## Alpha Rho To Charter

On January 30th, Alpha Sigma Phi will once again be represented at the New Jersey Institute of Technology (formerly Newark College of Engineering). Thirty-five hard-working individuals will be recognized for their achievements in reviving Alpha Rho Chapter.

Under the direction of President Neale Bedrock, the group has added a house and a meal plan to their long list of accomplishments. The Grand Council recently gave unanimous approval to their Petition for Chapter Status.

Area chapters will be participating in the initiation of these new brothers on Friday evening, January 29th.

Traditionally, established chapters welcome the new chapter into the Mystic Circle with a gift or a letter of congratulation. These items may be sent to the following address:

Alpha Sigma Phi Fraternity  
c/o Neale Bedrock  
273 High Street  
Newark, NJ 07102

Please join us in welcoming Alpha Rho back to the Mystic Circle!

## Grand Council To Meet

The January Grand Council Meeting will be held January 15-17 at the Marriott Inn North in Columbus, Ohio. Council members will chart the course of the Fraternity for the next six months and make final plans for Convention 1982.

Highlighting this year's agenda will be the Columbus Area Alumni Reception which will be held on Saturday evening, January 16th. Grand Councilors and Headquarters staff will be on hand from 6:00 to 8:00 p.m. to share in an Alpha Sig evening with area alumni. Local chapters are invited to attend and should contact Headquarters for reservation information.

## Headquarters Staff Addition

Thomas M. Oliva (Missouri '80), a recent graduate of the University of Missouri, has joined the Headquarters staff in the position of Chapter Consultant. Tom's duties will include assistance in the area of Alumni Development as well as service visits to chapters and colonies to provide expertise in their development and operations.

Tom has a Bachelor of Science degree in Public Administration and Economics. In addition to serving as HSP and as a member of the Prudential and Housing Committees as an undergraduate, Tom was active on campus in Alpha Phi Omega (national service fraternity) and the Boy Scouts.

## Made For TV

Thousands of football fans descend upon Pasadena, California each New Year's Day to view the Granddaddy of bowl games, the Rose Bowl. In addition, millions of armchair quarterbacks are glued to TV sets across America. This year's game stayed pretty true to form as the University of Washington Huskies prepared to do battle with the Hawkeyes of the University of Iowa.

There was one possible exception. A network television camera scanned the crowd searching for that definitive shot to demonstrate the importance of the contest. It focused on a group of fans displaying a sign indicating their loyalty to the University of Washington football team, and to their fraternity, Alpha Sigma Phi! A vociferous group of supporters from Mu Chapter had made the trip in support of their team.

The journey proved quite successful, as the Huskies defeated Iowa by a score of 28-0, and Alpha Sigma Phi received a pleasant northwesterly exposure.

## Fees And Dues Update

Undergraduate Dues (\$15 per man) unpaid by December 31, 1981 will be assessed a 1½% per month service fee.

Chapter Fees unpaid by January 15, 1982 will be increased by 10% (\$210 per chapter).

## Deadline Passed

Special thanks to all HCS's who responded to the call for the October Report of Undergraduate Membership. The following chapters are delinquent:

## Don't Be Afraid To Fail

You've failed  
many times,  
although you may not  
remember.  
You fell down  
the first time  
you tried to walk.  
You almost drowned  
the first time  
you tried to  
swim, didn't you?  
Did you hit the  
ball the first time  
you swung a bat?  
Heavy hitters,  
the ones who hit the  
most home runs,  
also strike  
out a lot.  
R. H. Macy  
failed seven  
times before his  
store in New York  
caught on.  
English novelist  
John Creasey got  
753 rejection slips  
before he published  
564 books.  
Babe Ruth struck out  
1,330 times,  
but he also hit  
714 home runs.  
Don't worry about  
failure.  
Worry about the  
chances you miss  
when you don't  
even try.
