Duquesne University which is located in Pittsburgh is, like the city, a university under redevelopment. The completed Duquesne Campus will occupy the prominent hilltop overlooking downtown Pittsburgh. This site is usually referred to as the "Bluff." Existing buildings include men's and women's dormitories accommodating 1,385 students. Saint Ann's Halls which houses 250 upperclass women was opened in September, 1963. Assumption Hall is the second existing women's dormitory. Saint Martin's Hall is a men's dormitory which houses approximately 500 men. The Duquesne Towers which was opened in January, 1971, is the newest building on campus. Other prominent buildings include Trinity Hall, which serves as residence for the Holy Ghost Fathers; Old Main is the administration building; Rockwell Hall houses the School of Business Administration and the School of Law; Canevin Hall houses the Schools of Education; Mellon Hall houses the School of Pharmacy, and all science programs. The Nursing School and the School of Music have their own separate buildings. Present student enrollment is approximately 7,000 students.

FRATERNITY CONDITIONS

Greek Life at Duquesne is one of the most dynamic components of campus life. The Greek community is comprised of over 600 men and women actively seeking fraternal fulfillment. The Greek community as a whole participates in many activities. Some of these are Fall Carnival, Greek Sing, Derby Days, Pan-Hellenic Games, Interfraternity Sports (football, volleyball, basketball, and softball), and various combined social and community services. The Greeks also hold the strongest voting power in the Student Congress.

In the past, the majority of the fraternities as well as sororities have been local. But in recent years there has been a definite movement toward national affiliation. An important aspect of this movement has to do with the fact that only last year the Administration lifted the ban on fraternity housing. This negative attitude on the part of the Administration had held Greeks back from their full potential in past years. But this factor is no longer present. The administration at present is very much involved in Greek life.

Besides the Greeks, the various clubs on campus are very important. They offer the Greek community stiff competition in rushing, social, and athletic events; but their involvement in other campus events is not as comprehensive as that of the Greeks.

Recent developments such as the lifting of the ban on fraternity housing have shown that the Greek community is a growing and prosperous entity. Growing memberships and interest in Greek life display an optimistic future for the Greek community.

Beta Pi Sigma Fraternity is a local social fraternity founded in 1938 as an organization of Slavic denomination. Soon thereafter the Slavic requirement for membership was dropped. Edward Rack, Walter Palonski, Joseph Klan and Edward Kuzinski were the founding fathers. Throughout this time Beta Pi Sigma has grown and prospered into one of the finest organizations on Duquesne's campus. Our group has been a strong competitor in all Greek activities since its founding. Our membership has remained solid and our overall condition has been very stable over the years.

Beta Pi Sigma is a very active group, being involved in inter and intra fraternity activities. The inter fraternity activities in which we participate are Fall Carnival, sports, Pan-Hellenic Games, all Greek mixers, Carnival Ball and IFC service projects. In the last three years we have placed in Carnival. Last year we placed in every sport, and this year we won the school football championship.

Among intra fraternity activities in which we participate are mixers, smokers and two semi-formal dinner dances, and several date parties each year. We hold various fund raising projects which include raffles, and at present "Hoagie Sales." We hold general meetings every two weeks and many other informal gatherings which help bring us closer together. We have many heritages, traditions and activities through which we have become a very strong unified brotherhood seeking the goals of fraternalism.

MEETING PLACE

At the present time the principal meeting place for our Fraternity is a table on the fifth floor of the student union of Duquesne University. Each fraternity and sorority is assigned one of these tables. Another of our meeting places is in one of the lounges on the 12th floor of Duquesne Towers Dormitory. Some time in the future we have plans to have a fraternity house. We do, of course, realize that this will not be an immediate reality after becoming a chapter of Alpha Sigma Phi Fraternity. We do understand that there are many preliminary procedures involved in our goal to obtain fraternity housing.

DUQUESNE UNIVERSITY
INTERFRATERNITY COUNCIL

The Greek community of Duquesne University does have an undergraduate Interfraternity Council which is a member of the National Interfraternity Council. The IFC Executive Board is made up of five officers. They are:

President	Louis Carlucci
Administrative Vice President	William Bertha
Executive Vice President	Robert Lepore
Treasurer	Michael Overchock
Secretary	John Stanko

The body of the Council is made up of the president of each member fraternity and two representatives from each fraternity. The Council meets every week to discuss ways by which the Greek community can further its goals. This is the main objective of the IFC at Duquesne University.

ALUMNI ASSOCIATION OF BETA PI SIGMA FRATERNITY

The Beta Pi Sigma Fraternity Alumni Association Directory for 1971 lists 196 active members. Of this membership, 112 alumni members live in the Greater Pittsburgh area and are actively interested in the local fraternity. Since the current records of the membership of Beta Pi Sigma are incomplete for up-to-date information on the alumni members, a list of the local alumni is presented. It is the desire of the undergraduate members of Beta Pi Sigma that this local group of alumni will serve as the beginning alumni organization for the undergraduate chapter, with as many alumni as possible being initiated into Alpha Sigma Phi Fraternity.

LETTERS OF ENDORSEMENT

Alpha Sigma Phi
National Chapter

Dear Sirs:

I have been affiliated with the Beta Pi Sigma fraternity of Duquesne University as faculty advisor since February of 1966. During that time I have never had the slightest reason to regret being so associated. As a former brother of the fraternity, I can truly say that I have always been able to take pride in the boys who are now carrying on the traditions I helped to establish.

In sports, winning or losing, these young men have constantly shown themselves gentlemen. In IFC matters, the brothers of Beta Pi Sigma have assumed leading roles in social and political affairs, being particularly instrumental in getting University administrators to see the value of fraternity house life. And in charitable work, the brothers have won the respect of the University president and of all those aware of their efforts.

It is my opinion that your national chapter will add much lustre to the present fraternity, but I can also write with legitimate pride that I feel you have been very fortunate in having Beta Pi Sigma choose to pledge you.

Sincerely,

Jos. J. Keenan, Jr.

Alpha Sigma Phi
Executive Board

Dear Sirs:

It is my privilege to write this short letter of recommendation for the brothers of Beta Pi who are seeking to become members of the national organization, Alpha Sigma Phi.

I have known most of the Beta Pi fraternity members through their participation in Intramural Athletic competition. I can sincerely say that this group has always displayed an abundance of propriety, fair-mindedness, and a wholesome spirit of competitiveness. They are a close knit group and always seem to be helping each other grow as mature individuals.

I cannot think of a finer group of people to recommend for participation in a national, fraternal organization.

Yours truly,

Rich Spear
Intramural Director,

Sirs:

I have been asked to write a letter of recommendation for Beta Pi Sigma, and I am. The Beta's as they are known on campus, have always dealt honestly with us, and have been one of Duquesne's most school spirited groups.

However, I am sure that you already know this.

As an outsider, it appears to me that the Beta's have a strong bond of brotherhood in their group.

In conclusion I would like to say that the addition of Beta Pi Sigma into your group would be beneficial to both sides.

Sincerely,

RICHARD P. KIMMINS

Executive Board of Alpha Sigma Phi

Dear Sirs,

At this moment the brotherhood of Kappa Sigma Phi would like to submit this letter of recommendation for Beta Pi Sigma's entry into your national brotherhood. It is our feeling , having been associated with this group for many years in campus activities at Duquesne that they are worthy of admission and will live up to all expectations. Thank you.

Sincerely yours,

Paul J. Gallagher

Brothers of Alpha Sigma Phi,

I, as President of Gamma Phi Fraternity, find the Brothers of Beta Pi Sigma, to be of sound mind and moral character, active in all university sponsored activities. They are a tightly-knit group of young men who will be an advantage to your organization.

Respectfully Submitted

Jack Gasbarro
President
Gamma Phi Frat.

The brothers of the Xi Delta Chi Fraternity do hereby
pledge their support and recommendation to the brothers of
Beta Pi Sigma in their attempt to go national. We also
wish them the best of luck in their efforts.

Gentlemen:

The brothers of Beta Pi Sigma have long displayed a spirit of brotherhood and overall conduct which have made their fraternity a credit to the Greek community and Duquesne University. We, the brothers of Alpha Epsilon, having worked many times with this group, sincerely recommend them to Alpha Sigma Phi and know that they will be a credit to your organization as they have been to their school.

Inter-fraternally yours,

Ralph F. Burns
Executive Secretary
Alpha Sigma Phi Fraternity
24 West William Street
Delaware, Ohio 43015

Dear Ralph:

It is with great pleasure I submit this letter of endorsement on behalf of the Beta Pi Sigma Fraternity's petition for membership in Alpha Sigma Phi Fraternity.

During the past month I have had the opportunity to work with the officers and members of Beta Pi Sigma Fraternity of Duquesne University in their testing program. I have found this group of men to have the necessary qualities required for membership in Alpha Sigma Phi Fraternity. With the support and guidance of their alumni and advisors, I feel the membership of Beta Pi Sigma Fraternity has the potential to be an outstanding chapter of Alpha Sigma Phi Fraternity.

On March 28 1971, the testing program will be completed. I will at that time submit to you a letter certifying that the membership of Beta Pi Sigma Fraternity has successfully completed the testing program.

It is my sincere desire that the petition of Beta Pi Sigma Fraternity will be favorably received by the Grand Council of Alpha Sigma Phi Fraternity.

Fraternally yours,

David Allen Ramsey

Mr. Edward J. Madison
Administrative Secretary
24 West William
Delaware, Ohio 43015

Dear Mr. Madison:

I am aware that the members of Beta Pi Sigma will be making application for formal installation as a chapter of the national Alpha Sigma Phi.

To my knowledge these men have met all of the regulations of Duquesne University in their efforts to become a national chapter of Alpha Sigma Phi. In working with the individuals of Beta Pi Sigma, which was their local fraternity, I have been impressed with their zeal and with their efforts to provide the men of Duquesne University with an active fraternity that makes a significant contribution to the student life on campus. It is with little reservation that I recommend to you that they be accepted as a national chapter of Alpha Sigma Phi.

Sincerely yours,

cc: Mr. Mark Tolan, President, Beta Pi Sigma

Sigma Chi Theta Fraternity

DUQUESNE UNIVERSITY
PITTSBURGH, PA. 15219

Executive Board of Alpha Sigma Phi

Dear Sirs:

As president of Sigma Phi Epsilon fraternity at Duquesne, I heartily endorse your affiliation with the former Beta Pi Sigma's. The Beta's have had a long and proud tradition here at Duquesne, a fact I'm sure you already are aware of, and I was most happy to hear of their desire to "go national." We are in the process of becoming national ourselves, so are both undergoing the same basic transition.

In my estimation the Beta's are among the finest groups on campus. They have traditionally excelled in all aspects of Greek life, recently capturing first place in football (we were second) and second place in Carnival (we were first). As you can see, then, there exists a strong rivalry between our two groups. But the rivalry is a healthy one, and does not in anyway interfere with an objective account of the fraternity as a whole. The Beta's are a fine group of men, dedicated to their fraternity, to the Greek system, and to Duquesne University.

It is my opinion that the proud tradition of Beta Pi Sigma will continue to flourish under Alpha Sigma Phi, and that it will be one of its finest chapters.

Respectfully,

David W. Hebda
President, Sigma Phi Epsilon
