WHO WILL WE SAY "SWEETHEART" TO?

Dana Angeline
1982 Alpha Sig Sweetheart

The 1983 Alpha Sig Sweetheart Competition is under way. All chapters received entry information and nomination forms in this week's mail packet. All entries from chapters must be returned to Fraternity Headquarters postmarked no later than March 18 - no exceptions.

Pictured at left is the 1982 Alpha Sig Sweetheart, Dana Angeline. Nominated by Gamma Xi Chapter at Widener University, Dana was a good student (3.3/4.0 scale) and very involved with chapter activities, service projects and fund-raisers. She was active in a number of university clubs as well. As a member of the Screen Actors Guild, she was able to finance her entire college education by acting in TV commercials.

Lisa Jean Abt
First Runner-Up

At the 1982 National Convention this past August, Dana was escorted at the Awards Banquet by Widener's chapter delegate Casey Liotta (Widener '81), serenaded with the Alpha Sig Sweetheart Song, and presented with Talisman roses and a sterling silver plaque commemorating her reign as the 1982 Alpha Sig Sweetheart.

Also pictured is the first runner-up for 1982, Lisa Jean Abt. Lisa, a student at Salem College, was the nominee of Beta Mu Chapter at Wake Forest University. A psychology major, Lisa has a long list of honors and activities.

Perhaps your chapter's candidate will be elected this year. There's only one way to find out - complete the nomination form and return it to Alpha Sigma Phi Headquarters by March 18!

ANOTHER IMPORTANT REPORT

The Annual Chapter Report is included in all mail packets this week. This important report allows every chapter to record its status and/or progress in all areas of chapter operations.

Another good name for the report would be "The State of the Chapter." This report remains a part of your chapter's archives at Headquarters, and assists the Headquarters in providing individual guidance and assistance to all chapters. The report is due April 25, 1983. If your school year extends considerably beyond April 25, you may contact Headquarters for an extension.

The Chapters

ALPHA PI CHAPTER, Purdue University

In its 44th year, Alpha Pi initiated its 1000th brother this February! With the initiation of its recent class, our undergraduate membership at Purdue stands at 85! Names of the new initiates appear in a later section of this GAZETTE.

The Fifth Annual Alpha Sigma Phi-Delta Gamma Anchor Splash at Purdue raised \$1400.00 for sight conservation and aid to the blind. The Anchor Splash, a national philanthropic project of Delta Gamma Sorority, featured the aquatic competitive skills of the Greek community.

The "Fire-Up" prior to the Anchor Splash included a Beautiful Eyes/Sexy Legs Contest. Each fraternity entered a pair of legs and each sorority a pair of eyes in the competition. All students, faculty and staff, voted for their favorite pair by contributing money...a fun event, a huge success.

BETA CHI CHAPTER, American University

Pledges and brothers of Beta Chi Chapter will remember for a long time to come their trip to the great Upsilon Chapter of Alpha Sigma Phi at Penn State. We learned a great deal about the Penn State Alpha Sig chapter; the Greek system is an important part of campus life at Penn State. Upsilon Chapter members were great hosts - thanks!

Beta Chi also reports a successful Founders Day celebration held on December 10 at the fraternity house. Many alumni returned to their old "stomping grounds" to reminisce about the past and get re-acquainted with fellow alumni, brothers and pledges.

In The News

HOUSE DIRECTORS SEMINAR

The 7th Annual National House Directors Seminar will be held June 19-24, 1983 at the University of Missouri, Columbia. The program includes sessions on first aid, nutrition, sanitation, fire safety, meal planning, career opportunities, food service management, and others.

If your chapter is interested in sending your house parent, house mother, cook, house dad or house director, contact the Fraternity Headquarters for further program information and registration details.

COMPUTERS - A STANDARD PURCHASE

At Stevens Institute of Technology (home of the fine Alpha Tau Chapter of Alpha Sigma Phi), freshmen planning to major in science, systems planning and management will be required to have personal computers as they enroll next fall. The Atari 800 is recommended.

Please Note

A WORD ABOUT THE NAMES THAT APPEAR BELOW....

Names of pledges and initiates, as they are reported to Fraternity Headquarters, are scheduled to appear in **The Old Gal Gazette**. Sometimes delays occur because of small, simple mistakes, such as:

- a chapter might fail to assign roster numbers on the form.
- a pledge's Biographical Data Sheet is incomplete (he didn't list his home address, etc.).
- names are spelled differently on the different forms (Pledge Report, Bio sheet, Initiation Authorization Request).

These little errors cause lengthy delays in processing pledges and initiates. If a new brother does not receive his **BADGE**, **ID CARD** and **MEMBERSHIP CERTIFICATE** within three weeks of his initiation, contact the Fraternity Headquarters! Chances are that there is a hold-up somewhere in the process.
