This Issue

We run on the cover of this issue the cut giving the objects and purposes of Alpha Sigma Phi. This has been run before but we repeat because this issue is being mailed to our new brothers from Alpha Kappa Pi. We again run on the frontispiece, "The Decalog of Fraternity Policy" of the National Inter-fraternity Conference. It can serve as a guide to any chapter as general chapter program. This issue is a summary of the Alpha Kappa Pi Silver Anniversary Convention and the Alpha Sigma Phi Centennial Convention at which conventions action was taken to consolidate the two fraternities under the name of Alpha Sigma Phi.

NATIONAL INTERFRATERNITY CONFERENCE

The Decalog of Fraternity Policy

1. The college fraternity has as its goal, in harmony with that of the college, to provide training and discipline of the individual who, in seeking an education, desires to make of himself a useful member of society, possessing knowledge, trained skills, and capacity for accomplishment. The college fraternity, as a group organization, seeks to teach men how to live and work together, striving by precept and example for the personal development of the individual in the training of mind and body. It carries forward the fundamental purposes of education, adding a fraternal influence for correct living and individual development.
2. The college fraternity must regard itself as an integral part of the institution in which it is located. It not only must be amenable to the rules and regulations of the college institution, but must share in all the college responsibilities of the undergraduate. The college fraternity must match the discipline of the college administration, and must accept the added responsibility incident to the supervision of group life in the chapter house. Furthermore, the college fraternity, with complete loyalty and allegiance to the college which nurtures it, has the duty of supporting in every possible way the institution of which it is a part.
3. The college fraternity is also a business organization. Successful management requires sound financial practices and good housekeeping methods. There is the dual obligation of prompt collection of monies owed and prompt payments of accounts due. The fraternity man and the chapter group acquire strength and stature as they develop business experience and a true perception of correct business methods. Financial strength and integrity in the fraternity enables it to accomplish its other aims.
4. The college fraternity stands for excellence in scholarship. It seeks, as a part of its college, to promote diligent application to study by the fraternity member, not only in order that the requirements of the college be met, but also that achievement above the average level may be attained. The college fraternity adds its rewards for intellectual attainment to those given by the college.

5. The college fraternity accepts its role in the moral and spiritual development of the individual. It not only accepts the standards of the college, but, in addition, endeavors to develop those finer qualities of ethical conduct which add to the inner growth of man.
6. The college fraternity recognizes that culture goes hand in hand with education, and, therefore, seeks to broaden the growth of the fraternity member by encouraging the acquisition of knowledge and training in cultural subjects. It is in this field that the college fraternity augments the formal instruction of the institution in encouraging an appreciation of art, of music, of literature, of dramatics, of debate, of sports and games, of speaking and writing, and of national affairs.
7. The college fraternity is the center of much of the social life of the fraternity member. As such it seeks to develop the social graces, the art of good living, the development of courtesy and kindness. Good manners, good taste and good companionship are a part of the training of every fraternity member.
8. The college fraternity recognizes the importance of the physical well-being of its members. It seeks to provide healthful and sanitary housing. It encourages healthful practices by its members, discourages physical excesses and promotes athletic competitions in both fraternity and college life, so that *mens sana in corpore sano* shall be the aim of every fraternity member.
9. The college fraternity assumes civic responsibilities. The chapter-house is another training ground for good citizenship. Fraternity members are taught first their civic responsibilities as members of the college community, and are prepared in later life to assume their responsibilities to their communities and to the nation.
10. The college fraternity seeks to develop those qualities of human understanding, of companionship, of kindness, with a knowledge and training in appraising the basic values of life, which will lead towards a better civilization, with peace and understanding among all peoples.

Centennial and Silver Conventions

The Centennial Convention of Alpha Sigma Phi was held on the campus of Marietta College on September 4, 5, 6, and 7, 1946. The site of the Centennial Convention in the historic town of Marietta, the oldest organized city in Ohio, and the Northwest Territory (Ohio, Indiana, Illinois, Michigan, Wisconsin and part of Minnesota) was also the site of the first national convention of Alpha Sigma Phi held in Marietta in 1907 and also the location of the Delta Chapter of Alpha Sigma Phi, founded in 1860.

It was also fitting that Alpha Kappa Pi Fraternity organized on January 3, 1921, should hold its Silver Anniversary at Ocean City, N. J., the home of one of their great leaders, the late Parke B. Fraim.

The most significant transactions of both conventions was the approval of a consolidation between Alpha Kappa Pi and Alpha Sigma Phi under the date of September 6, 1946. Much of the discussion and interest at both conventions centered around the question of the consolidation of the two fraternities.

One can appreciate in reading the verbatim reports of the two conventions the very real questions which were raised with regard to the pros and cons of the consolidation. First discussions relative to the present consolidation took place in 1944, but further consideration was deferred until the end of World War II with the knowledge that both fraternities were holding their first post-war conventions in September at the same time, it appeared advisable to discuss again the possibilities of a consolidation. At

Columbus, Ohio, on August 17, 1946, representatives of Both Executive Councils met and reached agreement.

The only possible reason for the consolidation of the two fraternities was to give a better and more marked service to undergraduates and undergraduate chapters. With this fundamental premise in mind, the Grand Officers of both fraternities agreed upon a program to submit to their respective conventions. The resulting fraternity did not have in it the problems of a large duplication of chapters. There were only three duplications: one at Columbia University, where neither Alpha Sigma Phi nor Alpha Kappa Pi had a house; at the University of Illinois, only Alpha Sigma Phi had a house; and Pennsylvania State College both fraternities own a house. The larger Alpha Sigma Phi increased only in the natural increase that comes through the process of extending the chapter roll, whether that extension involves one chapter or a group of chapters.

Alpha Sigma Phi, founded at Yale College, December 6, 1845, is the tenth oldest Greek-letter college fraternity and now ranks among the twenty largest fraternities in the number of chapters.

Alpha Kappa Pi was organized at the Newark College of Engineering, Newark, New Jersey, January 1, 1921, and remained a local society until March 23, 1926, when the Beta chapter was placed at Wagner College, Staten Island, New York. Prior to this date a committee of seven from Newark College and Wagner College, directed by the Rev. Albert H. Wilson, New York City, had

worked out a complete plan for nationalization. Their policy was to build a strong fraternity east of the Mississippi and only one chapter was installed in 1928 west of the Mississippi at Coe College, Cedar Rapids, Iowa, and it became inactive in 1935.

The Rev. Albert Hughes Wilson, "Bert," as he is known to his close fraternity friends, was fraternity adviser of Alpha Kappa Pi since its organization. His church study in New York City was the central office of Alpha Kappa Pi. He wrote the ritual and assisted in writing the constitution and by-laws. He is a past Regent of Sigma Nu fraternity and, since his retirement this year from his church, is Grand Historian and chapter visitation officer of Sigma Nu.

Adviser Wilson was largely responsible for the extension and growth of Alpha Kappa Pi and his influence was felt in the installation of chapters of high character in that fraternity. He has served on the executive committee of the National Interfraternity Conference and many of its committees. He, through his unselfish service to the undergraduate fraternity system of this country, has proved his place not only as a fraternity leader but also an understanding leader in interfraternity affairs.

Two committees were appointed with joint representation from both fraternities to make recommendations relative to a revised constitution and by-laws and a revised ritual. It was the belief that it was desirable to combine the best features of Alpha Kappa Pi in the revision of these two documents of Alpha Sigma Phi. The consolidation calls for a governing board called the Grand Council of twelve, four of whom were nominated by Alpha Kappa Pi. The publication of Alpha Sigma Phi will retain the name of *The Tomahawk*, which was first published in 1847. The pledge pin will be the former Alpha Kappa Pi pledge pin. The official badge and seal of the fraternity will be that of Alpha Sigma Phi.

Membership in Alpha Sigma Phi of alumni and undergraduates of Alpha

Kappa Pi in good standing was automatic and complete on September 6, 1946. All undergraduate members of former Alpha Kappa Pi have been furnished an Alpha Sigma Phi badge and will be required to purchase a life subscription to *The Tomahawk*.

Installation teams from undergraduate chapters and alumni councils, under the direction of the Grand Council, are installing all of the new chapters in Alpha Sigma Phi. Full initiation services will be conducted and new charters will be issued.

Alpha Kappa Pi functioned under a province system of supervision. The province system will be continued in Alpha Sigma Phi. Provinces will be set up by the grand council who will appoint alumni heads of each province. The responsibilities of the province heads will be decided upon by the Grand Council.

Dr. Wilbur H. Cramblet, Grand Senior President, presided at the national convention of Alpha Sigma Phi on Wednesday and Thursday, in Marietta, appeared as a guest speaker at the convention banquet of Alpha Kappa Pi in Ocean City, New Jersey, on Friday night, and returned for the centennial dinner-dance in Marietta on Saturday night, accompanied by W. Samuel Kitchen, former Grand Secretary of Alpha Kappa Pi and present Grand Marshal of Alpha Sigma Phi, who was presented to the convention of Alpha Sigma Phi and brought greetings from the new brothers in Alpha Sigma Phi.

There seemed to be present such a mutuality between Alpha Kappa Pi and Alpha Sigma Phi that their plans and purposes crossed, with such natural evolvments, that the larger Alpha Sigma Phi came into being with such poise and generous appreciation of one fraternity for the other, that in the building of the present fraternity of Alpha Sigma Phi there was to be heard neither the sound of hammer nor saw. Time will prove the wisdom of this consolidation of two wholly solvent and progressive groupings of college men.

OFFICIAL INSIGNIA

Work of two committees with joint representation from Alpha Kappa Pi and Alpha Sigma Phi studied carefully the Constitution and By-Laws and Rituals of both fraternities. Their work resulted in the revised instruments being

sent to all chapters.

As a part of their work they made suggestions on the official insignia of the fraternity. Shown below is the official insignia decided upon. We trust you will become familiar with it.

Alumni Contributions

Realizing that the benefits of the fraternity last over the years and not only for the three or four short undergraduate years, the alumni of Alpha Sigma Phi have participated in sharing in the costs and benefits of the National Fraternity. During the past war years the operation of the national organization was continued by the generous support of the alumni who filled the gap caused by the loss in revenue from the undergraduate chapters.

At the Estes Park Convention in 1927, the fraternity passed legislation which was submitted to all chapters and approved setting up alumni dues of \$1.00 for all of those initiated after August 1, 1927. These dues may be compounded at any time by the payment of \$25.00 into the Endowment Fund. For the past several years we have solicited all alumni for "contributions" making no distinction between

those who were initiated before or after August 1, 1927. This solicitation was prompted by the desire of all alumni to share in a small way in their fraternity.

In 1947 we are asking all alumni to contribute \$3.00, one dollar of the \$3.00 to be placed in the Endowment Fund.

The active chapters and new initiates have participated actively in the Endowment Fund since September 1940. One dollar was added to the National Initiation Fee at that time and one dollar added to the national dues of each active. These small amounts have been building this fund slowly and surely and we know each alumnus will desire to play his part.

The Endowment Fund is under the control of the Grand Council and is used for the benefit of the undergraduate chapters. All contributions may be sent directly to the National Office.

Alpha Sigma Phi Memorial

On December 6, 1945, on the Centennial of the founding of the fraternity—Alpha Sigma Phi Memorial Fund was established. Pursuant to the Trust Agreement creating the Fund, it is to be used exclusively for one or more of

William C. Mullendore

the following charitable or educational purposes:

(a) To enable or assist deserving young men, who may but need not be members of Alpha Sigma Phi Fraternity, to obtain or complete a college or university education.

(b) To further learning by the establishment of scholarships, scholarship incentives and awards.

(c) To seek and contribute to the attainment of high educational standards among college and university students.

(d) To make, encourage and promote endowments and other donations to colleges and universities, including, but not

limited to, those where Alpha Sigma Phi Fraternity has chapters.

(e) To conduct research work in the educational field and to supplement educational processes in colleges and universities.

(f) To encourage and contribute to the improvement of education and scholarship and the development of high standards of honor, integrity, character and leadership among students of colleges and universities."

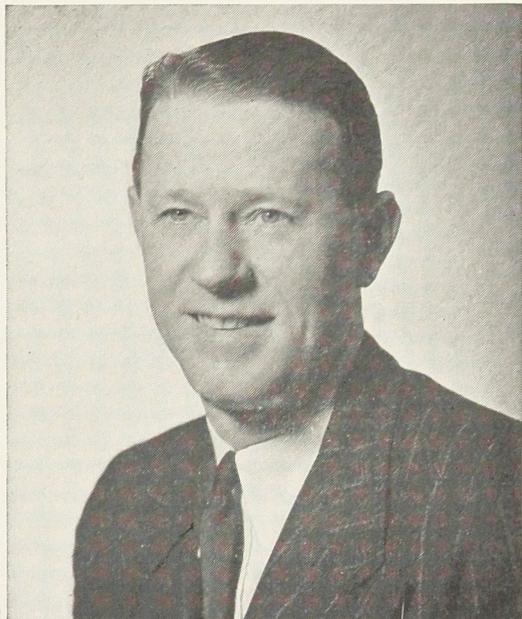

From this broad list of purposes, specific selection may be made by a donor to the Fund or by the Trustees, provided the specific purpose is exclusively charitable or educational and is within the general purposes of the Fund.

Thus, a donor could provide that his contribution be used to create a scholarship or for student aid at a particular college or university, or to purchase a library for a particular chapter house, or to provide a scholarship award or trophy for a particular chapter. It seems probable, however, that the Bureau of Internal Revenue would not presently recognize financing of a chapter house or of the general operations of a chapter as included in "charitable or educational purposes."

The Fund will serve as a general memorial to all members of the fraternity who gave their lives during the Second World War. In addition, the Trust Agreement permits the Trustees to "appropriately record any subscription, donation, gift, devise or bequest as a memorial to any person or group of persons designated by the donor or donors thereof." Hence, any donor with the approval of the Trustees may provide that a particular contribution is to be recorded as a memorial to a specified person or group of persons. For example, alumni of a chapter may contribute funds to establish a scholarship in memory of the heroes of that chapter; or a gift may be made to establish a library at a chapter house, with book

plates indicating that the volumes are in memory of a particular individual.

To carry out the purposes of the Trust, the Trustees are authorized to spend either income or principal or

Wesley M. Hine

both. This will produce flexibility, since a contribution may be (a) devoted at once in its entirety to the desired purpose or (b) applied to such purpose over a limited period of years or, (c) devoted indefinitely to such purpose by retaining the principal and disbursing only the income.

Through the assistance of Brother George E. Worthington, a ruling has been obtained from the Treasury Department as to the status of the Trust Fund for federal tax purposes. The most important portions of this ruling are:

(1) Contributions to the Fund may be deducted by the donors in arriving at their net income subject to federal income tax.

(2) Bequests and legacies to the Fund will be deductible in arriving at the value of the net estate of a decedent for federal estate tax purposes.

(3) Gifts to the Fund will be deductible in computing net gifts for federal gift tax purposes; and

(4) Income of the Fund itself is not subject to federal income tax.

The deductions mentioned in (1), (2) and (3) above are subject, of course, to the limitations ordinarily applicable in the case of gifts or bequests for charitable or educational purposes. The full text of the ruling follows this article.

The Trust will be administered by three individual Trustees. All must be members of Alpha Sigma Phi Fraternity and at least one must be a member of the Grand Council. The Trustees have authority to fill a vacancy among the Trustees, subject to the approval of the Grand Council. The initial Trustees are William C. Mullendore, president of Southern California Edison Company; Wesley M. Hine of Rheem Manufacturing Company, and Paul Fussell, attorney-at-law. While all of the initial Trustees live in or near Los Angeles, they are alumni of different chapters, Brother Mullendore being from Theta (Michigan), Brother Hine from Tau (Stanford), and Brother Fussell from Nu (California).

In many respects the Trustees may reach decisions without the necessity of

Paul Fussell

prior consultation with the Grand Council, but decisions on several major points are subject to the Grand Council's approval. Approval by the Grand Council is required, for example, for any one payment which exceeds \$1,000, or for any amendment of the Trust Agreement, or for its termination. Even with the approval of the Grand Council, the Trust Agreement may not be amended so as to change the purposes for which the Trust is created, and even in the event of termination of the Trust the funds must be applied exclusively for charitable, scientific, literary or educational purposes.

The initial contribution to the Fund was by the fraternity itself in celebration of its Centennial. The Trustees hope and believe that many members and friends of the fraternity will make additional contributions in order that the Fund may carry out its charitable and educational purposes.

Those interested in making contributions may secure more detailed information through the National Office, 34 N. Franklin street, Delaware, Ohio.

Mr. Paul Fussell

Chairman of the Trustees, Alpha Sigma

Phi Memorial Fund

433 South Spring Street

Los Angeles Calif.

Dear Mr. Fussell:

Reference is made to the information submitted on behalf of the Alpha Sigma Phi Memorial Fund for use in determining the status of such trust fund for federal income tax purposes.

The information submitted discloses that the Alpha Sigma Phi Memorial Fund was created pursuant to a trust agreement made December 6, 1945, by and between Alpha Sigma Phi Fraternity, Inc., as donor, and three individuals, named therein, as trustees. Article I of the trust agreement provides in part that the purpose of the trust fund shall be to enable or assist deserving young men to obtain or complete a college or university education; to

further learning by the establishment of scholarships, scholarship incentives and awards; to make, encourage and promote endowments and other donations to colleges and universities; and to conduct research work in the educational field. The income of the trust fund will be derived solely from contributions and will be expended in furtherance of its stated purpose. Article I provides further that the trustees shall pay out and expend such sums from the income and principal of the trust fund as they in their sole judgment and discretion shall determine is necessary or advisable to carry out any one or more of the above purposes provided that no payment which in itself exceeds \$1,000.00 shall be made without the prior approval of the Grand Council of Alpha Sigma Phi Fraternity.

Based upon the evidence before the Bureau, it is the opinion of this office that if the Alpha Sigma Phi Memorial Fund is operated strictly in accordance with its purposes as outlined in the trust agreement, the trust fund will be entitled to exemption from Federal income tax under the provisions of section 101 (6) of the Internal Revenue Code as a trust fund created and operated exclusively for educational purposes.

Accordingly, income tax returns will not be required to be filed for the trust fund unless the purposes for which it was created or its method of operation is changed. Any such changes should be reported immediately to the collector of internal revenue for your district in order that their effect upon the exempt status of the trust fund may be determined.

Furthermore, under substantially identical authority contained in sections 1426 and 1607 of the Code, the employment taxes imposed by such statute are not applicable to remuneration for services performed in the employ of the trust fund so long as such trust fund meets the conditions prescribed above for retention of an exempt status for income tax purposes.

Contributions made to the trust fund will be deductible by the donors in arriving at their taxable net income in the manner and to the extent provided by section 23 (c) and (q) of the Internal Revenue Code, as amended.

Bequests, legacies, devises or transfers, to or for the use of the trust fund will be deductible in arriving at the value of the net estate of a decedent for estate tax purposes in the manner and to the extent provided by sections 812 (d) and 861 (a) (3) of the Code. Gifts of property to the trust fund will be deductible in computing net gifts for gift tax purposes in the manner and to the extent provided in sections 1004 (a) (a) (B) and 1004 (b) (2) and (3) of the Code.

Since the actual activities of a fund or foundation or a material factor in determining whether it is both created and operated exclusively for charitable purposes or for any one or more of the purposes as set forth in section 101 (6) of the Internal Revenue Code the trustees should after the trust fund has been in active operation for a period of twelve months complete and file with the collector of internal revenue for their district, Form 1023, in order that the effect of the actual operations upon the exempt status of the trust fund may be determined. There should be attached to the Form 1023 a classified statement of the receipts and expenditures of the trust fund for such period and a complete statement of the assets and liabilities of the trust fund as of the close of such period. A copy of the trust agreement need not be again submitted. However, copies of any amendments thereto should be submitted. It will also be necessary that a copy of the by-laws or other similar code of regulations, if and when adopted, be furnished this office.

The collector of internal revenue for your district is being advised of this action.

By direction of the Commissioner.

Very truly yours,

C. B. ALLEN,

Deputy Commissioner.

Tomahawk Life Subscription Fund

Each new initiate in Alpha Sigma Phi since September 1923 is a life subscriber to *The Tomahawk* of Alpha Sigma Phi. This program was set in motion by action of the 1923 National Convention. The life subscription costs \$10.00. The fund has grown gradually each year until on December 31, 1946, it amounted to \$85,670.11.

The fund is administered by the Trustees, appointed by the Grand Council. They serve without remuneration and the funds are in the name of the fraternity. The Trustees are guided in their operation of the fund by a Trust Indenture entered into by the Trustees and the Grand Council on behalf of the fraternity. The Trust Indenture is set up in accordance with the operation of trusts under the New York State law.

Robert L. Jagocki, Pennsylvania '17, is chairman of the *Tomahawk* Trustees. He has served in this capacity since the beginning of the fund. Brother Bob has devoted many, many unselfish hours in behalf of the fraternity as member of the Trustees. His ability and that of the Trustees is shown by the fact that not a penny in principal has been lost from their investments. He is an attorney practicing in the Borough of Brooklyn, New York City, and resides in the same Borough.

Ambrose Day, Columbia '25, is another member of the Trustees and is located in New York.

Benjamin F. Young, Ohio Wesleyan '13, a member of the Grand Council, is the third member of the Trustees.

For the members of the fraternity who may see this issue who are non-subscribers, we welcome your subscription.

Attached is my check payable to Alpha Sigma Phi Fraternity, Inc., for \$10.00 covering a Life Subscription to *The Tomahawk*.
