

## UNIVERSITY OF BUFFALO

### History, Statistics & Plans for the Future

In 1846, when the City of Buffalo was only fourteen years old, the first division of the University of Buffalo was opened. This division, the medical school, continued on its own until 1886 when the School of Pharmacy was founded. The Dental & Law Schools followed in 1891 and 1892 respectively. The University continued with this program of professional education until the formation of the College of Arts and Sciences in 1913. This development was closely followed by a program for students unable to attend the regular day sessions. A Summer Session was inaugurated in 1915 and the Millard Fillmore College Evening Session in 1923.

In 1909, the present campus of the University of Buffalo was purchased through the efforts of Chancellor Charles P. Norton. Until this time, the various divisions of the University were located in several different parts of the city. In 1920, the new campus was dedicated and activities of the College of Arts & Sciences were transferred to newly remodeled buildings on the campus. There are three of these original buildings on the campus today as well as ten new buildings which have been built since 1922. These include Foster Hall which houses the School of Pharmacy and the Department of Chemistry, Crosby Hall, which houses the School of Business Administration (founded 1927), and an Engineering Building to accommodate the School of Engineering, which was established in 1944. During this period, the School of Social Work (1936), graduate School of Arts & Sciences (1939), and the Division of Nursing (1940) were established. In addition to buildings designed solely for instruction, the will of the late C. P. Norton provided for a Student Union Building to be called Norton Hall. This is the center of all non-athletic undergraduate extra-curricular activity and is managed and maintained to a large degree by the students themselves. Lockwood Memorial Library is perhaps the most impressive piece of architecture to be seen in the Buffalo area. It was made possible by the generosity of Thomas B. & the late Marian B. Lockwood. It houses a half million dollar collection of rare books. Another bequest in 1938 by Mrs. Evelyn H. Clark in memory of her husband Irwin B. Clark made the construction of Clark Memorial Gymnasium possible.

The University itself built three other structures, a student bookstore which is an exact replica of the Holland Land Company Office in Batavia, a service building, and a central heating plant. The present campus consists of twelve buildings located on 178 acres of land on the extreme northeast corner of the City of Buffalo. The valuation is conservatively estimated to be in excess of eight million dollars.

The Law School's new building was dedicated in September of 1949 and construction of the new medical-dental school building should be begun shortly, possibly on the main campus. Dormitories are being considered but construction will not be started for at least five years.

The current registration of the six undergraduate campus divisions plus the graduate School of the College of Arts & Sciences is 5,352 students. The three off campus professional schools have a registration of 772 and there are 5,062 registered in the evening division. This brings the total enrollment for all divisions to 10,851 after allowance for dual registration in the day and evening sessions.

These total registration figures break down as follows:

Arts & Sciences	2,144
Business Administration	1,031
Education (Physical)	343
Engineering	909
Graduate School	268
Pharmacy	322
Nursing	<u>335</u>
	5,352
Medicine	279
Dentistry	179
Law	314
Evening Sessions	<u>5,062</u>
	11,186
Less duplications	<u>335</u>
	10,851 Net Registrations

The University is under the general supervision of the Chancellor, Samuel P. Capen. He is assisted in his duties by Dean of Administration, Claude E. Puffer; Dean of Students and Director of Personnel Research, Edward S. Jones; and Dean of Women, Lillias M. MacDonald.

The various departments of the University, their Deans, and the degrees conferred are:

Arts and Sciences - Dean Julian Park  
 Bachelor of Arts (department of specialization)  
 Bachelor of Arts (Medical Technology)  
 Bachelor of Fine Arts

Graduate School of Arts & Sciences - Dean Julius W. Pratt  
 Master of Arts  
 Doctor of Philosophy  
 Master of Science in Pharmacy  
 Doctor of Philosophy (Pharmacology or Pharmaceutical Chemistry)

Education - Dean Leslie Cummings  
 Bachelor of Education (with field of specialization)  
 Master of Education  
 Doctor of Education

Medicine - Dean Stockton Kimball  
 Doctor of Medicine

Nursing - Dean Anne W. Sengbusch  
 Bachelor of Science (Nursing)  
 Master of Science in Nursing

Pharmacy - Dean A. Bertram Lemon  
 Bachelor of Science in Pharmacy

Law - Dean Louis Jaffe  
 Bachelor of Laws

Dentistry - Dean Russell W. Groh  
Doctor of Dental Surgery

Business Administration - Dean Harold B. Somers  
Bachelor of Science in Business Administration  
Master of Business Administration

Social Work - Dean Niles Carpenter  
Graduate Certificate in Social Work  
Master of Social Work

Engineering - Dean Paul E. Mohn  
Bachelor of Science in Mechanical, Electrical or Industrial Engineering

AFFILIATIONS:

- (1) Albright Art School, certain of whose courses, having been accredited as of college grade, are taken by those candidates for the B. A. or the B.F.A. degrees, who are interested in the practical or theoretical aspects of art.
- (2) Edward J. Meyer Memorial Hospital, where the practical work is offered for those enrolled in the Medical Technology and X-ray Technology programs.
- (3) Buffalo General Hospital, where also the practical work is offered for those enrolled in the Medical Technology programs.

RECOGNITION:

Accredited by the Association of American Universities; by the Commission on Higher Education of the Middle States Association of Colleges and Secondary Schools; by the Association of American University Women. It is a member of the Association of American Colleges, Association of Urban Universities and the American Council on Education. It has chapters of Phi Beta Kappa and Sigma Xi, and of many specialized scholarship fraternities, among which are Phi Delta Kappa (Education), Delta Phi Alpha (German), Sigma Delta Pi (Spanish), and Rho Chi (Pharmacy).

## HISTORY OF CHI TAU OMICRON FRATERNITY

Chi Tau Omicron originated during, and as a direct consequence of the Second World War. As most other schools, the University of Buffalo was hit hard by the war and the number of men enrolled and, consequently, the members of active fraternities existing on the campus greatly diminished. Del Dunghe (M.D. 51) and Henry Hearn (A.B. 49), realizing that a non-jewish fraternity was needed which would permit the entering freshmen to extract more from college, together with five other charter members, organized under the name of Sigma Chi Sigma and the first meeting was held in December, 1944. The charter members had a three-fold purpose behind them - brotherhood, scholarship, and leadership. On this basis, the fraternity has grown rapidly from its humble beginning to its present position as one of the top fraternities on the campus.

At the time of our organization, because of the poor fraternity conditions existing on the campus, there was no Inter-fraternity Council functioning. When things began to return to normal and fraternities began to reactivate, this Council was organized. In January, 1947, Sigma Chi Sigma applied for affiliation and recognition, but learned that a state charter was necessary. In the attempt to obtain a state charter, however, a very disheartening fact was uncovered. Such a charter had already been granted another fraternity under the same name at a different New York college. This necessitated a changing of the name and, after due deliberation, Chi Tau Omicron came to be.

In the Spring of 1947, shortly after the fraternity changed its name, realizing that people would have to come to learn the new name, the men bought fraternity jackets. This helped in furthering our reputation with the entire student body. Along these same lines and at approximately the same time, the fraternity began to publish the "Crown and Shield" - the only fraternity (local) publication on the campus. This innovation was received very favorably not only by the members, but by other people as well. The paper comes out twice a month and certainly it has done a great deal in the way of publicity for the fraternity. The fraternity badge was finally obtained in late 1948. It consists of a crown atop of a shield with XTO spelled out on it and framed by 24 pearls.

COLORS - Maroon and gray

FLOWER - White carnation speckled with maroon

XTO is responsible for establishing two annual traditions on the campus. In 1947, our brothers organized an Inter-fraternity greased pig contest between halves of the Homecoming Football Game. The contest has been run every year since then. In 1948, the fraternity decided to present a cup to the Moving-Up Day Queen, and this is being carried on faithfully and successfully.

Throughout the five years of organization, Chi Tau Omicron has been very influential on the campus. It has had two Senior Class presidents, one Senior Class vice-president, and several undergraduate class officers. XTO has two representatives on the Student Union Board of Managers; two representatives on the Student Athletic Council, and several members on the college newspaper, including the Managing Editor. The U. B. band was organized under the leadership of two of our members; and, at present, several brothers are playing in it. Student committees, dance committees, religious clubs, social and educational organizations have always found XTO's willing and able. For their prominence on the campus, several brothers are listed in "Who's Who in American Colleges and Universities".

In athletics, XTO has continually proven itself a dangerous opponent. Besides being represented on the varsity football, fencing, wrestling, and tennis teams, it has a very good interfraternity sports record. Managing to gain first, second, or third place in every sport, XTO finished third from 26 campus and fraternity teams last year.

Scholastically, XTO has several men in Phi Beta Kappa, Chi Beta Phi, and as graduate and undergraduate laboratory assistants in Biology and Chemistry.

#### MEMBERSHIP:

Chi Tau Omicron follows the rules of pledging established by the Interfraternity Council of the University of Buffalo. A man must have finished at least one semester of college work, totalling 16 hours, and attained at least a "C" average before he is eligible for pledging. Any man on the campus, who has complied with these two basic requirements, is eligible for membership in Chi Tau Omicron. It has been a policy of the fraternity, however, to restrict membership to white Christians.

#### THE CHI TAU OMICRON FRATERNITY CREED

We are brothers within the bonds of our fellowship  
As brothers, we will stand by each other in weal and woe, in success  
and in failure  
Throughout the days of our lives  
And we will give of our best - that we may be worthy of our fraternity  
We will work and study - be honest and generous - that we may be worthy  
of this brotherhood  
We will help, not hinder - give praise to others and keep criticism for  
ourselves  
And may we so grow that while we are proud of our fraternity - she may  
feel proud in us, her sons.

NORTON UNION  
The University of Buffalo  
North Main Campus  
Buffalo 14, N.Y.

Dorothy M. Haas, Director  
Elizabeth B. Foels, Program Coordinator  
Robert M. Whelan, '50 President

November 28, 1949

To Whom It May Concern:

This is to recommend to you Chi Tau Omicron Fraternity, a local fraternity on the University of Buffalo campus which is now interested in becoming affiliated with a national fraternity.

I have known the members of this local fraternity since 1944 and have watched them build up their reputation through the years. They are now one of the leading fraternities on our University of Buffalo campus.

Individually the members are a fine bunch of men. They have been active in inter-collegiate sports, intramural sports and have earned big jobs in non-athletic extra curricular activities. Several of the men from this Fraternity have been elected by their fellow students to the Board of Managers of the Student Union (Student Government).

As a group, they foster the spirit of brotherhood and cooperation in all of the activities tending to boost the spirit and reputation of the University, and at the same time maintain high standards socially and scholastically. I am glad to recommend this group to you.

Sincerely yours,

Dorothy M. Haas  
Director

Buffalo 14, New York

November 21, 1949

Alpha Sigma Phi Fraternity

To Whom It May Concern:

Chi Tau Omicron Fraternity is a member in good standing of the Inter-Fraternity Council at the University of Buffalo. Their representatives have always demonstrated an enthusiastic, cooperative spirit at all Council meetings. It is the Council's firm belief that they would be an asset to any organization and are worthy of consideration for membership in a national fraternity.

According to inter-fraternity records, Chi Tau Omicron Fraternity ranks among the top teams in all fraternity sports activities, indicating the strength of their organization. However, their field of endeavor is not limited to sports. They have participated and have been outstanding in many campus activities throughout the semester. Recently the Inter-Fraternity Council sponsored a greased pig chase and entrusted all arrangements to representatives of Chi Tau Omicron. As a result, the job was expertly handled,

The list of national fraternities represented at the University of Buffalo is steadily growing, and we would be most happy to welcome Alpha Sigma Phi into our group.

Sincerely yours,

George H. Trautman  
Corresponding Secretary  
Inter-Fraternity Council

November 21, 1949

To Alpha Sigma Phi Fraternity:

I feel the adoption of Chi Tau Omicron Fraternity as a chapter of Alpha Sigma Phi Fraternity would be of great honor and benefit to its members. The added responsibility of being a member of a national fraternity will tend to make its purposes more firmly felt and cause a greater unity within the group.

By expanding our horizons, our chapter would be of greater service to its members and University. It would tie the allegiances of the alumni and national fraternity members to the local chapter. Through our alliance with the national fraternity, we would further its ideals and aims, and enter into better relations with fraternities in other Colleges.

We would benefit by the experiences of older chapters and contribute something through our efforts as a young inspired group to the overall program.

I sincerely hope our union will be to the best interests of every chapter and individual member of the Alpha Sigma Phi Fraternity.

Sincerely yours,

Roger A. Leestma, Advisor  
Chi Tau Omicron Fraternity

PANHELLENIC COUNCIL  
University of Buffalo  
Buffalo, New York

November 28, 1949

Alpha Sigma Phi Fraternity  
31 West Winter Street  
Delaware, Ohio

Dear Sir:

We, the members of the Pan-Hellenic Council of the University of Buffalo, wish to recommend Chi Tau Omicron Fraternity as a possible chapter to Alpha Sigma Phi Fraternity.

Chi Tau Omicron's qualities of leadership have been evidenced by their success in obtaining many responsible positions, both elected and appointed, in student affairs. In the performance of the duties connected with these positions and also in committee and group activities, they have proven themselves to be capable and dependable.

Therefore, the Pan Hellenic Council feels that Chi Tau Omicron Fraternity is worthy of affiliation with Alpha Sigma Phi Fraternity.

Sincerely,  
PAN HELLENIC COUNCIL

Irene G. Graham  
President

November 28, 1949

Chi Tau Omicron Fraternity  
University of Buffalo  
3435 Main Street  
Buffalo, New York

Dear Members:

As you know, our conversations with you were initiated after several impartial and informed people indicated that you appeared to be the outstanding group at the University of Buffalo who might qualify as a Chapter of Alpha Sigma Phi.

When our delegation from the Niagara Frontier Alumni Council attended your regular meeting, we were greatly impressed with your membership and are confident that your affiliation with our fraternity would be a source of mutual satisfaction.

Sincerely yours,

A. S. Beebe, President  
Niagara Frontier Alumni Assn.  
Alpha Sigma Phi

46 Wichita Road, Buffalo, New York - Born: February 11, 1924, Buffalo, New York - Racial Descent: German - Religion: Roman Catholic - Prepared for college at: Canisius High School, Buffalo, New York - Class of: General Science 1950 - Veteran of: U. S. Navy

DONALD E. BROWN - Inerfraternity Council Representative (Senior)

498 Highgate Ave., Buffalo, New York - Born: January 27, 1929 - Racial Descent: English - Religion: Protestant - Prepared for college at: Kensington High School, Buffalo, New York - Class of: 1951-Business Administration (Accounting major) - Activities: Ski Club, Norton Union staff

WILLIAM ANTHONY MAILLET

355 East Avenue, Lockport, New York - Racial descent - French - Religion: Catholic - Prepared for college at: Lockport High School, Lockport, New York - Class of: Science major - 1950 (major Biol, minor-math and chemistry) Activities: Norton Union Publicity Comm., Newman Club

HARRY BENSON BOARD

15 Hamilton Blvd., Kenmore, 17, New York - Born: June 16, 1929 - Racial Descent: French & English - Religion: Protestant - Prepared for college at: Kenmore Senior High School, Kenmore, New York - Class of: Psychology 1951 - Activities: Credo Club, band, own orchestra, Norton Union Dance committee, Bee-copy staff

RAYMOND F. YOX

47 Naragansett Rd., Buffalo, New York - Born: November 7, 1927 - Racial Descent: German - Religion: Lutheran - Prepared for college at: South Park High School, Buffalo, New York - Class of: Arts & Schiences 1952 - Veteran of: U.S. Marines

FREDERIC REED CADWELL

354 Lamarck Dr., Snyder, 21, New York - Born: February 14, 1928 - Racial Descent: English - Religion: Protestant - Prepared for college at: Amherst Central High School - Class of: Division of Science major-1950 - Activities: Student Christian Association, Camera Club

JOHN PETER DIAGOSTINO

345 Getzville Road, Snyder, 21, New York - Born: November 11, 1926, Buffalo, New York - Racial Descent: Italian - Religion: Roman Catholic - Prepared for college at: Amherst Central High School, Snyder, New York - Class of: 1950-Majoring in Geology - Activities: University of Buffalo Geological Society

JAMES ALAN MURPHY

25 Larchmont Road, Buffalo, New York - Born: July 22, 1926, Buffalo, New York  
- Racial Descent: Irish - Religion: Catholic - Prepared for college at:  
Bennett High School, Buffalo, New York; Shortridge High School, Indianapolis,  
Indiana; Haverford High School, Ardmore, Pennsylvania; Pelham High School,  
Pelham, New York; Scarsdale High School, Scarsdale, New York - Class of:  
1951-Majoring in History - Activities: Intramural sports

RONALD D. LEMON

114 Wabash Ave., Kenmore, 17, New York - Born: December 24, 1927, Buffalo,  
New York - Racial Descent: English-Canadian - Religion: Presbyterian -  
Prepared for college at: Kenmore High School, Kenmore, New York - Class of:  
1951-Majoring in Geography - Activities: U. B. Geological Society

RICHARD S. DOYLE

29 Parkdale Dr., Lancaster, New York - Born: August 2, 1928, Kenmore, New  
York - Racial Descent: Irish - Religion: Roman Catholic - Prepared for  
college at: South Park High School, at Buffalo, New York - Class of: Arts  
& Sciences 1952 - Veteran of: U. S. Army - Activities: Newman Club,  
Internural sports, Knights of Columbus

FREDERICK LOUIS BAUBE, JR.

267 Hoyt St., Buffalo, 13, New York - Born: August 30, 1926, Buffalo, New  
York - Racial Descent: German - Religion: Protestant - Prepared for  
college at: Burgard Vocational High School, Buffalo, New York and Lafayette  
High School, Buffalo, New York - Class of: Psychology-1950 - Veteran of:  
Merchant Marines - Activities: Camera Club, Internural Sports (Wrestling)

DANIEL L. CLARK

Genesee Road, Springville, New York, R.F.D. #2 (Home), 132 Commonwealth Ave.,  
Buffalo, New York (College) - Born: October 9, 1930, Springville, New York -  
Racial Descent: English and German - Religion: Lutheran - Prepared for  
college at: Griffith Institute, Springville, New York - Class of: Mathematics  
1951 - Activities: Internural sports

WILLIAM JOSEPH BARRETT

45 Lamont Dr., Eggertsville, New York - Born: January 25, 1927, Mt. Elgin,  
Canada - Racial Descent: Irish - Religion: Protestant - Prepared for  
college at: Amherst High School, Snyder, New York - Class of: Business  
Administration 1950 - Activities: Past President Credo Club, Internural  
sports

JAMES L. MATHIS

19 Bardol St., Buffalo, 11, New York - Born: April 5, 1927, Albany, New York -  
Racial Descent: Swiss & English - Religion: Protestant - Prepared for  
college at: Kensington High School, Buffalo, New York - Class of: Accounting  
1951 - Activities: Internural sports, Bridge Club, Representative Dist. 2  
in National Intercollegiate Bridge Tournament

RICHARD D. AUSTIN

2406 Main St., Apartment C, Buffalo, New York - Born: January 16, 1927,  
Syracuse, New York - Racial Descent: Irish, English, & French - Religion:  
Roman Catholic - Prepared for college at: Cathedral Academy, Syracuse,  
New York - Class of: 1951-English Major - Activities - Newman club, Chess  
club, Camera club, Radio Playhouse

HENRY CHARLES HOLLWEDEL, JR.

308 Louvaine Dr., Kenmore, 17, New York - Born: February 14, 1929, Brooklyn, New York - Racial Descent: German & Dutch - Religion: Protestant - Prepared for college at: Kenmore High School, Kenmore, New York - Class of: Arts & Sciences 1950 (Math major) - Activities: Ping Pong Club, N.S.A. Band, Math Club, Credo Club, Sitzmarkers, Gamma Delta

JAMES C. ENDRES

111 Leslie Ave., Buffalo, New York - Born: July 7, 1925, Buffalo, New York - Racial Descent: German - Religion: Roman Catholic - Prepared for college at: East High School, Buffalo, New York - Class of: Physical Education 1950 - Veteran of: U. S. Naval Air Corps - Activities: Wrestling, Chess Club, Veterans Club, University of Buffalo Athletic Council, Newman Club (treasurer), Norton Union Activity committee and Staff, Intermural Sport Manager and Staff, Sports Editor of Fraternity Paper - Listed in: "Who's Who in American Colleges and Universities"

CHARLES RALPH LIOTTI
