

## Willard tunes in ΑΣΦ

In front of a crowd of cheering American University students, mostly Alpha Sigma Phi brothers of Beta Chi Chapter, NBC **Today Show** weatherman **Willard Scott, American '53** gave four weathercasts live during the February 1st telecast.

Brother Scott came to his alma mater to kick off "National Multiple Sclerosis Month" sponsored by the national Students Against Multiple Sclerosis (SAMS) and Alpha Sigma Phi Fraternity. Willard is the National Spokesperson for SAMS.

The brothers of Beta Chi Chapter under the direction of **Jeff Lockwood '86** organized "Skip-a-Meal for MS," a program in which money is donated for every student on the meal plan who signed up to skip a meal. Over \$1000 was raised. Brother Scott was presented with an Alpha Sigma Phi football jersey with our letters on the front and a nickname, "Partly Cloudy," on the back. Lower left photo, left to right, Lockwood, Scott, American University President Richard Berendzen and **Robert Shaw, American '84**.

## New Charters at Plattsburgh, and Illinois State

Two new chapters have been added to Alpha Sigma Phi's roster: **Delta Xi** at Plattsburgh and **Delta Omicron** at Illinois State. Although each chapter has its own story, both were started by men who had affiliations with other chapters before, then transferred.

Delta Xi Chapter which makes its home at the State University of New York at Plattsburgh was started by **Eric Kirleis, Plattsburgh '88** who pledged the Beta Epsilon Chapter at Lehigh in Spring 1985 then transferred to Plattsburgh. After seeing the existing Greek system and talking with his new friends they decided to start what on April 26, 1986 became Phi Epsilon Colony.

Starting what ended up a two year journey required a strong determination and brotherhood by the 23 Founding Fathers. Having initial difficulty with recognition from the Greek Council only made the group more determined to excel. Excel they did; they became the fastest growing fraternity on campus, concentrating on service and scholarship which helped them receive many accolades from the faculty and administration.

March 26, 1988 marked the end of the first leg of the journey. **Charles Vohs, Penn State '75, Grand Councilor** presented Eric Kirleis (who was initiated at the National Leadership Conference at Bethany College) and **Adam Campbell, HSP '88**, the charter designating them as Delta Xi Chapter. Haven were present to help initiate the new brothers into the Mystic Circle. The Baby Blanket and Alpha Badge were passed from **Walt Kramer, HSP, Lock Haven '87** to Brother Campbell to signify the brotherly love passed on to the newest member of the Alpha Sig brotherhood.

Illinois State University in Normal, Illinois is the home of Delta Omicron Chapter which was started by **John Kim, Illinois '86** and Grand Province Chief **Robert Cabello, Eastern Michigan '70**, who serves the university as Assistant Vice President for Student Affairs. After the two brothers met they immediately started forming plans to get Alpha Sigma Phi on campus. After an informational meeting a core group of 12 was formed, adding another 12 men with the assistance of brothers from Eta Chapter at the University of Illinois.

Petitioning the Grand Council as the Evin C. Varner Society, the group was colonized as Phi Eta Colony on April 4, 1987. They also at that time finalized plans to lease a house in which 16 members could live. This was a big step for the colony, but very rewarding as they have common meeting space and continue to lease the house for the 1988-89 school year.

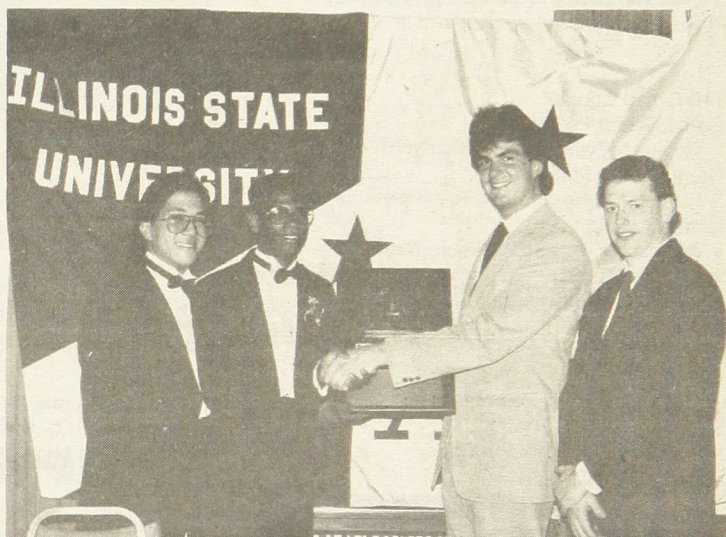

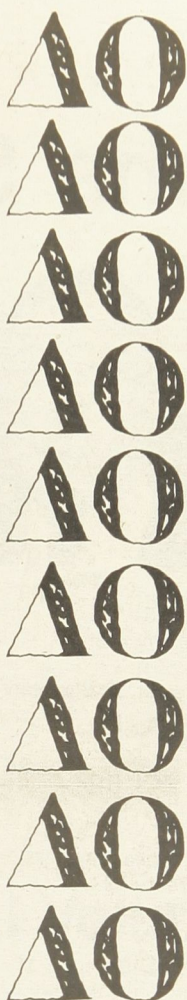

Brothers from Illinois, Illinois Institute of Technology and Iowa State helped initiate the new brothers into the Mystic Circle at the University Student Center. Brother **Robert Denny, American '49** was also present as he, Kim and Cabello became affiliates of Delta Omicron.

The chartering banquet which took place April 9, 1988 was a spectacular event. The newly initiated brothers and their dates were very excited as the goal they had been working toward was to be fulfilled shortly. **Grand Senior President, Robert A. Sandercox, Bethany '51** gave the chapter four points to consider: Commitment, Cooperation, Caring and Community. "My brothers," Sandercox said, "forever we have made a commitment to one another and our great Fraternity. Don't take this commitment lightly."

Every chartering member was brought to the head table as Brother Sandercox and Executive Director, **Robert M. Sheehan, Jr., Westminster '76** presented the charter to officially recognize them as Delta Omicron Chapter. Brother Kim also received from the chapter a replica of the charter, a hardbound copy of the chartering petition and an engraved pen set. Brother Cabello received an engraved silver serving tray as a token of the affection held for him by the chapter.

Both charterings were highly emotional times for these young men who have dedicated so much time and energy into making Alpha Sigma Phi a reality on their campus. Their dedication and enthusiasm toward the "Old Gal" should stand to remind us what a great brotherhood we are a part of!

### ALPHA SIGMA PHI FRATERNITY

NATIONAL HEADQUARTERS  
24 WEST WILLIAM STREET  
DELAWARE, OHIO 43015  
614-363-1911

TO: All Alpha Sigma Phi Brothers  
FROM: Donald R. Morgan, Purdue '57, Immediate Past Grand Senior President  
Chairman, 1988 Nominations Committee  
RE: Nominations for The Grand Council  
DATE: May 1, 1988

The 1988 Nominations Committee needs your help in identifying highly qualified brothers to serve in a volunteer capacity on the Grand Council of Alpha Sigma Phi. Following are the key attributes a brother you may consider nominating should have:

- \* Love for and life-long commitment to Alpha Sigma Phi.
- \* Flexibility of time to allow the brother to attend Grand Council meetings, national conferences, committee meetings, and special functions throughout the year.
- \* Experience and/or expertise in fields pertinent to Fraternity operations. These would include, but are not limited to: business management, marketing, planning, education, law, finance, and/or public relations.
- \* Leadership abilities and experience.
- \* Previous volunteer experience with Alpha Sigma Phi and other volunteer organizations.

Please list the name and address of any brother(s) you wish to recommend to the Nominations Committee on the form below and return it to my attention at the National Headquarters. I will contact every brother recommended to collect additional background information, further explain the duties and expectations of a Grand Council member, and determine the willingness of the brother to serve. The Nominations Committee will recommend candidates to the voting delegates at the elections held during this August's National Leadership Conference & Convention.

I have enjoyed my volunteer experience as a member of the Grand Council for the past eight years. Although the duties of a Grand Council member require many days annually spent away from family and work, the personal fulfillment of serving America's premier fraternity is well worth it. Thank you for your help in identifying well-qualified brothers to help direct the future excellence of our beloved Fraternity.

## Omega claims Wadsworth

As this issue of *The Tomahawk* is going to press, we have learned that **Trusten P. "Tux" Wadsworth, California '17** has passed into Omega Chapter. Volumes could not tell the complete story of Tux's long love affair with Alpha Sigma Phi, which is only exceeded by his love affair with his "bride," (as he always called her) Doris. Tux received the Delta Beta Xi Award for Alumni Service in 1975, and the Fraternity's highest award, the Distinguished Service Award in 1982. The summer issue will carry a complete account and tribute to our fine brother.

**John Carl Schick, California '26** was initiated into Phi Pi Phi in 1926, and after the merger into Alpha Sigma Phi in 1942. A dedicated member of the Bay Area Alumni Council, Brother Schick passed into Omega Chapter on December 12, 1987.
