"Hawk."

Congratulations!

Brother Bill Pezzullo (Alpha Xi '79) recently became Illinois Institute of Technology's highest scoring swimmer ever. His all-time record scoring total of 876 wiped out the previous record of 872 set in 1980. Bill's 2nd place in the 100-yd. butterfly, 3rd in the 200-yd. butterfly, 8th in the 200-yd. individual medley, 3rd place team in the 400-yd. free-style relay, and first place team in the 400-yd. medley relay earned him the honor as the highest scoring

Alpha Xi Chapter also reports that they were the leading contributor to Illinois Institute of Technology's fund-raiser for Spina Bifidia. The birth defect Spina Bifidia is the most commoncrippler of children; as yet there is no known cause. We're proud of you, Alpha Xi!

New Handbook Available

The Commuter Campus Handbook is the newest addition to the Alpha Sigma Phi library of handbooks and manuals available to our chapters and colonies. The Handbook, produced under the direction of Evin Varner, Director of Publications, provides many ideas and suggestions for programs for our chapters that are located on commuter campuses.

What is a commuter campus? It's one where a very small percentage of students are housed on campus. Many students are part-time, older, and/or married. It is a "non-traditional campus." The fraternity experience can be as valuable to a commuter student as to one on a residential campus.

Write for your handbook today! It's full of great ideas for rush, service events, alumni relations, brotherhood activities and the like. And it is designed especially for the commuter campus.

Art Contest

Here's your chance to doodle and draw and win some money. The College Fraternity Editors Association and Ihling Bros. Everard Co. (manufacturer of Alpha Sigma Phi's ritual equipment) are sponsoring a fraternity-sorority art contest. Cartoons, illustrations and spot art are the three categories open for entries. Complete details can be found on the last page of this issue of The Old Gal Gazette.

Installations Announced

On April 17, 1982, Delta Kappa Chapter will be chartered at Francis Marion College in Florence, South Carolina. Phi Alpha Colony was colonized on February 14, 1981, and is now ready to be admitted to the Mystic Circle.

Initiation of the new members will take place on Friday evening, April 16, in Florence, South Carolina. If you're interested in assisting with the ritual, contact Fraternity Headquarters.

Congratulations, Delta Kappa!

There's More

Gamma Theta Colony at the University of Miami, Florida, will be installed as Gamma Theta Chapter on April 24, 1982. Gamma Theta will be reactivated after being inactive for 26 years.

Initiation of the Gamma Theta men will occur on Friday, April 23rd. If you'd like to come down to sunny Miami to help with the ritual, contact Headquarters.

Look for a complete report of recent charterings in upcoming issues of The Tomahawk. We look forward to officially welcoming all our new chapters from this past year (Alpha Rho - NJIT; Nu - Berkeley; Delta Kappa - FMC; and Gamma Theta - Miami) at the 1982 National Convention, August 15-18, in Bethany (Wild, Wonderful), West Virginia.

All American

Scott Burson (Delta Epsilon '81) has been nominated for Academic All-American in basketball. Scott, a starter for the Rio Grande basketball team, had a 4.0 grade point average last term. In addition to playing ball and keeping his grades on top, Scott has served the chapter as HS and as Publicity Chairman. Hats off to you, Brother Burson!

Special May Day

Delta Epsilon Chapter at Rio Grande College will be celebrating its Tenth Anniversary as a chapter of Alpha Sigma Phi at festivities to be held May 8, 1982. Delta Epsilon has grown fast in the Mystic Circle. In 1980 they received the Grand Senior President's Award for the outstanding chapter of the Fraternity on a campus with less than 4000 students. Congratulations, and may there be hundreds more!
