

Summer 1985

## Community service highlights '84-'85 chapter reports

The 1984-85 academic year was highlighted by numerous chapter community services and charity activities. The true spirit of the Alpha Sig purpose "to maintain charity" has never shone brighter!

**Upsilon Chapter** at Penn State brought great pride to our brotherhood by winning the IFC Dance Marathon for the second year in a row! The Penn State Marathon raised over \$178,000 for the Four Diamonds Children's Cancer Fund at Hershey Medical center and is the **largest** college philanthropic event in the country. Of the total \$178,000 donated, Upsilon Chapter raised **\$80,000!!!**

The Upsilon brothers were paired with the Alpha Sigma Alpha Sorority for the 48 hours of non-stop dancing. During the weeks before the dance brothers canvassed local metropolitan areas for pledges and donations, and even mailed businesses requests for gifts using rented word processing equipment. As a result, the nearest competitor only raised \$54,000 and third place raised \$18,000!

**Alpha Nu Chapter** at Westminster put its creativity to work and transformed the chapter house at 129 Waugh Avenue into a "Haunted House" during Halloween last fall. Parents brought their children to New Wilmington to pay the 50 cent admission and take them through the rooms full of ghosts, goblins and other spooks!

Even though the transformed house made it difficult for sleeping and living, the payoff came with lots of great publicity. The chapter donated their \$500.00 proceeds from the event to the New Wilmington Rescue Squad Fund.

**Alpha Pi Chapter** at Purdue added a new "twist" to their service program this year. Early in the fall, they "adopted" the Heritage Health Care Home in West Lafayette. Brothers regularly visited the residents just to share the joys of companionship.

When the time came in February for a fundraiser benefitting the American Heart Association . . . why not! A "Twist-A-Thon" was held at the home with the residents—many of whom participated in wheel chairs!

**Delta Theta Chapter** at Radford continued a four year tradition by holding its annual "Dime Roll" for the March of Dimes. The brothers have constructed a six foot in diameter, wooden "dime" which they roll the 54 mile distance between Radford and Roanoke, Virginia. This year the brothers were joined by a local radio station which provided annual updates on their progress to listeners.

Local businesses along with students and area residents made pledges per "mile rolled." The final result was a hefty \$2,000 check for the local March of Dimes!

John Elliott, R.P.I. '83, and the Easter Bunny greet two guests at Chuck E. Cheese during **Beta Psi Chapter's** fundraiser for the Easter Seals. Brothers were dressed in costumes at the restaurant and charged \$2.00 for kids to go down "Chuck E. Cheese Street." Special thanks to Chuck E. Cheese and the Easter Bunny for helping Alpha Sigma Phi help Easter Seals!

This is but a sampling of the hundreds of varied service projects chapters undertook in 1984-85 netting hundreds of thousands of dollars and providing many more thousands of man hours for worthy causes. Read on in the Chapter Reports section about more projects like these . . . Indiana University Alpha Sigs sponsor a "Show Us Your Tan" contest for the American Red Cross . . . Mu Chapter, University of Washington raises \$6,000 for a cancer project . . . U.C.L.A. Alpha Sigs run Blood Donor Center . . . Bowling Green raises \$4,000 for local Heart Association . . . Miami raises \$10,000 in Super Dance for Muscular Dystrophy . . . "Berea Clean Up Day" sponsored by Baldwin-Wallace . . . UNC-Charlotte raises money for Ronald McDonald House . . . and many more!!!

# Chapters report service, scholarship, brotherhood

Here's your chance to "visit" with the undergraduate chapters of Alpha Sigma Phi—through their review of recent activities and achievements. Chapters welcome your visit in person. Give them a call and attend a meeting. You can assist as a volunteer in the Fraternity's Province Program. Write Alpha Sigma Phi, 24 West William Street, Delaware, Ohio 43015 for more information.

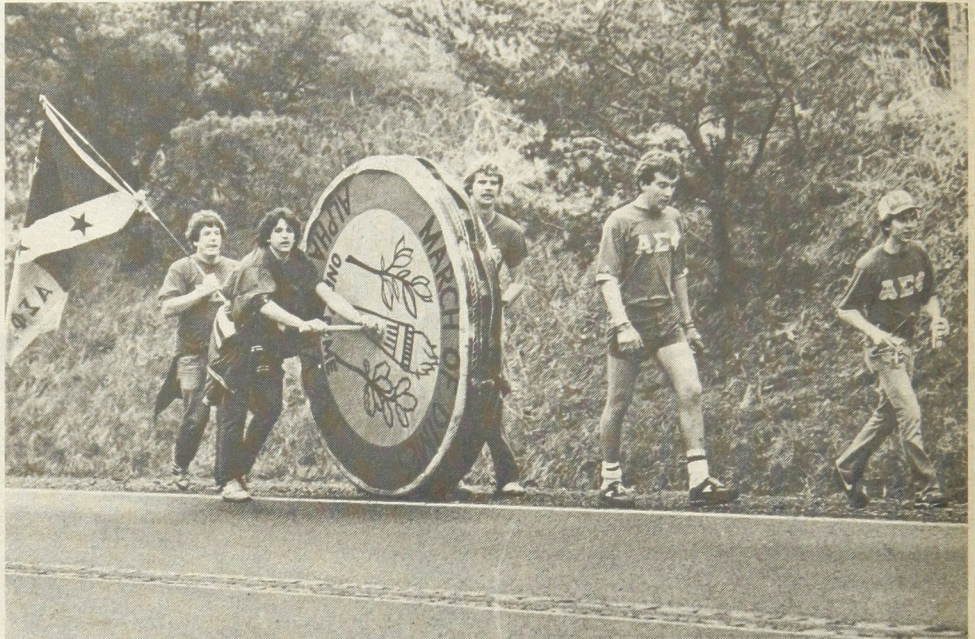

## Province I

**Grand Province Chief:** Robert W. Kutz, California '67, 2188 Picardo Circle, Stockton, CA 92507. **Associate Chief:** James Hammond, Washington '66, 805 Lenora Street, Seattle, WA 98121. **Province President:** Pat Studdard, Oregon State '82, Alpha Sigma Phi, 410 N.W. 25th, Corvallis, OR 97330.

## Mu

### University of Washington

Mu Chapter continues to be regarded as one of the University of Washington's most outstanding fraternities. Highly regarded by the I.F.C., faculty and Greek community the chapter has continually ranked high in both Greek Week and Homecoming activities. The brothers have also maintained an outstanding 3.3 grade point average, one of the highest on campus! Founder's Day was celebrated on May 18th and is the year's biggest alumni event. Other events held include Homecoming

**Delta Theta Chapter**, Radford University, VA, carried on a four year tradition this spring with their annual "dime roll" for the March of Dimes. The brothers raised over \$2,000 for the charity by collecting pledges for the 54 mile "roll" from Radford to Roanoke, VA.

dinner, initiation, Christmas dinner, Spring events and the Bon Voyage Dance. Last fall the brothers raised \$6,000 to benefit the Fred Hutchinson Cancer Research Center and also participated in the March of Dimes Mothers' March Marathon, and the All Greek food drive.

## Nu

### University of California, Berkeley

Since moving into their new house this fall, the brothers have been kept busy painting, repairing and basically doing just about everything possible to give it that great Alpha Sigma Phi "look." The biggest project undertaken was that of the deck that now extends from the front of the house. With the new deck came a renewed enthusiasm! "Everywhere in the house, you can see guys slapping their hands together above their heads; meaning, good job, well done and just generally awesome." This excitement has led to the chapter's maintaining a very high grade point average, service projects that include campus clean-up, San Francisco Special Olympics and donations to Oxfam and Care; as well as their participation in numerous intramural sports.

## Psi

### Oregon State University

Psi Chapter continues to set its goals high and successfully achieve them! That was the case this fall as the brothers set out to be in the top five academically. With a little hard work the brothers returned in the spring to find that they were indeed fifth! What's next? Number four, of course! Psi Chapter was also in the spotlight this year when it

was featured in the winter issue of Oregon's State's Greek newspaper. The chapter has purchased a computer terminal which is connected into the school's mainframe. They have also purchased a pool table and a new stereo system. The brothers wish to congratulate past HSP **Randy Lewis** in his new position at Alpha Sigma Phi National Headquarters as Chapter Leadership Consultant.

Psi initiated twenty men and pledged three more during the winter quarter. With the success the chapter has been experiencing this year the brothers are even more optimistic for next! Next fall's rush goal—to pledge thirty men to the "Old Gal."

## Alpha Zeta

### University of California at Los Angeles

The "new" brothers of Alpha Zeta are excited over their acquisition of a "house." Thanks to housing chairman **Dean Zander**, the brothers will be occupying their new facility in the fall. To help defray moving and living expenses, alumnus **Robert Kutz, California '67**, has started a furnishing fund for the chapter.

Continuing to excel in rush, the chapter pledged seven men in the winter quarter and plans are to do even better in the fall. The brothers and pledges also participated in a phonathon for the U.C.L.A. Blood Donor Center. The purpose was to contact past donors and encourage them to donate once again. With the Alpha Sigs doing the calling the project was a sure success!

The **Tomahawk** is published quarterly by the Citizen's Publishing & Printing Company, Ellwood City, PA U.S.A. for Alpha Sigma Phi Fraternity. Fifty cents a copy. Life subscriptions \$30.00. All remittances should be made payable to Alpha Sigma Phi Fraternity, 24 West William Street, Delaware, Ohio 43015. Second class postage paid at Delaware, Ohio, and at additional mailing offices. Composition services by Shepard Poorman Communications, Inc., Indianapolis, Indiana.

**Postmaster:** Change of address form No. 3579 should be sent to Alpha Sigma Phi, 24 West William Street, Delaware, Ohio 43015.

**The Third Founding**  
A New Era  
In Brotherhood.

# Foundation sponsors "Quest"

Leadership training, educational workshops, and ritual presentations will highlight the 1985 National Educational Conference, sponsored by the Alpha Sigma Phi Educational Foundation, this August 8-11 at Penn State. The theme "Quest for Excellence" has been chosen to highlight Alpha Sigma Phi's goal to constantly improve our quality of life.

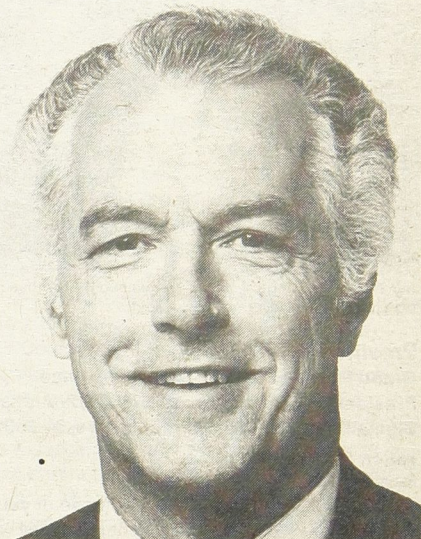

The goal of the Conference is to inspire the 125 or more undergraduate leaders in attendance to seek higher standards of brotherhood and operation, and to provide educational workshops and training to help them meet their new goals.

According to Executive Director, Robert M. Sheehan, Jr., a key presentation will be made by Dr. Edward King, Dean of Men at Bradley University. Dr. King will speak about the importance of ritual in fraternity life and everyday living. "Dr. King is the premier speaker in the country on fraternity affairs and ritual. He was by far the highest rated speaker at our 1983 conference, and speaks annually to thousands of fraternity men across the nation" says Sheehan.

"We believe that the ritual is the most important aspect of fraternity life. If we all live up to the standards and ideals set in the ritual we will achieve **excellence**. Dr. King's inspirational presentation motivates all who hear him to reach those standards. We are pleased and proud to have him on our program again this year."

Other highlights of the conference include the Final "Salute to Scholars" Banquet at Penn State's Nittany Lion Inn. The featured speaker for the evening is **John F. Johnson, Tufts '60**, who is President of Lamalie and Associates, a major national executive search firm. Brother Johnson will speak on the importance of scholarship to a career search and give brothers ideas on how they can develop skills through their fraternity experience useful to them in their future careers.

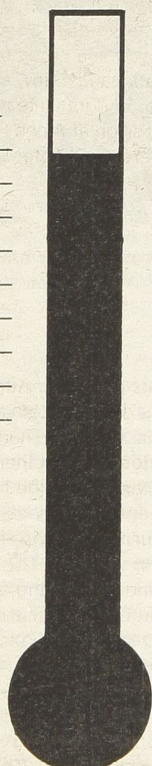

Sponsorship of the National Educational Conference by the Alpha Sigma Phi Educational Foundation is made possible by alumni contributions to The Third Founding Endowment and the Annual Loyalty Fund.

**Dr. Edward King**, Dean of Men at Bradley University, will make a key presentation on the importance of ritual at the 1985 National Educational Conference at Penn State. Dr. King speaks to thousands of fraternity men across the country annually on the subject.

# Chapter Reports

Jeff Price, Washington '82, is surrounded by two beauties at Mu Chapter's annual formal. Lucky guy!!

## Province II

**Grand Province Chief:** Vacant. **Province President:** Jay Bayler, Iowa State '82, Alpha Sigma Phi, 2717 West Street, Ames, IA 50010.

### Phi

#### Iowa State University

There is a very good chance that those of you watching Iowa State football games next fall will find Alpha Sigs in action! Each year the brothers transport their "cannon" down to the field and celebrate each score by firing off a shot heard throughout the stadium.

But, before fall rolls around Phi brothers will be participating in this summer's rush program. With a goal to pledge 25 men, major functions have been planned for Chicago, St. Louis and throughout Iowa. Plans include a baseball game, water skiing, camping, Fourth of July celebration and various activities at the chapter house.

### Alpha Alpha

#### University of Oklahoma

The brothers of Alpha Alpha are gearing up for this summer's rush program. Plans are also being made for fall rush and homecoming. The chapter feels that with the I.F.C. implementing a new dry rush policy and a more formalized structure this could be the year that Alpha Alpha "takes flight!!!"

### Alpha Theta

#### University of Missouri

Alpha Theta sponsored one of the University's largest projects this year. The brothers planned for and succeeded in sponsoring the first annual Miss University of Missouri Scholarship Pageant. The winner of this competition wins the opportunity to compete in the Miss Missouri Pageant with the winner then going on to Miss America!

Spring brought about many changes to the Alpha Theta house. The brothers panelled and painted a few of their rooms, added new dance lights to their dance floor and purchased a great deal of new furniture. The brothers also filled the positions of house father and faculty advisor, which they hope will add additional guidance and support for chapter activities.

### Alpha Omicron

#### Missouri Valley College

This spring was once again very active for the brothers of Alpha Omicron. As a service project the brothers participated on the local Kiwanis tele-auction and even raised money for themselves by

auctioning some of their own goods!

The chapter won the first place trophy for having the highest grade point average for the fall semester. They also won first place for the best homecoming "house" decoration. The brothers also report that many alumni returned for their annual homecoming pig roast.

Plans for this summer include organizing their rush program to include contact of incoming freshmen over the summer months as well as a canoe trip down the Current River on June 9th.

## Province III

**Grand Province Chief:** Brian W. Jump, Indiana '77, 7337 Blue Creek S. Drive, Indianapolis, IN 46256. **Province President:** Dave Howard, Purdue '83, Alpha Sigma Phi, 951 David Ross Road, West Lafayette, IN 47906.

### Eta

#### University of Illinois

"Striving for Excellence," is the new attitude shared by all 50 Eta undergraduates. The brothers are excited about this challenge that has proven effective in organizing their operations and relations with brothers, alumni, and university administrators.

The chapter held its first "officer retreat" which led to many new ideas and the clarification of officer committee responsibilities. They are now actively planning for two service projects that will both, help out the community, and spread their name throughout the University of Illinois campus.

The chapter's "success" story also includes outstanding improvements in their alumni relations program. Improved communication and activities such as golf outings, baseball and football games, lunches, homecoming and Sig Bust have increased Eta's support by 300%. The spring quarter included workshops on time management and alcohol awareness, a Roman toga party, a Hawaiian dinner with a sorority, a little sister wine and cheese function, Spring formal in Chicago, Mom's Day, and a formal rush that led to the pledging of 13 men! And if this isn't enough, the chapter's basketball team also became fraternity champs for the third consecutive year.

### Alpha Xi

#### Illinois Institute of Technology

Grand Council Secretary James Fitzpatrick, Illinois Tech '47, attended an alumni event at the chapter house which brought back many of the Alpha Xi alums. The evening included cocktails and a slide show prepared by the brothers. Alumni Corporation President Roger Smith recently spoke to the chapter about rush techniques and organization. This created excitement around the chapter house prompting the brothers to set a goal of 30 pledges for next year.

### Alpha Pi

#### Purdue University

Although the brothers of Alpha Pi returned in the fall a little under capacity, they united to make this academic year a success. For the first time in quite a while the brothers won the Fraternity League basketball Championship and then went on to win the All University Championship by a score of 54-39. Congratulations Alpha Sigs!!

Through sheer chance, in corresponding with his grandfather, senior Tim Cleworth was informed that his grandfather, C. William Cleworth, is an Alpha Sig from Illinois, initiated in 1914. The elder Cleworth served on the Grand Prudential Committee for ten years.

Congratulations also go out to **Brother Chris Lynch** who will represent Purdue University next year as "Purdue Pete," the University's mascot.

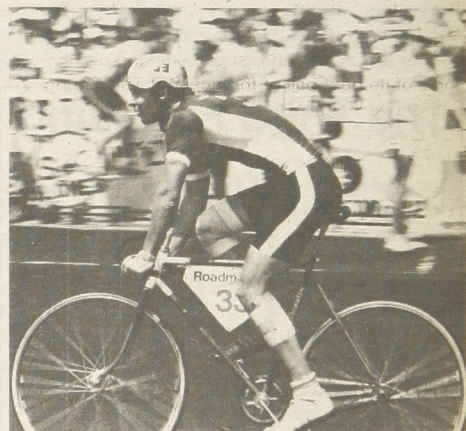

In an all new service project—the brothers regularly visited the Heritage Health Care Home and sponsored a twist-a-thon in which money was donated to the American Heart Association. An added "twist" to this event—brothers danced with the residents of the home!

### Gamma Chi

#### Indiana University

Gamma Chi brothers have been kept very busy this year through their participation in numerous activities. The chapter pledged 17 men through the winter and spring quarters and hope to pledge at least 20 this summer. Paired with Alpha Omicron Pi the brothers competed in the annual I.U. Sing and are looking forward to next year's competition.

Following Spring Break the brothers teamed up with Kappa Delta for the annual Alpha Sigma Phi "Show Us Your Tan" contest to benefit the American Red Cross. Many alumni returned for the "Little 500" bike race and although the team didn't win everyone appreciated their efforts and enjoyed the weekend!

**Gamma Chi Chapter**, Indiana University, Alpha Sigs qualified once again for the annual "Little 500" bike race! Photo copyright 1985 Sidney Sander, courtesy of University Publishing Corporation.

### Delta Alpha

#### Loyola University

In an attempt to improve community relations and the image of Loyola's Greek system, Delta Alpha has become the leaders in promoting the system! The brothers sent letters to all their neighbors letting them know that they were there to help if their neighbors needed it. This led to one brother getting the opportunity to "house sit" while its owner was away on vacation. The brothers helped another neighbor move his piano, and they sponsored a well attended community cook-out which developed a stronger relationship between the community and the chapter!

## Province IV

**Grand Province Chief:** Vacant. **Province President:** Paul Staniszewski, Toledo '81, Alpha Sigma Phi, 1815 W. Bancroft, Toledo, OH 43606.

How about the **Clark** dynasty at **Beta Xi Chapter**, Hartwick College?! **Pete Clark**, **Hartwick '82** is recent past HSP and graduates this year. He was preceded by brothers **Russ '77**, **Paul '80**, and **Dave '81!!!**

#### Theta University of Michigan

Spring formal was held April 19th at the Holiday Inn West, Ann Arbor. The chapter reports another six pledges this spring and looks forward to a larger pledge class next fall! The brothers would like to congratulate **Brother Jim Sharton** for being named to ALL-BIG 10 singles, tennis. Jim is now competing in the NCAA tournament.

Plans for next fall include a large homecoming celebration and the chapter's service project—Staggerball! The chapter also plans to improve its service program with the addition of a few new activities.

#### Beta Omicron Tri-State University

The brothers of Beta Omicron were once more active in intramurals as they competed in the fall football program, but were unable to match last season's championship team. The brothers also concentrated on scholarship and began planning for spring rush. Budweiser, the chapter's new mascot, celebrated his first birthday.

#### Beta Rho University of Toledo

The brothers at Beta Rho are expecting to win the All-Campus Softball Tournament this year. The chapter is currently in first place and is playing some of its best ball of the season! The Spring Formal was held at the North Shores Beach Club in Michigan. A great weekend was had by all! During Spring Week Olympics the chapter placed first in egg-toss, third in the raft race and second in the over-all standings. **HSP Tim Neeman** was nominated for Toledo's Bachelor of the Year and the brothers have begun planning for an Alumni golf tournament to be held this summer.

#### Delta Beta Northern Michigan University

Delta Beta reports that plans are being made for their annual alumni gathering to be held in Marquette, MI sometime in April.

#### Gamma Psi Lawrence Institute of Technology

Gamma Psi won this year's Greek week held on campus this spring. The chapter also pledged 16 men and initiated 12 during the year. The chapter's office at the Student Activities Center has been remodeled and the brothers won this year's blood drive competition.

Everyone participated in a food drive this past Christmas for needy families in the area. Afterwards an Alumni Christmas party was held on campus. This summer the chapter participated in many alumni events including: a golf outing on June 23rd and a night out in Canada on July 19th. An alumni picnic is planned for August 18th, and a pre-rush meeting is to be held September 13th. Alumni are urged to mark their calendars!

#### Province V

**Grand Province Chief: Vacant. Province President: Mike Sierra, Ohio Northern '82, Alpha Sigma Phi, Fraternity Circle, Ohio Northern University, Ada, Ohio 45810.**

**Alpha Xi Chapter**, Illinois Tech, brothers "tug" themselves to a second place finish in the annual IIT Greek Week events.

#### Zeta Ohio State University

Currently undefeated in intramural softball, the chapter is now participating in the championship tournament. The brothers have just finished their involvement with this year's Greek Week. Although the chapter reports that they didn't find a great deal of success during the week's competition, they did have a great time!

The 1985 Sig Bust was another success as many alumni returned to Columbus to share their Alpha Sigma Phi experiences with the undergraduates. In another alumni event, the chapter sponsored a parents/alumni day luncheon at the chapter house. For one last chance at relaxation and brotherhood before finals the brothers planned a camping weekend complete with a canoe trip! This was also a great opportunity to discuss their summer and fall rush programs which they feel is their number one priority!

#### Alpha Mu Baldwin-Wallace College

Alpha Mu reports seven pledges this spring and this is just the beginning! The chapter has set out to double their membership and implement a strong summer rush program. Plans include a summer mailing, phone calls, and cook-outs during summer orientation programs. Along with Alpha Tau Omega and Lambda Chi Alpha, the chapter sponsored a Clean Up Ohio day with the local Berea Children's home. Everyone worked all day to help clean up the Berea community.

#### Gamma Alpha Ohio Northern University

Spring Quarter provides exciting times for the brothers of Gamma Alpha! For the fifth consecutive year the chapter won the University's All-Sports trophy. It wasn't easy this year as the trophy wasn't clinched until the final event, track, which the chapter took first. Gamma Alpha also placed very high in softball, golf, badminton and racquetball.

The Spring formal was held at Hocking Hills, Ohio, and proved to be a great time for all the brothers attending. The chapter also held their annual Sig Olympics during Greek week. Events included egg-toss, one-legged race, Pepsi-Chug, and a pizza eating contest. The events were open

## Chapter Reports

to all fraternity and sorority members.

Gamma Alpha wishes their graduating seniors the best of luck. These brothers are: **Michael Degaetano, Todd Papes, Randy Woods, Dan Evans, Dan Brubaker, and Kurt Massilo.**

#### Gamma Zeta Bowling Green State University

Gamma Zeta brothers always look forward to spring and the time when the chapter sponsors the University's largest philanthropy project—the annual "Florida Fling." Florida Fling is a campuswide event which includes a raffle where the winners are quickly escorted to the airport for their all expense paid "Florida Fling" vacation. This year the brothers raised over \$4,000 for the Wood County Heart Association.

The plans are underway for the summer rush program that was implemented last year. This program includes contacting all incoming freshmen in the Columbus, Cleveland, and Toledo areas and inviting them and their parents to a small informal reception. The evening includes a slide-show, speeches, and a question and answer period. Last year's program was very effective and with a little more knowledge and organization the brothers feel this summer will be another great success!

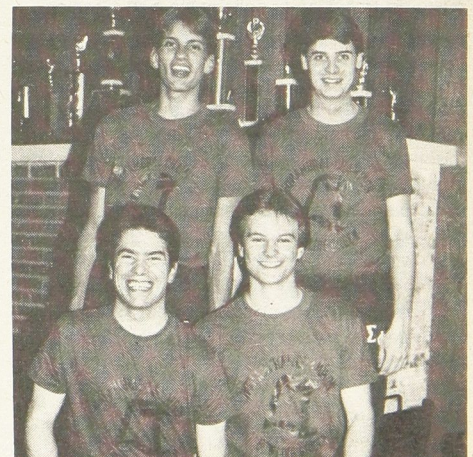

#### Province VI

**Grand Province Chief: Larry Spees, Ohio Wesleyan '57, 1040 First Avenue, Gallipolis, Ohio 45631. Province President: Steve Carlo, Westminster '83, Alpha Sigma Phi, 129 Waugh Avenue, New Wilmington, PA 16142.**

#### Delta Marietta College

After 125 years, Delta Chapter still reports their strong traditions and heritage at Marietta College. A major celebration is being planned for next fall in commemoration of Delta's 125th anniversary. The brothers are also hoping that their game room will soon be turned into an Alpha Sig Museum. The chapter is still in possession of many historical items which they hope to preserve for all to see for another 125 years!

(please turn to page 6)

Another championship for **Gamma Zeta Chapter**, Bowling Green State University, in intramural curling. This is the second year in a row that the chapter won the title!

# Chapter Reports

Spooks, goons, and goblins took over the Alpha Sig house at **Alpha Nu Chapter**, Westminster College, during Halloween Weekend. The brothers ran the "Haunted House" for community children and donated the proceeds to the local ambulance squad.

(continued from page 5)

## Alpha Nu Westminster College

Tradition is an important part of everybody's fraternity experience. That is why Alpha Nu has established an exciting new practice this spring, which will become a tradition. Alumni from the past five years were invited back to this spring's initiation ceremony. The purpose was not to act as spectators but to renew their oaths and commitments to Alpha Sigma Phi. That's right, along with the new initiates and the graduating seniors, the alums will once again be part of that most memorable event—initiation!

Along with continuing to improve the chapter's alumni relations program, rush is being thought of more than ever. With college enrollment dropping the brothers are faced with a great need for improvement to their membership program. Plans include implementing a summer rush program as well as a rush workshop in the fall. One creative idea the chapter has already implemented is that of a "big brother" program. Knowing that incoming freshmen can feel very uncomfortable the first week or so of college, the brothers have assigned one brother to an incoming student in order to make his transition to college life a little easier.

## Beta Gamma Bethany College

Beta Gamma brothers once again showed their strength on the Bethany campus as they pledged 19 men this spring! They have also worked together in improving their over-all campus image and the appearance of their house. The chapter participated in basketball and softball this spring and reports five brothers on the varsity Lacrosse team which just completed a very successful year. There was a member active in every varsity sport this year except one. Goals for next year include another great rush program and to once again win the college's scholarship cup!

## Beta Delta Marshall University

Another great year for Beta Delta, the chapter reports sixteen pledges this year and continued its domination of the university's intramural program. The chapter once again held its annual dime-roll,

benefitting the March of Dimes and this Spring's Black and White formal again had a good representation of Beta Delta alumni. Plans for next fall include another great showing of alumni at homecoming and an outstanding rush!

## Gamma Delta Davis & Elkins College

Gamma Delta pledged twelve men this year, their most in quite a while! This large pledge class also made the chapter one of the largest fraternities on campus. This spring the brothers have built a new bar for their social room and along with the pledges spent all day cleaning the banks of the Tygart Valley river. The pledges also cleaned up campus roads in their attempt to keep the college litter free.

Brothers and pledges spent their annual spring weekend deep in the heart of the West Virginia mountains. Activities included rock-climbing, a bonfire, and a softball game! The brothers have also been very active in campus activities as Alpha Sigs were represented as Student government President and Treasurer, disc jockeys on the campus radio station and manager of the school pub.

## Gamma Mu University of Charleston

Renewed enthusiasm in the chapter's rush program led to the pledging of 13 men this year. The chapter sponsored two of the biggest functions on campus with their annual Beach Bash and New Year's Eve Parties. They also participated in the University of Charleston fun run and revived the chapter newsletter. 1985 also marks Gamma Mu's Silver Anniversary and they have planned a Black and White formal for November 2, 1985, to celebrate this momentous occasion.

## Delta Delta Slippery Rock University

Finishing third in this spring's Greek Olympics, the Alpha Sigs placed in eight of the 15 events and are hoping to do even better next year. The chapter pledged 15 men during the year and have set aside the week of April 15-21 to plan for their summer and fall rush programs so they can once again be successful.

**Dr. Dan Babb, Marshall '80**, a faculty initiate and Grand Chapter Advisor for Beta Delta was honored by Marshall's Alpha Tau Omega Chapter. He was awarded the chapter's 1985 Outstanding Faculty Member Award. Congratulations Brother Babb!!

The brothers ask that any interested alumni please contact them. They are trying to improve communications and build alumni support to form a Delta Delta Alumni Association in order to build a stronger fraternity on the Slippery Rock campus.

## Delta Epsilon Rio Grande College

Delta Epsilon was in charge of registering guests at the inauguration of Rio Grande's president, Clodus Smith, recently. In addition, they gathered the dinner tickets and served as hosts at the recital! The brothers also helped to remodel the archway that leads to the entrance to the college. The arch received new Alpha Sigma Phi letters and a coat of paint. **Grand Senior President Donald Morgan, Purdue '57**, was the guest of honor at the May Day Celebration. April 12-14 the chapter hosted the Province VI conclave which was attended by brothers from Westminster, Marshall, Charleston, and Bethany.

## Province VII

**Grand Province Chief: Vacant. Province President: Scott Fisher, Radford '82, Alpha Sigma Phi, 307 Adams Street, Radford University, Radford, VA 24141.**

## Beta Zeta N.C. State University

Beta Zeta recently pledged 8 men and initiated another 5. The chapter hopes that next fall's rush program will be even more successful than this year's! Following initiation this April the brothers held their annual Talisman Ball and on February 23rd the brothers celebrated Beta Zeta's Founder's Day. Plans for homecoming are being set and the chapter looks forward to a great alumni turnout!

## Beta Mu Wake Forest University

With 61 brothers and 12 additional pledges this spring, Beta Mu is experiencing great times! Although a new "dry" rush policy was established at Wake Forest the chapter didn't allow this transition to get in their way of success! Activities such as a ski trip, a semi-pro hockey game, cook-outs before Wake Forest basketball games, and inviting rushees for dinner enabled the chapter's continued growth and strength in the University's Greek system.

This spring also brought about the annual Talisman Ball. This year's function was held at Myrtle Beach, and for a change of pace, the brothers chartered a bus to the event! The bus insured that brothers would not be drinking and driving.

## Gamma Lambda Atlantic Christian College

Gamma Lambda brothers once again participated in their annual service project. The brothers arrange for children from a nearby school for the deaf to spend a day with them at the chapter house. The day concluded with a trip to an Atlantic Christian basketball game and an ice cream party. Although communicating can be difficult at times the brothers all believe this is one of the best times during the year!

**Bill Taylor, Purdue '42**, was recently honored by the parents and children of Edgelea Elementary School, where he has just retired after 20 years as principal. Often noted for his "soft spoken" style, Taylor's patience and experience will be missed by colleagues and students alike.

As for fund-raisers the chapter sponsored a barbecue chicken dinner and held a raffle. The income generated from these two activities was spent on a chapter brotherhood function—a road trip to the beach! The chapter also reports a very successful Spring Banquet, alumni turnout was excellent!

#### **Gamma Phi Concord College**

Gamma Phi has made its presence felt this year at Concord College. **Bob Garza** was elected president of the I.F.C., and HSP **Ken Duncan** organized the first annual "Winter Greek Games." Ken also won two interfraternity awards for Best All-Around Senior and Highest Grade Point Average.

Chapter fundraisers were plentiful this year as the brothers kept themselves busy selling candy and donuts, washing cars and working the college concerts. Improving upon the chapters service program, the brothers provided services to area elderly by raking leaves and shoveling snow.

The Alpha Sigs took third place in this spring's Greek games and were ranked 2nd academically among Concord fraternities. The Black and White was held at the King's Palace in Princeton, WV, and the brothers are looking forward to next year's homecoming and Founder's Day!

#### **Delta Eta East Carolina University**

Fundraising has been on the minds of Delta Eta Brothers! With plans to pay their bills and hopefully purchase their house the brothers have developed some very creative ideas. Each month the chapter sponsors a chance to win \$100 worth of free groceries from a nearby supermarket. For a one dollar donation you become eligible to win. The chapter can make from \$100-\$600 per month. They have also designed a calendar entitled "The Girls of E.C.U." which they plan to sell next fall. The response thus far has been tremendous. The brothers are beginning to generate some savings with all their car washes and other activities.

The chapter has some great ideas for next year and combined with the fact that they are the fastest growing fraternity at East Carolina University there should be every reason for their success to continue!!!

#### **Delta Theta Radford University**

This spring the Delta Theta brothers spent an afternoon competing in a softball game against their alumni. Although there was no report of a winner, everyone had a great time and is looking forward to next year's battle! The chapter's annual Dime Roll for the March of Dimes raised \$2,000, \$500 more than last year! They also raised the most money during the Muscular Dystrophy Superdance. This is an all-campus event in which proceeds benefit the Muscular Dystrophy Association. The Spring Formal was held in April and the brothers began planning for next year's rush program which they hope will be another great success!!!

#### **Delta Iota Longwood College**

The brothers of Delta Iota are especially proud of

A few of the brothers from **Beta Mu Chapter**, Wake Forest University get together before a Monday Night meeting. The chapter's highlights included their annual Talisman Ball, this year held at Myrtle Beach.

this year's service program. The chapter raised \$600 during a keg walk benefitting the sheltered workshop of Farmville, VA. The workshop is designed for the handicapped to learn to work their way back into society. The project brought the chapter a great deal of publicity as the event was covered by the local television station and newspapers.

The chapter also raised \$125 for the Farmville rescue squad and for a campus project, formed an escort service for those wishing a way home after dark. To help fight the increased crime on college campuses the brothers turned their phone number into a "hotline" which could be called around the clock.

On April 6th a chapter retreat was held which included a camping weekend for brothers and pledges. April 27th was the date of the annual Pig Roast which brought back many of the chapters alums and guests for a great weekend of fraternity fun.

#### **Province VIII**

**Grand Province Chief: Vacant. Province President: Charlie Ireland, Presbyterian '82, Alpha Sigma Phi, Box 536, Presbyterian College, Clinton, SC 29325.**

#### **Alpha Psi Presbyterian College**

This past year found Alpha Psi hosting parties for the benefit of a local orphanage, improving the chapter house and raising money for the March of Dimes. This spring the brothers held their annual Black and White and their traditional Alpha Psi Hawaiian Holiday.

#### **Gamma Theta University of Miami**

Gamma Theta reports placing second in both Homecoming and Greek Week and missing a first place in Greek Week by only a few points. The chapter also had one of the most profitable booths during Carnis Gras which is a large fundraising carnival held annually at the university.

During Greek Week the chapter sponsored their annual Super Dance for Muscular Dystrophy and raised almost \$10,000. The brothers are looking forward to a summer rush program which they feel will lead to great results during their formal fall rush week.

## Chapter Reports

#### **Gamma Omicron Tulane University**

Spring Formal was held this year at the Clarion Hotel of New Orleans. Following the formal the brothers headed to Ft. Walton beach in Florida for the weekend. There they spent much of the time tanning on the beach and playing a few rounds of miniature golf. They all report a great time!

The chapter placed first in two Interfraternity sponsored can shakes to benefit Ethiopian hunger victims as well as the Leukemia Society. The brothers also spent a day together at a local bowling alley as brotherhood was reinforced by some friendly competition at the lanes! Plans for next fall include a great rush and the reinstating of the Thanksgiving semiformal.

#### **Delta Zeta University of North Carolina-Charlotte**

Experiencing somewhat of a "rebirth," the chapter has gone from 5 brothers at the end of last year to 30 this year and are talking of another 15-20 next fall. The chapter won the first annual intramural trophy and they feel as though they would have won the scholarship trophy also if one had been awarded.

Not only has this year been productive athletically and academically, but it has been very successful in all aspects of fraternity life. The chapter has just had its best year socially as they held various functions with the campus sororities, as well as holding their first black and white formal. Delta Zeta also sponsored and participated in four service projects in which they donated 100 boxes of donuts to a children's home, participated in the UNCC alumni phonathon, fasted for the program against world hunger and raised \$400 for the Ronald McDonald house.

The chapter is looking forward to this summer as they begin plans for their summer rush program, participate in freshman orientation and attend the Alpha Sigma Phi National Educational Conference.

#### **Delta Kappa Francis Marion College**

Delta Kappa has kept busy this year by sponsoring three blood drives with the American Red Cross.

**Brother Howard Nettles** recently accepted an award from the Red Cross for the chapter's charitable efforts.

(please turn to page 9)

# Past GSP Varner honored

Grand Senior President, Donald R. Morgan, Purdue '57, left, presents the Distinguished Service Award to Immediate Past Grand Senior President, Evin C. Varner, Presbyterian '58, at recent ceremonies in Columbus, OH.

"I am pleased to announce that my first act as Grand Senior President is to present the prestigious Distinguished Service Award to Immediate Past Grand Senior President, Evin C. Varner!"

With these words, Grand Senior President **Donald R. Morgan, Purdue '57** presented the Fraternity's highest honor, The Distinguished Service Award, to **Evin C. Varner, Presbyterian '58** at the Grand Council's recent meeting. This was only the 27th time the award had been given. To qualify for the award, a brother must already have received the Delta Beta Xi Award for Service and have demonstrated years of dedication to the "Old Gal."

Brother Varner's long history of service to Alpha Sigma Phi includes positions as Editor of *The*

*Tomahawk*, 1974-present; Director of Publications, 1974-present; creator, author, and editor of the Alpha Sigma Phi membership manual, *To Better The Man*; President of the College Fraternity Editors Association, 1982-83; Editor of the Ritual and Secret Works revision, 1983; Grand Marshal, 1978; Grand Secretary, 1980; Grand Junior President, 1982; Grand Senior President, 1984. In addition, Brother Varner is the creator, author and editor of over one hundred Fraternity manuals, guides, flyers, logos and newsletters.

"Evin Varner has set an example of service for all of us to try to live up to," commented past Grand Senior President **Stan N. Miller, Purdue '64**. "His dedication to Alpha Sigma Phi for life is a standard for all of us to strive for."

# Updated alumni directory to be published

Whatever happened to those good friends you pledged with? How many alumni live in your town? Well, the answers are at last in sight!

Alpha Sigma Phi is proud to announce that the Fraternity has made arrangements with the Harris Publishing Company to produce an *all new* Alumni Directory scheduled for release in Fall, 1986. There have been thousands of changes since the first ever directory was published in 1981. If you purchased the last directory you'll want an updated version. If you missed the last issue, now you have your chance!

The directory will be divided into four sections. One section of particular interest will list all alumni by chapter, so that friends and chapter brothers can be identified at a glance. This chapter section will list alumni members with the following information: name, chapter, initiation year, professional information such as job title, name of firm, address and telephone, home address and telephone. The front section will contain interesting pictures and information on the Fraternity, and the last two sections will be an alphabetical and a geographical breakdown listing alumni by city, state and foreign country.

All of the information in the directory will be researched and compiled by the Harris Publishing Company. The updated information will be obtained through questionnaires sent to alumni in winter, 1985 and will be followed up by telephone verification in spring, 1986. Your cooperation in providing updated information will insure the success of this fascinating and comprehensive alumni directory. Each alumnus will be given an opportunity to order the directory when his information is verified by phone. Circulation will be limited to alumni only.

The entire project will be undertaken at virtually no cost to Alpha Sigma Phi Fraternity. The Harris Company will finance the operation through the sale of directories to alumni. The fraternity will not benefit from the directory sales, but will derive substantial benefit from the completely updated alumni records.

So, for those of you who have wondered, "Where are they now?" you will soon find out. Further information on this project is forthcoming. Stay tuned!

## Living distinguished service award recipients

1963	Donald J. Hornberger Ohio Wesleyan '25	1978	Stuart W. Anderson Eastern Michigan '73

# Chapter Reports

(continued from page 7)

March 16th the chapter held their annual Black and White and would like to thank their little sisters for their support and the alumni that returned for the event. The chapter recently won the Interfraternity pool tournament, and began making plans for a "new" summer rush program.

## Province IX

**Grand Province Chief: Robert Cabello, East Mich. '70, Office Of Student Services, Stockton State College, Pomona, NJ 08240. Province President: Joe Yammarino, Lehigh '82, Alpha Sigma Phi, Box F-2, Lehigh University, Bethlehem, PA 18015.**

### Alpha Rho

#### New Jersey Institute of Technology

A new addition to Alpha Rho's newsletter is the "Alumni Update." This feature spotlights a particular alumnus detailing his occupation, family life, future plans and thoughts about Alpha Sigma Phi.

The chapter's "study" has some new additions as well. A new desk, a computer, and a drafting board with parallel rule have been added. The chapter reports that this has been a great asset to their scholarship program!

In an attempt to help curb drunk driving the brothers have started inviting rushees to spend the night at the house after social functions. This is an excellent rush tool. Not only are these men not driving while intoxicated but the additional time spent at the house allows the opportunity to develop stronger friendships.

### Alpha Tau

#### Stevens Institute of Technology

Alpha Tau jumped from seventh place in January to second over all in the running for the All-sports trophy. This jump in the standings was made possible by the chapter's experiencing an undefeated spring quarter which led to three championship teams in volleyball, basketball, and indoor soccer!!! The brothers took great pride in their enthusiasm and commitment to sportsmanship.

The chapter reports a successful Talisman Ball and hopes that more alumni will return next spring to what everyone feels is a very enjoyable evening. This spring was the start of something new for the brothers of Alpha Tau as each Friday evening they get together with their "little sister" and participate in co-ed sporting events such as volleyball and basketball. The brothers really have enjoyed these evenings and they all feel that these activities have developed a stronger bond of brotherhood.

The brothers are also planning several activities this summer which include the annual canoe trip, a visit to an Amusement Park, and a two day camping trip.

### Beta Epsilon

#### Lehigh University

Rush went very well this year at Beta Epsilon as the chapter pledged seventeen men to the Seven Points. A special addition to this year's pledge class is that of Philip Blythe, the chapter's faculty advisor.

Alpha Tau Chapter, Stevens Tech, brothers gather for a round of "For He's an Alpha Sig."

As a service project the chapter helped Hellertown clean up its parks and other public areas, and already have begun planning their next two projects. This summer the chapter is planning the first annual Beta Epsilon Softball Tournament to benefit Easter Seals. Most of the proceeds from the tournament will go to the Easter Seals and the remainder will be set aside for a dance for handicapped/retarded children.

### Beta Theta

#### Rutgers University

An all new service project highlighted this spring's activities at Beta Theta. The brothers sponsored and organized at 10K fun run with proceeds benefitting the chapter's charity. This event included t-shirts and refreshments for all participants. The brothers manned stations for registration, water breaks, refreshments and timing. Prizes were awarded for winners of various age categories. With over 150 runners in the event the brothers feel that this is a project that will continue to grow and bring the chapter a great deal of publicity!

### Beta Chi

#### American University

With renewed determination to improve the chapter's internal structure, the brothers have recently updated their constitution and by-laws, reorganized their officer files and began planning a chapter retreat to be held this fall.

The retreat is designed to enable all brothers to openly discuss the strengths and weaknesses of Beta Chi and to begin planning and implementing programs in all areas of the fraternity. The chapter has also begun making plans to celebrate their anniversary next December in conjunction with the Grand Council of Alpha Sigma Phi who will be meeting in Washington at that time.

### Gamma Xi

#### Widener University

This has been a year of house improvements for Gamma Xi. The brothers have installed new shower stalls, installed basement storm doors, brightened up the backyard with new quartz floodlighting and renovated their porch. The chapter also held its annual Christmas tree sale. Although a few of the trees were stolen the chapter still reports a successful project. Some trees were given to the area needy! Plans for this summer are to completely rewrite the chapter's constitution and by-laws.

### Delta Lambda

#### Stockton State College

Since chartering on December 4, 1984, Delta Lambda has continued to develop into one of Stockton's best fraternities! Brother Jeff Weingartner recently established test files and a chapter library to encourage the brothers to perform well academically. Dealing with the problems of transition during officer elections, the brothers have planned an officers' camping trip this summer to establish chapter goals for the upcoming year. The brothers are also taking advantage of their location close to the shore. On July 13th the chapter will get together at **Brother Mike Fitch's** house for a weekend at the beach!

## Province X

**Grand Province Chief: Otto Sonder, American '47, 52 West Street, Oneonta, NY 13820. Province President: Tom Hurlbrink, Lycoming '83, Alpha Sigma Phi, Lycoming College, Williamsport, PA 17701.**

### Iota

#### Cornell University

The 21 brothers recently initiated have been busy along with the rest of the chapter improving Iota's service programs. The brothers hosted a haunted house last fall for area underprivileged children. They then went Christmas caroling at an Ithaca Old Age home. This spring the chapter, along with the Alpha Epsilon Phi Sorority, sponsored a picnic and a day of fun and games for the area's underprivileged children. Service chairman, **Ralph D'Onofrio**, feels that these types of personal projects are the most rewarding for everyone involved!

As for house improvements, Rockledge has recently added a paved driveway, a new sign, and made renovations to many of the rooms. This summer the brothers plan to repair the ceiling of the chapter room. They are also looking forward to next year's homecoming and rush programs!

### Upsilon

#### Penn State University

Upsilon breaks record! For the second year in a row Alpha Sigma Phi along with Alpha Sigma Alpha Sorority has won the annual Penn State Interfraternity Council Dance Marathon. Last year this duo raised \$58,000 for a new marathon record. Not to be outdone the brothers set their

(please turn to page 10)

(continued from page 9)

goals even higher this year and raised over \$80,000! The entire dance marathon raised \$178,000 which makes it the largest college philanthropy in the country. Money raised goes to the Hershey Medical Center Four Diamonds Fund, which helps children with cancer.

The chapter has enjoyed a very successful year and is looking forward to hosting the 1985 Alpha Sigma Phi National Educational Conference from August 8-11.

#### Beta Xi Hartwick College

Excitement is the order of the day at Beta Xi now that their mortgage has finally been paid. However, because of a need for many house improvements, the chapter hopes another mortgage can be obtained soon. Plans include improving the kitchen, new porch, and new bathrooms.

The chapter has been very active on campus as **Dave Anderson** is captain of the swim team and Student Senate Vice President, **Drew Tingley** is Student Union President. **Brian Fitzgerald** is on the Executive Editorial Board for the campus paper and **Bob Tyson** is Head Residential Assistant!

The chapter is also proud of the fact that with all of their involvement and activities they were the only fraternity whose grade point average went up as they maintained an average well above the all-men!

#### Beta Psi Rensselaer Polytechnic Institute

The annual service project this year was helping with the local Easter Seals Telethon. The brothers answered phones, delivered pledge receipts, and helped boost the enthusiasm in the studio! The telethon raised over \$160,000 and many brothers were seen wearing Alpha Sig jerseys in support of this cause!

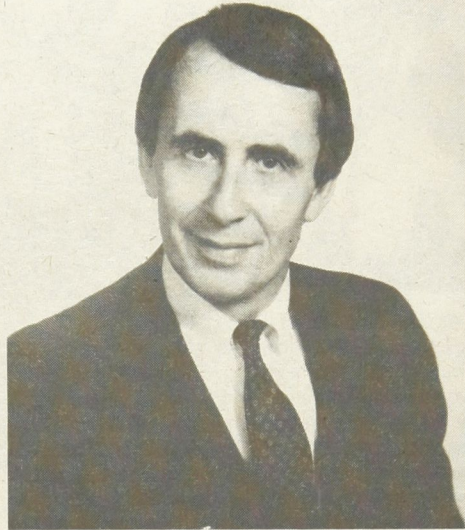

The Annual Alumni Banquet held in April once again turned out to be a great success. Over 120 people attended the event which included a morning brunch enabling alums to exchange memories and renew friendships.

#### Gamma Rho Lycoming College

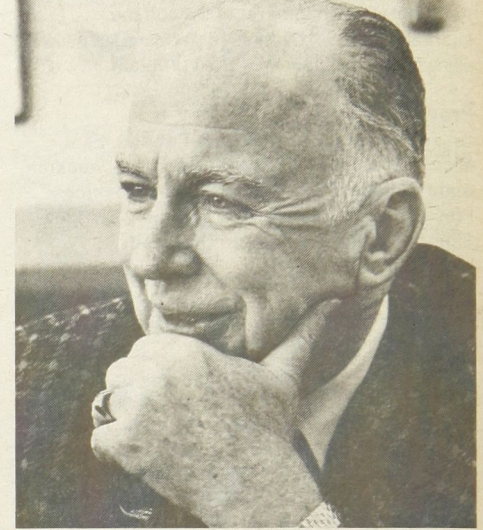

By pledging 22 men this year Gamma Rho has the largest pledge class on campus and the largest in the chapter's history! They have also improved their scholarship program tremendously. Not all that long ago they were listed near the bottom of the fraternities, but are now ranked second. This improvement has placed the chapter almost .2 above the all-men's average!

The chapter has also proved very competitive in intramurals and hopes to capture the all sports trophy. Service projects include: College phonothons, delivering "CARE" packages, participating in a run for a local charity and various other campus activities. They are also proud of the many members involved outside the fraternity in campus activities. All in all, Gamma Rho has experienced a year of growth, excitement, and transition. However, as **HSP Kevin Murphy** states "we are not fully satisfied with this strength and we are looking to improve in every aspect of the fraternity!"

## Alumni News!

**Peter L. Tourtellot, American '57**, Greensboro, NC, has moved back to the USA after a stint in Brussels, Belgium for Blue Bell, Inc. Brother Tourtellot is now Vice President, Sales, Wrangler Youthwear. He served on the Grand Council from 1978-81 when he was transferred to Brussels, and formerly served as the Fraternity's volunteer Director of Expansion and as a Grand Province Chief. Welcome home, Brother Tourtellot!!!

**William R. Conlin, Stanford '33**, Sacramento, CA, has retired as Sports Editor of the Sacramento Bee. Conlin has had the unique distinction of serving as sports editor of both Sacramento daily newspapers. President Reagan and California Gov. Deukmejian both sent proclamations to Conlin's retirement party. Loyal fans need not be too saddened. Conlin's Sunday column will still run every week.

## Alpha Sigs in action

### Reports on activities and achievements of Alpha Sigma Phi across the country

#### University of Alabama

**John W. Miller '33**, Webster, KY, is a farmer and reports a new address of Star Route, Box 11-A-2, Webster 40176.

#### American University

**Wayne Knibloc '71**, Houston, TX, is a sales representative for a technical contracting firm in the refining and petrochemical industry. He's a Toastmaster and enjoys sailing.

#### University of Arizona

**Allan Mense '64**, St. Louis, MO, is a senior scientist at McDonnell Douglas Astronautics Co. He has been elected vice chairman of the National Energy Committee of the Institute of Electrical and Electronics Engineers and will be moving soon to Washington, D.C.

#### Atlantic Christian University

**James M. Hussey '70**, Tarboro, NC, reports a new address of P.O. Box 591, Tarboro 27886, and is the father of a new son, James Jr., born April 3.

#### Baldwin-Wallace College

**Russell Meraglio '76**, Willowick, OH, is an attorney and law clerk for the Lake County Probate Court.

**Michael Stephens '73**, Pine City, NJ, has finished his 4th year as head wrestling coach at Elmira (NY) Southside High School.

**Thomas Wilson Jr. '49**, Pittsburgh, PA, is associated with Pittsburgh National Bank and has been appointed chairman of the board of a leasing corporation in Pittsburgh.

#### Bowling Green State University

**William A. Cameron '50**, Maumee, OH, is assuming duties as the branch manager of the Social Security Administration in Toledo. He was honored recently by being asked to install Gamma Zeta's 1985 officers.

**Tom Dedrick '67**, Middleburg Hts., OH, is associated with Broadview Savings and Loan in Independence, OH.

**Thomas L. Durbin '50**, Oak Harbor, OH, is a retired senior systems analyst with the Glass Container Division of Owens-Illinois.

**Michael Gardner '79**, Milwaukee, WI, is an assembly floor manager at Artcraft Industries.

**Paul Miller '81**, Uniontown, OH, has passed the CPA exam and works for Coopers & Lybrand in Akron. He also is writing a thesis for the M.B.A. degree from Bowling Green. "Had a great time at homecoming," he writes. "The newsletter looks great! Congratulations to the chapter on the good showing in all areas."

**Paul Pfahler '50**, Zapata, TX, has been inducted into the Michigan High School Football Coaches Hall of Fame. He retired from coaching and teaching in 1982.

# Alumni News and Notes

**Jeffrey S. Reichman '80**, Colorado Springs, CO, is a Battalion S-4 for the 104th MI BN/4th Infantry Division (M) in Fort Carson, CO.

**Dan Sullenbarger '71**, Cypress, TX, has returned to the United States with his family after working four years in London as a staff attorney with Marathon Oil Co.

## University of Buffalo

**Charles Botula '65**, Belleville, IL, is a Lt. Colonel assigned to the directorate of air transportation at the Military Airlift Command Headquarters at Scott AFB, IL.

**Perry Destro '64**, San Jose, CA, is manager of operations and administration at Maxim Technologies Inc., a communications engineering firm in Santa Clara.

## University of California, Berkeley

**Col. Minor K. White '56**, Jonesboro, GA, is in charge of mobilization planning (personnel) for the U.S. Army Forces Command in Atlanta. In 1983 he was awarded the Legion of Merit.

## Carnegie-Mellon University

**Samuel A. Obeson '28**, Sarasota, FL, is retired.

## University of Cincinnati

**Donald Murphy '64**, Columbia, SC, lives at 1519 Brennen Road, 29206.

## Coe College

**Scott Custis '76**, McGregor, IA, has been promoted to correctional supervisor at Luster Heights Work Camp in Harpers Ferry.

## University of Colorado

**William R. Dieckman '31**, North Fort Myers, FL, is retired and enjoys tennis, golf, travel and reading history.

## Concord College

**Thomas Wilson '77**, Blackburg, VA, counsels students in 15 southwest Virginia high schools as academic counselor for Virginia Tech's Upward Bound program.

## University of Connecticut

**William H. Hull '51**, Madison, CT, has changed careers after 30 years of aerospace engineering. He now operates a home mortgage and financial services company in Madison.

**David Korponai '63**, La Paz, Bolivia, says he's "still in beautiful downtown La Paz."

**John W. Somody '60**, Houston, TX, has returned from a four-year assignment as technical services manager in Indonesia for Bechtel Petroleum Inc.

## Cornell University

**Dwight H. Emanuelson '52**, Hilton Head Island, SC, is vice president of a company which specializes in estate planning.

**L. P. Fridley '28**, Clearwater Beach, FL, has been retired for 13 years and is "loving it!"

**Jeff Toussaint '66**, San Antonio, TX, has been promoted to the rank of Lt. Col. in the Air Force.

**Charles Pleasants, Jr.**, Atlantic Christian '77 Cary, NC, has recently been named Medical Sales Representative for Carrick Laboratories for the Eastern North Carolina Territory.

## Davis & Elkins College

**Robert A. Grote '62**, Laguna Niguel, CA, is associated with California Business Systems in Irvine. He reports having had major surgery at the Cleveland Clinic.

**David L. Kurtz '60**, Bellevue, WA, works at the Albers School of Business of Seattle University.

**Dr. Frank Mele '55**, Westwood, NJ, is chairman of the Department of Biology at Jersey City State College and professor of anatomy and physiology at Holy Name Hospital.

**Tom Miller Jr. '52**, Oldwick, NJ, writes that "Max Morgan's idea of a reunion in the spring of 1986 sounds great."

**Earl Shaffer '64**, Tampa, FL, is president of All Tampa Bay Ice Inc.

**Dr. John B. Simpson '65**, Irwin, PA, is pastor of the West Hempfield Presbyterian Church. He received the doctor of ministry degree in marriage and family therapy in May from the Eastern Baptist Seminary in Philadelphia.

**Dr. Frank R. Yulo '49**, Hamden, CT, is professor and chairman of the Department of Administration and Supervision at Southern Connecticut State University in New Haven.

## Eastern Michigan University

**Stephen B. Foley '69**, Birmingham, MI, practices law with the Alan R. Miller firm.

## Francis Marion College

**Kenneth W. Hatchell Jr. '82**, Darlington, SC, works at the H. B. Robinson Plant of Carolina Power and Light Co. in Hartsville, SC.

**Darriel Kitchens '82**, Marion, SC, is working toward certification in sports medicine at East Carolina University. He reports that **Brother David Byrd '82**, Mullins, SC, teaches at Mullins High School and is the father of a daughter, Rachel.

## Cross reference

News about alumni is grouped under college or university headings. But check through this section and you'll discover that there are brothers near you . . . brothers you perhaps already know . . . brothers you might want to do business with. If you live in the following states, you'll find news about brothers in your states just by checking the indicated college or university grouping.

## Hartwick College

**Raymond Beecher '36**, Coxsackie, NY, is retired and volunteers his time as an editor for a historical society journal and as a librarian.

**Michael Herz '74**, D. N. Elliot, Israel, works in the Kibbutz dairy herd and is catcher for the Arava Suns of the Israel Softball Association. "Any other Alpha Sigs living in Israel?" he asks.

(please turn to page 12)

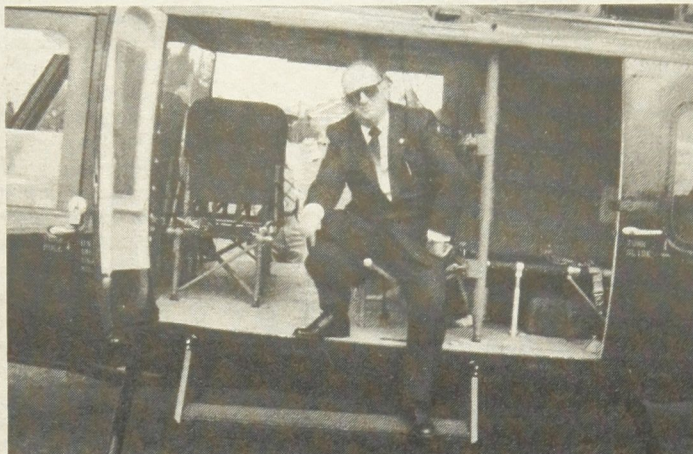

# Alumni News and Notes

## Alpha Sigs in action

Reports on activities and achievements of Alpha Sigma Phi alumni across the country

**Raymond Reis, Hartwick '58**, Middletown, Rhode Island, recently attended a New England Military Retirees Reunion in Fort Devens, MA. Brother Reis is a retired soldier and teacher who reports that he is currently spending his time trying to be a "grand old granddaddy."

(continued from page 11)

**Gary W. MacRae '68**, Raynham, MA, is director of the Information Systems Services for Hills Department Stores in Canton, where he's worked the past 10 years.

### Harvard University

**Sidney L. Eaton '24**, Needham, MA, is a retired chairman of the English department at Noble & Greenough School. Since retiring in 1971, he's been editor of a class newsletter, served on local committees, and painted watercolors.

### University of Illinois

**Dr. William C. Grater '42**, Dallas, TX, and his wife, Autumn, live at 3828 Wentwood, Dallas. He enjoys fishing in his spare time.

**Raymond H. Guthoff '28**, Bloomington, IL, is a Kiwanian and a past president of the Bloomington Production Credit Association.

**John G. Kosanovich '69**, Sandy, UT, is owner and president of Carrier Air Conditioning Distributorship. His hobbies are skiing, horseback riding and carpentry.

**George K. Lowe '31**, Sun City, AZ, is retired. He and his wife, Pauline, live at 9870 Willowbrook Court.

**Fred E. Roedger '38**, Cleveland Heights, OH, is active with the Cleveland Growth Association, the American Institute of CPAs, the United Way and the University of Illinois President's Council.

**Robert Sheldon '52**, Sunnyvale, CA, is the new job contracts administrator for the Instrument Division of Varian Associates in Palo Alto. He recently restored a Porsche 914-6.

**John T. Trutter '39**, Evanston, IL, is vice president of Illinois Bell in Chicago. He recently was the keynote speaker for industry for the Speaker of the House's conference on problems of education in Illinois.

**Paul L. Wilton '27**, St. Louis, MO, is a retired CPA. He enjoys golf and is a member of the

Missouri Athletic Club and several professional organizations.

### Illinois Institute of Technology

**Richard Adams '61**, Rockton, IL, became director of research and development last year for the Beloit Corp.

**Dr. Michael C. Buben '72**, reports a new address of P.O. Box 1005, Perryton, TX 79070.

**James Buechler '60**, Terre Haute, IN, is director of the Family Practice Residency Program at Union Hospital.

“To maintain charity . . .”

Alpha Sig Chapters from coast to coast held hundreds of creative and successful service projects this academic year. Here, brothers from Delta Kappa Chapter, Francis Marion College, run a blood drive and "Dracula" wears his promo cape to inspire donors.

## Omega chapter

(The *Tomahawk* does not assume responsibility for the accuracy of Omega listings. Information from various sources is printed as it is reported to the National Headquarters for record-keeping purposes. On-going efforts to locate brothers without mailable addresses often reveal names of those who have entered Omega. Some listings therefore are of brothers who have been deceased for sometime, but are included for information purposes and in tribute.)

**Alpha**—A. Stephens Hutchcraft '22, Lakewood, NJ. **Delta**—Arpad J. Nevada '26, Albuquerque, NM. **Epsilon**—Myron B. McCammon '20, Boulder, CO; James R. Turner '14, Bremen, OH. **Eta**—Harold E. Conant '28, Elkhart, IN; Kenneth C. Meyer '33, Schaumburg, IL. **Theta**—William P. Henderson '20, Naples, FL. **Iota**—Harold W. Uhrbrock '20, Houston, TX. **Mu**—Steele Lindsay '18, Bellevue, WA. **Pi**—Ivan E. Houk, Jr. '33, Walla Walla, WA. **Rho**—Benjamin D.
