicity around campus this year. Brothers participated in the college's Great State Professor Race and the Inter-Fraternity Council food drive. And then, as a new rush tactic—they sponsored exam breaks in school dorms. Drinks, snacks and conversation with the men of Beta Zeta were free to all studiers.

Beta Theta Rutgers University

What a year! A new approach to rush—emphasizing one-on-one—brought in six new pledges. The Chapter earned the highest grade average on campus. And the men

revived the Alpha Sig Triangle newsletter.

A bike-a-thon aiding the American Cancer Society raised nearly \$2,000, doubling last year's total.

Sports-wise, the men placed first in intramural wrestling and fourth in volleyball. Now, the brothers are making plans for the Chapter's upcoming 50th birthday.

Beta Mu Wake Forest University

Records were set at Beta Mu this year. First a record turnout for the annual Beach Blast. Then alums set a record with their generous contributions.

A banner made by brothers and Little Sisters got network TV air-play during the Tangerine Bowl in Orlando.

The pledge class built a patio and barbecue grill for the front yard.

Welcome to new Chapter faculty advisor Dr. Moses. Congratulations to John Hendler and Jim Kusel—captains of the Wake Forest University varsity basketball and swim teams respectively. And thanks to the brothers' parents for donating a bumper pool table.

Other highlights—The Chapter won overall Greek Week competition and hosted the Province VII Conclave last March.

Beta Omicron Tri State University

Thursdays were important this year at Beta Omicron. That's when the undergrads hosted peanuts and beer nights to help raise money for special social and rush functions.

Beta Rho University of Toledo

Beta Rho can't be beat. In sports that is. The Chapter has proudly captured the all-sports trophy for 19 out of 20 possible years. It's become an Alpha Sig tradition. The brothers also took first place, men's division, in Spring Songfest.

Brother Nadeem Salem is student body president. And graduating brother Jeff Schwind will be a Fraternity Chapter Consultant next year.

Road trips to nearby Chapters and many fine social events—hayrides, wine and cheese

parties—occupied the men's free time.

For home improvements, Beta Rho fixed the house's plumbing and electrical system.

The Chapter hosted the Province IV Conclave last spring.

Beta Chi American University

Beta Chi has come a long way from two and a half years ago when it was only at colony status.

The Little Sister membership continues to grow and the first Beta Chi Bell newsletter since 1978 came off the presses again this year.

To strengthen brotherhood, the men held two campouts/retreats and discussed Chapter organization and operations.

For rush, the Chapter published a special "Facts to know about Beta Chi" handout.

Softball, basketball and soccer kept the undergrads in shape as did the very competitive alumni vs. active softball game during April's Sig Bust weekend.

Beta Xi Hartwick College

Beta Xi Alpha Sigs are true scholars. Of six top awards given by the college for above-average academics, all went to Beta Xi Chapter.

This year, Little Sister membership grew, improvements were made to the house and the rush committee conducted several rush workshops.

Best social event was the Sauna and Ice Swim.

Beta Psi Rensselaer Polytechnic Institute

Competition was fierce at March 5th's annual alumni hockey game. Alums barely won 7-6.

On campus, the men proved themselves athletically and academically by placing within the top ten in each category. They also clinched the 'B' League intramural ice hockey title.

A special alumni banquet honored retiring Adrienne Shackett, Beta Psi's cook of eight years.

Making for good community relations, the

Chapter reports

Chapter hosted an open house for neighbors.

On the social scene were a funky clothes party, an egg hunt at Easter, a spring picnic and an ice skating party.

A new pinball machine provided some extra profits for the house. And to help save some money, the men formed a new energy committee that discusses methods of making the house more energy efficient. First two suggestions are storm windows and a new furnace.

Gamma Alpha Ohio Northern University

Football touchdowns at Ohio Northern mean a lot to Gamma Alpha—because there are 34 brothers on the varsity team, 20 of them letter winners.

During Greek Week, the Chapter hosted the ever popular Sig Olympics.

Gamma Delta Davis & Elkins College

New this year was a spiffy walk-up bar in the party room, plus plans for a new newsletter.

Gamma Zeta Bowling Green State University

Non-alcoholic social events were successful at Gamma Zeta this year. Movie matinees and roller skating trips were the most popular.

On the weekends, brothers take turns cooking special ethnic dinners of their choice.

The annual Florida Fling raffle netted close to \$2,000 for the United Fund—enough for another heart machine for Wood County Hospital. (Gamma Zeta funded the first machine last year).

To raise money for new house furniture, the men will sell Greek T-shirts. There's already a new microwave oven in the kitchen.

In sports, Gamma Zeta fielded teams in tennis, soccer, racquetball and football. The Chapter brought home a trophy for second place in all-fraternity intramural basketball.

Larry Philippi '76, and Executive Director Kevin Garvey conducted two effective rush and goal-setting workshops.

Gamma Lambda Atlantic Christian College

When the "Wilson Blizzard" struck, brothers shoveled snow for neighbors and helped the university's food service workers get to work by using the Chapter's four-wheel vehicles.

Earlier, homecoming attracted a huge alumni turnout. And brothers took a special bus trip to Delta Eta's chartering banquet.

Stardom blessed the men at Atlantic Christian—a first place in the Greek Sing brought the Chapter's outstanding performance to Cable-TV in Wilson.

Gamma Rho Lycoming College

All good news from Gamma Rho. Scott Vautin was elected Inter-Fraternity Council president. Rush netted 15 new pledges. And many alumni returned for a great Spring Fling event.

New paint brightened the Chapter house. Next year's forecast includes paint for the lounge and upstairs hallway.

Car washes and light bulb sales helped boost Chapter funds.

Upper left, Mu Chapter, University of Washington, turned its house into a giant display at homecoming, proclaiming "With the roses at Stake, the Trojans will Break." Right above, Chapter Consultant Rob Sheehan, left, meets with Lou Socia of the Radford University Colony. Trained professional staff members visit with every Chapter, often providing special workshops and seminars determined by Chapter needs. Left below, Beta Theta Chapter, Rutgers University, adds a distinctive touch to one of its entrances. (Did Mr. Hefner pay for the paint?) Right below, no, it's not Halloween. It's Mu Chapter, University of Washington holding a theme exchange with a sorority. What was the theme? Why Punk Rock, of course!

Gamma Upsilon Eastern Michigan University

A one-on-one rush strategy at Gamma Epsilon and assistance with Theta's rush parties helped both Chapters grow this year.

Brothers have donut sales and work at basketball games to raise money for the general budget and perhaps a new Chapter house.

Gamma Phi Concord College

Twelve men joined the 35 brothers at Concord to celebrate this year's Black and White. And what an event that was. First a picnic. Then a dance. And on the following morning, a special breakfast.

Other significant events—The Little Sisters' constitution was completed and Gamma Phi sponsored the second place winner in the college's homecoming queen competition.

Gamma Chi Indiana University

Gamma Chi entered Miss Terry Smith in the Alpha Sig Sweetheart competition and she won! Another winner was John Garvey, whose college talent show act got national TV air-play.

The American Cancer Society commended the Chapter for its community service efforts. Now a tradition, Gamma Chi hosted with Sigma Kappa the second annual "IU Show Us Your Tan" contest.

For other good community service, the men gave blood, participated in a canned food drive and boogied at a roaring disco dance

Questionnaires will go into the mail this fall leading to the publication of a membership directory of Alpha Sigma Phi. Bernard C. Harris Publishing Company is in charge. Alumni will receive telephone follow-ups to verify information. Members only may purchase copies and only enough copies will be produced to fill pre-publication orders. The directory will be published in Summer, 1981.

marathon. They even formed a new PR committee.

New on the scene is the Gamma Chi "Housemother of the Year Award". Kappa Delta's won this year.

The annual Black and White and several serenades topped the social agenda.

And academically, the men were tops first semester. Professors speak at dinners regularly. And the new academic advisor is Professor William Panchas.

Twenty-two men were initiated this year and there are bound to be more after this summer's "Get Acquainted" rush weekend.

Finally, Gamma Chi has a new executive board, consisting of all "H" officers, designed to help the president in planning goals and Chapter policies.

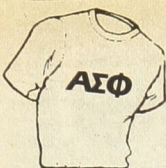

Gamma Psi Lawrence Institute of Technology

Gamma Psi had the ugliest man on campus this year. That brought a first place in the "Ugly Man Contest." Gamma Psi also nabbed first in Greek Week competition.

The social scene, already filled with a barnyard party, a hayride and a treasure hunt, got a boost now that the Chapter has Home Box Office with its TV. The new "movie nights" have become a huge success.

Delta Alpha Loyola University

Pledging 22 men this year brought Delta Alpha's membership to 52. Then, the Chapter shared its success in rush with the Illinois Institute of Technology Chapter.

T. Shirts: Tell the world you're an Alpha Sig. Three styles are available. Gray with red Alpha Sigma Phi—\$3.75. Gray with red and black "The Phoenix takes flight"—\$3.75. Or with the Greek letters, with raglan sleeve . . . red and white or blue and white—\$4.75. Large and extra large sizes available. Send your order with check to National Headquarters, Alpha Sigma Phi, 24 West William Street, Delaware, Ohio 43015.

Above, left, Beta Rho, University of Toledo, took first place in the 1980 Pi Kappa Phi bowl. Driver Chip Niedermeier is surrounded by his proud racing team, left to right, Bill Weber, Don Maher and Bob Weber. Below left, the Alpha Sig entry in action. Beta Rho took first place in Songfest '80 with Alpha Sigs dressed as little boys with knickers, bow ties and suspenders in "A tribute to a very special person: our mother." The group has been asked to perform again this fall for the St. Luke's Hospital Auxiliary benefit. Above right, and it was "Recycle the Bobcats" for the homecoming float, a creative joint venture between Beta Rho Chapter and Alpha Omicron Pi Sorority. Below right, a special Alpha Sig banner was seen by over 98,000 at the University of Toledo, thanks to Beta Rho Chapter. And NBC-TV in two televised games went to the banner several times.

Back home, a committee structure was reinstated and the party room got cleaned, then painted red and grey. The Fraternity crest is painted on the floor.

In sports, Bob Van Dyk was named most valuable player for the season in hockey.

Dave Konopacz is a DJ at the university's student radio station WLUC.

Delta Alpha has opened its doors wide to all alumni, and held its first reunion in years during May. Many thanks to alum Carl Moore for his efforts and generous contributions that went toward repairing the house's plumbing.

Delta Beta Northern Michigan University

Spirit is strong at Delta Beta. The Inter-Fraternity Council named the Alpha Sigs the most "fired-up" Greeks on campus this year.

Homecoming brought back alums, a visit from Gamma Psi brothers, plus a second place \$60.00 prize in float competition.

Delta Theta Slippery Rock State College

Delta Delta is full of good deeds. Brothers held the college's first 48-hour dance marathon for the American Heart Association and raised over \$1,000. A grateful AHA appointed a brother to its board of trustees.

Later, the men collected \$2,000 for Pittsburgh's Childrens Hospital.

For the Fraternity's Sweetheart contest, Delta Delta entered one of its Little Sisters. And for alumni, the Chapter has organized a new alumni association.

Delta Epsilon Rio Grande College

Community service, sports and renewed alumni programs were special this year at Delta Epsilon.

Six Alpha Sigs are on the starting lineup of the Rio Grande baseball team. And other brothers are on the track team.

The Chapter washes vans and buses for the college. And for charity, hosted a ping-pong marathon. Keeping up a long tradition, the men parked cars at the Bob Evans Farm Festival.

Twenty-one undergrads flocked to Fort Lauderdale during spring break. May brought the annual May Day. Sig Weekend highlighted July, with many alumni returning for both festivities.

There's a new alumni committee to help encourage alumni participation. One upcoming event for alums is homecoming, during the last weekend of October. Mark your calendars.

Resigning college basketball coach Arthur Lanham was honored by Delta Epsilon Chapter this year.

Delta Eta East Carolina University

Delta Eta proved itself scholastically this year. First by winning the "Trustees Award" for the fraternity with the highest grade point average. And then when Brother Doug Huggins was awarded the Greek Scholar of the Year. Both presentations were made at a special Inter-Fraternity Council banquet.

Alpha Zeta Colony Longwood College

The Colony claims it's the "Gentlemen's Fraternity" at Longwood. It must be true—18 young ladies already want to be Little Sisters.

In its first year as an Alpha Sigma Phi colony, Alpha Zeta participated in basketball and water polo. It even started a new newsletter called "The Phoenix Forum".

The 20 undergrads held raffles for charity, awarding winners gift certificates for school books.

Special rush functions included basketball games, pizza, beer and variety of non-alcoholic beverages.

Alpha Zeta is the first group to use the colony pledge education program devised by Chapter Consultant Rob Sheehan. Right now, the men have their sights set at a November 15, 1980, chartering date.

Delta Theta Colony Radford University

This Colony is on the move. Delta Theta grew from six to 19 members this year.

After securing a meeting room from the school, undergrads and alumni worked to build a wood bar. They also painted the Phoenix on the wall. Now it is definitely Sig territory. Thanks, to Dave Gray and David Franklin for donating material for the project.

Delta Theta entered two teams in basketball and volleyball and organized the entire Greek Week program.

The Colony continues to hold car washes

Special thanks to the brothers who invested in brotherhood

Here are some special brothers—the men who make up Honor Roll '80. The men who have demonstrated their belief in the standards and ideals of Alpha Sigma Phi by their contributions to the Loyalty Fund, the annual giving program of the Fraternity.

to help raise money for their chartering fee. A November 8, 1980 chartering date has been set.

Gamma Mu University of Charleston

Gamma Mu is now twice as good. Spring rush brought 13 pledges, doubling the Chapter's size.

With the help of Chapter Consultant Rob Sheehan, Gamma Mu tackled a complete restructuring. That massive program included the return of the Black and White and the alumni newsletter.

Most of the brothers are either on the university's crew team or in student government. Or both!

Gamma Xi Widener College

Hosting the Province VIII Conclave kept Widener busy. So did hunting for a new home.

Meanwhile, the undergrads seized the intramural sports award and the Little Sister membership grew by leaps and bounds.

New to the list this year is a number following the initiation year. That's the number of years that a brother has contributed since 1970-71. Those figures are not necessarily consecutive.

Special recognition goes to those whose cumulative giving has earned them membership in special clubs: Founders—\$1000 and above; Cardinal & Stone—\$500-1000; Talisman—\$250-500; and CLVEN—\$100-250. (Contributions between \$15-100 earn the Pinnacle designation; those giving up to \$15 are Honor Roll members).

Your dollars in 1979-80 helped underwrite scholarship grants, leadership training, career development, *The Tomahawk*, Chapter guidance and development plus the creation of new Chapters.

The 1979-80 Loyalty Fund produced 14.74% of the Fraternity's income—so your contributions are vital. The campaign fell about \$4000 short of the goal of 15.96% of Alpha Sigma Phi's operating costs. With the "Old Gal" feeling inflation along with everyone else,

Gamma Omicron Tulane University

Gamma Omicron is back in action. On February 2, Tulane witnessed the reactivation of Gamma Omicron Chapter. And thanks to some great rush functions down on Bourbon Street, the Chapter doubled its membership in this exciting year.

Soon, the men will be moving into a new house on Broadway.

The born-again Chapter ranked sixth academically and published two alumni newsletters.

Theme parties, including a Valentine celebration, a casino night and a Mardi Gras party filled the social schedule.

And intramurally, the Chapter fielded teams in soccer, softball, football and basketball.

In community service, the men painted a home for the elderly.

Gamma Pi Findlay College

Home improvements were the milestone of the year at Gamma Pi. Particularly the remodeled

your help in the 1980-81 campaign is needed. For 135 years, Alpha Sigma Phi has grown thanks to alumni involvement and support. Your support can be an important vote for the future of the fraternity.

rooms and the new roof.

Beta Delta Colony Marshall University

Beta Delta left campus in the mid 70's. But in 1980 Beta Delta made its mark at Marshall University.

The school of journalism was named the W. Page Pitt School of Journalism after Beta Delta alum W. Page Pitt '32.

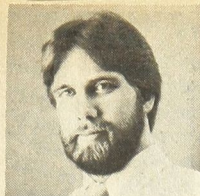

The undergrads answered phones for the WMUL-TV marathon in December and March. They got national TV publicity during that event.

The men also gave blood, then visited a children's hospital at Christmas.

Last fall the undergrads earned the IFC scholarship award.

New this year were a newsletter for alums and a Little Sister program. Beta Delta welcomes help and suggestions from other Chapters with Little Sister programs.

The men held a closed weekend in April. That really built brotherhood!

Robert Sheehan has been named Expansion Consultant for the 1980-81 year. He replaces Jeff Hoffman who has served in that position virtually since the current expansion program was created. Hoffman has left the staff after two years to enter the business world. Sheehan, who served last year as Chapter Consultant, worked closely with colonies so the expansion area is not new to him. A graduate of Westminster College he served Alpha Nu Chapter as HSP.

Don Morgan, Purdue '57, Toledo, Ohio, has been chairing the national committee on awards. Under brother Morgan's direction, criteria for various awards are being revised and the entire awards program of the Fraternity updated. Morgan, Marketing Communications Supervisor, Owens/Corning, is past president of Alpha Pi Alumni Corporation and was instrumental in helping the Chapter build its current house.

Alumni news? There isn't any in this issue, to make room for Chapter reports. Now's the time to send in news about yourself along with a black and white photo that doesn't have to be returned. Send to Alpha Sigma Phi, 24 West William Street, Delaware, Ohio 43015. And send address corrections for yourself and any brothers you know to the same address. Know of a brother who'd be a good feature article subject? Suggestions for **The Tomahawk**? Pass them along.
