

# Alpha Sig excellence

Time . . . most people never seem to have enough to accomplish all that they would like, yet like the old adage suggests it is what we do with it that counts. **Robert A. Wade, Bowling Green '83** is a shining example of making the most out of his twenty-four hours each day. Brother Wade has devoted himself to a variety of activities and organizations cultivating a long list of accomplishments and experiences. One of his notable achievements was to have served as National Chief of Order of the Arrow.

Brother Wade became the National Chief of the Order of the Arrow in 1983. The Order is an integral part of the Boy Scouts of America with a purpose and principles that are in many ways similar to Alpha Sigma Phi. Order of the Arrow is an honorary organization recognizing Scouts, Explorers and Scouters who best exemplify the Scout Oath and Law in their daily lives. The goals of the Order are to develop and maintain camping traditions and spirit, as well as to crystallize the Scout habit of leadership in service to others and to spread the spirit of Brotherhood, not just among its members but to all people. There are over four hundred Order of the Arrow lodges affiliated with Boy Scout Councils across the country. The goals and objectives of the organization are accomplished through a variety of local, regional and national programs.

The Order conducts National Leadership Seminars in each region to educate lodge youth officers and adults. There is also a National Order of the Arrow Conference attended by several thousand members every year. As National Chief, Wade had the opportunity to participate in many of these programs, as well as to have served on a delegation making the annual report to the nation in Washington, D.C. The delegation had the honor of meeting with President Reagan during their visit to the nation's capital.

Brother Wade is a native of Delta, Ohio where he began his scouting career as a member of Cub Pack 72. He is an Eagle Scout

with three palms (representing 15 merit badges beyond the 21 required for scouting's top rank). He has attended the Philmont Scout Ranch, and has served three seasons on the council summer camp staff. He also represented the Shawnee Council in a Boy Scout of America Report to the Governor program.

He is the winner of the unit, council, and area public speaking contests conducted by the Boy Scouts in cooperation with the Reader's Digest Association. He has been presented with the Order of the Arrow's Founders Award recognizing his outstanding work for the organization. Without question Brother Wade's involvement with the Boy Scouts has claimed a great deal of his time and attention the past few years; nevertheless, he has enthusiastically supported numerous activities and organizations at Bowling Green State University.

As a member of Gamma Zeta he has served as scholarship chairman, vice president and during the past academic year as pledge educator. He revised the pledge education program with a greater emphasis on brotherhood and leadership development. His new program will provide Gamma Zeta with great brothers for years to come. His activities outside the chapter at Bowling Green also carried a great deal of responsibility; a feat time management specialists would marvel at.

During the 1984-85 school year, Brother Wade served as president of the student government association. He effectively developed solutions to a variety of problems during his tenure. The university and local government had been having problems with parties held in the neighborhoods adjacent to campus during the previous spring semester. These parties were described as nearly turning into drunken riots. Where others saw a problem, Brother Wade saw an opportunity. He created and organized BGSU's first "Spring Fest," a huge outdoor celebration within a controlled area. The event consisted of seven

bands and other outdoor activities. The Student Government originally estimated they would make approximately \$8,000, but when the event was over they had raised over \$20,000. The Spring Fest was such a huge success in alleviating the problems of the previous year that the mayor of Bowling Green asked him to coordinate the program again this year.

Brother Wade has been such an outstanding representative of Alpha Sigma Phi that the Grand Council invited him to be one of the undergraduate speakers at The Third Founding Celebration of Excellence Banquet this past Founders' Day in Washington, D.C. He spoke on The Third Founding Endowment Campaign's importance to America in developing future leadership.

This remarkable young brother graduated this spring from Bowling Green with a degree in political science and business administration, and again it is no small feat that he graduated with high honors. Brother Wade is currently planning to attend law school in the fall and hopes to be involved at some point in politics on the federal level.

All of these achievements are certainly worth a great deal of admiration, yet you soon realize that it is not a well organized date book that has enabled him or anyone to accomplish so much, but rather a strong belief that organizations such as Boy Scouts, Alpha Sigma Phi and Student Government provide the opportunity to grow and become a better persons. □

## About the Cover

**Robert A. Wade, Bowling Green '83**, above far right, was the leader of the Boy Scout delegation giving President Ronald Reagan the Report to the Nation. Brother Wade was joined in the delegation by representatives from the Cub Scouts, Explorers, and Eagle Scouts.

# Our heroes!!! ΑΣΦ Volunteers!!!

The true heroes of Alpha Sigma Phi are the men who volunteer their time away from home and family to serve the "Old Gal." Our strength today is a tribute to volunteerism, our strength tomorrow depends on it! *The Tomahawk* carries the "Volunteer Census" of Alpha Sigma Phi on an annual basis. If you are not listed, and should be, let us know! If you are not listed, and want to be, see Page 15!

### Mu University of Washington

Mu Chapter is one of the strongest fraternities at the University of Washington. The brotherhood takes pride in continually striving for excellence. Activities at Mu are well rounded and include service, scholarship and brotherhood. The chapter raised \$6,000 this year to benefit the Fred Hutchison Cancer Research Center. This project is of special significance to the brothers since the president of the Pacific Northwest Research Foundation at Swedish Hospital is **Dr. William Hutchison '29**. Other activities have included homecoming, numerous sorority exchange parties and the annual Founders' Day Celebration. **HSP Mike Fors** served a term as Executive Vice President of the Interfraternity Council while other brothers were involved with Yacht Club, The Ski Team, University Symphony and Madrigal Singers.

### Nu University of California

This spring found Nu Chapter hosting the Province I Conclave. All chapters attended and shared ideas on rush and province unification.

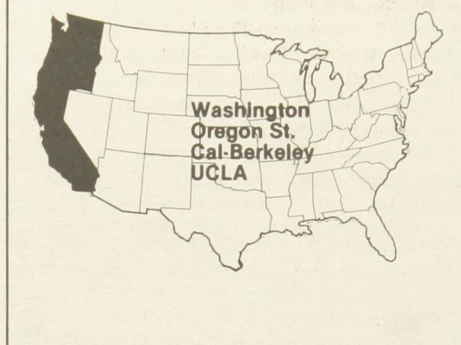

Nu's service projects included a blow-out benefit for U.N.I.C.E.F. which raised over \$1,000. They also helped the San Francisco Special Olympics with their swimming events.

The chapter has increased their contacts with the alumni to find some potential rushees and the brothers are going to check out their high schools for potential Cal freshmen.

Summer Rush is on the schedule once again, the first since re-chartering in 1982. Rush will take place all over California with events planned which include a rafting trip and cookout at a nearby park.

The undergraduate brothers are greatly anticipating their alumni dropping in for the pre/post Cal football game parties this fall!

## Province I

### Psi Oregon State University

One of the greatest innovations for Psi this past year has been the implementation of Psi Central in order to improve communication between the undergraduates and the alumni. The main projects Psi Central concentrated on were improving attendance at homecoming and Founders' Day Banquet. Other areas of concentration have been rush, service and social.

Rush was a huge success with 30 men pledging the Seven Points. One unique aspect was a Rush weekend where the whole house traveled to different locations to get a head start on seeking out the best for the brotherhood. Expo '86 was the much anticipated social event of the spring! The whole chapter traveled to British Columbia for the World's Exposition. The brothers braved the slopes for Shriner's Hospital in their first annual Ski-Aid, and plans are under way to repeat the project next year.

**Todd Massey** and **Owen McCollough** will be leading the chapter in what promises to be another great summer rush. Goals for next year are to improve involvement in campus activities, social activities and brotherhood.

### Alpha Zeta University of California at Los Angeles

This year has been good for Alpha Zeta Chapter. They had the refounding of their Black and White formal this year which was a great success. In addition, some fantastic men were pledged to help secure the future of Alpha Sigma Phi at U.C.L.A. for years to come.

Currently the chapter is organized for an even better next year. The new officers are enthusiastic and optimistic that the '86-87 school year will bring Alpha Zeta continued growth and success.

The chapter participated in the IFC blood drive and raised money for the Uni Camp through a dime toss at the university's Mardi Gras.

Along with the ladies of Gamma Phi Beta, the Alpha Zeta brothers captured first place in U.C.S.A.'s Spring Sing with their "Rhapsody in Blue Polyester." This consisted of a medley of 70 hits for their audience's enjoyment.

The undergraduate brothers encourage alumni in the area to stop by and see how well the chapter is doing!

### Phi Iowa State University

The focus at Phi during the past school year has been on rush. Informal Rush provided this group of dedicated brothers with their success; the chapter's claiming seventeen new members as a result of their persistence and dedication. Other activities have included participating in homecoming activities with Sigma Kappa, raising money for charity and hauling the cannon to home football games. A new feature was added to the firing of the cannon by having members of different sororities participate. In the spring a Black and White was held to recognize the support alumni have given the chapter. The biggest brotherhood event was the retreat held in March to lay the groundwork for next year's success. This summer the brothers plan on working hard at rush and functions in Chicago, Omaha, Des Moines, St. Louis, and Ames have been planned.

### Alpha Alpha University of Oklahoma

Currently the brothers of Alpha Alpha are executing what they intend to be their most successful summer rush program ever. The brothers will be concentrating on incoming freshmen from Oklahoma City and Tulsa. The chapter experienced a great deal of growth this past year and wants to capitalize on the potential and momentum it can give them in 1986-87. Other plans for next year include some new landscaping and shrubbery for around the chapter house.

# The Success... The Best ...

## Province II

### Alpha Theta University of Missouri

The main focus for the brothers of Alpha Theta during the spring semester has been rush and pledge education. The chapter took eleven pledges, which just happened to be the largest on campus. Much thanks and appreciation goes to **James S. Reid, Jr., Tulane '68** for his continued guidance and support during rush and throughout the year. A new pledge education program was implemented and found to be very successful. The program concentrates on teaching new members how to be the best possible brothers. A new summer rush program has been implemented, and the brothers will be getting to know as many incoming freshmen in the St. Louis and Kansas City areas as possible.

### Alpha Omicron Missouri Valley College

Spring of 1986 found Alpha Omicron riding a crest of enthusiasm and activity. The chapter is the largest Greek organization on campus with many leaders among its ranks. The agenda for the past year included participation in the Muscular Dystrophy Bowl-A-Thon, transporting books for The Friends of Murrell Library and sponsoring the Missouri Region II Special Olympics. Other plans have included the annual spring float trip and a raffle. The chapter boasts an excellent scholastic reputation with the highest GPA on campus of a 2.883. Plans are already under way for making next year even more successful for the Old Gal at Missouri Valley.

### Eta University of Illinois

What the Eta Chapter feels is their most important achievement and the one they are most proud of is their contribution to the recolonization of the Alpha Beta Chapter at the University of Iowa.

The Eta chapter is growing at an outstanding rate. To go along with their 19 new initiates they also have 11 pledges for this spring semester and already 15 quality men for their fall class. With this latest surge of new members their in-house membership is expected to be at 56 next fall to go along with a total membership of over 90 undergrads.

Socially, they had a banner year at the U of I. Their exchanges, each with a different theme, were all a success. The Spring Formal, held in Chicago at the Holiday Inn Mart-Plaza, was a huge success with over 50 couples attending including 10 alumni.

This summer the chapter is initiating a summer rush program. The activities will include one or two barbecues around the Chicago area and Greek Weekend here on campus. They have never before tried a summer rush program and are excited about the possibilities.

### Alpha Xi Illinois Institute of Technology

Once again a challenge has to be met by the Alpha Sigs at IIT. The spring semester did not begin well when several brothers did not return to the house due to either finances or transferring. Again the possibility of debt seemed to threaten the brothers of Alpha Xi. Nevertheless, plans for Rush and the participation of everyone in the chapter will alleviate this problem as well as others they might encounter. The news is not all bleak, the Black and White was a huge success in celebrating the 140th Anniversary of the Fraternity. The Phi Pi Phi Award was presented to **Brother Frank Massi, '72** for his consistent support and assistance to the chapter.

### Alpha Pi Purdue University

Alpha Pi received a second place in the greatest spectacle in college racing, "The Purdue Grand Prix." This was a special time for the Brotherhood because they raised the support and money necessary to sponsor a cart. The Black and White was held this spring in Indianapolis; the chapter also competed in the University Sing with the sisters of Sigma Kappa. The brotherhood has also lent a hand in the area of community service. One thousand

dollars was raised for the American Heart Association through a campus "twist-a-thon." The brothers also helped to sponsor "The Delta Gamma Anchor Splash" in which over \$3,500 was raised for "The American Confederation of the Blind." Plans for the summer include a great deal of rushing, as well as brothers representing Alpha Pi at the National Leadership Conference and Convention at the University of Michigan.

### Gamma Chi Indiana University

The past year has been very eventful for the brothers of Gamma Chi. A very dedicated and talented bike team made a strong showing in IU's annual "Little 500." John Cougar Mellencamp performed in the stadium after the race. Other notable activities have included a "show us your tan" contest co-sponsored with the Chi Omega Sorority, the annual "Cleos" party as well as serenades to get the sororities for pairings for different Greek events. **HSP Tom Hinkley** will represent the chapter as a Conference/Convention Coordinator at the 1986 National Leadership Conference and Convention in Ann Arbor this summer.

## Province III

### Delta Alpha Loyola University

The brothers of Delta Alpha have really pulled together in the true Alpha Sig spirit. Seeing a need to make major house improvements, the brothers secured enough housing contracts so the alumni could secure a loan for the much needed improvements. A great deal of the minor work has been completed and as a result, the house is looking much better.

Currently, a large number of brothers are planning on attending the National Leadership Conference and Convention to participate in the ritual exemplification in which **Carl Moore, Chicago, IL**, (a member of the local that became Alpha Sigma Phi) will be initiated into Alpha Sigma Phi.

### Theta University of Michigan

Special congratulations to the Sigs intramural football team which made it to the final for the second year in a row in the "A" Division. An interception in the final seconds was all that kept the Sigs away from the finals—watch out next season! Rush and pledging netted the chapter 16 outstanding brothers to add to the roster, and they were proud to report the membership is the highest in a decade. Currently the chapter is preparing to host the 1986 National Leadership Conference and Convention. **Brother Jeff Connell '82** joined the National Headquarters' Staff as a Chapter Leadership Consultant. Plans are ready for a gala homecoming weekend next fall.

## Province IV

### Beta Omicron Tri-State University

Beta Omicron welcomed a new advisor this past spring, recent graduate **Mike Pedue '82** offered to lend assistance to the chapter. Members of the chapter have been very involved in developing alcohol guidelines for campus organizations. Plans are under way to develop a dry rush program. The brothers feel this will be an advantage because the freshmen will be more comfortable in rushing fraternities. Certainly one of the priorities for the chapter has been house improvements and creating a great place for brothers to live.

### Beta Rho University of Toledo

The brothers of Beta Rho have once again continued their tradition of excellence on the intramural fields, and next year they will be eligible to compete for the coveted All-Sports Trophy. The Sigs had previously held a monopoly on the cup for some twenty-five years. The brothers once again raised money for charity by bouncing a basketball from their

campus to Bowling Green State University's campus prior to the UT-BGSU basketball game. The "BG Dribble" has become an annual event. The talk of the Greek community recently has been the possibility of the university constructing fraternity houses in the near future.

### Gamma Psi Lawrence Institute of Technology

Gamma Psi has had a dynamic year, and certainly one of the highlights has been the acquisition of the chapter's new house. The house has provided numerous financial challenges, but the brothers view it as opportunities for growth. One of the innovative ways for acquiring money for the down payment has been for the undergraduates and alumni to hold a raffle for a new Mini-Van. The raffle will go through the fall. The annual golf outing was held on June 29 at the Bogie Lake Country Club. The outing was more of a "clinic," but a great time was had by everyone who attended.

### Zeta Ohio State University

The Zeta brothers have kept very busy this year participating in their own events as well as events sponsored by the strong Greek system found at Ohio State.

Alumni support has constantly been improving with the help of **Grand Chapter Advisor Dave Leasure** and the Alumni Association. The Zeta Sig Bust was a great success and thanks are sent out to all who attended.

The brothers are looking forward to a strong summer rush program and plan on having a very successful Rush next year.

### Alpha Mu Baldwin-Wallace College

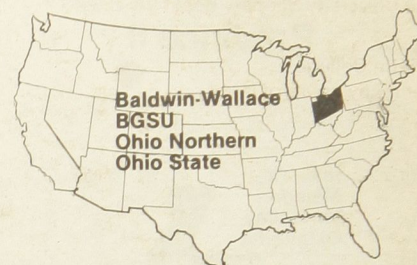

The brothers of Alpha Mu have had a very successful year! They have almost doubled their size this year and are developing their summer rush program to assist in their continued growth.

Alpha Mu is extremely proud of their success and they have a right to be. They took third out of all the fraternities on campus in their May Day competition, and have climbed up the ranks at their university.

The brothers have been helping "The Old Gal" raise money for the Annual Loyalty Fund by helping with phonothons this spring and raising money for the chapter as well.

Surprise visits by alumni have helped keep the chapter on their toes. They encourage even

## Province V

more alumni to stop by and see their improvements while thanking those who have already made the effort. Any names of prospective pledges would be greatly appreciated!

### Gamma Alpha Ohio Northern University

Top priority at Gamma Alpha has been to improve alumni communication. The brothers feel the support they would like to continue to increase this support in the coming year.

The support received resulted in a renovation of the TV room. The bench seats have been torn out and replaced with tiered seating. These seats and the floor have also been covered in cardinal and stone carpeting. Other improvements have included slanted tongue and grooved paneling, a new TV cabinet, and a satellite dish. The brothers rolled up their sleeves by doing a good bit of painting and varnishing. The chapter was also busy with competing for the All Sports Trophy, preparing for Sig Olympics, completing a snow removal project and raising funds for Catholic Charities.

The year 1986 has indeed been a milestone for Gamma Alpha. **Lucy Hubbell** retired this spring after serving as housemother for thirty-two years. Plans are underway to honor this special lady at homecoming next fall.

### Gamma Zeta Bowling Green State University

The brothers of Gamma Zeta have had another great year! "Florida Fling" was a huge success again this year. The chapter raises money for the Wood County Heart Association by raffling off a spring break trip to Florida. The raffle is held during a pre-spring break party, and has become one of the largest philanthropy projects at Bowling Green.

Plans are currently under way for this year's summer rush program. The goal is to contact all incoming freshmen in the Columbus, Cleveland and Toledo metropolitan areas and invite them and their parents to an informal reception. The evening includes a slide show, presentations about fraternity life and a question and answer period. The brothers feel this will give them an extra edge in the fall.

## Province VI

**Grand Province Chief:** Kevin J. Garvey, Westminster '75. **Province President:** Mark DiMarzio, Slippery Rock '84, Alpha Sigma Phi, Slippery Rock University Slippery Rock, PA 16057.

### Delta Marietta College

After many hours of labor and dedication, the Delta museum is finally completed. Many artifacts from Alpha Sigma Phi and Delta's history are displayed. The brothers of Delta hold their great accomplishment in high esteem and encourage alumni to stop by and see it.

The banquet that was held by Delta to officially declare the museum completed, was well attended by alumni and declared a great success!

The brothers have many challenges ahead of them for the next year. Dry Rush is a change that is coming to Marietta this Fall.

### Alpha Nu Westminster College

As the winter wind began to warm and the ground began to thaw, the minds of Alpha Sigs turned to pledge day. With a great deal of enthusiasm and persistence, the brotherhood eagerly welcomed their new class of 15 men. Alumni lent a hand with Rush and helped set up an evening at Wallbangers in Oakmont, PA for volleyball and racquetball. Another exciting development at Alpha Nu is the Parent's Club which is designed to provide an opportunity for parents to become involved socially and informatively concerning the brotherhood throughout the year. The undergraduate brothers would also like to thank **Kevin Garvey '75**, Pittsburgh, PA, for all his help and support during the 1985-86 school year!

### Beta Gamma Bethany College

The brothers of Beta Gamma have had a very busy and productive spring term. A great deal of hard work and dedication netted the chapter a 17 man pledge class. The brothers participated in two major community projects throughout the year. The first was Ranch Day, where the brothers hosted local children for a day, played games and had a picnic. The other was to participate in a phonathon for the college. Alumni weekend was held in May with 20 alumni returning to renew friendships. Past HSP **Phillip Murphy** received special recognition by being named to Who's Who Among Students in American Colleges and Universities, and **Lenny Fortunado** served as Treasurer of the Student Board of Governors.

### Beta Delta Marshall University

This has been an award winning year for the brothers of Beta Delta! They have pledged a total of 45 men to the seven points and have more than tripled in size this year. They have also developed in every area of chapter operations.

Service projects have been a large portion of

Beta Delta's year. They have shoveled snow from sidewalks for the elderly, provided an escort service, raised money for Ronald McDonald House and the March of Dimes, cleaned up a community park, played basketball with inmates of the Halfway House, and other such events. During all of this they never lost sight of their priorities. Beta Delta had the highest GPA of all the fraternities both fall and spring semesters!

When the awards were handed out to the Greek Community at Marshall University, Alpha Sigma Phi was called up time after time. Awards included: Most Improved, Most Involved Fraternity in I.F.C., Most Outstanding Rush Program, Greek Unity Award, and many more. To top it all off the IFC President is Brother **Dewey Caruthers**.

Many thanks goes to **HSP Mike McCann**, **GCA Dan Babb '80** and all of the enthusiastic brothers at Beta Delta!

## Province VI

### Gamma Delta Davis & Elkins College

Gamma Delta brothers once again showed their strength on the Davis & Elkins campus by participating in a variety of activities. Activities have included a pigs roast, ski jump, hot dog sales, raffling a money tree and collecting pull tabs from aluminum cans. The pull tabs provide one minute on a life support machine for a man in Morgantown, WV. The chapter has thus far provided enough pull tabs for over 40 hours of time. The Annual Spring Weekend was held in the Blue Ridge Mountains of Virginia. Back on campus, Alpha Sigs were involved in Student Government, IFC, disk-jockeys for the campus radio and the manager of the campus pub.

### Gamma Mu University of Charleston

The chapter proudly welcomes seven new brothers to the Mystic Circle. The emphasis was also on tradition this year as brothers sponsored two of the largest events on campus with their annual Beach Bash and New Year's Eve parties. The brothers were also represented well on the varsity and intramural field. Members of Gamma Mu could be found on the crew team and baseball teams and they were

also a dominating force on the intramural football and basketball fields.

### Delta Delta Slippery Rock University

The Delta Delta Chapter has had a very productive year. The brothers worked hard to develop some strong alumni support. Their efforts were met with success with a great deal of interest and plans are now underway for the formation of the Delta Delta Alumni Association. The chapter participated in the annual Greek Symposium in February in order to discuss issues and exchange ideas with other fraternities. **Mark DiMarzio** was tapped into Order of Omega, the Greek honorary during the Symposium. Plans are underway for another banner year especially with rush and alumni relations.

### Delta Epsilon Rio Grande College

The brothers of Delta Epsilon Chapter set their goals high this year and believe they have achieved them. They have acquired a house and are currently renting it and will, at some point, have an option to buy. They have continued their tradition of excellence in the area of service by sponsoring a see-saw-a-thon, a haunted house for underprivileged children and providing manpower by making calls to alumni at the National Headquarters in Delaware, Ohio for the Annual Loyalty Fund Drive. **David Moore** provided excellent leadership as president of the IFC, and once again the May Day celebration was a huge success and the chapter is looking forward to an even larger turn out next year.

## Province VII

**Grand Province Chief:** Don M. Blevins, Marshall '70, 2303 Wood Gate Lane, Salem, VA 24152. **Province President:** Bernie Bullard, Atlantic Christian '84, Alpha Sigma Phi, 902 West Gold Street, Wilson, NC 27893.

### Beta Zeta North Carolina State University

This has been a building year for Beta Zeta. They have pledged some really good young men and hope to get an early start on Rush by implementing a summer rush program.

The chapter has also successfully held their first annual bed races which helped raise money for the American Cancer Society. This is just one of many service projects that they have held this year.

Beta Zeta is also getting more involved in I.F.C. and in working on their relations with other fraternities in their area.

### Beta Mu Wake Forest University

This has been a very good year for Beta Mu as they continue to strive towards excellence.

(please turn to page 10)

# Chapter Reports

(continued from page 9)

They did very well in rush this year and look forward to another good Rush next fall.

The brothers are actively searching for fundraising ideas to help raise money for new furniture in their chapter room. The university is helping to make their accommodations more comfortable for the brothers.

The chapter has enjoyed many events, all of which have been successful. They have also enjoyed the alumni who have stopped in to see how the chapter is doing. More alumni are encouraged to stop by and participate in alumni events sponsored by the chapter.

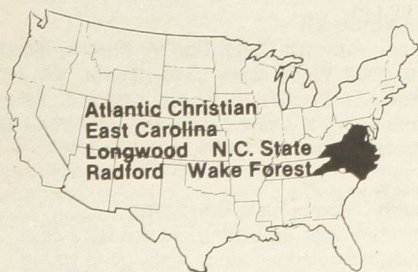

## Gamma Lambda Atlantic Christian College

Gamma Lambda has had a very busy year this year with helping Brother **Bernie Bullard** put together the Province VII conclave at Myrtle Beach, SC. House improvements involved a new inside paint job as well as a new pool table which added to the activities during the alumni weekend and spring banquet.

The chapter also captured the first place trophy for Greek Activities Day winning 7 out of 8 events as well as raising the most money of the fraternities on campus in the first annual dance-a-thon for charity. The brotherhood took students from the North Carolina School for the Deaf to a basketball game and out for ice cream after the game.

The rush chairman and committee have been appointed for next year. They are commencing with Rush and are planning to get at least 10 pledges next year.

## Province VII

## Delta Eta East Carolina University

Delta Eta successfully hosted their first alumni weekend. This included a reception on Friday night, a pig roast and the university's Purple & Gold football scrimmage on Saturday and a productive alumni meeting on Sunday. The chapter thanks all of the alumni who attended and hopes for an even larger turnout next year.

Brothers are anxiously awaiting the completion of the renovation of their chapter house. They are also trying to make plans to

purchase the structure and establish their permanent residence there for years to come.

**Past HSP David Pence** is currently serving as the IFC Executive Vice-President. While the brotherhood is stronger than ever and looking forward to an even better year, motivation and enthusiasm will surely help in accomplishing every goal that they set.

## Delta Theta Radford University

Service has continued to be an important part of Delta Theta's operations. They were involved in their MDA Dime Roll, MDA Super Dance, blood drives, paper drives, a visitation to the hospital, a litter-thon, and many other events.

Alumni participation has been another area that the brothers of Delta Theta are proud of. Attendance at the alumni banquet was very good and they helped the undergraduates congratulate the graduating seniors and participated in the award presentation.

The chapter is extremely proud of their Grand Chapter Advisor **Dr. Robert Gill, Radford '83**, who received the Delta Beta Xi award this year. The chapter and alumni together presented Dr. Gill with an official fraternity ring.

## Delta Iota Longwood College

With acquiring additional chapter room space comes the construction and shaping to make it fit Delta Iota's specific needs. The brothers worked diligently to complete this project. The brothers have been busy with service projects for the community as well as developing their alumni participation. They also hit the intramural fields hard and showed a lot of competitiveness with the other fraternities.

Their spring alumni event was well attended and enjoyable for all. There were lots of food and activities for everyone and the weather was very cooperative.

## Province VIII

**Grand Province Chief: Don Goforth, UNCC '78.**  
**Province President: Rudy De La Guardia, Miami '82, Alpha Sigma Phi, P.O. Box 8858, Coral Gables, FL 33124.**

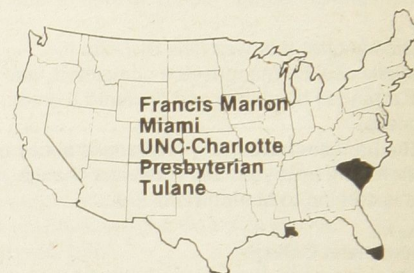

## Alpha Psi Presbyterian College

This year the chapter experienced a revitalization thanks to the strong and dedicated effort of the brothers and pledges. Alpha Psi was able to more than double their size and become a more contributing campus organization this year by having extensive participation in local aid to the Thornwell Orphanage.

Rush was a very important part of Alpha Psi's year, emphasizing a feeling of belonging and friendship which resulted in pledging eleven men. Between the existing feeling of optimism already present within the chapter and the momentum provided by the new pledge class the future of Alpha Psi is in good shape.

After a full year of activities such as the annual Christmas party, the "Black and White" at the beach and a fantastic Hawaiian Holiday and the chapter is planning an extensive summer rush program. Scheduled events include personal visits to incoming freshmen, a pool party, and a barbeque at a brother's lake house. With the momentum behind them after such a great year, they hope to build an even stronger chapter!

## Province VIII

## Gamma Theta University of Miami

A major fundraiser has been one of Gamma Theta's successes this year. They have also pledged some fine young men to Alpha Sigma Phi this year who will definitely help keep the chapter on the positive track that it is now on.

The new set of officers is very excited about this coming year and would like to thank all of the retiring officers for serving the chapter so well. Special thanks goes to Past HSP, **Matt Kamula** who was fundamental during some tough times.

Alpha Sigma Phi was once again in charge of the MDA Superdance which was a success. Brother **Armando Rodriguez, '82** was most helpful in the organization and execution of this event.

## Gamma Omicron Tulane University

This has been quite an eventful year for Gamma Omicron. Over the past two semesters ten brothers have been initiated, and there has been a great deal of other activity. The chapter has been very active socially, and has placed first, second and third per capita in three out of three IFC can shakes. The highlight of spring term was the annual Spring Formal and the trip to Fort Walton Beach, Florida to cap off the weekend.

The chapter anticipates an even more successful fall. The prospect of a new house will rally the brotherhood to achieve even more in membership recruitment, service and alumni relations.

**Delta Zeta  
University of North Carolina-Charlotte**  
After the pledging of 10 outstanding young

men this spring the morale has increased quickly. Many good things have happened at Delta Zeta, including the efforts of starting an alumni corporation to help the chapter in their efforts.

The chapter has worked hard to get their name on the campus and have succeeded at it. They have also been fundamental in improving the Greek relations on the campus.

Delta Zeta looks forward to getting more alumni involved in their operations and encourages alumni to stop by to see the undergraduate brothers.

## Province IX

**Grand Province Chief: John Luckenbill, Stockton State '84. Province President: Robert J. Shaw, American '84, Alpha Sigma Phi, Box 77, Eagle Station, Washington, DC 20016.**

### Alpha Rho New Jersey Institute of Technology

Service has been a very important area for Alpha Rho this year. They have participated in the Run for Liberty, NJIT's alumni phonathon, a food drive for the less fortunate, a change drive for the Special Olympics, a blood drive, and they ran in Beta Theta's (Rutgers) Run for Life for the American Cancer Society.

Alumni relations has been an area of major concentration for the brothers. They are trying to get their alumni more involved to help strengthen their chapter. Alumni are always welcomed and encouraged to stop by the house and visit!

Summer Rush is another area in which the brothers are working hard towards success. Any ideas of men attending NJIT who would make good Alpha Sigs would be appreciated.

### Alpha Tau Stevens Institute of Technology

The brothers of Alpha Tau are looking forward to the alumni weekend this summer that is scheduled during the Statue of Liberty celebrations. Alumni are strongly encouraged to attend and get involved with Alpha Tau!

Intramurals were a highlight of this past year. The chapter captured many championship titles throughout the year and are proud of every one of them.

Another great success is their rush this year, large pledge and initiation class has helped the chapter reach further than expected and added many new dimensions to the brotherhood.

### Beta Epsilon Lehigh University

This year was a very good year for the brothers of Beta Epsilon. Academically they have moved from 26th out of 32 fraternities to 8th thanks to some new approaches taken in their scholarship program. They have also jumped from 31st to 9th in the intramural program this year.

They also initiated their Faculty Advisor **Philip Blythe** in January, as well as inducting 13

new pledges to carry on the strong tradition of excellence that Beta Epsilon is noted for.

Plans are already being made for next year's softball marathon for Easter Seals after the success of the marathon in the fall. Beta Epsilon solicits local businesses to help sponsor the event in order to reduce the direct costs to the chapter.

The brothers may come back to a new look at the chapter house this fall as the living room is being studied for a complete face lift this summer.

### Beta Theta Rutgers University

Beta Theta's Run for Life for the American Cancer Society was held on April 19 and was considered a success. Brothers from other chapters participated as well as many community members and Rutgers students.

The Run-a-thon is an all day event consisting of 10K, 5K and one mile runs being scheduled throughout the day. Prizes and T-shirts are given out to runners in different age groups.

The chapter is getting more involved on campus and looking forward to a good year next year.

## Province IX

### Beta Chi American University

Beta Chi has seen many successes in its 45th anniversary year. They have more than doubled in size this year and have seen some long awaited house improvements.

They were the host chapter for Alpha Sigma Phi's 140th anniversary banquet and the Province IX conclave with **Brother Robert Shaw** as Province President.

The chapter has worked hard to improve their image on campus and has been very successful in doing so.

Beta Chi is sending brothers to the National Leadership Conference and Convention this summer, the largest delegation of any chapter.

### Gamma Xi Widener University

The brothers have been busy with house improvements to their Victorian mansion. They have been replacing windows and revarnishing floors and woodwork. The annual Christmas

tree sale was held and a new bookkeeping system was put into place. The brotherhood has also placed a renewed importance on the rituals and traditions of the fraternity as well as on the big brother-little brother program.

### Delta Lambda Stockton State College

Delta Lambda has definitely developed into one of Stockton State's premier fraternities. Eleven men were pledged and initiated into the brotherhood under a new pledge education program. The brothers participated in the President's Gala for the new president of the college, the American Cancer Society Carnival, Hands Across America and Earthday Festival. The chapter also held a retreat this spring led by **GCA John Luckenbill, '84** to review progress and set new goals. One of the results of the retreat is a committee that has been appointed to look into the possibility of a house.

## Province X

**Grand Province Chief: Otto Sonder, American '47, 52 West Street, Oneonta, NY 13820. Province President: Scott M. Gemberling, Penn State '83, Alpha Sigma Phi, 328 East Fairmont Avenue, State College, PA 16801.**

### Iota Cornell University

After a very successful Rush, the Iota brothers were proud of their outstanding pledge class of 23 young men. Rush contacts which give updated information each week on the planned rush events were personally delivered to hundreds of prospective pledges until the brotherhood finally decided on those they felt would be a valuable acquisition to the fraternity.

The brothers are dedicated to giving a positive fraternity experience by constantly reviewing their programs to make them better every year. PERC (Pledge Education Review Committee) and PIC (Pre-Initiation Committee) were fundamental in their efforts. TABASCO (Towards A Better Alpha Sig Community) was also very effective in developing programs to bring the brotherhood of Iota even closer than they already are.

Many house improvements have been made and ideas are in the making on how to raise money for new furnishings in the chapter house.

### Upsilon Pennsylvania State University

Raising over \$73,000 for the IFC Dance Marathon was just one of the great successes that Upsilon achieved this spring. This was the third consecutive year that Alpha Sigma Phi and Alpha Sigma Alpha Sorority took first place in the IFC Dance Marathon. The brothers are definitely dedicated to helping others who are less fortunate!

**Brother Brian Jackson** started an interest

group at Lock Haven University after transferring there this year. Five Upsilon brothers helped pledge 30 men who will be colonized this coming fall.

The chapter is dedicated to excellence and looks forward to another great year at Penn State as well as a great football season!

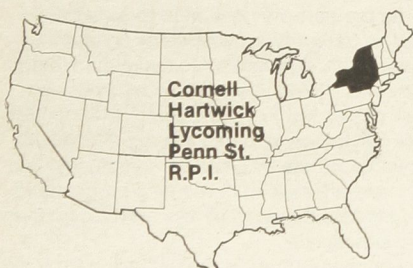

## Beta Xi Hartwick College

The Beta Xi Chapter set a Hartwick College record for their pledge class of 23 men this spring. It's the largest pledge class ever seen by the college and the chapter. The excitement around the house is tremendous and is seen as the result of hard work through the reorganization of their rush program.

The change of the rush program came by the way the brothers met and got to know the rushees. In the past "open parties" were seen as the best way to do this. Now, through the efforts of the entire brotherhood, more one-on-one approaches are being used. The chapter began a few traditions in Rush which are sure to continue in the future. Along with this is the use of a summer rush program to contact incoming freshmen and informing them about Alpha Sigs!

One of the best Sig Busts ever came this year atop Bromely Mt. in Vermont. Service was also a big event this year while the brotherhood teamed up to raise over \$15,000 for the college through an annual phonothon. Beta Xi also took a group of retarded children sledding this winter which turned out to be a great success.

## Province X

## Beta Psi Rensselaer Polytechnic Institute

Alumni events have been very good for Beta Psi this year. Homecoming, including a pig roast, an alumni hockey game and alumni banquet, have all contributed to their alumni relations.

The new officers are excited about making this next year the best ever. They are working hard to improve the different areas in chapter operations that could affect the overall chapter.

Campus involvement is an area that is being worked on. They are proud of receiving the

Brian Jackson, Penn State '83, back far left, and 29 men from Lock Haven University in Lock Haven, PA have started the Phi Zeta Colony of Alpha Sigma Phi. The group's official colonization will be held early this fall.

## Phi Zeta Colony at Lock Haven University

When **Brian Jackson, Penn State '83** transferred to Lock Haven University (PA) from Penn State in the fall of 1985 he took the pride of Alpha Sigma Phi with him. "Alpha Sigma Phi at Penn State is so excellent, I wanted to help start something special at Lock Haven" says Jackson. He has done so.

During the winter term Jackson began talking with friends about starting a new Alpha Sig chapter. The University was supportive of the idea, and quickly contacts were made at the National Headquarters.

By April the group had grown to 29 men, with more very interested men ready to join. On May 5, Chapter Leadership Consultant **Randall S. Lewis, Oregon State '81** pledged the 29 men to the seven points. The interest group's petition was received and approved by the Grand Council on May 25.

The official colonization of Phi Zeta Colony will take place on September 27. Already the colony has exciting plans for the 1986-87 school year. Most of the members will be living on a separate university residence hall floor with a chapter lounge. Four of the six freshmen residence advisors on campus are colony members, and the group is primed for growth. Go Phi Zeta!

most improved QPA (Quality Point Average) for fall '85.

## Gamma Rho Lycoming College

The new officers of Gamma Rho have high expectations for the chapter this coming year. Their motivation is going to be fundamental in their success in Rush and scholarship.

The chapter has been working hard on their scholarship program by doing sessions in time management, recording their exam results with the scholarship chairman, and posting a list of brothers who are willing to help tutor.

Gamma Rho held a successful Black & White formal this spring with many recent alumni returning. They hope to get more alumni involved and would encourage them to stop by to visit "The Old Gal."

## Alumni Directory Nears Completion

All telephone contact has been completed by Harris Publishing Company, publishers of our official alumni directory. The purpose of the telephone contact was to verify the information which the alumni provided on the directory questionnaires and the information currently held on the alumni records.

At the same time, the telephone representatives of the publishing company invited alumni to purchase personal copies of the directory.

The directory is tentatively scheduled for release in October. If you have not received your copy by October 31, or if you are interested in ordering a copy and have not heard from the publisher, you may contact them directly at the following address:
