Alpha Sigma Phi, Alpha Alpha Colony
University of Oklahoma
1400 College
Norman, OK 73072
(405)360-4404

September 24, 1997

Dear Alpha Sigma Phi Grand Council,

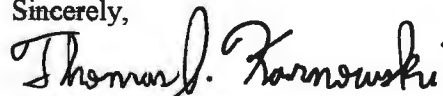

On behalf of the membership of the Alpha Alpha Colony of Alpha Sigma Phi Fraternity, I wish to express our gratitude for the foundation of friendships and brotherhood that has been laid as a direct result of the expansion efforts of this fraternity at the University of Oklahoma. The last several semesters have been the ultimate realization of the mission statement of Alpha Sigma Phi Fraternity: **To create and perpetuate brotherhood.** Never in my life until this very moment would I have thought it possible for a group of young men to come together as friends and then mature in their relationships as they explore the real world together.

The re-birth of Alpha Alpha on the campus of Oklahoma University has been a challenge: constitutional debates and committee meetings, service hours and social events, tears from stress, and tears of joy. It is now my pleasure to inquire of the Grand Council if we may add a new dimension to the challenges of the past; it is my pleasure to present to you the *Chartering Petition of Alpha Sigma Phi Fraternity Alpha Alpha Colony* on behalf of the membership.

Within these pages you may explore men who have sacrificed, men who have committed their lives to positive growth, and most of all, men who are motivated to live their daily lives in an exemplary fashion as demonstrated by the Colony mission statement: *We, the gentlemen of the Alpha Alpha Colony of Alpha Sigma Phi Fraternity, do hereby commit to demonstrating excellence in our lives in the areas of academics, community service, leadership, and brotherhood. We are dedicated to improving the Greek community through mutual respect between our members, pledges, alumni and community, and through living by our motto "to better the man."* This petition has been put together in such a way as to spotlight the Colony's phenomenal membership and its interrelationship to the unique set of events that the Colony claims as its history.

Thank you for your time and consideration regarding this petition, but most of all, thank you for providing the opportunities for our men to experience Brotherhood.

Sincerely,

Thomas J. Karnowski
Alpha Sigma Phi, Alpha Alpha President

We, the undersigned members of the Alpha Alpha Colony of Alpha Sigma Phi Fraternity at the University of Oklahoma do hereby petition Alpha Sigma Phi Fraternity to grant this organization the honor of being designated as a chapter of Alpha Sigma Phi Fraternity. We agree, if chapter status is granted, to abide by the Constitution, Bylaws and Rituals of the Fraternity.

The University of Oklahoma

The University of Oklahoma was founded December 19th, 1890, 17 years before statehood, by a Territorial Legislature that recognized the importance of a University to any territory with aspirations of becoming a state. Today, the University of Oklahoma is a doctoral degree-granting research university serving the educational, cultural and economic needs of the state, region and nation.

The university offers more than 120 undergraduate areas of study leading to bachelor's degrees, 87 master's and 54 doctoral degrees. The University of Oklahoma offers these programs through the following 20 colleges: Allied Health, Architecture, Arts and Sciences, Business Administration, Dentistry, Continuing Education, Education, Engineering, Fine Arts, Geosciences, Graduate, Law, Liberal Studies, Medicine, Nursing, Pharmacy, Public Health, University College, Health Sciences Center Graduate College and College of Medicine in Tulsa, Oklahoma.

The main campus and the offices of administration of the University of Oklahoma are located on 3,000 acres in Norman, a city of 80,000 residents. Norman is located near the center of the state, 20 miles south of Oklahoma City, the state capital. The Norman campus consists of three sections - central campus, south campus and north campus. Most of the academic and administrative buildings are located on the central campus, noted for its Cherokee Gothic architecture and award-winning landscaping. Also situated on the central campus are the University residence halls; the Energy Center; the libraries, museums and performing arts centers; Oklahoma Memorial Union, where student affairs is located and where many students gather to relax; recreational facilities including the Huston Huffman Physical Fitness Center and the Murray Case Sells Swim Complex; the Oklahoma Memorial Stadium and Owen Football Field, the site of 6 national football championships; and the Oklahoma Center of Continuing Education (OCCE), a year-round educational center and conference site.

Immediately adjacent to central campus is the south campus, site of the Law Center and OU Foundation; the University apartments; Lloyd Noble Arena and parking complex; the tennis complex; the University Golf Course; L.Dale Mitchell Baseball Park; the Sam Viersen Gymnastics Center; and Our Children's World University Child Care Center.

North Campus, which is one mile north of the central campus, houses the University Computing Services; Max Westheimer Airport, the University-operated airport that also serves the city of Norman; Swearingen Research Park, where government agencies and industry have established facilities; and the Weather Center, a complex of federal, state, private, and University meteorological agencies including the National Severe Storms Laboratory, the National Weather Service Forecasting Office, Applied Systems Inc., and the NEXRAD Operational Test Facility.

Other research and study units of the University include the Biological Station on Lake Texoma; the Oklahoma Geophysical Observatory at Leonard near Tulsa; the Aquatic Biology Fisheries Research Center in Noble near Norman; and the Oklahoma Climatological Survey, the Oklahoma Archaeological Survey, the Cooperative Institute for Mesoscale Meteorological

Studies, and the Center for the Analysis and Prediction of Storms (CAPS) in Norman. In addition, the Oklahoma Geological Survey is a separate state agency located on the Norman campus and is responsible to the University of Oklahoma Regents.

The University of Oklahoma Health Sciences Center is the state's major educational resource for training physicians, dentists, nurses, pharmacists, public health specialists and a wide range of allied health personnel. Half of all Oklahoma physicians and many of the state's other health-care professionals have earned their degrees from the OU Health Sciences Center. Faculty and students use the clinical, laboratory and teaching facilities at Oklahoma Memorial Hospital, Veterans Administration Medical Center, Children's Hospital of Oklahoma, Columbia Presbyterian Hospital, Dean A. McGee Eye Institute, Oklahoma State Department of Health, Oklahoma Medical Research Foundation, other affiliated hospitals in Oklahoma City, the major teaching hospitals in Tulsa, the Veterans Administration Hospital in Muskogee and various affiliated hospitals and clinics in other locations in Oklahoma. The OU Health Sciences Center is the educational core of a group of 20 public and private health care institutions which make up the Oklahoma Health Center.

The College of Continuing Education provides academic outreach opportunities to the state, region and nation. As the administrative unit for outreach at the University of Oklahoma, continuing education programs are the means by which the University extends its resources to the people of Oklahoma and beyond. By encompassing comprehensive, multidisciplinary academic services and programs which focus on the needs of adult learners, the College of Continuing Education offers both credit and non-credit courses, seminars, workshops, conferences, correspondence study, public service activities, and travel/study programs. The diversity and quality of services available through continuing education programs provide an exciting and challenging academic experience. Over the past two years, more than 200,000 people came through the college through more than 4,000 programs. This includes 266 Oklahoma locations, 268 U.S. locations and 39 international locations.

Total enrollment at the University of Oklahoma is 25,051. 19,683 students from every state in the union are enrolled at the Norman campus, 2,859 students are enrolled at the Health Sciences Center Campus, 553 students are enrolled at the University Center at Tulsa and 1,956 students are enrolled in Continuing Education and Liberal Studies. 1,750 of the total student enrollment consists of International students from over 100 foreign countries. The Norman Campus has 834 full-time and part-time faculty. The Health Sciences center employs 743 full-time and 193 part-time faculty. The Norman Campus has 2,611 full-time and 1,400 part-time staff employees. The Health Sciences Center has 1,990 full-time staff members and 493 part-time staff members.

The University of Oklahoma grows every year. New additions and remodeling come to campus every fall. This past year, the largest collegiate scoreboard was installed in Owen football stadium, and a new parking garage was built to accommodate the increase of enrollment and further demand for parking. The Sam Noble Oklahoma Museum of Natural History at OU is currently under construction, and when completed will be the largest university-based museum in the United States, housing more than five million natural history artifacts. Also, in the past five

years, the university faculty has nearly doubled external research grants, bringing important educational dollars to Oklahoma, even though the faculty is smaller than it was 10 years ago.

There are many other interesting aspects to the University of Oklahoma. OU ranks first per capita among all comprehensive public universities in the number of National Merit Scholars in the student body. There are more than 700 national scholars enrolled at OU. OU has produced 24 Rhodes scholars, 700 corporate presidents, vice-presidents and CEOs. OU athletic teams have produced 19 national championships and 133 conference championships. OU's Neustadt International Prize for Literature is second in prestige only to the Nobel Prize. In fact, 17 of its laureates, jurors and candidates have gone on to receive the Nobel Prize. OU has attracted numerous Fulbright scholars from such countries as Italy, Azerbaijan, Bulgaria, Hungary, Bolsoza and Kazakhstan.

OU's School of Petroleum Engineering has produced more petroleum engineers than any other program of its kind in the world. In fact, *U.S. News and World Report* ranks OU's petroleum engineering program among the top three in the nation. They also rank OU's College of Medicine among the top 20 comprehensive medical schools in the country. The OU College of Pharmacy at the Health Sciences Center is among the top ten pharmaceutical programs in the nation. OU has one of the top three meteorological research programs in the nation and is the top university research center in the nation for the study of severe storms. The new National Weather Service Storm Prediction Center being established at OU will provide information for the entire nation on tornadoes, heavy rains and thunderstorms, flash floods, and winter storms. The College of Continuing Education's Economic Development Institute was ranked by the *Wall Street Journal* as the second most popular executive-training program in the nation.

OU's History of Science Collection is the best of its kind in the country. With more than 80,000 volumes, including rare and historical works by the world's most famous scientists, the collection boasts original works by Galileo with his own handwriting in them. OU's Western History Collection is recognized as one of the nation's most important resources on the American West. OU's library system is the largest in the state. OU's Fred Jones Jr. Museum of Art is one of the premier university art museums in the country. *The Oklahoma Daily*, OU's student newspaper, was named one of the nation's top five daily college newspapers.

The following is a list of the colleges at the University of Oklahoma, the departments within the colleges, and the degrees those departments confer.

Alpha Alpha Chapter History

(Written by Charles E. Corway ('84), Alpha Alpha # 814)

For nearly 75 years, Alpha sigma Phi Fraternity has maintained a presence at the University of Oklahoma. This document only touches on the highlights of the chapter's rich heritage. This brief history of Alpha Alpha Chapter was compiled from the author's resources and research during his undergraduate days at Alpha Alpha Chapter. This documents the fraternities founding through 1987, when the chapter closed due to low membership.

On January 25, 1921, five men at the University of Oklahoma founded a local fraternity known as Delta Kappa Rho. Delta Kappa Rho was created primarily for the purpose of petitioning a national fraternity for chartering at the University of Oklahoma. They established a chapter house located on Apache Street in Norman and incorporated themselves under Oklahoma law in the spring of 1921. The membership soon increased to twelve, and by the summer of 1922, they began the process of petitioning several national organizations for membership. Delta Kappa Rho petitioned Delta Kappa Epsilon (their primary choice), Phi Kappa Sigma and Alpha Sigma Phi. Delta Kappa Epsilon and Phi Kappa Sigma declined while Alpha Sigma Phi reacted favorably to their petition. They remained as Delta Kappa Rho until all the requirements were met for chartering, with final approval coming from National Headquarters (at the time in New York City) on May 9, 1923.

That same day, Delta Kappa Rho was publicly announced to the university community. Having served its purpose, the once-secret motto of Delta Kappa Rho was revealed: it was the Greek letters of the fraternity, disguising its motto written in English: "Death Keeps (its) Rewards."

On the evening of May 19, 1923, a traveling ritual team from Omicron Chapter at the University of Pennsylvania initiated sixteen charter members and twenty-four pledges into the Mystic Circle of Alpha Sigma Phi Fraternity at the Huckins Hotel in Oklahoma City. (The Huckins Hotel has since been demolished.) At the conclusion of the ritual, representatives from National Headquarters presented the men of the former Delta Kappa Rho the charter for Alpha Alpha chapter of Alpha Sigma Phi Fraternity. The first ten members to sign the chapter's roster book were:

1. Scott Preston Squyres
2. James Matthew Merrell ("Gov") Robertson
3. Charles Atticus Fair
4. John Bus Miles
5. Hugh Dinsmore Stites
6. Charles C. Miles
7. Hugh Daniel Goggin
8. Laurence Lee Johnson
9. Alvin Levi Gorby
10. Leon Mason Willitts

That same night, elections for the chapter officers were held and Scott Preston Squyres was elected first HSP of Alpha Alpha chapter. Alpha Alpha became the first chapter of Alpha Sigma Phi to use double Greek letters for its chapter designation, as the original order of the Greek-letter alphabet (except for Omega, traditionally reserved for our deceased Brothers) was used up.

The Early Years of Alpha Alpha (1923-1938)

The brothers of the new Alpha Alpha of Alpha Sigma Phi continued to live at the house on Apache Street until it was destroyed by a fire on March 17, 1925. Temporary quarters were found in a house on Asp Street until they moved into a house at 435 W. Boyd (now the location of OU's Baptist Student Union.)

Between 1927 and 1935, Alpha Alpha was at its "golden era"; at one time during this period, it was one of the more popular fraternity houses on campus, with over fifty active members. Glen Dawson (AA '30), was a renowned college track and field athlete. By 1938, Alpha Alpha's golden era came to a close. For reasons that are unknown (probably due to low membership), Alpha Alpha's charter was taken away by then-Executive Director Ralph Burns.

Alpha Alpha After World War II (1948-1960)

Alpha Alpha was dormant throughout the World War II years. In March 1948. Through the efforts of Charter Member "Gov" Robertson and Brother Smalley, Alpha Alpha was re-chartered, with eighteen members welcomed into the Mystic Circle. The members of Alpha Alpha found new quarters at the old 'Beta Barn' (previously the location of Beta Theta Pi) located at 701 DeBarr Street. In 1950, Alpha Alpha moved into the house previously occupied by Gamma Phi Beta sorority, at 602 West Boyd Street, on the corner of College and Boyd

The chapter's newsletter, "Alfalfa Hay" was the recipient of the 1956 Chapter Newsletter Award at the Fraternity's nation convention. In 1957, the undergraduates of Alpha Alpha secured payment on a lot in the new South Greek housing area at 505 Emerald Way. The lot was sold in 1960, and was later purchased by Kappa Delta Sorority. (Interestingly, when Kappa Delta closed a few years ago, the house once again was offered for sale.)

The 1960's

In 1960-61, Alpha Alpha struggled to survive; at one time only five brothers lived in the house. Their scholastic standing was well-recognized by the Fraternity, as Alpha Alpha won the Fraternity Scholarship Award for the years 1961 through 1963 and the Fraternity's Summa Cum Laude Citation. Over the years, membership grew steadily at Alpha Alpha, and in 1968, the Fraternity awarded Alpha Alpha the National Province Leadership Award.

The 1970's

By the mid-1970's, the house on Boyd Street was beginning to show its age and questions were raised about its safety. Under the direction of alumni council, and with the assistance of Brother William A. Mathes (AA '70), a registered architect, plans were drawn for a new house to replace the old one. The old house was razed in late 1975, and while the new house was being constructed, the brothers took up temporary quarters in one of the University-owned apartment complexes.

The new house had a few features not normally associated with traditional fraternity house design: the building resembled more a small apartment complex, with about a dozen one and two bedroom apartments with kitchens. The design of the house enabled it to easily expand to meet the needs of the growing chapter, though only the first phase of construction ever saw completion. Because the house was built further back on the lot of the old Boyd Street house, it received a new postal address: 500 College Drive.

The 1980's

Alpha Alpha entered the decade of the 1980's with dwindling membership. Many factors contributed to the decline, primarily its remote location at the far northern end of the University of Oklahoma campus. To maintain the house's occupancy level, the alumni corporation rented out vacant apartments to non-members. In 1989, after repeated efforts by National Headquarters to revive the membership, the chapter's charter was withdrawn. The house and lot was later sold by the alumni corporation to the University of Oklahoma; it was later torn down and converted into a parking lot for the University's College of Music.

The 1990's Rechartering Effort *(Written by Mark Dixon (AP '93) #523)*

Although there was no group in the early to mid 1990's, the Alumni Corporation, knowing how difficult it was to secure housing for a fraternity, made several attempts to buy a house after the house at 500 College Drive was torn down. The attempts were not successful, but on one occasion, the Alumni council was 48 hours from owning a piece of property. The hope was that after buying a house, National Headquarters' efforts to recharter the Alpha Alpha chapter would be easier.

The window of opportunity to recharter at the University of Oklahoma came in the Fall of 1995. The alumni council urged National Headquarters to petition the IFC to make their return to campus in the following Spring. Coincidentally, undergraduate Brother Mark Dixon from the Alpha Rho Chapter of Alpha Sigma Phi at the New Jersey Institute of Technology transferred to the University of Oklahoma not knowing about the expansion effort. After finding out, Brother Dixon teamed up with National Headquarters to help further the expansion effort.

The spring of 1996 fell short of many expectations, but the main reason it did not get off the ground was the fact Spring Rush was difficult for all fraternities that year, making it difficult

to expand. The spring of 1996 was a good learning experience for President Mark Dixon, Tim Govier, and Joshua Moyes, the three members who remained from the expansion effort. These three had the courage and were determined to try again in the Fall of 1996. They knew what had to be done to expand on the University of Oklahoma campus. They need to make sure every student on the University of Oklahoma campus knew what Alpha Sigma Phi was all about and that Alpha Sigma Phi was there to stay.

Joshua Moyes, a national merit scholar, spread the word in the fall of 1996 to fellow scholars Tom Karnowski and Jason Lairamore. Both Tom and Jason were excited about helping form something unlike anything else at the University of Oklahoma. With the help and resources from National Headquarters, this core of leadership sought out to inform the University of Oklahoma what Alpha Sigma Phi was all about. Alpha Sigma Phi was going to be a fraternity that would excel in the areas of service, academics and brotherhood.

The Alpha Alpha interest group did not find the leaders. The leaders found the Alpha Alpha interest group. The members that formed the Alpha Alpha interest group were all bonded by one common link: excellence. This group of highly motivated individuals grew faster than any group in the history of Alpha Sigma Phi. After only two weeks, the interest group grew to 33 members. Of the 33 members, one-third were national merit scholars. Joshua Moyes become the interest group's president.

The main focuses of the Alpha Alpha interest group were rush, service and academics. They quickly became involved with many service projects on campus. They used these service events to help attract new members, and every social, service or intramural event became a rush event. The interest group was heavily interested in the fact that Alpha Sigma Phi was a singing fraternity. The interest group used traditional fraternity songs to introduce themselves to the OU sororities and had a lot of fun in the process. The interest group petitioned Fraternity Headquarters to become an official Colony of Alpha Sigma Phi on September 22, 1996.

On November 16, 1996, the interest group was colonized by National Headquarters at the Ramada Inn in Norman. The first president elected by the Alpha Alpha Colony was Jason Lairamore. Under his guidance in the spring of 1997, the colony continued to learn about the fraternity process. Although they continued to rush and bring in new members, there were some previous members who did not have the dedication of the other members and dropped out on their own volition. Although the colony valued them as individuals, the colony wanted the group to be strong as a unit. After repeated efforts to keep these gentlemen, the colony felt their efforts would be put to better use in other areas, by the gentlemen who wanted the colony to charter with 50 strong members.

In April of 1997, the alumni association acquired the right to lease the Phi Delta Theta house, which was occupied at the time by a struggling Sigma Tau Gamma. On August 1, 1997, the colony began to occupy the house located at 1400 S. College Avenue. Since moving in, the colony has been fixing up the house in hopes of making this residence a permanent one. The colony completed their chartering requirement of 50 men with a pledge class of 21 men. The Colony then petitioned National Headquarters for a charter on September 25, 1997.

THE CONSTITUTION OF ALPHA ALPHA CHAPTER OF ALPHA SIGMA PHI FRATERNITY

Preamble

We, the students and alumni of the University of Oklahoma, and Alpha Alpha Chapter of Alpha Sigma Phi Fraternity, in order to provide for effective management and legislation in the operation of the chapter, do hereby adopt and approve this constitution.

ARTICLE I. NAME

This organization shall be known as Alpha Alpha Chapter of Alpha Sigma Phi Fraternity.

ARTICLE II. PURPOSE

The purpose of this chapter shall be to organize its membership in such a manner as to further scholarship, to promote community and campus service, to provide the means for greater academic achievement, and to create a more productive individual in society, as well as to become a chapter of quality in Alpha Sigma Phi Fraternity.

ARTICLE III. SUPREMACY

- | | |
|-----------|--|
| Section 1 | If at any time any part of this document or any by-laws passed by the chapter are found to be in conflict with any policies, procedures, or regulations set forth by the National Convention, Nationals shall take precedence. |
| Section 2 | The policies, procedures, and regulations of the National Convention shall not be listed here due to the supremacy of the National Constitution |

ARTICLE IV. MEMBERSHIP-PLEDGESHIP

- | | |
|-----------|--|
| Section 1 | Any male student of the University of Oklahoma with a minimum of a 2.0 cumulative Grade Point Average shall be eligible to pledgeship. In the case of incoming freshmen, the IFC weighted Grade Point Average shall be used. |
| Section 2 | Members shall be duly initiated male students at the University of Oklahoma. |
| Section 3 | There shall be no discrimination such that race, religion, or creed will affect a candidate's possibility for membership or pledgeship. |
| Section 4 | Membership and pledgeship shall be granted by virtue of acceptance of invitation extended by vote of the members. |

- Section 5 A pledge is officially accepted when the official IFC bid card has been properly filled out, signed, and returned to the rush chairman.
- Section 6 A pledge shall be eligible for membership after having successfully completed his pledge period.
- Section 7 No hazing of any kind shall be tolerated at any time.

ARTICLE V. MEETINGS-PROCEDURE

- Section 1 Stated meeting of this chapter shall be held at least once a week during the academic year with the exception of conflicting holidays. Time and location of meetings shall be at the discretion of the President.
- Section 2 Special meetings of the chapter can be called by the President or at the request of fifty percent (50%) of the active members, providing there is at least a twelve (12) hour advance notice.
- Section 3 The procedure for all meetings shall be governed by those stated in the current edition of *Robert's Rules of Order*, with some provisions.
- Section 4 A quorum consisting of a majority of membership must be present in order to act upon any legislation.

ARTICLE VI. OFFICERS AND ELECTIONS

- Section 1 The elected officers of this chapter shall be the President, Vice President, Recording Secretary, Corresponding Secretary, Treasurer, two At-Large Members of the Prudential Committee, Scholarship Chairman, Pledge Educator, Editor, Sergeant-At-Arms, Marshal, and Public Relations Representative.
- Section 2 Each officer of this chapter shall maintain at least a 2.5 Grade Point Average for the most recent semester.
- Section 3 Elections shall be held at the end of the spring semester (term). The term of office shall be for the period of one year, beginning at the first meeting after the election.
- Section 4 The officers of Alpha Alpha Chapter can be removed from office for violation of university regulations or negligence of office. If an officer is found to be in violation of university regulations, or in negligence of office, he shall stand for recall through election by a 2/3 majority of the chapter's membership. He shall continue to perform the duties of his

office until or unless a decision against him is determined by the election.

Section 5 In the event that an office becomes vacant, it shall be filled by appointment of the Prudential Committee. An exception to this rule is when any office that holds a position on the Prudential Committee becomes vacant, at which time an election for that office shall be held at the following chapter meeting.

Section 6 Officer duties shall be as follows:

President- is the chief executive officer. He is responsible for the activities and success of the chapter and is the official representative of the chapter. His biggest responsibility is to preserve harmony, to give direction, to see that goals are set, and to create an atmosphere for outstanding achievement by the entire chapter. The president must make sure that all officers and committees fully understand their responsibilities, and he must encourage continual education and training of all members.

Vice President - assists the president in all his duties and responsibilities as well as taking charge of the chapter in the absence of the president. He chairs the Prudential Committee. He supervises the committee structure that actually carries out the work of the chapter.

Treasurer - is the financial manager of the chapter. He handles all business details under the supervision of the Prudential Committee.

Members-at-Large - are the undergraduate members' links to the Prudential Committee.

Recording Secretary - keeps records of all meetings and files them properly. He also types all minutes in triplicate and maintains the files of all reports and other paperwork relating to the chapter. He is responsible for membership records. He reads aloud to the chapter at each meeting all letters from Headquarters and National Officers.

Corresponding Secretary - is the communication link between the chapter and Fraternity Headquarters. He handles all correspondence between the chapter and other chapters, alumni brothers, the university, etc.

Scholarship Chairman - is in charge of the chapter's scholarship committee and its programs that encourage and recognize good

scholarship. He supervises the tutorial program, chapter reference material and reports to Headquarters on the chapter's scholarship.

Marshal - is in charge of the initiation. He is in charge of pledge ceremonies, formal chapter meetings and other formal ceremonies. He is in charge of all equipment relating to the ritual.

Sergeant-At-Arms - puts the chapter room in readiness for all meetings. He maintains order and dignity at all meetings and is in charge of plaques and awards. He maintains the archives of the chapter and its special mementos.

Editor - is responsible for submitting material for Fraternity publications. He is also responsible for the chapter scrapbook. He is the historian of the chapter.

Alumni Director - is the liaison between the undergraduates and alumni. He is responsible for promoting a mutually beneficial relationship, thus making sure his peers in the chapter have the advantage of the wisdom of the more experienced brothers.

ARTICLE VII. COMMITTEES

Section 1 The permanent standing committees of the chapter shall be as follows:

- A. Prudential Committee
- B. Alumni Committee

- J. Intramural Committee
- K. Public Relations Committee
- L. Faculty Relations Committee
- M. Activities Committee
- N. Expansion Committee

These committees, with the exception of the Prudential Committee, shall be appointed by the Prudential Committee and approved by the chapter.

Section 2 The Prudential Committee shall consist of the President, the Vice President, the Treasurer, and two Members-At-Large. The Vice President

shall serve as Chairman. The Prudential Committee shall deal with all matters of programming, policy, finances, and budgeting, and make subsequent recommendation to the chapter members.

- Section 3 The Alumni Director shall be chairman of the Alumni Relations Committee; the Rush Chairman shall be chairman of the Rush Committee; the Service Chairman shall be chairman of the Service Committee; The Scholarship Chairman shall be chairman of the Scholarship Committee; The Social Chairman shall be chairman of the Social Committee; the Pledge Educator shall be chairman of the Pledge Education Committee; the House Manager shall be the chairman of the Housing Committee; the Philanthropy Chairman shall be the chairman of the Philanthropy Committee; the Intramural Chairman shall be the chairman of the Intramural Committee; the Editor shall be the chairman of the Public Relations Committee; the Faculty Relations Chairman shall be the chairman of the Faculty Relations Committee; the Activities Chairman shall be the chairman of the Activities Committee; and the Expansion Chairman shall be the chairman of the Expansion Committee.
- Section 4 Special committees, consisting of three or more men, to perform special or current duties which cannot be referred to one of the permanent Standing Committees may be appointed by the President or the Prudential Committee with the approval of the chapter. Special committees shall deal only with matters of current importance to the chapter, and shall cease to exist when their mission is accomplished.
- Section 5 Permanent and special committees shall be directly responsible to the Vice President. It shall be his duty to see that all committees function properly and that they fulfill their functions.
- Section 6 Each active member must be in at least one committee each semester.
- Section 7 Active committees must consist of at least three active members and must have a scheduled meeting once a week. The Prudential Committee shall decide which committees are to be considered active.
- Section 8 All committee meetings, with the exception of some Prudential Committee meetings, shall remain open to all members.

ARTICLE VIII. FINANCES

- Section 1 The revenues of this chapter shall be derived from the members' dues and the chapter's fundraising projects.
- Section 2 All revenues shall be controlled by the membership, with

recommendations from the Prudential Committee.

- Section 3 Indebtedness to Alpha Alpha Chapter of Alpha Sigma Phi Fraternity may be handled by the Prudential Committee in accordance with the National Constitution and by-laws regarding expulsion and suspension for non-payment of dues.

ARTICLE IX. ATTENDANCE

- Section 1 Chapter meetings have a mandatory attendance policy. Each member is allowed no more than two unexcused absences from chapter meetings. The Prudential Committee may make a ruling as to the validity of an excuse.
- Section 2 The following is required of a member in order to have an absence excused:
- 1) Must notify an officer or chairman attending the meeting of the absence prior to the meeting.
 - 2) Must contact the Recording Secretary after the meeting to read the minutes from the meeting
- Section 3 Any member who willingly agrees to attend an event and does not appear without notifying someone attending the event will be brought before the Prudential Committee for punishment as defined below.

ARTICLE X. RULES AND LAWS

All members and pledges shall abide by the standing laws and any other rules passed in chapter meetings.

ARTICLE XI. PUNISHMENT

- Section 1 When any rule or law is broken, the member will be brought before the Prudential Committee. A reasonable punishment will be recommended to the chapter which will be voted on at the following chapter meeting.
- Section 2 No punishment shall include physical abuse.

ARTICLE XII. CONSTITUTIONAL PROCEDURES

- Section 1 This Constitution of Alpha Alpha Chapter of Alpha Sigma Phi Fraternity may be amended in part or in full by a three-quarters (75%) vote of active members. The amendment shall be submitted in writing, read before the

chapter membership at a chapter meeting, and tabled for one week. At the following meeting, the amendment shall be discussed and acted upon.

Section 2 Standing rules shall be amended in the above fashion except with a 2/3 vote of active members.

Section 3 A copy of this Constitution shall be filed with the Executive Director of Alpha Sigma Phi Fraternity, the Dean of Student Affairs at the University of Oklahoma, and the Interfraternity Council at the same institution.

ARTICLE XIII. RISK MANAGEMENT

The Alpha Alpha Chapter of Alpha Sigma Phi Fraternity shall follow all policies concerning hazing, drug and alcohol abuse, sexual abuse, fire, health, safety, and education enacted by Alpha Sigma Phi's Grand Council on August 3, 1989.

Description of the Meeting Place

The Alpha Alpha Colony currently meets in the chapter room located at 1400 S. College Avenue, the site of the Alpha Sigma Phi house. Meetings take place at the discretion of the president, according to the Alpha Alpha Colony constitution, but they usually take place on Sunday nights at 7:00 p.m.. The house is also the site for dinner for the members who live in the house and for formal meals which all members and pledges are invited to. The house serves as a location for fraternity social functions and includes a downstairs waiting area for guests.

Alumni Organization

The Alpha Alpha Colony does have an alumni organization that has been the main support behind the acquisition of the Alpha Sigma Phi house located at 1400 S. College Ave. The organization is called the ASP Corporation of Oklahoma. After the chapter closed down in 1986, the ASP Corporation of Oklahoma remained in tact for the purposes of supporting a future Rechartering effort. Meetings were held each year, and officers and directors were elected at these meetings. The last meeting was held in 1995, but the main goal of the organization was to acquire a house and seek help from national headquarters in Rechartering at the University of Oklahoma.

The ASP Corporation of Oklahoma is governed by a board of directors with nine directors, a President and a Secretary/Treasurer. The current President is David Stapleton (AA '68). The current Secretary/Treasurer is Jim Slayton (AA '72).

The Alpha Alpha Colony has two very active alumni that are much appreciated by the colony. These alumni are Ron Harrison (AA '86) and Charles E. Corway (AA '84). Ron Harrison is currently serving as the colony Grand Chapter Advisor and as House Dad. He has been the main link between the undergraduates and the Alumni and has helped tremendously on both levels of the organization in many capacities. Charles E. Corway has been our outlet to the Alumni, undergraduates and general public with his creative Web Page design. The site is filled with Alpha Sigma Phi history and traditions. The most recent attribute of the Web Page is the conversion of some of the songs from the White Album to .wav files. Now everybody has access to the wonderful songs of Alpha Sigma Phi!

The following section is a list of all of the reachable Alumni that was provided to the colony by national headquarters. Included is their name, address, roster number and date of initiation. Degrees and positions of life are currently being researched as the Alpha Alpha colony Alumni committee is expanding and has the necessary resources required to pursue such an endeavor. This list is not complete due to the fact that some Alumni have been lost. These Alumni are currently being researched to their whereabouts. And of course there have been numerous brothers which have entered the Omega chapter.

Colony Retreat - April 10th 1997

On April 10th, 1997 the men of Alpha Alpha colony of Alpha Sigma Phi Fraternity held a "Break Away" Weekend in Dallas, Texas. We roomed together at brother Patrick Hazard's house and held a conference that Saturday at a hotel. The conference began with a basic presentation and class on parliamentary procedure, fraternity organization, and alumni relations. We then took a break to prepare for some brainstorming activities. Brother Tom Karnowski, who led the previous class, along with brother Ron Harrison, handed this section of the conference over to brother Aaron Moore.

Brother Aaron then facilitated a goal oriented brainstorm done in three separate groups on where our colony was heading, and what our goals should be. We recorded our visions, goals, attitudes, and ideas and then brought them each before the small group as a whole. We then discussed what our overall mission should be, and wrote three separate mission statements in our small groups. Brother Aaron read these aloud. The group then chose what our mission statement should be based on defining qualities of each statement. The result was as follows:

We the men of Alpha Alpha Colony of Alpha Sigma Phi hereby commit to demonstrating excellence in our lives in the areas of academics, community service, leadership, and brotherhood. We are dedicated to improving the Greek community through mutual respect between our members, pledges, alumni, and community, and through living by our motto "to better the man."

We then discussed actions that could be taken to fulfill the mission statement. Members were required to submit three things they would accomplish that day, that following week, that summer, and that next semester to help fulfill the mission statement. One mandatory goal was to rush one individual by the end of the semester. This was not fulfilled per capita, but the idea was ingrained at the retreat.

With the reading of our action plans we closed the conference and returned to Norman the next day.

Colony Involvements

- **Housing Students Center Association (HSCA) Campus Safewalk** - With over 2400 service hours performed, this program became the foundation for our service program. Every night, the members would take shifts taking incoming calls from women who needed a walk home from various parts of campus. This established respect for the colony as gentlemen.
- **Sooner Scandals** - The colony joined forces with Alpha Gamma Delta sorority in the production of a musical for Mom's Day. It competed against other Greek organizations, but the colony had fun in the process.
- **Intramural Teams** - The colony made a good showing in intramurals last year. Intramurals are the most heavily participated activities on campus. Fun and participation are the most important factors to the colony.
- **Talisman Formal** - In an attempt to set new traditions, the colony created the Talisman Formal, which is to be held every spring. This formal is like the traditional Black and White, which will be held every fall upon chartering.
- **OU Cousins** - The program was designed by President Boren to help facilitate friendships among the OU community and international students. Partners would pair up and do various activities together such as studying, football games or other campus events.
- **Habitat for Humanity** - The colony fixed up several houses for this well known organization, including one for the mentally challenged who did not have the resources.
- **Sigma Nu Cafe 66** - This was the colony's first function on campus. It was a 50's style event as the colony served ice cream to the Delta Gamma sorority
- **Morning Side Nursing Home** - During the Christmas and Easter holidays, the colony would decorate and sing for the nursing home. The colony never saw so many smiles before.
- **Relay for Life** - This Greek event helped raise money for their philanthropy through a running event.
- **Special Olympics** - The colony helped this organization when needed with training athletes, judging events, or just keeping score and time. The colony particularly enjoyed this event.
- **Sorority Serenading** - The colony thoroughly enjoyed introducing themselves to the OU sororities with traditional Alpha Sigma Phi songs.
- **Dale Hall Trash Pick-Up** - This campus-wide clean-up effort sponsored by Dale Hall helped to keep the OU campus clean.

- **Big Brothers/Big Sisters** - The well known program helped a lot of children and the colony was very proud to be a part of their lives as role models.
- **Sooner Fashion Mall Trick-or-Treat Safewalk** - This mall sponsored event allowed parents to drop off their children and take a much needed break while the colony took them from store to store getting candy.
- **OU Dance Marathon** - The dance was the Greek fund-raiser for the Greek Philanthropy, and those members who participated had a lot of fun, but were very tired!
- **Muscular Dystrophy Association (MDA)** - This program is just starting, but the colony is coordinating an event with the OU football team to bring kid to meet the players and see an OU football game.

Explanation of Grades

Of the 51 members on the chartering petition, 48 of them have a cumulative GPA of at least 2.00 as reported by IFC in the reports to follow. As will be stated, IFC only uses these numbers in their calculations for the fraternities and sororities. However, the GPA statistic that is used for graduation is called the retention GPA. This is the official GPA that is put on resumes and that employers look at. The retention GPA is always greater than or equal to the cumulative GPA.

The retention GPA is part of the Academic Forgiveness Policy adopted by The University of Oklahoma that was placed in effect for the Fall 1992 semester and there after. The Academic Forgiveness Policy states the following:

“Academic Forgiveness Policy - Policy set forth by the Oklahoma State Regents for Higher Education which allows for the exclusion from the retention grade point average of hours which meet the provisions of either the repeat policy or the reprieve policy.”

The repeat policy is defined as the following:

“Repeat Policy - Policy set forth by the Oklahoma State Regents for Higher Education which allows for the exclusion from the retention GPA of hours of repeated courses in which the original grade was a D or F up to a maximum of four courses, not to exceed 18 hours.”

The University of Oklahoma Catalog goes on to define the Retention/Graduation GPA as the following:

“Retention/Graduation GPA - Grade point average computed excluding those courses repeated or reprieved, in accordance with the academic forgiveness policy, as well as remedial and Physical Education activity courses and used to determine a student’s eligibility to enroll in classes and to graduate.”

The catalog expands on this definition later in the Catalog with the following statement:

“The retention grade point average is based on all work attempted, both transfer and OU, minus those courses repeated or reprieved in accordance with the academic forgiveness policy, as well as remedial courses, and physical education activity courses. These standards are minimal. Each degree-recommending college may establish higher standards for retention.”

The following is an official listing of Cumulative GPA’s as provided by the IFC. They have noted the retention GPA’s of those students whose cumulative GPA’s are below 2.00. As an addendum to this, the colony submits the official transcript of Patrick Hazard, the unofficial transcript of Michael Grout, and a printout of a transcript for Arthur Williams from the Honors College. Patrick Hazard is the only member deficient in both cumulative and retention GPA’s. His retention GPA is currently 1.97. Therefore, the colony has 50 men with a GPA of 2.00 or higher. Efforts are currently being made to ensure Academic success for Patrick as well as the rest of the brotherhood.

OFFICE OF THE PRESIDENT

September 24, 1997

Dear Members of the Alpha Sigma Phi Grand Council:

It is with great pleasure that I write on behalf of the Alpha Alpha Colony of the Alpha Sigma Phi Fraternity. In their short time on our campus, the members of this chapter have demonstrated a strong commitment to scholarship and leadership. They are truly an asset to our University.

The members of the Alpha Alpha colony have shown a strong commitment to academic pursuits over the past two years. Approximately one-third of their members are National Merit Scholars, an astonishing ratio that exhibits the tremendous intellectual capability. Such potential is manifest in their high ranking among all fraternities on campus in grades.

Yet the members of this colony are much more than smart young men. They have been active in the recruitment and mentoring of other National Scholars. Many of the members have participated in our OU Cousins program, a project in which campus leaders mentor new international students. Through involvement with these campus activities, the Alpha Alpha colony has shown a consistent pattern of campus leadership.

The Alpha Alpha chapter also participates in numerous activities within the Greek community. In particular, they have taken part in the President's Greek Enrichment Conference, an endeavor to coordinate within the Greek system efforts towards community and campus involvement.

Our campus is better for having the Alpha Alpha colony of Alpha Sigma Phi. I consider their time at the University of Oklahoma to be a success, and I look forward to the continued existence of this chapter on our campus.

Sincerely,

David L. Boren,
President

The University of Oklahoma

Mr. Steven Z. Zizzo
Chief Executive Officer
Alpha Sigma Phi Fraternity
8645 Guion Road, Suite J
Indianapolis, Indiana 46268

Dear Mr. Zizzo:

It is with much enthusiasm that I write this letter of recommendation for the Oklahoma Colony of Alpha Sigma Phi Fraternity. Since the Colony was founded one year ago, I have found Colony members to be cooperative, friendly and sincerely interested in creating a positive fraternal experience at the University of Oklahoma.

Colony members have worked diligently during the past year to become a chartered chapter of Alpha Sigma Phi Fraternity. Colony members have been active participants in the Interfraternity Council, Intramurals, and other Greek sponsored events and activities. Colony members are active in the community having donated time and money to philanthropic organizations. In terms of recruitment, the Colony made significant strides this fall inviting eighteen men, as of the date of this letter, to join the organization. I expect more men will be added to the rolls of the colony throughout the remainder of the semester. The Colony boasts a positive, developmental new member education program. On the basis of my review of the program, I believe it to be educational in nature and keeping with the policies of the University of Oklahoma and the Interfraternity Council.

Without question, the Colony has been an asset to the University of Oklahoma. As the University of Oklahoma Greek community continues to undergo change and development, Alpha Sigma Phi has emerged as a steadfast part of that community. They would be an outstanding chapter of the national organization. I wholeheartedly recommend that they receive a Charter from the National Fraternity.

Please do not hesitate to contact me if I can provide additional information or answer any questions.

Sincerely,

Andy L. Longo
Assistant Director, Center for Student Life and
Fraternity Advisor

September 24, 1997

Dear Alpha Sigma Phi Grand Council,

As the staff advisor for the Alpha Alpha Colony at the University of Oklahoma for approximately one year, I write this letter of endorsement on behalf of all the hardworking men who make up the group. It is my pleasure to state that in my eyes, the colony is ready for a charter granting them full chapter status in your national organization.

My position as Assistant Director of National Scholars Programs has allowed a great relationship to develop between my office and the young men of the colony. The National Scholars Programs emphasizes a great deal of extracurricular involvement so that the students achieve a balanced learning experience in college. Members of Alpha Sigma Phi have been very proactive in taking the lead for community service efforts among the OU fraternities. For example, after one brief mention of a local nursing home, Alpha Sigma Phi visited this Morningside Nursing Home and decorated their facility for the holidays. These men also participate in the OU recruitment process by hosting potential Sooners that are National Merit Finalists.

From a University Administration standpoint, I feel that the gentlemen of this colony are making a heavy impact on the Greek community in very positive ways. These men have a moral and ethical foundation of such strength that it shines through their actions in ways that other Greek organizations only talk about living. Their enthusiastic attitudes coupled with a great deal of motivation gives the men of Alpha Sigma Phi a unique identity on this campus.

If there are any questions that I might answer for you all regarding the Alpha Alpha Colony, do not hesitate to call me at (405)325-1290. Once again, I strongly encourage you to grant a charter to the Alpha Alpha Colony.

Sincerely,

Julie Mabrey

Assistant Director National Scholars Programs

The University of Oklahoma

GREEK AFFAIRS

Dear Alpha Sigma Phi Nationals;

I am writing this as a strong letter of recommendation for our local Alpha Sigma Phi chapter. Although they have only been here for a brief period of time they have made quite an impact on the community around them. They have shown our Greek community that you do not have to have a long-standing reputation for recruiting a large pledge class to recruit many men, as they recruited numbers that were comparable to the largest houses on this campus. This was a feat that many new chapters only dream of accomplishing.

Not only has this group recruited well but they have also gone above and beyond the call of duty in giving to the community. They were the backbone behind our safewalk program last year assisting students at night and under unfavorable conditions in helping them get where they need to go. They also played a strong part in Habitat for humanity and assisting the Morning Side Nursing Home. I have absolutely no hesitations in recommending this group for charter membership into your national fraternity. If I can answer any questions for you please feel free to call me at (405) 325-4048.

Fraternally,

Jason Baker, IFC President at the University of Oklahoma

The University of Oklahoma

GREEK AFFAIRS

Dear Alpha Sigma Phi National Headquarters,

The Alpha Alpha colony of Alpha Sigma Phi Fraternity at the University of Oklahoma, has built a strong working relationship with the Panhellenic Association within its brief stint as a colony. The Panhellenic Association would welcome the addition of Alpha Sigma Phi into our Greek community.

The men of Alpha Sigma Phi have shown leadership both within the Greek community as well as on campus. Their chapter's involvement in programs such as OU Cousins, the Housing Center Student Association (HCSA) Safewalk program, Dance Marathon, and Adopt-A-School, (to name only a few) is exciting. This chapter's motivating force is apparent across campus. Within their membership there are many outstanding individuals. The chair and coordinator of the successful New Sooner Orientation weekend is among Alpha Sigma Phi's ranks.

The University of Oklahoma is ranked first among public institutions for its recruitment of National Merit Scholars. Alpha Sigma Phi has made a concerted effort to bring these men into the Greek community. The number of National Merit Scholars this chapter has pledged is astounding. This will, no doubt, assure a strong chapter base.

Alpha Sigma Phi has "proven" itself to both the Greek and University community. The addition of the Alpha Alpha chapter to the Alpha Sigma Phi national organization would be of benefit both to Alpha Sigma Phi Nationally, as well as IFC, Panhellenic, and the University of Oklahoma.

If any further information is needed from the Panhellenic Association, we can be reached at (405) 325-6350.

Sincerely,

Mackenzie Murphy
Panhellenic President

RE: Chartering Petition

It has been a great pleasure for me to serve as chapter advisor for the Alpha Sigma Phi Colony at the University of Oklahoma for the past year. During this time, their enthusiasm and commitment to building a quality organization has been impressive. An organization that not only reflects well upon the local chapter but does credit to the national organization as well. In the process of building a quality organization they have started with a solid foundation by recognizing and pursuing three different but important ideals: scholarship, brotherhood, and service.

Their interest in scholarship is proven by 1) the number of National Merit Scholars involved, 2) an aggressive recruitment of National Merit Scholars, as well as incoming freshman with superior academic standing in high school, and 3) a program of study to help all members improve their academic standing within the university. An increasing sense of brotherhood is also being built within the colony. While some social events do help in this area, the group is aware that other activities are needed. Retreats are held not only for the officers but also for the whole membership. These retreats (of which I have attended) serve a positive function in allowing the member's time to get to know each other better without the normal interruptions of campus life. They also allow everyone to have some input on ideas and programs that developed for the benefit of the colony. Realizing that an organization is only as good as others perceive it, a service orientation has developed. While smaller than most fraternities on campus last year, the level of community service was more impressive than most. Thousands of hours were spent not only on campus related service such as Campus Safewalk, but also on activities off campus.

I believe that this colony's commitment and dedication to these ideals would make them a valued chapter in the national organization of Alpha Sigma Phi and give them my unreserved recommendation and support.

Fraternally yours,

Grand Council Members:

I am originally from New Jersey Institute of Technology where I was initiated into the Alpha Rho Chapter of Alpha Sigma Phi on December 4, 1993. After two years of experience in Alpha Sigma Phi, my journey in life led me to transfer to the University of Oklahoma. I then became involved with the expansion effort, becoming the president in the spring 1996 semester. In the fall semester, I felt my presence would be felt better in more of an advisor role and to help out in all areas of the fraternity. I was still an undergraduate, but the only member of the group with any fraternity experience. So the role of Undergraduate Advisor was created for me by Michael Weaver, then National Director of Chapter Affairs.

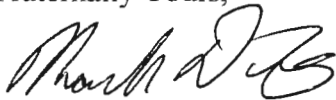

As Undergraduate Advisor for the Alpha Alpha Colony, I have seen the group grow from the very beginning. My role as Undergraduate Advisor has been to help the group along whenever problem came up, to help the officers understand and fulfill their positions, to help the committees out in anyway possible and to help the chapter run things smoothly.

There were some rough spots but it was a learning process that we as a group had to go through. I feel this group has achieved a lot in the past year. We have become active on campus, we have given the Greek system a new look that has appealed to many people and given the Greek system a new direction to follow. The colony functions together as a group and the friendships that have been created will last a lifetime. Although they have not been formally initiated into the Mystic Circle of Alpha Sigma Phi, I am proud to call of them my brothers. I am writing this letter to humbly request the grand council for acceptance of these men into the Mystic Circle and to share all of the wonders of Alpha Sigma Phi with the gentlemen who proudly wear her letters.

As an initiated member of Alpha Sigma Phi who has worked closely with this group, I feel they have earned the right to represent the University of Oklahoma as initiated members of Alpha Sigma Phi. They believe in everything Alpha Sigma Phi stands for and are determined to create and perpetuate brotherhood. Their actions strongly back up their beliefs. They have grown faster than any other group in the history of both the University of Oklahoma and Alpha Sigma Phi.

Thank you for your time and consideration.

Fraternally Yours,

The University of Oklahoma

The University of Oklahoma was founded December 19th, 1890, 17 years before statehood, by a Territorial Legislature that recognized the importance of a university to any territory with aspirations of becoming a state. Today, The University of Oklahoma is a doctoral degree-granting research university serving the educational, cultural and economic needs of the state, region and nation.

The university offers more than 120 undergraduate areas of study leading to bachelor's degrees, 87 master's and 54 doctoral degrees. The University of Oklahoma offers these programs through the following 20 colleges: Allied Health, Architecture, Arts and Sciences, Business Administration, Dentistry, Continuing Education, Education, Engineering, Fine Arts, Geosciences, Graduate, Law, Liberal Studies, Medicine, Nursing, Pharmacy, Public Health, University College, Health Sciences Center Graduate College and College of Medicine in Tulsa, Oklahoma.

The main campus is located on six square blocks in Norman, a community of 88,000 in central Oklahoma. Students have access to the Bizzell Memorial Library, the largest and most comprehensive in Oklahoma. Its collections include over 2.4 million volumes and 17,400 periodical subscriptions. There are special collections including the internationally known History of Science Collection. This collection has more than 80,000 volumes of rare and historical works by the world's most famous scientists including original works by Galileo with his own handwriting in them.

The faculty on the Norman campus includes more than 841 full-time faculty and 181 part-time faculty. The Health Sciences Center employs over 650 faculty. Eighty-eight percent of the faculty have doctoral or terminal professional degrees. Students from every state in the nation and over 101 foreign countries attend the University of Oklahoma. Enrollment figures for fall 1995 include 15,527 undergraduates and 4,437 graduate students.

The University of Oklahoma grows every year. New additions and remodeling come to campus every fall. Also, in the past five years, the university faculty has nearly doubled external research grants, bringing important educational dollars to Oklahoma, even though the faculty is smaller than it was 10 years ago.

There are many other interesting aspects to the University of Oklahoma. OU ranks first per capita among all comprehensive public universities in the number of National Merit Scholars in the student body. There are more than 700 national scholars enrolled at OU. OU has produced 24 Rhodes Scholars, 700 corporate presidents, vice presidents and CEOs. OU athletic teams have produced 19 national championships and 133 conference championships. OU's Neustadt International Prize for Literature is second in prestige only to the Nobel Prize. In fact, 17 of its laureates, jurors and candidates have gone on to receive the Nobel Prize.

The Alpha Alpha Interest group is proud to have 11 members of the nation's finest National Merit Scholars. They have become the core for leadership in both Academics and within the Interest Group.

The Alpha Alpha Interest Group

The Alpha Alpha Interest Group has a brief but exciting history. In the spring of 1996, an attempt to bring back the Alpha Alpha chapter fell short. Although it may seem to have been a failure, several good things came out of the spring semester, the first of which were the three men that had the courage to try again. Mark Dixon, Joshua Moyes and Tim Govier knew what had to be done to expand on the University of Oklahoma campus. They needed to make sure every student on the University of Oklahoma campus knew what Alpha Sigma Phi was all about and that Alpha Sigma Phi was there to stay.

Joshua Moyes, a national merit scholar, spread the word in the fall of 1996 to fellow scholars Tom Karnowski and Jason Lairamore. Both Tom and Jason were both excited about helping form something unlike anything else at the University of Oklahoma. With the help and resources from national headquarters, this core of leadership sought out to inform the University of Oklahoma what Alpha Sigma Phi was all about. Alpha Sigma Phi was going to be a fraternity that would excel in the areas of service, academics and brotherhood.

The Alpha Alpha interest group did not find the leaders. The leaders found the Alpha Alpha interest group. The members that form the Alpha Alpha interest group were all bonded by one common link: excellence. This group of highly motivated individuals grew faster than any group in the history of Alpha Sigma Phi. After only two weeks, the interest group grew to 33 members. Of the 33 members, one-third were national merit scholars.

Although rush has been the main priority of the interest group, other aspects of the interest group have begun to emerge. Already the service committee has adopted several programs on campus, including Habitat for Humanity, OU Cousins and the HCSA Escort Service. OU Cousins is a program where an American OU student is matched up with an international student. The American students take the international students around campus, to certain events and help them adjust to a new society. The HCSA (Housing Center Student Association) Escort Service is a program that helps students get home safely at night. The students call the escort service and one of our gentlemen walk the student home. This is not only a great service to the community, but it also establishes a reputation for Alpha Sigma Phi as being the gentlemen on campus.

Not only is the interest group highly motivated and determined to bring the Alpha Alpha chapter of Alpha Sigma Phi back to the University of Oklahoma campus, they also like to have fun. They incorporate many of their activities together. Every social, service or intramural event is also a rush event and vice versa. The interest group is heavily interested in the fact that Alpha Sigma Phi is a singing fraternity. The members within the interest group are introducing themselves to the OU sororities using traditional Alpha Sigma Phi songs and having a lot of fun with it.

The interest group meets on Sunday nights at 7 p.m. to discuss progress, goals, business and most recently budgets. The interest group has set up a bank account with one hundred dollars in it, but dues will not be set until the budgets are finalized. This should be accomplished by the end of September. The interest group meets in the Craig A. Hall Lounge in Walker Tower, a University provided meeting place that is private and appropriate for conducting business.

Officers have been established and the following committees have been set up: Rush, Service, Social and Intramural. These four committees are the focus for the semester as a group until the group colonizes and charts. If granted a colony, the focus of the group would definitely expand to the other aspects of Alpha Sigma Phi.

STUDENT DEVELOPMENT SERVICES

September 20, 1996

Steven Z. Zizzo
Executive Vice President
Alpha Sigma Phi Fraternity
8645 Guion Road, Suite J
Indianapolis, Indiana 46268

Dear Mr. Zizzo:

Please accept this letter as an invitation for the Alpha Sigma Phi Fraternity to officially colonize at the University of Oklahoma. I wholeheartedly welcome the Fraternity to the University of Oklahoma and look forward to a long and mutually beneficial relationship.

The report I recently received concerning the local Alpha Sigma Phi interest group is very positive and exciting - thirty-five new men as of yesterday. The semester recruitment goals of the interest group/colony are very impressive indicating a high level of motivation and an early dedication to the Fraternity. The future certainly appears bright for Alpha Sigma Phi at the University of Oklahoma

As you know, Alpha Sigma Phi has a long, rich history at the University and I believe the return of the Fraternity should only enhance our Greek community. Although the road ahead will be challenging, the Office of Greek Affairs, the Interfraternity Council and Student Development Services are ready to assist the new colony in whatever way possible. Our goals are the same: the successful colonization, chartering and long term success of Alpha Sigma Phi at the University of Oklahoma.

I look forward to notification when colonization becomes "official" in early October. In the meantime, please contact me if I can be of any assistance.

Warmest Regards,

Andy L. Longo
Assistant Director, Student Development and
Fraternity Advisor

NATIONAL SCHOLARS PROGRAMS

September 20, 1996

National Chapter
Alpha Sigma Phi

Dear Grand Council Members:

I am writing this letter of endorsement for the Alpha Sigma Phi interest group founded at the University of Oklahoma. The young men in this organization are highly motivated and poised for success.

I will be serving as their Faculty Advisor for the 1996-97 academic year. I am currently working as the Recruiting Coordinator in the National Scholars Program at the University of Oklahoma. Eleven of our National Scholars are members in the Alpha Sigma Phi interest group. We take pride in being ranked number one in the nation for National Merit Scholars per capita.

After several years of working at the University in this capacity as Recruiting Coordinator, I feel very confident in being able to help and advise this group. I was a sister in Pi Beta Phi, and my experience with the Greek system is extensive. There is no doubt in my mind that this newly formed group will be a very positive influence at the University of Oklahoma.

If you have any questions regarding my background, please do not hesitate to call me at (405)325-1290. I look forward to being a part of the Alpha Sigma Phi fraternal organization.

Sincerely,

Julie Underwood
Recruiting Coordinator
National Scholars
