Newly initiated brothers at Alpha Zeta Chapter, U.C.L.A. (top left) and Delta Lambda Chapter, Stockton State (top right) celebrate their chartering this winter. Grand Treasurer, **Robert A. Sandercok, Jr.**, congratulates Delta Lambda HSP, **Bob Super**, at chartering (bottom left), and (bottom right), Executive Director, **Robert M. Sheehan, Jr.**, right, presents the "Alpha Badge" to Alpha Zeta HSP, **Mark Branovan**, left.

U.C.L.A. is back! Stockton State charters!!

Within one four-week period during the fall term, Alpha Sigma Phi added two more chapters to the active roll! Alpha Zeta Chapter at the University of California at Los Angeles was reactivated at ceremonies on November 10, 1984, and Delta Lambda Chapter at Stockton State College, Pomona, NJ, was installed on December 8, 1984.

The original Alpha Zeta Chapter was founded on June 26, 1926, at U.C.L.A. and went inactive during the early 1970s. Since that time local alumni have hoped and planned for the chapter's return. Alpha Zeta alumni have been meeting at regular yearly events with alumni from other chapters living in the Los Angeles area. Events have included football tailgate parties, courtesy of **Jack Horgner, U.C.L.A. '53** and an annual Founder's Day Dinner every summer. Finally, in the Summer of 1982, inspiration to make the chapter's reactivation a reality was given to the group by young alumnus **William Tyler, Wagner '76**. Tyler made the alumni believe that a

reactivation effort would succeed.

By the Spring of 1983, with the help of the National Headquarters Staff, the Alpha Zeta Alumni Corporation had a plan set for reactivation. The corporation recruited recently graduated **Brian King, Washington '79** to be their full-time "colony recruiter" on the U.C.L.A. campus. King's room, board, and expenses were paid by the alumni corporation while he spent four weeks recruiting new colony members. By the end of his stay, King had pledged twelve men to Alpha Sigma Phi.

Area alumni served as volunteer advisors for the young group. Notable contributions of time have been given by **Don Durward, U.C.L.A. '62**, **Jim Cordi, U.C.L.A. '64**, and **Robert Kutz, California '67**. The group was officially colonized in October, 1983, and has grown to its current size of 30 men under the guidance of these advisors and Chapter Leadership Consultant, **Tom M. Welsh, Westminster '79**.

Initiation of the new chapter was held on

November 9th. A large delegation of brothers from Nu Chapter, University of California, Berkeley, and many Alpha Zeta alumni were on hand for the proceedings.

The unquestionable highlight of the weekend was the attendance of two original charter members at the Chartering Banquet. **Mac Ulrich, U.C.L.A. '26** and **Wilmer M. Binford, U.C.L.A. '26**, roster numbers #2 and #3, respectively said they wouldn't have missed the event for the world. Both

Fraternity awards Delta Beta Xi to seven brothers

Dave Leasure, Ohio State '65, left, is congratulated on receiving the Delta Beta Xi Award by Chapter Leadership Consultant, Tom Welsh, Westminster '79.

The Grand Council has announced that seven alumni who have dedicated themselves to volunteer service in Alpha Sigma Phi were given the Delta Beta Xi Award by Founder's Day, December 6th. Delta Beta Xi was the sub rosa organization formed by Alpha Sigma Phi at Yale from 1864-75 when the Fraternity was suppressed by the faculty. In 1938, the Fraternity revived Delta Beta Xi as an award to alumni who have given outstanding service to the Fraternity. No more than ten men per year may receive the award. Only 350 men have ever received the award. Here are the seven recipients this year:

Gordon L. Beeman, Indiana '68 served the chapters in his Province IV area as Grand Province Chief from 1981-84. Brother Beeman is an attorney with the firm Miller, Canfield, Paddock, and Stone in Ann Arbor, MI, where he lives with his wife Anna and their two young children. He received his award at ceremonies on Founder's Day weekend at the Theta Chapter house, University of Michigan. Brother Beeman is a charter member of his chapter.

Guy A. Clarke, California '31 has been actively involved with the Bay Area Alumni Council since 1967. He served as President of the Council in 1983-84, Vice-President in 1981-82, and was actively involved with the plan to reactivate Nu Chapter, University of California, Berkeley, in 1981. Brother Clarke retired from a career with the U.S. Navy and the City and County of San Francisco in 1976. He received his award at the annual Bay Area Alumni Council Founder's Day Banquet on December 7th.

Brian W. Jump, Indiana '79 has served Province III as Grand Province Chief since 1982. Following his graduation from Indiana he served the National Headquarters as Chapter Consultant, and then as Director of Alumni Development. Brother Jump has also served on his chapter's alumni corporation board since 1982 and was its President in 1983-84. Delta Beta Xi was awarded to Brother Jump at Indiana's Homecoming.

Stanley W. Kotulka, Penn State '70 has, for the past ten years, given hours of dedicated service to Upsilon Chapter at Penn State that have resulted in the chapter's elevation from a three-man chapter in 1973-74 to a powerhouse of 60 men today, considered tops on campus. Brother Kotulka has served as an officer on the Alumni Corporation

board for the past ten years as Vice-President and Treasurer. He spent endless evenings working with chapter treasurers, budgets, fire code provisions, debt financing, rush, and every other area of chapter operation. Brother Kotulka was awarded the Delta Beta Xi at Penn State's Homecoming.

David Leasure, Ohio State '65 has served as Grand Chapter Advisor for Zeta Chapter, Ohio State, since 1982. He served as President of the Alumni Corporation Board from 1981-83, and since then as President and Editor of the Zeta Chapter Alumni Association. Brother Leasure has devoted much time to improving the housing conditions, undergraduate operations, and alumni operations of Zeta Chapter. He organized the chapter's very successful 75th Anniversary Sig Bust and has organized numerous other alumni events. Brother Leasure received the Delta Beta Xi Award at special ceremonies at the Zeta Chapter house on December 1st.

James R. Maher, American '68 has served his Beta Chi Chapter as Grand Chapter Advisor, Alumni Corporation President, and Alumni Corporation Treasurer through the past 15 years. Brother Maher was instrumental in keeping the chapter alive during the tough times in the early 1970s. His help in rushing new members and assisting in chapter financial matters during that period is a tribute to the strength that Beta Chi has retained. Brother Maher was awarded the Delta Beta Xi at a special dinner at the Beta Chi Chapter house on December 7th.

Gordon L. Beeman

James R. Maher
American '68

James S. Reid, Tulane '68 has been instrumental in the re-establishment of Alpha Theta Chapter at the University of Missouri. Brother Reid has served as the chapter's Grand Chapter Advisor and as the editor of the alumni newsletter since 1980. He, along with his father **James I. Reid, Missouri '36, Delta Beta Xi '81**, arranged for the purchase of a beautiful new chapter house in 1982 by forming the Alpha Theta Partnership. The Partnership has encouraged alumni to invest in the chapter house and provided the means to propel the chapter quickly into a leadership role on campus. Brother Reid has spent many weekends and evenings personally making repairs to the house and advising the young chapter. Brother Reid was given the Delta Beta Xi Award at the Alpha Theta Chapter Sig Bust.

offered words of wisdom and encouraged the new founders to "carry on their work with persistence." Grand Junior President **Donald R. Morgan, Purdue '57** was the featured speaker of the evening, and Grand Secretary **Edmund A. Hamburger, N.Y. Polytechnic '45** officially conferred the charter upon the chapter. Executive Director **Robert M. Sheehan, Jr., Westminster '76** presented the traditional "Alpha Badge" and "Baby Blanket" on behalf of Eta Chapter, the previous newest installed chapter.

Delta Lambda at Stockton State was started as a local fraternity. Stockton's Greek System is very new (the college's first graduating class was in 1973). A small group of friends decided that they wanted something different from and better than the existing fraternities offered. This group of fifteen men began researching the different national fraternities and decided upon contacting Alpha Sigma Phi. The Assistant Dean of Students at Stockton State, **Robert Cabello, Michigan '70** helped the leaders with their initial organization and has since served as a steadfast advisor to the group.

Delta Lambda was colonized in September, 1983, and by chartering time grew to 28 members. The new Stockton State Alpha Sigs have already taken leadership roles on campus and in the IFC. They have participated in fundraisers for the American Cancer Society and performed other community service projects.

Car loads of brothers from Beta Epsilon Chapter, Lehigh University, drove to Stockton State to participate in the initiation of the new brothers on December 7th. The Beta Epsilon brothers, led by HSP **Andrew Bergdoll, Lehigh '82** and HM **Richard Mansfield, Lehigh '82** set up and carried out the full initiation, Silent Dinner, and Black Lantern Processional with help from **Patrick H. Madanba, Jr., Widener '81**, Cabello, and the Headquarters Staff.

Grand Treasurer, **Robert A. Sandercox, Bethany '51**, presented the charter and was the featured speaker at the Chartering Banquet the next evening. Sandercox encouraged the new brothers to "enjoy your successes this evening, but put them behind tomorrow as you set even higher goals." The Stockton State Dean of Students, Peter N. Mercado, welcomed the new chapter to campus enthusiastically and led a round of applause for Cabello, "who has helped the IFC and Alpha Sigma Phi so very much by his dedicated service." Executive Director Sheehan once more carried out the honors of presenting the "Alpha Badge" and "Baby Blanket" to Delta Lambda on behalf of Alpha Zeta Chapter.

The growth of Alpha Sigma Phi continues to spread from "coast to coast." These two charterings within weeks of one another on two different sides of the country reaffirm once more Alpha Sigma Phi's vitality! □

John R. Hoyt named a Third Founder of Alpha Sigma Phi

John R. Hoyt U.C.L.A. '29

John R. Hoyt, U.C.L.A. '29, has agreed to donate \$100,000 to The Third Founding Endowment Campaign of Alpha Sigma Phi! This qualifies Brother Hoyt for the distinction of being named a "Third Founder of Alpha Sigma Phi." Hoyt's portrait will soon be displayed in the National Headquarters as a never ending tribute to his generosity.

"Brother Hoyt's conviction and dedication to

Alpha Sigma Phi's mission and ideals are unsurpassed within our brotherhood," says **Stan N. Miller, Purdue '64**, Chairman of The Third Founding Campaign and Immediate Past Grand Senior President. "We are all indebted to Brother Hoyt for his generosity and support of the "Old Gal's" future. His gift, and all the gifts to The Third Founding Endowment, will preserve the benefits of our brotherhood for generations of future Alpha Sigs. The wonderful thing about an endowment is that the principal will be in place forever and serve thousands ad infinitum."

John R. Hoyt was initiated into Alpha Sigma Phi on December 8, 1929, at Alpha Zeta Chapter, U.C.L.A. After receiving his B.A. degree he was commissioned as a Naval Aviator and ordered to the U.S.S. Lexington as a fighter pilot. When World War II was declared, he was transferred to the Bureau of Naval Personnel, in charge of five Flight Instructor Schools. In 1946, he was released to inactive duty as a Commander. In 1954, Brother Hoyt received the Delta Beta Xi Award for service to the Fraternity. This was at the time that he served as President of the Alpha Zeta Chapter Alumni Corporation.

During the years, he has published over 200 magazine articles and three books, the last of which was entitled *As The Pro Flies*; it is still selling well in 1985.

Brother Hoyt and his wife, Mary N. Hoyt, a member of Delta Delta Delta, reside on their three acre estate in Solvang, CA. □

Third Founding Update! Campaign total \$765,000!!

Chairman of The Third Founding Endowment Campaign, **Stan Miller, Purdue '64**, has announced that the total amount pledged and contributed to The Third Founding has passed the 75% mark all the way to \$765,000!!

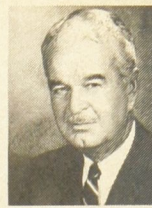

"The enthusiasm that alumni have shown for this project is unmatched by anything in our Fraternity's history!" stated Miller. "In the next few months ahead many more brothers will be contacted and asked to make a five-year pledge to the campaign. We welcome every brother who wants to jump on our band wagon of success. Of course, the most thrilling thing is that we will be able to provide to our undergraduates so many more leadership programs that are sure to make every chapter stronger." □

Matching gifts! Make your donations grow!!

Have you donated to the 1984-85 Annual Loyalty Fund yet, or to The Third Founding Endowment Campaign? As most brothers know, all gifts to these two fund-raising campaigns are **tax-deductible** because they go to The Alpha Sigma Phi Educational Foundation. The Foundation is a registered 501(c)(3) public foundation with the Internal Revenue Service, and was founded in 1945.

Many brothers are finding that their companies will **match** their gifts to the Foundation because it is a registered public educational charity. Most companies have a matching gifts program to promote charitable giving. Some companies will even match twice or three times what you give!!

Check with your employer today and fill out a matching gift form for Alpha Sigma Phi. Make your donations grow!! □

Past Grand Senior President, **Raymond E. Glos, Illinois '22**, has been given the Golden Helmet Award by Delta Sigma Pi Business Fraternity. Brother Glos is Dean Emeritus of Miami University's School of Business and has served Delta Sigma Pi as an advisor and District Director.

Mu

University of Washington

For the third consecutive National Convention, Mu Chapter was named the recipient of the Grand Senior President's Award recognizing the chapter as the Fraternity's best. The chapter's goal is to win it again and they seem to be working very hard to achieve that goal. They have pledged twenty-four men this fall, held a raffle where the winner won a trip to Hawaii and gave the proceeds to the Fred Hutchinson Cancer Research Center, spent \$20,000 dollars on house improvements and continue to maintain one of the highest GPA's at Washington, even though they have developed a very demanding social calendar which includes three formal dances this year.

Nu

University of California, Berkeley

Nu Chapter reports that the transition of moving into their new house has been a smooth one. Innovative ideas such as dessert nights and champagne raids have helped the men develop a stronger image for themselves on Greek Row. A few of the men participated in the initiation and chartering banquet of the Alpha Zeta Chapter at U.C.L.A. The brothers have also worked to clean up the south side of campus and look forward to providing their service to assist the Special Olympics. Plans are being made for the annual Black and White to be held at the end of February.

currently undefeated and the chapter held an all house retreat in October which centered on setting goals for the chapter and developing their committee system. Plans for the remainder of the year include initiation, Black and White formal, a street dance to raise money for Shriners Hospital for Crippled Children, and a special effort to celebrate Psi's founding on May 22.

Alpha Zeta

University of California at Los Angeles

November 9, 1984 will not soon be forgotten by the newest members of Alpha Zeta Chapter. For on this night these men were initiated into the re-activated Alpha Zeta Chapter and at the chartering banquet the next night brother Edmund Hamburger, Grand Secretary, presented these second founders with their charter and officially declared them a chapter. The men had been working very hard all quarter to prepare for that weekend but still found time to assist the American Red Cross with their blood drives and to participate in the annual homecoming day parade. For their efforts in the parade they were recognized in the *Daily Bruin* for creativity. The chapter has many goals for the future and is currently involved in a search to acquire housing and with a rush program that they feel will draw close to another twenty men this quarter.

Starting this year the chapter will be awarding four, one hundred dollar scholarships each semester to brothers with high academic achievement. The fourth annual Teeter-Totter marathon raised \$1,500 for the National Arthritis Foundation and the Wilson Beardshear School for the Handicapped. The chapter also hosted the Province II conclave and has kicked off their largest fundraising drive in recent years. The men hope to renovate the house and make it more attractive than ever.

Alpha Alpha

University of Oklahoma

Football was in the air this fall at Alpha Alpha Chapter. The first annual alumni-undergraduate football game was held on October 27. Much to the undergraduates' surprise the alums proved victorious with a 44-6 win. In a fundraising project, the chapter made a little extra money when they sponsored parking for Sooner football games. They also sold hot dogs and hamburgers. Money raised was used to increase their rush and house improvement budgets.

Alpha Theta

University of Missouri

The fall semester was very active for the brothers of Alpha Theta. They placed first in Banner Day, were one of only two Greek organizations to pass their fire inspection, held a Sig Bust in which 200-250 Alpha Sigs attended, and began planning for a Miss University of Missouri Pageant. Brother Jeff Parker has acted as the Missouri Tiger mascot and another brother was named Greek King. This past summer the brothers raised \$1,000 when they sold soft drinks and manned a parking lot during the annual Festival of the Hills at St. Charles, MO. Brother **James S. Alpha Xi

An organized summer rush program led to 19 pledges for Alpha Xi. The brothers are currently active in a fundraising project in which they hope to raise \$300 for house improvements. The annual Black and White was held on December 8th, and the brothers answered phones during a local telethon for charity. The chapter also reports an increase of its overall GPA, placing it near the top of the IFC standings.

National Educational Conference '85 Ready for record-setting attendance

The Biggest and the Best.

Anytime a group of Alpha Sigs get together, good times are bound to be had by all. It's also inevitable that there will be sharing and learning. That's the Alpha Sig way, that's Alpha Sig brotherhood.

And that is just why the 1985 National Educational Conference at Penn State, August 8-11, is going to be the Biggest and the Best national meeting ever! Special emphasis is being given this year to have every chapter send a large delegation to the conference.

"Experience has taught us that the chapters which send the largest delegations to our summer meetings make the greatest improvements in their operations the following year," says Grand Senior President **Evin C. Varner, Presbyterian '58**. I challenge every chapter to send a minimum of **five** men to the conference. I guarantee a great learning experience and a fantastic time for all."

Special group rates are being made available for chapters that **do** send at least five men to the conference. For every four men who register from

a chapter, a fifth man can attend for free! Ten men can attend for the price of eight, fifteen for the price of twelve, and so on!

The purpose of the conference is to teach leadership skills and chapter operations to the expected 150 undergraduate participants, and train them to make their chapters stronger. Seminars on Goal Setting, Management by Objectives, Time Management, Motivation, and Planning are scheduled for the three-day conference. The Alpha Sigma Phi Educational Foundation has sponsored the National Educational Conference since its inception in 1963. The funding by the Foundation keeps the conference fee low, allows the conference to attract nationally known speakers, and underwrites five cents per mile travel costs for one delegate per chapter. Alumni donations to the Annual Loyalty Fund and endowment income from the Third Founding Endowment Campaign provide these important benefits to the young Alpha Sig leaders.

Omega chapter

(The Tomahawk does not assume responsibility for the accuracy of Omega listings. Information from various sources is printed as it is reported to the National Headquarters for record-keeping purposes. On-going efforts to locate brothers without mailable addresses often reveal names of those who have entered Omega. Some listings therefore are of brothers who have been deceased for sometime, but are included for information purposes and in tribute.)
