NATIONAL NEWS

WEST VIRGINIA "WALKOUT POLICY"

WHEREAS, the West Virginia University Intrafraternity and Panhellenic Councils recognize and are concerned with damages to (or theft from) a WVU Greek property caused by "walkouts" (chapter and/or associate members) from other universities; and

WHEREAS, we are not only concerned with WVU Greek properties involved, but we are also concerned with the health and safety of our members; and

WHEREAS, we are also concerned with the legal liabilities involved:

THEREFORE, BE IT RESOLVED by the West Virginia Interfraternity and Panhellenic Council that the following policies be adopted, and that all National Interfraternity Conference fraternities and National Panhellenic Conference sororities at West Virginia University adhere to the same:

- ☐ Immediate contact to Greek Advisor of visiting fraternity/sorority to inform him/her of allegations
- ☐ Immediate contact to fraternity/sorority executive director of visiting fraternity/sorority chapter to inform him/her of allegations
- ☐ Restitution by hosting fraternity/sorority (working with local judicial board) if damages are sustained
- ☐ Restitution by visiting fraternity/sorority (working in conjunction with Greek Advisor of visiting fraternity/sorority) if damages are sustained

Copies of this policy will be circulated among all WVU chapters, fraternity/sorority headquarters of all WVU chapters, and Greek Advisors whose chapters traditionally "walkout" to WVU.

Unanimously passed by IFC and Panhellenic, February 15, 1991

CHAPTER NEWS

ETA CHAPTER, UNIVERSITY OF ILLINOIS

Our Alpha Sigma Phi basketball players took second place in a 3-on-3 tournament. The participants in the exciting final game were John Tenhaeff, Greg Kroencke, Kevin Wayer, and Ken Smorynski. Also, Firas Hasan and Todd Druley placed second in the intramural golf tournament.

Recently we held a very successful "Cultural Exchange" with the women of Alpha Chi Omega. Sixty-five Alpha Sigs and 65 Alpha Chis gathered at the sorority house for hors d'oeuvres, and then we went to view the play, "Broadway Bound" by Neil Simon, which was playing at our Center for Performing Arts. This turned out to be a great time!

UPSILON CHAPTER, The Pennsylvania State University

Approaching mid-semester, the "Old Gal" at PSU is as busy as ever. With Homecoming behind us, we are happy to say that the Alumni came back to the largest turnout in some time. Everyone had an excellent time as alumni, parents, friends and Tri-Delta Sorority took part in all kinds of activities. We'd like to give a special thanks to the alumni, as well as chairmen Chris "Bake" McBride, Jim "Helmet" Marino, Tom "Rock" Piombino and Todd "Kong" Blodgett for making it such a huge success (by the way, we won 1st place for the window competition). Awards were given out by the Alumni Board. The Albert "Ducky" Jahn Scholarship Award was given to: 1st place - Kurt Johnson and David Pardini, and runners-up, Steve Dotter, Jeff Cardoni, and Nick Walter. The Leon Fencil Service Award, which was awarded to the undergrad brother who does the most for the house outside of the academic realm was awarded to Chuck Resnick.

On October 29, we hosted the Greek Dean's List reception for those in the Greek community with at least a 3.5 GPA. Along the same lines, we have been honored by the Interfraternity Council by receiving an application for the IFC's "Award for Excellence" which is designed to "recognize all chapters which contribute to the positive ideals of being a Greek letter organization. It includes high scholarship, campus involvement and community service." We are one of fourteen chapters (out of 56) at PSU to receive this application which is a great honor in seeing how Alpha Sigma Phi stands in the eyes of the IFC and the University.

November 1 begins BYOB at PSU systemwide which just recently passed. Once again Upsilon has been a pioneer at the University, this time in helping pass this legislation. Alpha Sig President, Kurt Johnson was one of six presidents to draw up the Risk Management Policy for the campus.

The house is in the process of being redone. The capital improvements are mostly being done in the living room with new French doors, carpets, new lighting fixtures and a new fireplace. We are looking forward to showing off the results. As a side note, the pledges will be bolting soon, so don't be surprised to see them at your campus anytime soon. We'll be "bringing out the dead" at our Halloween Date Function on October 25.

We are also continuing our preparation for the largest student-run philanthropy in the nation - DANCE MARATHON. For those who are not familiar with "Thon," it is a 48 hour Dance Marathon from which the proceeds support children with cancer at Hershey Medical Center. Last year we finished on top for the eighth consecutive year with a whopping \$147,931. Combined with the Alpha Sigma Alpha Sorority, we are approaching the \$1 Million mark as a team!

BETA EPSILON CHAPTER, LEHIGH UNIVERSITY

Many social rules have changed here at Lehigh. The brotherhood has worked closely with the University to accommodate their new provisions.

At the end of last semester, Beta Epsilon donated all leftover food (estimated at \$150 worth) to a local Allentown soup kitchen. This semester we did impose a new and helpful way to deal with the many new faces which came about in rush. After each dinner/lunch, we had note cards with each rushee's name on it. We make various comments about each particular rushee which helps facilitate the complexities of knowing and meeting new rushees.

So far this semester we have been very successful in intramurals. Out of a total of thirty teams (fraternity and off-campus students), Beta Epsilon reached the finals in softball and pulled out an outstanding victory to end up the best softball team at Lehigh. Alpha Sigma Phi is noted to be one of the most successful and competitive teams in all sports at Lehigh.

FOOD FOR THOUGHT

Dear Brothers,

Honor the officers of your chapter who work hard among you and warn you against all that is wrong. Think highly of them and give them your wholehearted love, because they are straining to help you. And remember, no quarreling among yourselves.

Warn those who are lazy; comfort those who are frightened; take tender care of those who are weak; and be patient with everyone. See that no one pays back evil for evil, but always try to do good to each other and to everyone else. No matter what happens, always be thankful.

Remember, the key to always motivating your members is sensitivity: sensing the condition of each person and offering the appropriate remedy for each situation. You can't effectively help or change until you know the problem. You can't apply the right medicine until you know what kind of wound there is that needs to be treated.

Remember -- do not scoff, but test everything that is said to be sure it is true, then if it is, accept it.

Fraternally,

Alpha S. Phi

FOR YOUR INFORMATION

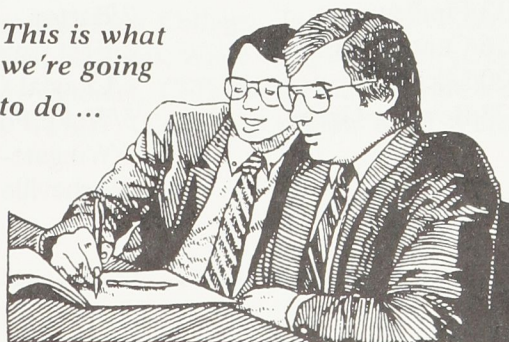

ALPHA SIG CONNECTIONS

As a service to brothers, Alpha Sigma Phi is developing the Alpha Sig Connections Program. Alpha Sig Connections is designed to assist all brothers with utilizing alumni connections for employment opportunities.

Those brothers who are searching for employment and choose to enroll in the program will send ten resume originals to the Fraternity Headquarters with the application. A listing of the brother's name, initiation year, school, degree, and position desired will be placed in *The Tomahawk* based on the information from the application. Any brother interested in recruiting a listed brother can then contact the Headquarters for a copy of the resume without any obligation and contact the applicant if he wishes.

There is no fee for the program. The Fraternity provides this information as a clearinghouse of information and makes no recommendations, guarantees, or promises. Applications for the program are included in this mail packet. If you need more applications or more information please contact the Fraternity Headquarters.

*A fraternity is not a house or a lodge but rather
an experience, a growth, a traveling with friends
who soon become brothers upon whom one can with
confidence rely, something precious and worthwhile,
something to be shared with others, something to be
preserved for those who will come after us.*

I give you, my fraternity, Alpha Sigma Phi.
