

Summer 1989

THE
TRADITION
CONTINUES...

The Alpha Sigma Phi tradition of excellence continues during 1988-89 with three new additions to the Alpha Sig rolls. **Beta Iota Chapter**, Tufts University (top photo) was returned to the Mystic Circle at a September 17, 1988 chartering ceremony. These new brothers were initiated into the fraternity as the chapter received its charter—which was originally conferred in 1931. The chapter had closed in 1978 due to low membership. Alumni and special guests attended the Black Tie Chartering Dinner. The chapter's charter was conferred by **Grand Treasurer, Charles J. Vohs, Penn State '75**. For more photos, see page 12.

Expansion continues in the SUNY system! During last school year, the **Delta Xi Chapter** at the State University of New York at Plattsburgh was chartered. Now, two more SUNY system

schools have been colonized, as groups are working toward receiving their charters. **Gamma Epsilon Colony** at SUNY- Buffalo was installed (lower left photo) on April 8, 1989. **Gamma Epsilon Chapter** was founded in 1950, but closed in the late 1960s when fraternities left all SUNY campuses. The new colony got its start when **Mark Palazzo, Marietta '88**, transferred to Buffalo in 1987 after pledging Alpha Sigma Phi at Marietta the year before. The colony has twenty-six members and is working hard to achieve charter status. Our newest colony was added on May 4 at SUNY- Binghamton (lower right photo). **Eric Lustwig**, a pledge from Tufts, and **Lou Agresta, RPI '87** both transferred to Binghamton and have started the colony. Congratulations and welcome to our new brothers and colony members!

On the inside

Chapters report from "coast to coast" on the year's activities. Read about innovative service projects, such as Radford's "Dime Roll" which raised \$20,000 for the March of Dimes (**page 8**), Westminster's "Haunted House" for a local ambulance service (**page 6**), and William Paterson's "Run For Life" which raised \$2,000 for a local high school athlete (**page 11**). **Pages 2-13.**

Alumni have been busy too! See the **Alumni News & Notes** section on pages **15-27**. Read about the President of Southern Methodist University (**page 16**) and other distinguished Alpha Sig alumni.

What time is it? You don't know! Maybe you need an Alpha Sig watch!! See **page 28!**

THE TOMAHAWK

An Educational Journal
Vol. 87, No. 4
Summer 1989

Member, College Fraternity Editors Association

The Tomahawk is the oldest college fraternity publication. It first appeared in November 1847 at Yale College and continued until the college suspended it in 1852. Since its revival in April 1909, it has been published continuously.

Editor
Robert M. Sheehan, Jr.
Westminster '76

Managing Editor

Production Coordinator
Ann Green

Circulation
Sandie Jagusch
Production Assistant
Jeff Schwind
Toledo '75

The Tomahawk is published quarterly by the Citizen's Publishing & Printing Company, Ellwood City, PA U.S.A. for Alpha Sigma Phi Fraternity. Fifty cents a copy. Life subscriptions \$30.00. All remittances should be made payable to Alpha Sigma Phi Fraternity, 24 West William Street, Delaware, Ohio 43015 (614) 363-1911. Second class postage paid at Delaware, Ohio, and at additional mailing offices. Produced by Maury Boyd & Associates, Inc., Indianapolis, Indiana.

Postmaster: Change of address form No. 3579 should be sent to Alpha Sigma Phi, 24 West William Street, Delaware, Ohio 43015.

Here's your chance to "visit" with the undergraduate chapters of Alpha Sigma Phi—through their review of recent activities and achievements.

Chapters welcome your visit in person. Check the directory in this issue for chapters near you. Give them a call and attend a meeting.

You can assist as a volunteer in the Fraternity's Province Program. Write Alpha Sigma Phi, 24 West William Street, Delaware, Ohio 43015 for more information.

Province I

Co-Grand Province Chiefs: Robert Strecker, Washington '78, P.O. Box 15387, Seattle, WA 98115 and Larry Philippi, Bowling Green '76, 7541 Eads Avenue; Suite H, La Jolla, CA 92037. Province President: Corey Carillo, UCLA '86, 525 Landfair, Los Angeles, CA 90024.

Mu
University of Washington

This year has been one of excitement and continued growth for the "Old Gal." The year started off with one of our largest pledge classes in the past decade, 27 excellent men. Under the direction of rush chairmen **Mike Nelson** and **Eddie Inderbitzen**, we held rush events around the Seattle and surrounding areas. These events proved both enjoyable and effective. With the fall also came the success of our own Air Sigma football team, which scored second place in the upper division campus-wide football league.

While Air Sigma was busy on the field, back home the chapter house was experiencing some needed improvement. The dark basement has been transformed into a completely new and beautiful area.

The excitement doesn't stop here. The other projects and events happening include a full social program; Alpha Delta Pi Mardi Gras philanthropy football tournament, and the Alpha Sigma Phi Brick Wall project. The Brick Wall, under the leadership of **Gunnar Holstrom, Greg Goldkamp, and Michael Fast**, included a brick with the name and initiation year of each brother and alumnus inscribed on them. It is something to behold. As you can tell, a lot has happened this past year and we are looking forward to next year with even higher expectations.

Nu
University of California, Berkeley

Nu Chapter is currently undergoing a reorganization in many aspects. Brothers are working on recruiting new pledges and setting up for formal rush this fall. The chapter is focusing much of its effort on organization in rush, financial management, membership enrichment, and brotherhood development. This should be a very successful turnaround for the chapter as it will more easily be able to become one of the top here at Cal.

Psi
Oregon State University

Our rush efforts this year attracted 18 pledges from formal and another three from informal rush.

Homecoming weekend we saw several alumni and their families stop by the house for a visit. The pledge class held their retreat at Mount Hood. It was a time when all new pledges can spend time together as a class over the weekend and get to know each other. We kept busy helping the city of Corvallis by assisting in rebuilding an old bridge. It was a project worth completing, and well done.

Currently, we are concentrating efforts on improving our relations and the fraternity image as a whole. We plan on acquiring our own philanthropy whereby we shall be known to help out with those less fortunate than ourselves. We are also working on a public relations committee and a community relations committee to help make the presence of fraternities a more positive one here in Corvallis.

Alpha Zeta
University of California at Los Angeles

This has been a great year for the men of Alpha Zeta. We started with a great fall rush with 14 quality men pledging the fraternity. The success was partly due to the trip to Brother **Geoff Graber's** home in September. We have also been active socially as well this year. We did Homecoming with Sigma Kappa Sorority and built an "intense" float. Our social also included a pledge-active, semi-formal, exchanges with two of the best sororities on campus, and our quarterly Beach Bonfire party.

The chapter house also underwent some improvements. Over the summer several things were accomplished, including painting of the house letters, additional lighting on the facade and the removal and replacement of shrubbery leading to the front door.

Alpha Zeta is also having success in other areas as well. Scholarship chairman, **Joel Goldberg**, has done a great job accumulating old notes, books, and tests for use as study aids. On the intramural football field, Alpha Sigs also had great success. Overall this year has been very successful and we are looking forward to many more successes in the upcoming year.

Province II

Grand Province Chief: Capt. Mark Still, Washington '75, 841 Nowland Court, O'Fallon, IL 62269. President: Wes Owen, Iowa State '87, 2717 West Street, Ames, IA 50010.

Phi
Iowa State University

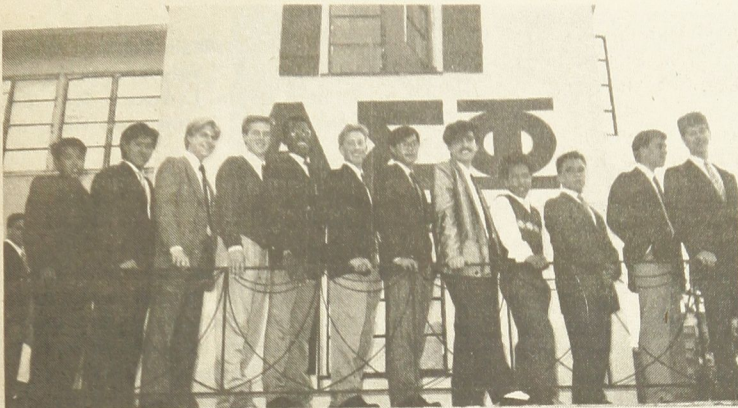

Since its conception, eleven members of Phi Chapter have received the Delta Beta Xi Award. The latest recipient came just this year as Brother **Stewart Swanson '74**, Rochester, MN, was presented the award at the Alsiphi meeting held on December 3, in celebration of Founders' Day.

During the last week of February, Phi Chapter held a special rush week to boost our force on campus. Brothers set up various rush functions and capped off the week with a party. Phi gained three new pledges thanks to the efforts of its members.

Chapter Reports

Chapter Reports

Chapter Reports

Fourteen new fall term pledges of Alpha Zeta Chapter at U.C.L.A. pose on the balcony of the chapter house.

Runners-up in the intramural basketball tournament for 1988-89 at U.C.L.A. was the Alpha Sig Alpha Zeta Chapter!

The Psi Chapter house at Oregon State was "operation central" for a variety of events during 1988-89. The chapter is upgrading its philanthropy program and wants to be known as the fraternity that "helps those less fortunate than we are."

The Black & White was held at the Adventureland Inn on February 11. A wonderful time was had by most if not all in attendance. Phi Chapter had another exciting Greek Week. We joined forces with Theta Xi in hopes of pulling out the victory. Though Theta Xi did not show up to any of the events, Alpha Sigs did their best. We scrounged the best that we could to fill the open slots, but we couldn't perform the miracle needed

to win. Maybe next year . . .

This upcoming year all of our efforts will be focused on rush. Our rush chairman for the summer will be **Jeff White**. The first rush function here in Ames was held on June 17. For more information about other events please call the house at 292-1902.

Alpha Theta
University of Missouri
No Chapter Report Submitted
News collected from National Headquarters sources:

- Eleven fall pledges
- Ten fall initiates
- Tremendous house improvements made with the bathrooms and kitchen getting renovated.

Alpha Omicron
Missouri Valley College

Fall 1988 was a very successful rush period for us in which we took 21 pledges, which was the largest pledge class on campus. We received second place for our homecoming float in which we put a tremendous amount of time and effort. The homecoming football game was won by the Vikings. Leading the way for the Vikings were the three captains: **Tom Ledbetter**, **Scott Tomc** and **Brian Woodfine**, all Alpha Sigs!

This year's annual haunted house was another great success. We raised over \$300 making it the biggest fundraiser of the year.

On a sad note, Brother **Gib Jones** was tragically killed in an automobile accident on October 29, 1988. A memorial service was held for him on campus that following Monday. Gib was a good friend and brother to all. This report is dedicated to his loving memory. God bless you Gib, we all love you and miss you.

Province III

Grand Province Chief: Charles A. McCaffrey, Illinois '82, 419 West Main, Urbana, IL 61801.
Assistant Chiefs: Stewart Freeman, Illinois '85, 2418 Alton Drive, Champaign, IL 61821, Tom Hinkley, Indiana '84, 8308 Lakeshore Trail E. Dr., Apt. 722, Indianapolis, IN 46250, and John Kim, Illinois '86, 2661 North Stuart Dr., Arlington Hts., IL 60004. President: John Marchese, Illinois Tech '87, 3361 S. Wabash Ave., Chicago, IL 60616.

Eta
University of Illinois

This has been an award winning year for the men of Eta. At the National Convention held at Ohio State University, Eta won the Grand Senior President's Award for the most outstanding chapter in the nation. Eta also won the Gary A. Anderson Award for the best pledge education program. To top off all the chapter awards, Brother **Jim McPike** won the Friends of Alpha Gamma Award for academic excellence in science.

At Illinois we received the award for the Best House Participation by a Fraternity at the annual fraternity system awards (first place out of 52 fraternities). The award was based on chapter participation in philanthropies, Greek Week, Atius Sachem Sing, homecoming events, etc.

(please turn to page 4)

Chapter Reports

Chapter Reports

Chapter Reports

(continued from page 3)

The Eta Chapter house underwent some needed repairs with the addition of a badly needed new roof, new electrical system and new plumbing system. These have made the chapter house a better place to call home. The fall also brought the addition of 25 men as pledges of Alpha Sigma Phi. The men, under the care of **Joe Sorquist**, experienced Eta's award winning pledge education program and have indeed become better men.

In the area of "to promote high scholarship," the new house computer system has finally been set up and all programs implemented. This has proven to be a big help to all and will certainly help us achieve academic excellence.

Eta Chapter recently established a parents association which is run directly by the parents of Eta members. Their goal is to have a specific parent project every semester to help out the chapter and to increase communication between the parents. The new Parents Association was a direct result of our monthly parents newsletter to keep lines of communication open between our chapter and our parents.

We're looking forward to Homecoming 1989 when the Illini play Wisconsin on October 28th!

**Alpha Xi
Illinois Institute of Technology**
No Chapter Report Submitted
News collected from National Headquarters sources:

- Twenty-four fall pledges
- Twenty initiates
- Second place fraternity football
- Black & White was held December 3rd at the Congress Hotel

**Alpha Pi
Purdue University**

The year has been a good one for the men of Alpha Pi. The year started out with us returning to some great house improvements. The kitchen, basement and showers were all repaired and thanks to Brother **Michael Joseph's** father, we now have a satellite dish on our roof. This fall also brought us 14 pledges. Thanks to our rush team of **Mike Strauss, Nick Rubadeau, Pat Allen** and **Brian Patke** for all their work.

On the athletic scene Alpha Pi performed well. The softball team went to the final sixteen. The football squad went to the final eight and the basketball team performed well.

The social scene has been a great one this year. Our Hollywood Premiere party was with Kappa Kappa Gamma and the theme was "As Purdue Turns." Once again this event proved to be fantastic. Our social calendar has been full with different events planned every week. The 50th reunion celebration was an enormous success with many alumni returning for a well-planned get-together. Thanks to all on the anniversary committee.

In other areas Alpha Pi has excelled as well this year. In the area of scholarship we have moved up quickly and should be in the top ten very soon. In the area of service, we teamed up

with Alpha Xi Delta to raise \$1,000 in a five hour skate-a-thon. Overall it has been another good year for Alpha Sigs at Purdue and we are looking forward to next year.

**Gamma Chi
Indiana University**

The year started out with our "goal setting retreat" where we outlined our vision of the future. We have spent the remainder of the year reaching those goals. The first goal was to boost membership and with the addition of 14 men in the fall we came a long way.

The 14 pledges of Gamma Chi, in addition to learning about the workings of the fraternity, were busy living up to its ideals. They raised \$300 for the American Heart Association by selling themselves as slaves to different sororities. It's a dirty job, but someone has to do it. They along with several brothers also participated in IU's annual blood drive. We finished off the semester by helping Bloomington Hospital in their Kid's Day and by helping the Boy's Club during their Christmas tree sale.

**Delta Alpha
Loyola University**

This year we focused on improvements of the house and organizing our financial affairs. We got a chance to organize our brothers into a more unified group and alumni contributions are starting to become more obvious. Maybe through the activation of these alumni brothers it will help to prove to the rushees that joining Alpha Sigma Phi is for a lifetime.

Focusing on attracting new brothers and pledges will be the main thrust this summer. We will also be upgrading the exterior of the chapter house during this summer.

Next year rush will be our primary concern as well as getting involved in on-campus activities.

**Delta Omicron
Illinois State University**

This year has been a very full one for us here at Delta Omicron. We had several social engagements including Halloween with Lambda Sigma Omega, Pajama Party with Alpha Delta Pi, Graffiti Night with four other houses, and a Gilligan's Island Exchange with Zeta Tau Alpha.

Also, we have been on the scene with philanthropies. We participated in the Tri-Delt Dating Game, The Greek Bowl, The Alpha Delta Pi Bowling Tournament, and the Sig Ep Fight Night. Currently we are planning on hosting our own Track and Field Philanthropy. Hope to update you the next time.

Our scholarship chairman has begun a new program designed to boost everyone's grade point average. The new "Study Buddy" system gets brothers to look out for each other, to push each other when needed and to help each other which is always needed. With creativity and innovation such as this, we can't go wrong.

Sig Salute—Eta Chapter, University of Illinois, salutes alumnus **Mark Osadjan, Illinois '85** for his dedicated support of the chapter. "Even though Mark is very busy with medical school, he finds time to help his Eta brothers. He has repaired our Grand Piano and renovated our "Ladies Room"—which our female guests really appreciate!

Province IV

Grand Province Chief: William Siering, Toledo '80, 7370 Drew Circle #2, Westland, MI 48185.
President: Richard DeBin, Lawrence Tech '84, 34634 Thornbrook Dr., Farmington Hills, MI 48331.

**Theta
University of Michigan**

We now have four new brothers who were initiated into the Mystic Circle. This January, we had a serenade with Alpha Omicron Pi as a part of our spring rush. For Alcohol Awareness week we hosted a dry party with the ladies of Delta Phi Epsilon and we were also able to qualify for the intramural playoffs in football and basketball.

During the spring semester we participated in intramural water polo, indoor soccer, as well as a spring softball tournament. We are initiating a cleanup of a neighboring lot as one of our service projects and we are working on a new philanthropy to kick off the school year.

We wish our three graduating seniors the best of luck in their future endeavors. We have installed a new buddy system to assist in our scholastic efforts. Hopefully, the positive peer pressure will pay off with everyone pushing each other hard. Special thanks to Grand Chapter Advisor **Bob Reel '81**, Saline, MI, for assisting the chapter in rush and all chapter activities.

**Beta Omicron
Tri-State University**

There was nearly \$18,000 raised from the alumni phonathon in October for needed repairs including work to be completed on various rooms, a new roof, insulation throughout the house and windows. The chapter took third place in flag football and second place in softball. Professor Carl Biedenweg has been named our new advisor.

Two brothers, **Lenny R. Duff** and **Travis A. Boring**, were selected to participate in a co-op internship. These brothers were sent to Kitsuda Engineering Co., located in Japan, and represented Tri-State University. They spent the past summer working and learning about robotics and about the Japanese culture.

**Beta Rho
University of Toledo**

Fall rush was a rousing success as we were able to pledge 17 great guys. Our hayride and bonfire held at the home of Grand Province Chief **Bill Siering '80**, Westland, MI, was a great time for all. We co-sponsored a philanthropy to benefit the Arthritis Foundation with Alpha Omicron Pi Sorority. Also, our Homecoming went very well as we built one of the best floats, with Delta Delta Delta Sorority.

In our quest for yet another All Sports Trophy, we currently find ourselves moving along quite well. We are in first place in total points which has been helped along by excellent performances in football, bowling, and tennis. As defending champions in basketball, we hope that it is just icing on the cake. Our current goals include more than just winning the All Sports Trophy in the future. We want to move into stronger

Beta Delta Chapter at Marshall University collected 1,013 cans of food for a service project benefiting Bishop Hodges House. That's a lot of food for the needy!

Gamma Chi Chapter, Indiana University, brothers are looking forward to hosting the 1989 National Leadership Conference on campus from August 2-6.

competition to win the Dean Parks Trophy and the Scholarship Trophy and, thus, place us in position to possibly win the triple crown!

Gamma Psi
Lawrence Technological Institute
This year has been an active one at Lawrence Tech. On January 14 we added two new brothers to our ranks. We held a chapter retreat at Brother **Southwell's** cabin and with the help and guidance of Grand Chapter Advisor **Gary Mallia '84**, Farmington, MI, we worked on getting ready for spring rush. The chapter has also begun redefining our goals in the area of leadership, motivation and pledge education. We have started a new leadership training period for officers so that they can adjust to their new responsibilities. We have been developing new programs that allow more members to get involved as well as spending more efforts on ritual. With the work we have done on rush, at the retreat, we hope to have a large pledge class and then put them through our new membership education and enrichment program which has replaced our traditional pledge program. All in all we have had a year of transition and are building a foundation for the future.

Province V

Grand Province Chief: Chris Koch, Indiana '79, 430 E. Dunedin Rd., Columbus, OH 43214.
Assistant Chief: Tom Welsh, Westminster '79, 1500 Scenic Club Dr., Westerville, OH 43081.
President: Phil Payne, Baldwin-Wallace '86, Attn: HCS, P.O. Box 544, Berea, OH 44017.

News collected from National Headquarters sources:

- Six fall pledges
- One fall initiate
- Two January initiates
- Alumnus **David Leasure '65**, Enon, OH, has retired as Grand Chapter Advisor and has been replaced by **Robert Wade**, Bowling Green '83, Columbus, OH.

Alpha Mu Baldwin-Wallace College

The men of Alpha Mu have had a rewarding year. We welcomed fifteen men into the Mystic Circle—12 this last rush, our largest class in many years. We won the Breezer Spirit Award for our participation in the Homecoming festivities and finished off homecoming with a very successful pig roast. Also this year we held our third annual Halloween party which was a great time for all involved. In the area of service we

gave out treats to more than 50 children from the Northeast Ecumenical Society. Our scholarship is a real highlight for us this year. We earned a 3.06 average, putting us at the top of all Greeks and fraternities.

During the winter quarter, we raised more than \$500 for the Lifebank Foundation, an organ donor organization. We had a swim-a-thon and collected pledges and donations from the community. The philanthropy was in memory of brother **Schuyler "Skip" Garth '71, Omega '84**.

We are very proud of Brother **Kevin Higgins** who claims the most wrestling wins in Baldwin-Wallace history. He is also the Division III champion in the 177 pound class. We purchased new chapter room carpet and blinds, and we are attempting to secure possession of our own housing section of Heritage Hall for next year. It looks very promising.

The excitement is building as we direct our efforts to this fall's Golden Anniversary of Alpha Mu celebration. More news will be coming to all our alumni brothers. October 14, 1989 is the date we will celebrate and we would like to see all alumni come to campus for a banquet. Interested alumni should respond as soon as possible. Fifty years is nothing to take lightly.

Gamma Alpha Ohio Northern University

We had fun with our rush activities this year at Gamma Alpha Chapter. Rush activities included golf, pizza/movie nights, and a smoker. We were able to raise \$150 for the March of Dimes. Wilson Sporting Goods generously donated an official National Football League football game ball, made here in Ada, for the raffle.

We appreciated the return of alumni and friends to Homecoming, 1988. Alumni shared stories and history as well as advice on how we can improve house management and alumni relations. We appreciated their contributions for the house repairs.

Overall, we feel very positive in our constant attempts to improve our chapter in every way. Our commitment toward improving in the community, the university and with our alumni has already started showing and will be even more evident in the future.

Gamma Zeta Bowling Green State University

The most noteworthy thing to happen to the Gamma Zeta Chapter recently was the initiation of our new philanthropy, S.A.M.S. Our house had many reasons for doing this philanthropy, and in the end we were all glad that we chose Students Against Multiple Sclerosis.

The main event was the Alpha Sigma Phi/MTV Rock-Alike. Members from campus fraternities and sororities imitated the favorite rock singers in this lip-sync contest. The first year event was a huge success.

(please turn to page 6)

Chapter Reports

Chapter Reports

Chapter Reports

Alpha Mu brothers at Baldwin-Wallace won the "Breezer Spirit Award" for their participation in Homecoming festivities this year. At right, brothers work on their Homecoming Banner. The chapter had an outstanding year, winning All-Fraternity and All-Greek scholarship honors with a 3.06 GPA.

(continued from page 5)

As always, Gamma Zeta did quite well in intramurals. Along with our championship in bowling, we also qualified for playoffs in basketball, curling and racquetball. We are in the running for Intramural Champs of Old Fraternity Row. The social calendar was great both semesters. In keeping with BGSU's policies we had both dry and alcohol events. We were involved in several multi-house events with excellent attendance. The social calendar for next year is still in the planning stages, and it is looking even better.

Greek philanthropies are big events at Bowling Green. This year we won the Lambda Chi Alpha/Alpha Omicron Pi Whiffle Ball Tourney as well as placing in other events. Each member got out and actively showed that Alpha Sig spirit. As always, the Gamma Zeta Chapter held its annual Homecoming and Spring Alumni Days. We all enjoyed seeing our graduated brothers and had fun reminiscing about old times.

Summer will be a busy time for all. We will be working on getting our sign replaced. We have been raising money throughout the spring semester to pay for it. We are also going to start our fall rush program, with very high goals established. With hard work and determination, we should have no problems achieving them.

Province VI

Grand Province Chief: Dr. Daniel P. Babb, Marshall '80, 5137 Newcomb Creek Road, Huntington, WV 25704.

Assistant Chief: Mike McCann, Marshall '83, 122 McGovran Rd., Charleston, WV 25314. President: Tim Hayslett, Marshall '86, 2021 Fifth Ave., Huntington, WV 25701.

Delta Marietta College

As the brothers returned to the house in the fall for the new semester, work was completed on

our party room. Through the efforts of all of the brothers, we were able to replace all of the plaster with stained wood and add a fresh coat of paint to the walls along with some wonderfully constructed shelves. We were also able to reorganize the museum, and it's looking great. Homecoming soon followed and it was a success. We welcomed many alumni brothers back to Delta with a cocktail party following the football game.

With that behind us, we then concentrated on the big one: RUSH. Through the success of our dry rush events, Delta Chapter welcomed its largest pledge class in quite some time—22. A big pat on the back to rush chairman, **Shawn Cooley**, for all of his hard work. On Saturday, October 29, Delta Chapter was filled with ghosts and goblins for the 2nd annual Sig Halloween Bash. We had a great turnout, and were able to raise over \$100 through the sale of mugs.

We held a Winter Formal early in the winter semester. A phonothon was also held early in the term. We would like to invite all of our alumni who couldn't make it down for Homecoming, to visit Delta sometime during the year!

One final note: Congratulations to Brother **David Reny** on being elected IFC President for the upcoming term!

Alpha Nu Westminster College

The year has been busy here at Alpha Nu. With the addition of twenty great pledges, we are keeping things moving here at Westminster. The year started off with a great Homecoming success. Our parade float took first place among all Greeks. We also finalized plans for our upcoming house renovations this summer. Having raised over \$50,000 towards the renovation we are confident that everything will get done. Many thanks to all those brothers who have contributed their time and money toward the effort.

The Alpha Sigs have made a mark on the community through our involvement in service projects this year. Our annual Haunted House spooked campus at the end of October and we raised \$220 for the New Wilmington Ambulance Service. Alpha Sigs had the highest turnout of any Greek organization at the Red Cross Blood Drive. We also had Mike Green, an excellent speaker on drug and alcohol abuse, speak to the brotherhood in February.

Congratulations are in order for **Mike Campsey**, HSP, who was named "Brother of the Year," and **Kevin Garvey '75**, New Wilmington, PA, who was named "Alumnus of the Year." Grand Chapter Advisor **Al Sternbergh '48**, New Wilmington, who has maintained a long standing commitment to our chapter, will be honored when our new multi-purpose room is dedicated in his honor. A special thanks to these outstanding Alpha Sigs.

Our new officers have been elected and will hold a retreat to plan the strategies for the coming year. Then, about ten of our brothers are off to Indiana for the National Leadership Conference.

Beta Gamma Bethany College

No Chapter Report Submitted
News collected from National Headquarters sources:

- Thirteen initiated in the fall.
- Brother **Larry Grimes '61**, Bethany, WV, replaced **Rev. Bill Allan '59**, Parkersburg, WV, as Grand Chapter Advisor.
- House improvements are underway.

Sig Salute—Gamma Omicron Chapter at Tulane University salutes their Grand Chapter Advisor **Tim Frech, Tulane '70**. "Brother Frech has put forth a tremendous effort to help Gamma Omicron," writes the chapter, "and we appreciate all he does towards the advancement of our brotherhood."

Beta Delta Marshall University

Beta Delta initiated a total of 42 men this year as the fraternity continues to grow. Beta Delta of Alpha Sigma Phi is Marshall's largest fraternity yet still maintains its high academic standards.

We had the largest attendance ever from our alumni at Homecoming 1988. For the second straight year, Beta Delta teamed up with Tri Sigs in building a Homecoming float and for the second straight year we won first place. The fall began with an all sorority party in the back yard which was a major success. Our service projects this year included helping the Red Cross with campus blood drives, collecting 1013 cans of food for the Bishop Hodges House, taking 15 senior citizens to an opera, and cleaning 3.12 miles along U.S. Route 60 as part of the "Adopt A Highway" program.

Brothers of Beta Delta continue to breed success. **Walt Babecki** received all conference honors in soccer, **Ed Dichter** and **Paul Lee** were initiated into Omicron Delta Kappa, **Bryan Richmond** was admitted into medical school as a junior, **Boone Triplett** was named the chemistry department's outstanding senior, and **Craig Dlin** won Mr. Marshall at Homecoming.

Over 100 people attended the Black & White this year. Awards were given out to **Mike Kapral** for Brother of the Year and the Cardinal and Stone Award went to **Chris Lambert**. The year ended on a high note as we won Greek Week for the third year in a row.

Gamma Delta Davis & Elkins

Brothers of Gamma Delta took part in a clean-up of the infamous Toadstead Pond here at D&E. Also, brothers helped in painting the building used as a local help center for women undergoing trauma or crisis. Some of us also helped an elderly woman with some of her domestic chores and in refurbishing her run down home.

We are pleased to be improving in our chapter's basic organization and communications. Also, we are excited to have Brother **Max Morgan '52**, Elkins, WV, assisting with operations. He helps as an advisor in seeing that the chapter runs the way it's supposed to run. He has really taken a vested interest in the chapter.

Delta Epsilon Rio Grande College

No Chapter Report Submitted
News collected from National Headquarters sources:

- One initiated in the fall.
- Pledged 11 in December.
- Memorial Service was held for the three members of the chapter who were killed in an automobile accident, **Joseph Bitonte**, **Richard Hanson**, and **Shane McCoy**.

Delta Delta Slippery Rock State University

We started the school year off great by taking 18 awesome pledges, the second most on campus.

They held their own service project for the community by washing all of the police cars. We held several fundraisers where we raffled off the Homecoming football on a game day and we've also raffled off pairs of Penguins hockey tickets which helped raise \$300 for the chapter.

In January, we donated our time to a telethon in Erie, PA to benefit Cerebral Palsy. We were able to wear our letters while the program aired on the Erie TV station. This January, Delta Delta welcomed our new faculty advisor, **James Herlinger '71**. James is a brother from Delta Delta and head soccer coach at The Rock.

We hope you have heard about our big push to get an alumni corporation started and off the ground. If you are enthusiastic, dedicated, interested, or have even given it a thought, we

Chapter Reports Chapter Reports Chapter Reports

need you to get involved with it now. Alumni corporations are necessary to help foresee the future of any chapter striving to make it through the 1990s.

Kutz Establishes Chapter Funds

Robert W. Kutz, California '67, has established "The Nu Chapter (California) Endowment Fund" and "The Psi Chapter (Oregon State) Endowment Fund" within the Alpha Sigma Phi Educational Foundation in accordance with a new program instituted by the Foundation. Under the new program any person can establish a "Chapter Endowment Fund" for any chapter with a contribution of at least \$500. Once a fund has been established any alumnus or friend can add to it with additional contributions of at least \$500 each.

The Educational Foundation Trustees have the responsibility for investing the funds. Annual net investment income is then made available for financial support of the specific chapter's educational programs. The "Chapter Funds Program" requires chapters to develop written proposals for usage of the funds by working jointly with their alumni organization. Once a proposal is made to the Educational Foundation the Trustees will assure that it meets IRS

"educational" standards and make awards as appropriate. Legitimate educational programs would include sending students to national leadership conferences, funding educational speakers for the chapters, providing scholarships, and more. The endowment "corpus" of a chapter fund **will not** be spent.

Kutz was pledged into Alpha Sigma Phi at Psi Chapter, Oregon State University, in 1966 and transferred to the University of California-Berkeley where he initiated into Nu Chapter in 1967. He served as Grand Province Chief of Province I (West Coast) from 1984-88, has served as Grand Historian since 1982, and he has been very active in both the Bay Area and Los Angeles Area alumni councils. He was very significantly involved with chapter reactivations at UCLA and Cal-Berkeley, and was awarded Delta Beta Xi in 1981. He currently resides in Arcata, CA and serves the State of California as a Workers Compensation Judge in Eureka, CA.

The Nu Chapter Endowment balance is currently \$1,500 and Psi Chapter Endowment Fund is \$1,350. If Brother Kutz has his way these funds will grow rapidly, and will be joined in the Educational Foundation by funds from other chapters. "I would hope that the idea will catch on and that within the next couple of years we will see the beginnings of meaningful endowment funds for over half of our active chapters," writes Kutz. "However, I would urge prospective donors not to build these funds to the exclusion of the general fraternity."

Brothers wishing to make donations to chapter funds or desiring more information on the Chapter Endowment Funds program should contact Robert M. Sheehan, Jr., Executive Director, Alpha Sigma Phi Educational Foundation, 24 West William Street, Delaware, OH 43015, 614/363-1911. □

Reflections of a House Mom

(Margaret Sandoz has served as the Housemother for **Psi Chapter**, Oregon State University, for the past fourteen years. Following is her farewell message to the Psi brotherhood as it appeared in the chapter's newsletter.)

It has been 14 years since I came to Corvallis to interview for housemother positions. When I arrived, all my appointments showed except Alpha Sigma Phi. Someone had taken a message about the interview time, but the correct person didn't get it. Sound familiar?

I did stay an extra day in town. The Alpha Sigs found me and invited me over for an all-house meeting. The men gathered around and asked me questions. I was impressed. I will always remember Mike Waters '73 telling me, "We want you and no one else." I didn't say yes immediately, but I got to thinking about their enthusiasm, and I decided to accept.

The first Rush Week was exciting. I wasn't sure who was a rushee and who was a member. At the end of the week we had 74 live-ins with room space for 72.

People soon discovered I liked to sew. These were the years when jeans came unhemmed and were large at the bottom. My talents were handy.

I have always been interested in sports—particularly intramurals. Those first few years there were several casualties in football. I frequently had to leave early to take someone to the health service.

There have been 420 men who have lived here during the period I have. Most of them I remember well. Many of the highlights during the last ten years have been having some of the "old boys" stop by and visit me. I already have a space in my album for Alpha Sig grandchildren.

There will always be memories of street dances. Remember when the band played on the front porch and I had to leave because there

was too much noise? There was the Greek Olympic tug-of-war and the Greek Wheel when we were always the host house.

I will also remember the Easter egg hunt for the little children from the day care, the spring house dance when flowers appeared (one didn't dare ask from where), and the great amount of work that went into constructing the waterfall pool that would hopefully hold water. Then there was 1979 when we finally won the softball championship.

Moms and Dads weekends have always been great events. It has been nice to get acquainted with your proud parents.

I have enjoyed the opportunities to get involved with community activities that made it possible to find projects for the men to participate in. Activities like woodcutting, park projects, senior citizens banquets, and delivering meals to the elderly.

Remember when Mrs. O made the pumpkin pies and we served them to the people at the Heart of the Valley? I have always been proud of your willingness to give of your time and talent.

It has been nice to have shared many years with you. I will miss living in the midst of young people, but I'm ready to move closer to my family. I will be retiring at the end of this year and moving to La Grande. I hope that you will keep in touch. I love you all. □

(continued from page 7)

Beta Mu Wake Forest University

This has been a very active year here at Beta Mu Chapter. We held several informal smokers to prepare for our spring rush. The smokers were very successful. Accomplishments included sponsoring the first annual Oktoberfest to benefit the Brian Piccolo Cancer fund, winning the intramural football championship, painting our lounge, and purchasing new speakers. Also, we were able to handle the \$4,000 debt with which we began the year.

Our hope is to strengthen our alumni relations in the future. We plan on working with our alumni council to secure these plans. We want to make the Beta Mu Chapter an important part of

communication with our alumni. If you have any news, plans, or ideas, don't hesitate to let us hear about it. Things look promising for Alpha Sigs here at Beta Mu, hope they look the same for you.

Gamma Lambda Atlantic Christian College

The year started off well with a dry rush barbecue and a visit by **Steve Zizzo, Illinois '84**, Chapter Leadership Consultant. Through hard work and effort, we were able to recruit six pledges this past fall. These six pledges have all been initiated into the Mystic Circle.

The biggest event of its kind took place at Homecoming, 1988. Gamma Lambda celebrated its 30th Anniversary in grand style with a reception at the chapter house and a dinner

dance banquet at a nearby country club. A great time was had by all. At the homecoming, we sold sketch prints of the house for \$25 which helped us raise over \$500.

We felt some great changes here at Gamma Lambda this past year and we hold even greater promise for the upcoming school year. Our alumni response and involvement is at great heights, greater effort is being put forth by the brothers, our rush is going better than ever and the house is being fixed up piece by piece. Very special thanks go out to **Allen Stallings '73**, Wilson, NC and **Jerry Sledge '74**, Raleigh, NC, for all their help this past year.

Delta Eta East Carolina University No Chapter Report Submitted News collected from National Headquarters sources:

- Twenty-five pledged in the fall.
- Twenty-one initiated in the fall.
- Forming an Alumni Corporation.
- Trying to set up a plan to buy the house.

Delta Theta Radford University

The chapter completed the biggest service project ever seen at Radford University. Over \$20,000 was raised for the March of Dimes with the Eighth Annual Dime Roll. We rolled our eight foot wooden dime from the chapter house at Radford to Valley View Mall in Roanoke. A popular Roanoke radio station accompanied us most of the fifty-two miles, announcing the dime roll every fifteen minutes. Delta Theta would like to thank our alumni who came back and helped roll the dime. It was a great time for our alumni to meet our new pledges and newly initiated brothers.

During the fall semester rush we found ourselves being very selective as we chose ten out of thirty-nine rushees. In the beginning of the spring semester, we took another ten pledges. We then proceeded to be the first fraternity to take advantage of the new open rush program on campus. We aggressively pledged another five men bringing our total number of pledges to 25 for the year.

It was an unbelievable year for our scholarship! We raised our overall grade point average from second lowest of all fraternities on campus to the number one position with a 2.65 average. We won the Greek Scholarship Cup which was presented at the Greek Week banquet and our President **John Lyon** won the overall Greek Scholarship Award.

This summer 20 brothers will be staying at Radford taking summer session classes. Two brothers will be Quest assistants who orientate incoming freshmen and help them set up their schedules. By the beginning of the fall semester we are planning on sending out calendars to all of our alumni informing them of our activities. Information will be enclosed about the banquet and other activities in which we hope for large alumni turnouts.

Sig Salute—Gamma Epsilon Colony, SUNY-Buffalo, sends special thanks to **Kieran Kreiss, Buffalo '51** for his never ending help in reviving Gamma Epsilon. Kieran has helped us organize Alumni Banquets and taught us all the Alpha Sig songs," writes the colony. "We would like to thank him from the bottom of our hearts."

Alpha Psi Presbyterian College

We enjoyed a very successful rush by getting ten quality pledges. Thank you to all who helped with our rush. We initiated one brother at the start of the school year. **James Stewart** is now proud to be amongst the Mystic Circle. We'd like to thank all of the alumni who returned for Homecoming 1988. It is appreciated when alumni come back to their chapter. Our United Way service project helped raise over \$350 for a very worthy cause. Just another example of fraternities doing more than what the average person perceives.

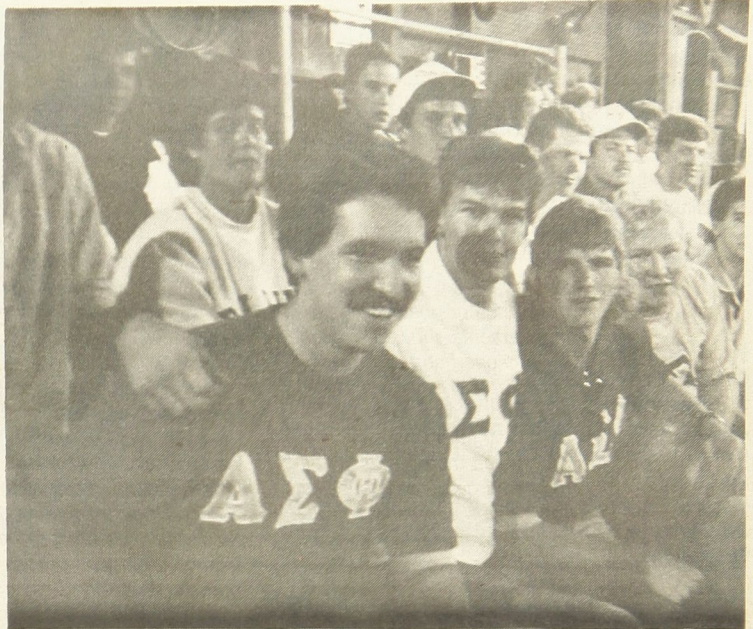

We would like to congratulate Brother **Rick Betts '84**, Atlanta, GA, on getting married and wish him every success. If you have any news to relay about yourself or another brother, just let us know. We're always here to help.

Gamma Theta University of Miami

Our fall retreat was sponsored by **Dave Leonard**, faculty advisor, and proved very successful. A new pool table was brought in by **Angel Pareja '84**, Miami, FL, which turned out to be great rush tool. Speaking of rush, we netted 13 new pledges this spring. Alumni won the Sig Bust upping their record to 3-0-1. Way to go Alumni!!! Gamma Theta sent a huge delegation to the Province VIII Leadership Weekend at Tulane. We all had a great time and were able to enjoy the festivities of Mardis Gras.

In the fall semester Gamma Theta participated in a non-alcoholic drink-off, sponsored by the UM sororities. Many areas were judged, including best drink name, best tasting drink, best looking bar and several others. Under the direction of **Frank Del Castillo**, and the fall pledge class, Gamma Theta submitted the "Cocomo," a tropical drink complete with palm fronds, tropical shirts and the Beach Boys' song playing in the background over and over. At the end of the evening, Alpha Sigs swept the awards, including all of the above categories and most original drink, best looking drink and most creative bartenders. Needless to say, the sororities were very impressed with our efforts. Gamma Theta would like to thank all the brothers and pledges

Hurricane Warning!—Gamma Theta Chapter, University of Miami, brothers traveled far and wide during 1988-89. A trip to New York City (top photo) to a small theater provided a cultural experience for **Brothers Mannix, Koponen, Crawford, and Lathinen**. Earlier in the year, chapter members traveled to visit **Theta Chapter** at the University of Michigan to see the exciting Miami-Michigan football game. The brothers painted the traditional Michigan "rock" (bottom photo).

that made "Cocomo" the success that it was.

This year Gamma Theta raised more money for UCP than any other Greek organization on campus. With an average of \$121 per member, we took home the biggest trophy from the Greek Ball. This was raised through highway holdups and donations. The brothers have taken several road trips this year, from Chicago to New York to Daytona to New Orleans.

Over the summer we will be working on fall rush and giving a "face lift" to the suite with money we have raised over the year. We will also try to keep the brothers informed over the

Chapter Reports Chapter Reports Chapter Reports

summer so they will return in the fall ready to rush and enjoy the brotherhood.

Alpha Rho
New Jersey Institute of Technology
Members of Alpha Rho participated in WHEW's
Hunger-a-thon fundraiser to help feed the hungry.
Also, Alpha Sigma Phi and Alpha Sigma Tau
Sorority held a see-saw marathon while New
Jersey Governor Kean visited N.J.I.T. campus.

Our alumni are now incorporated!!! At a special
meeting of all members held in January, the
chapter ratified the corporation's constitution to
make this possible. We are currently searching
for a new chapter house which Alpha Rho

Chapter can call home. We are currently planning
a benefit concert to raise money for the purchase
of a new house. If you would like any other
information please feel free to contact the
chapter.

Alpha Tau
Stevens Institute of Technology

Our rush activities received an excellent
response. We hosted two smokers with the
themes of Casino Night and Anything Goes,
which assisted in netting us eight quality pledges.
Our sports teams were very competitive in
football, tennis, volleyball, squash, soccer,
basketball and hockey.

Brothers have been very busy improving the
house this year with many pitching in on the
major projects. A new kitchen floor has been
installed as well as a new radiator installed in the
chapter room. Letters are going to be sent out to
all incoming freshmen as part of early rush efforts
for the fall. We hosted a number of incoming
freshmen for one night at the end of April which
boosted this effort.

- Beta Chi Alumni Luncheon Club re-formed. Interested alumni should call **Steve Behrer '73**, Annandale, VA, at 703/978-1901.
- 50th Anniversary will be celebrated on Saturday, April 21, 1990.

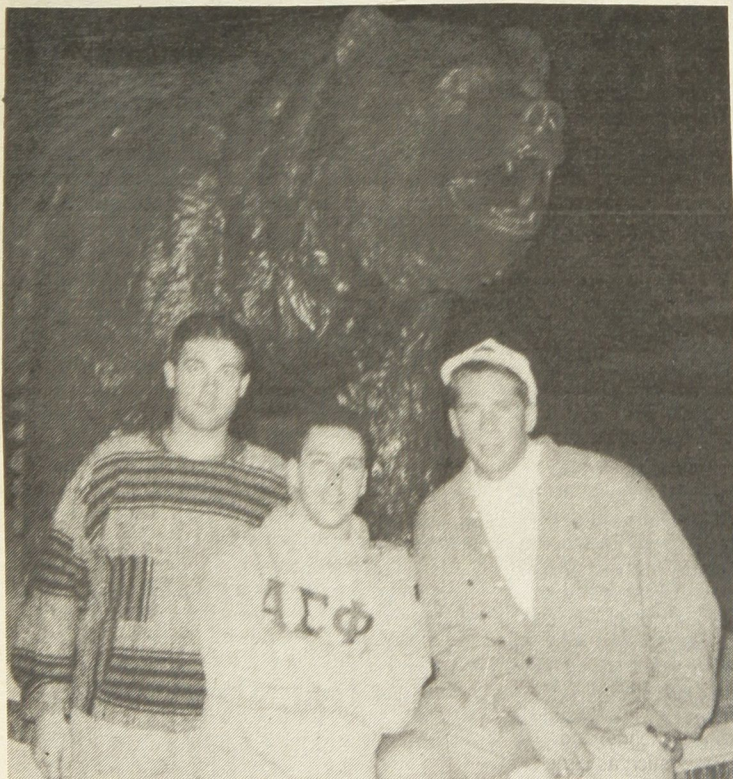

Gamma Xi
Widener University

The campus has now switched all of rush to dry. Our dry rushes ran successfully, as expected. In the department of fundraising, we were able to raise \$1,000 by selling candy bars and another \$500 by selling Italian water ice at the home football games. For the good of our community, Gamma Xi brothers turned out to help with the Special Olympics Bowling Tournament. Also, we performed yard clean up and landscape work for a local church.

For rush, our chapter is concentrating its efforts this spring on events such as a pig roast, indoor lacrosse game in Philadelphia, a volleyball tournament and several other events. Also, letters will be going out this summer to all incoming freshmen to inform them that our brothers will help them move in this fall.

Delta Lambda
Stockton State College

This year we started off by assisting students with moving into the dorms and helping with freshmen orientation. We saw these as good ways to meet people, promote some positive relations, and benefit our rush. In the department of helping . . . brothers helped the American Cancer Society hold its annual bike hike by directing traffic for the safety of the bikers who were raising funds for the ACS. Also, brothers helped our own college by raising \$3,000 in an annual phonathon for the Stockton State College Foundation.

Brothers from **Delta Lambda Chapter**, Stockton State College, traveled all the way from New Jersey to U.C.L.A. to pose with the "Bruin" and visit **Alpha Zeta Chapter**.

Sig Salute—Phi Theta Colony at SUNY-Binghamton salutes **Peter Cardoza, Cornell '85** for his help in getting the colony started. "As a new colony, Peter's help has been invaluable in getting us started. We will miss him next year as he has recently moved to Massachusetts." Brother Cardoza also serves his own Iota Chapter as Alumni Corporation President.

(please turn to page 12)

Our congratulations go out to Brother **Randy Hedel '86** and his lovely new bride. The happy couple tied the knot on November 18, 1988. Our Alumni Sig-Fest was held in April as was our spring formal at the Sands Great Bay Country Club, in Somers Point, NJ. We also plan a fundraiser which makes use of a coupon book sponsored by local businesses.

Delta Mu William Paterson College

Delta Mu has had a very busy and exciting year to report. First, we swept all four events at the 1988 Greek Olympics to capture first place for the second straight year. Second, rush was a very busy time for us with rush meetings, non-alcoholic parties, and a Lip Sync contest where brothers portrayed Robert Palmer and his video women syncing the song "Simply Irresistible." Our effort was well spent as we selected seven pledges. We also joined in the tradition of painting the rock on campus with the fraternity letters and colors.

On November 12, 1988, the brothers held a "Run for Life" for Tommy Phillips, a 15 year old Hawthorne High School football player who was paralyzed on a routine play. We ran a 33 mile course and raised over \$2,000 for the cause. Alpha Sigma Phi runs so Tommy can walk.

The biggest social event of the year was our third annual Black & White. More rush parties, Atlantic City Bus Trip, roadtrips to visit other chapters, Preakness Nursing Home visits and intramurals packed our schedule. In case you weren't sure, you saw it right . . . yes, that was Brother **Paul T. Plesnik, HJP**, on MTV's game show, *Remote Control*. Paul's visit to national T.V. aired on February 24, 1989 at 7 p.m. and 11 p.m. Paul was wearing a William Paterson T-shirt and an Alpha Sigma Phi baseball cap. We also were able to see Hugo, the mascot, make an appearance. Hope you were able to tune in.

Province X

Grand Province Chief: Otto Sonder, American '47, 52 West St., Oneonta, NY 13820. President: Dirk Izzo, Hartwick '86, 71 Spruce St., Oneonta, NY 13820.

Iota Cornell University

**No Chapter Report Submitted
News collected from National Headquarters sources:**

- Twenty-six spring pledges
- Raised \$19,999 for the Cornell Student Fund through college phonathon, most money raised by any group on campus.
- Assisted with pledging for our Binghamton interest group.
- Most successful Homecoming in 20 years, nearly 100 alumni returned for the festivities.

Upsilon Pennsylvania State University

Once again, we had a great year here at the "Old Gal." Academically we were above the all-men's grade point average and expect to keep improving. Athletically we made it a great year. We jumped out into first place early by winning golf and softball. And with success in football, we are well on our way to a championship.

We supported Alcohol Awareness this October by participating in two events. The events included having a guest speaker to the house and participating in a dry rush party. Both events were a huge success. For the first time, we had two brotherhood retreats in which fun was had by all. It was an excellent way for us to get together and it really cemented the brotherhood.

Not only was this a banner year for the chapter, Upsilon alumni were recognized for their achievements. During Homecoming, Brother **Ralph Brower '56**, State College, PA, was awarded the Delta Beta Xi Award for outstanding service to the fraternity. Brother Brower has given much to the "Old Gal" and we are all very proud to call him brother.

The only sad note of the year was the passing of Brother **Leon Fencil '30** into Omega Chapter on November 11, 1988. Brother Fencil, the oldest active alumnus at Upsilon, attended many home football games and rode our Homecoming float for the past two years. Brother Fencil will be greatly missed by the brotherhood.

Beta Iota Tufts University

As you probably know by now, we were chartered on September 17, 1988 and we took the campus by storm. We secured a house where we would be able to meet and immediately began true fraternity meetings. Everyday, we have become better known on campus. Throughout the fall semester we participated in community service projects, organized study tables for fraternity members and friends, and participated in Inter-Greek events such as Greek

Chapter Reports Chapter Reports Chapter Reports

Upsilon Chapter at Penn State has won the IFC Dance Marathon for the past six years in a row. This year they, along with Alpha Sigma Alpha Sorority, raised over \$112,000 to benefit the Children's Cancer Fund at Hershey Medical Center. Brothers, left, display their trophies from winning the event.

Olympics. The service project we are most proud of involved working with the Tufts American Society of Civil Engineers Student Chapter to build a playground for a local elementary school that never had one before.

Spring semester we had our first true fraternity-sorority mixer with one of the largest and most popular sororities on campus. We have continued to grow in numbers since our beginning. Two splendid semi-formals rounded out our semester with many alumni attending the second one and meeting up with many of their college friends. We look forward to having more alumni at future events.

Community service projects for the spring included helping organize and run a university blood drive which was a spectacular success. We also had a classic sponge toss booth at the Tufts Annual Kids' Day. Hundreds of local children came and took turns at our very popular booth throwing sponges at the faces of volunteer brothers. The line lasted throughout the day ending only in the late afternoon when the warm, sunny day turned suddenly to overcast and rainy. The university expressed to us how glad they were that Alpha Sigma Phi made a meaningful contribution which made Kids' Day a success.

Alpha Sigma Phi has taken a new leadership position in the powerful Inter-Greek Council and being active in the new GAMMA Task Force. GAMMA stands for Greeks Advocating the Mature Management of Alcohol.

Beta Xi Hartwick College

This past school year Beta Xi Chapter has gone through some changes. In December we initiated eleven new brothers which brought our total membership up to fifty-one prior to spring rush.

We have been sponsoring many alcohol awareness events for the community and for ourselves. These include sponsoring speakers who discuss the effects and problems of alcohol

Chapter Reports

Chapter Reports

Chapter Reports

(continued from page 11)

abuse, as well as our own brothers going into the local high schools to speak about the abuse of alcohol.

As for the fraternity house, we've been making great progress on improving the structure and its appearance. Recently, we fixed up the basement and we are hoping to obtain a \$30,000 loan for major improvements.

This past spring, we initiated a dry rush program for the first time, which ran fairly smoothly. Sig bust was at a resort in Vermont in early May. Recently, the chapter has been on a strict diet of health food including celery and carrot sticks for snacks. **John Vyecki**, Steward, has eliminated potato chips and pretzels from our snack list.

Beta Psi
Rensselaer Polytechnic Institute

This year, our chapter was faced with a completely dry rush as this norm has come to be

at most college campuses today. With creative programming, we were able to select a ten man pledge class. Also in keeping with current trends, the chapter has moved to "closed parties" which greatly reduce the risk of our chapter. We have found that these closed parties actually are pretty successful and fun for everyone.

Alumni events include the alumni hockey and alumni banquet. This year the main chapter house was fixed up with new carpeting in the halls. We hope to see many alumni return to visit and see the improvements made here at Beta Psi Chapter.

We were able to raise \$1500 by hosting a spoof of the TV game show *Remote Control*. Ken Ober himself hosted the show which was a huge success. Proceeds were donated to the American Lung Association, a very worthy cause.

Bottom, Grand Treasurer **Charles J. Vohs, Penn State '75** (left) presented the charter to Clemmer, Wexler, and alumnus **John F. Johnson, Tufts '60**.

Omega Salute—Francis J. "Zip" Boland, Cornell '42, Delta Beta Xi '52 passed into Omega Chapter on February 18. Brother Boland served on the Grand Council from 1956-62, serving for four years as Grand Marshal. He served the State Legislature in New York as an Assemblyman from 1966-74.

- Held several service projects for community and campus throughout the year.
- Initiated 11 men in April.

Delta Xi

State University of New York at Plattsburgh

Delta Xi Chapter held its first annual spring retreat which was very successful. It provided us with a more accurate picture of our long and short term goals as well as renewing and strengthening our brotherhood.

We also held our first annual Black & White dance on April 22 which was a great way to cap off our first year as a chapter of Alpha Sigma Phi. We also conducted a Black Lantern Processional to celebrate the first anniversary of our chartering. It was a truly moving experience that we hope to repeat soon!

Brother **Stefan Cherry** was elected president of the Greek Council on our campus. We will enjoy the enhanced prominence on campus. Two other brothers, **Mike Curtis** and **Tom Hirsch**, went to the National Collegiate Racquetball tournament in New Orleans. We're very proud of them as they played well. Several other brothers traveled to Daytona Beach where they had the unexpected pleasure of meeting brothers from Stockton State and the University of Miami. It was a great experience to realize that our brotherhood truly does span the U.S.!!!

We sponsored a "Grim Reaper" Alcohol Awareness project to fully illustrate the dangers of drinking and driving. We also have conducted several successful dry rushes and are happy to report great success with them. Our intramural softball team enjoyed an excellent season!

We are planning on sending about five brothers to the National Leadership Conference this summer. Summer rushing plans are going well. Several men have already expressed an interest in pledging, fall 1989. Our chairman is energetic and has an excellent committee. We are already planning a fall retreat to reiterate the importance of goals and planning.

Finally, our best wishes go to **Bob Manganelli** as he goes abroad to continue his studies.

Gamma Epsilon

State University of New York at Buffalo

The "Jeff Hunter Interest Group" became the Alpha Sigma Phi Gamma Epsilon Colony on April 8, 1989 at a banquet at the "Friar's Table." The presentation was conducted by alumnus **Kieran Kreiss '51**, Buffalo, NY, Director of Chapter Services **Randall S. Lewis**, Oregon State '81, and Grand Marshal **Robert G. Cabello**, Eastern Michigan '70, Saginaw, MI. After approximately one year of hard effort, the group has gained recognition at the university as being a fraternity for the person who desires to better himself socially and academically. With all of our progress, we hope to gain charter status by the spring of 1990.

This year, we pledged 10 men to our colony; building our number of brothers to 26. This proved to be extremely beneficial seeing as most rush events were conducted dry and therefore at less risk and cost to us. From past year's experience we hope to implement old and new

Top Photo—Grand Marshal **Robert G. Cabello**, Eastern Michigan '70 (center) presents Colonization Certificate to **Gamma Epsilon Colony** President **Steve B. Rogenthien** at SUNY-Buffalo's Colonization Banquet. **Bottom Photo**—**Rogenthien**, along with Colony Founder **Mark Palazzo**, **Marietta '88** and Colony Vice President **Ed Munz** display a gift presented to **Palazzo** on behalf of the colony.

ideas into a more productive rush. This past semester we had a few parties; one of which was conducted with Tau Kappa Epsilon Fraternity. Although we went in with no financial obligations and could not come out with any monetary profits, we did get exposure to more of the student body which no amount of money could buy.

In March we participated in a fundraising telethon for Buffalo's PBS Channel 17. The brothers answered phones and took pledges for the station during pledge breaks; and played an infinite number of Uno games during the hours of non-pledge breaks. We all agreed that it was a great deal of fun.

Over the summer the brothers will be working at their respective jobs, be it construction or office jobs. But even though we will be working in our respective hometowns, we will not be giving up and forgetting about the fraternity, but will be continuously working towards rush by visiting our old high schools. In doing this, we hope to talk with some of the guys who plan on

coming to U.B. With this in mind, we hope to bring in 10 to 15 men.

At the beginning of next year, we also plan on helping the freshmen move into the dorms so that they have some assistance in getting used to the large school of 30,000 students. This should also prove to be another profitable dry rush event.

Phi Theta Colony

State University of New York at Binghamton

The newest colony of Alpha Sigma Phi was added to the list May 4, 1989 at the State University of New York at Binghamton. The group started with a pledge from Tufts, **Eric Lustwig**, transferring and meeting a brother from R.P.I., **Lou Agresta '87**, who had also transferred.

We then began recruiting our friends to start a group who committed to the ideals and purposes of Alpha Sigma Phi. We have been involved with service projects and are working with the IFC to gain recognition. □

OMEGA CHAPTER

MEMBER-AT-LARGE—Gerald E. Nord '39, New Castle, PA. **ALPHA**—John Q. Adams '29, Ft. Lauderdale, FL; John M. Coffee '20, Tacoma, WA; Philip J. Huber '38, Troy, MI; Robert C. Lovejoy '37, Janesville, WI; Raymond McKaig '19, Grosse Pointe, MI; Paul B. Sawyer, Jr. '33, New York, NY; Ulysses D. E. Walden '33, Santa Fe, NM. **BETA**—Carlton P. Fuller '17, Concord, MA; Robert K. Randall '12, Wellesley Hills, MA. **GAMMA**—William D. Phelps '58, Lexington, MA; Richard Wherity '29, Potomac, MD. **DELTA**—Thomas L. HONOR GIFTS

Throughout the year brothers make gifts to the Educational Foundation "in honor of" another brother to commemorate a special event, accomplishment, or activity the brother may have taken part in. Public organizations also make gifts to the Educational Foundation "in honor of" a brother who may have performed a special duty for the organization but refused to be paid for it.

Stan N. Miller, Purdue '64, Lafayette, IN in honor of Randall S. Lewis, Oregon State '81, Columbus, OH; Dr. Dennis R. Parks, Baldwin Wallace '72, Painesville, OH; Robert G. Cabello, Eastern Michigan '70, University Center, MI; Dr. Larry G. Spees, Ohio Wesleyan '57, Gallipolis, OH; Stan G. Thurston, Iowa State '66, Des Moines, IA and Ralph F. Burns, Ohio Wesleyan '32, Delaware, OH. **Bowling Green State University Greek Programming, The Ohio State University Greek Leadership Conference Steering Committee and Purdue University Student Organizations** in honor of Robert M. Sheehan, Jr., Westminster '76, Executive Director, for leading workshops at each conference.

MEMORIAL GIFTS

The memory of brothers who enter Omega Chapter may be honored by contributions to the Alpha Sigma Phi Educational Foundation . . . gifts that live on by underwriting the scholarship and educational programs of Alpha Sigma Phi.

Mrs. Harriet Hall in memory of Joseph E. Hall, UCLA '32, San Marino, CA. **Mrs. Betty Hudson** in memory of George N. Hudson, Davis & Elkins '63, Dover, DE. **Richard H. Jung, Michigan '28**, Sheboygan, WI in memory of Douglas L. Edwards, Michigan '28, Washington, D.C. **A. W. Lubbers, Lehigh '31**, Annapolis, MD in memory of Ralph W. Brown, Lehigh '32, Altoona, FL. **Maitland B. McKenzie, California '22**, Alameda, CA in memory of Frank R. Denke, California '26, Piedmont, CA. **Mrs. Laura Morse** in memory of Cyrus B. Morse, Rutgers '31, Granby, CT. **Mrs. Nancy Sanders** in memory of Halford B. Sanders, Harvard '28, Bellflower, CA. **Dr. Larry G. Spees, Ohio Wesleyan '57**, Gallipolis, OH in memory of Joseph Bitonte, Rio Grande '86, Columbus, OH; Richard Hanson, Rio Grande '88, West Union, OH and Shane McCoy, Rio Grande '87, Peebles, OH.

(The TOMAHAWK does not assume responsibility for the accuracy of Omega listings. Information from various sources is printed as it is reported to the National Headquarters for record-keeping purposes. On-going efforts to locate brothers without mailable addresses often reveal names of those who have entered Omega. Some listings therefore are of brothers who have been deceased for some time, but are included for informational purposes and in tribute.)

ALPHA SIGMA PHI NEWS & NOTES

The following reports on activities and achievements of Alpha Sigma Phi brothers across the country. News about alumni is listed in alphabetical order grouped under college or university headings. Read through this section carefully, you might be surprised to find that there's an Alpha Sig living right around the corner!

Member-at-Large

Douglas E. Herman '69, St. Louis, MO, is an assistant professor of history at Prestonsburg Community College, part of the University of Kentucky system.

Kenneth A. Oliver '33, Seattle, WA, is retired after 35 years as a manufacturing rep in furniture. He enjoys traveling.

Robert E. Relyea '49, W. Los Angeles, CA, has been named a senior vice president for features production management for the Motion

Iota Founder "Bushy" Fox enters Omega

Charles J. "Bushy" Fox, Cornell '09, Delta Beta Xi '82 passed into Omega Chapter on December 19, 1988 at 100 years of age. He was the last surviving founding member of Iota Chapter.

Through the decades "Bushy" maintained close contact with Iota Chapter. The undergraduate brothers loved to welcome him into their home and hear stories about the chapter's founding. He was very supportive of the chapter, which nominated him for the Delta Beta Xi Award for alumni service in 1982.

Brother Fox had a long and colorful career, beginning with an interior decorating business he started with his wife. He then became one of the earliest pioneers in prefabrication of buildings, for which he received

numerous patents. During World War II he was in charge of the manufacture of aircraft for Bell Aircraft in Buffalo. After the war he went back to his first loves, farming and forestry, for the rest of his career. He wrote of his career in 1982, "All these changes have been my choice, but never did make me a lot of money—but gave me a lot of polish! You know what they say, a rolling stone gathers no moss, but gets lots of polish."

According to his wishes, no formal funeral or memorial was held at his passing, but it was agreed that friends and family could hold a party in his honor. "A Celebration of Life" was held for "Bushy" on April 23, and all Alpha Sigs join in toasting our great brother. □

Picture Group of Gulf+Western's Paramount Pictures Corp. Previously, he was senior vice president for motion-picture production for Lorimar Productions.

Don Rose '54, Oahu, HI, was an independent consulting engineer from 1983-87. He currently is associated with K.G. Construction in Honolulu.

Dr. Jeff Ruderman '84, Glendale, CA, was graduated from Hahnemann University School of Medicine and began residency training last July in Los Angeles.

Frank Young '66, Davison, MI, has been elected dean of the Flint River Valley Convocation of Episcopal Churches. He also was promoted to Brigade Chaplain of an infantry training division.

California State University at Sacramento
Lewis Nolan '62, Memphis, TN, is vice president for communications of Schering-Plough Consumer Operations, manufacturer of such brands as Coppertone, Maybelline and Dr. Scholl's. He also has been elected to the Board of Directors of the Tennessee Association of Business and the Tennessee Manufacturers Association.

University of Charleston

William Treadwell '67, Cathedral City, CA, is president of the Cathedral City Lion's Club and Diabetes Chairman of the Desert Region.

Concord College

Timothy Barr '80, Charleston, WV, is associated with Kaufmann's Department Store.

Ken W. Duncan '81, Orlando, FL, is a systems analyst for Martin Marietta Aerospace in Orlando and a candidate for an M.S. degree in computer science at the University of Central Florida.

Cornell University

Dwight H. Emanuelson '52, Hilton Head Island, SC, is president-elect of the Hilton Head Rotary Club.

Weston H. Palmer '63, Penn Yan, NY, was president of the Yates County Bar Association last year. He is in his 20th year of practicing law.

Davis & Elkins College

Kenneth Abrams '60, Ocean Grove, NJ, lives at 36 Surf Ave., Ocean Grove 07756.

Dr. Richard L. DeLisser '61, Sunnyvale, CA, lives at 1227 Van Dyck Dr., Sunnyvale 94087.

Joseph Larese '55, Columbus, OH, is a vice president at Emcorp, his employer for 30 years.

Robert Moister '60, Memphis, TN, is director of Holiday Inn University. The Educational Institute of the American Hotel & Motel Association has awarded him the designations of Certified Hotel Administrator and Certified Human Resource Executive.

East Carolina University

Michael D. Aycock '79, Charlotte, NC, is a biomedical equipment technician II in the clinical engineering department at Charlotte Memorial Hospital. He was a shift captain for the recent Egyptian exhibit, "Ramesses the Great."

D. Keith Johnson '81, Greenville, NC, left Consolidated Freightways to accept a new job in the linehaul operation at Carolina Freight.

Robert Morris '79, Oklahoma City, OK, is an asset manager for the CIT Group/Sales Financing.

David Sharer '82, Potomac, MD, was sworn in Feb. 3 as a Montgomery County police officer.

Robert Sutton '86, Midlothian, VA, is an inside sales rep for Tull Metals Co. in Richmond.

Francis Marion College

Ricky A. Walters '82, Florence, SC, is a South Carolina state trooper. Recently, he was promoted to 1st Lt. with the National Guard.

Hartwick College

Eric Caballero '85, Syracuse, NY, is employed by University Data Systems, a computer consulting company. He encourages Brothers in the area to call.

David Clark '81, Rockaway, NJ, married Cindy Zink in November and is renovating a house. He lives two blocks from Brother **Peter Clark '82**.

George Schermerhorn '57, Whitehall, PA, after 26 years with The Taft School has been appointed executive director of the Community Music School in Allentown.

University of Illinois

Dr. James Caruso '82, Portsmouth, VA, received the M.D. degree last year and is doing residency training at the Naval Hospital in Portsmouth. Last June, he was promoted to Lt. in the Naval Medical Corps.

Aaron Lincoln '84, Wauconda, IL, reports that Brother **Scott Bernstein '84**, Des Plaines, IL, has completed his first motorcycle tour of the United States.

R. Mark Mallory '69, Glenview, IL, is controller/director of planning for the Tribune Co., a \$2.2 billion diversified media company in Chicago.

John Marcet '85, Lisle, IL, is associated with Price Waterhouse in Chicago.

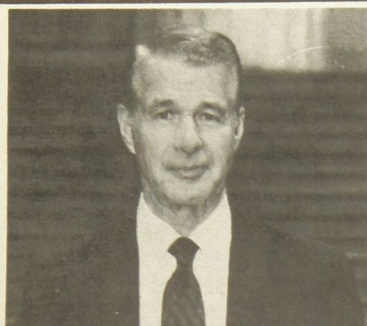

(please turn to page 18)

Robert Moister, Davis & Elkins '60 has been named Director of Holiday Inn University in Memphis, TN.

Omega Salute—Norman Bayard Green, Marshall '47, Delta Beta Xi '51 has passed into Omega Chapter. Brother Green was initiated into the fraternity as a faculty member. He served as head of the Zoology Department at Marshall for many years, and was faculty advisor to the chapter.

William L. Thourlby, Tri-State '49 is author of the best-selling book, "You Are What You Wear." Brother Thourlby has offered to **donate** proceeds of sales of the book from Alpha Sigs. to the Alpha Sigma Phi Educational Foundation. Order today! Brother Thourlby is a widely recognized clothing consultant and has worked with major corporations and U.S. Presidents on "image building."

The Official Alpha Sigma Phi Plate

A 10-inch China plate with gold trim commemorating Alpha Sigma Phi has been designed by **Keiran Kreiss, Buffalo '51** for sale to Alpha Sigma Phi brothers. The white plate is lettered in red and black, and will make a fine collector's item for chapters and alumni.

To order, send your check for \$22.50 per plate (shipping included) to "Alpha Sigma Phi Plate," Kreisshaus, 763 Tacoma Avenue, Buffalo, NY 14216 or call (716) 836-1563 for details. Order yours today!

Grand Province Chief Captain Mark Still, Washington '75 explains the work of his sub-committee during a weekend meeting of the Volunteer Alumni Task Force. The purpose of the Task Force is to develop programs and methods to support alumni volunteers at local chapters.

Official Alpha Sigma Phi Fraternity Watch

Watches reduced. Actual diameters of watches are as follows: men's wrist 1-3/4", men's pocket 1-1/4".

A Seiko Quartz timepiece available for a limited time only. Featuring a richly detailed three-dimensional re-creation of the Fraternity Coat of Arms on the 14 kt. gold-finished dial. Electronic quartz movement guaranteed accurate to within fifteen seconds per month.

The leather strap wrist watch is \$200; the two-tone bracelet wrist watch is \$230; and the pocket watch with matching chain is \$230. There is a \$5.75 shipping and handling charge for each watch ordered. On shipments to Pennsylvania only, purchasers should add 6% state sales tax.

To order by American Express, MasterCard, or Visa, please call toll-free 1-800-523-0124 (Pennsylvania residents only should call 1-800-367-5248). All callers should ask for operator 1239K. Calls are accepted weekdays from 9 a.m. to 9 p.m. Eastern Time. To order by mail, write to: Alpha Sigma Phi Fraternity, c/o P.O. Box 511, Wayne, PA 19087 and include check, or money order, payable to Official Alpha Sigma Phi Watch. Credit card orders can also be sent by mail — please include full account number and expiration date. Please allow 4 to 6 weeks for delivery.
