Death Prompts Lawsuit

A \$2 million lawsuit has been filed against three students at Mississippi State University over the death last year of another student, Curtis Huntley, in an alledged hazing incident at the University.

The suit was filed by the victim's father against three former pledges of one of the University's fraternities and their parents.

A University spokesman said Curtis Huntley, then a member of the fraternity, died from injuries he suffered when he jumped from a car as he was being driven to a mud hole used for dunking fraternity pledges.

Limited Offer

The "Directory of Alpha Sigma Phi" is off the press and is being distributed to the thousands who purchased the book. The national directory provides geographical listings with current addresses and occupational information of those who responded to special mailings and telephone contact.

For a limited time only, each chapter and colony may purchase one copy, for its use, at a special price of \$40.00. This is a savings of \$10.00 when compared to the list price.

The directory can provide invaluable information for a chapter's or colony's Alumni Relations Program. You may receive yours by sending a check for \$40.00 (payable to Alpha Sigma Phi Fraternity) to the Fraternity Headquarters.

Cause For Celebration

Some of our Chapters will be having special cause for celebration this year. They will be celebrating 50, 30, 20 or 10 years as a Chapter of the Fraternity. These chapters are encouraged to promote this fact when planning their annual alumni-undergraduate event. You may be surprised at the increase in attendance.

Alpha Sig Illustrated

Official Graphics sheets of Alpha Sigma Phi's coat-of-arms, seal and symbols are available upon request from the Fraternity Headquarters. The various symbols of our Brotherhood are presented in various sizes to fit your publication needs.

The graphics are "camera-ready" for reproduction. They can add life to your newsletter, rush brochure, flyers, posters, invitations or other special projects. We prefer that Chapters and Colonies use these printed symbols instead of attempting to draw them. In this way, we can be sure that the symbols always appear sharp and clear. All are made to use again.

"Press On"

Nothing in this world can take the place of persistence.

Talent will not .. nothing is more common than unsuccessful men with talent.

Genius will not .. unsuccessful genius is almost a proverb.

Education will not .. the world is full of educated derelicts.

Persistence and determination alone are almighty.

The slogan "press on" has always solved and always will solve the problems of the human race.
