### **"BUILDING BETTER BROTHERS" BEST NATIONAL LEADERSHIP CONFERENCE & CONVENTION EVER!**

*"I learned so much that it's difficult to put into words. I learned about National Headquarters, other chapters and brothers, as well as myself. All the hard work everyone put into this showed and paid off! Excellent."*

*"An awesome experience, I will be sure to take my experience back to the brotherhood and try to encourage more brothers from my chapter to attend and see for themselves."*

*"....Totally new presentations and bold ideas. Well organized and ran smoothly. This convention has met the change that is taking place on the campus and has set the tone for the future. Thank you!!"*

*"Having all participants under one roof is GREAT! ...I'm not sure how to explain the impact of the conference."*

*"WOW! How can a value be placed on the VIDEO! Were there any dry eyes? Skip came across as a leader of a team committed to "Building Better Brothers."*

These are just a few of the comments that were offered by attendees of this year's National Leadership Conference & Convention. As you can tell, this year's conference proved to be a huge success once again.

The conference provided a fine balance between chapter development activities and personal development activities, all of which were aimed at fulfilling the mission of your fraternity, "bettering the man." The emphasis on "bettering the man" thus led to this year's theme, "Building Better Brothers."

## NATIONAL NEWS (Cont'd)

Participants left the conference this year with complimentary T-shirts, fresh ideas, increased wisdom, everlasting memories, and a renewed sense of brotherhood...with brothers from coast to coast! Additionally, each chapter received a surprise at the end of the conference, a videotape that contained exciting footage of conference highlights, including excerpts of the Black Lantern Processional. If you have not had a chance to view this videotape, please ask your chapter's delegate to share it with you. It is very impressive!

Plan now to attend next year's conference in New Brunswick, New Jersey, where Beta Theta Chapter at Rutgers University will be the host chapter! Details will be forthcoming in future issues of the "Old Gal Gazette."

## FOOD FOR THOUGHT

---

**LEADERS** don't force other people to go along with them; they bring them along.

**Leaders** get commitment from others by giving it themselves, by building an environment that encourages creativity and by operating with honesty and fairness.

**Leaders** demand much of others, but they also give much of themselves. They are ambitious -- not only for themselves -- but also for those they work with. They seek to attract, retain, and develop other people to their full abilities.

**Good leaders** aren't "lone rangers." They realize that success requires the combined talents and efforts of many people. Leadership is the catalyst for transforming those talents into results.

**Successful leaders** are emotionally and intellectually oriented to the future--not wedded to the past. They have a hunger to take responsibility, to innovate and initiate. They want to move forward to create something new.

**Leaders** provide answers as well as direction, offer strength as well as dedication, and speak from experience as well as understanding the problems they face and the people with whom they work.

**Leaders** are flexible, rather than dogmatic. They believe in unity rather than conformity, and they strive to achieve consensus out of conflict.
