\$250 Scholarship Available to New Members

In a new pilot program, we are able to make available a one time scholarship to new members, in good standing, that have a G.P.A. equivalent to or exceeding the all undergraduate male G.P.A. on your campus.

This is an extremely simple scholarship to apply for. All you have to do is fill out the form with your information and include a copy of your grades from the previous term. If you joined this term, you have until June 30, 2001 to apply, so you should have your grades for this term by then.

If you have not paid your pledge or initiation dues yet, but are eligible, what better way to pay those dues! You must be in good standing to receive this fantastic scholarship.

As with all of our scholarships and educational programming, it is made possible through the generosity of our Educational Foundation. Please be sure to thank your alumni for their support!

Welcome New Staff for 2001 – 2002

John Wejman, Ohio State, Zeta '98 will be joining staff this summer as a Chapter Leadership Consultant. John has been extremely active with Zeta and the Ohio State IFC. He served the chapter as treasurer, recruitment chair, and pledge educator and also was president of the Ohio State IFC for one year.

Kip Roberts, Murray State, Delta Tau '97 has agreed to join the Educational Foundation staff as Director of Loyalty Fund as of May 1, 2001. Kip joined staff in January as a Leadership Consultant and will miss working with all of the chapters in his module. His new position will allow the fraternity to continue to offer the tremendous scholarships and leadership programming that our members have come to expect from us.

If you are interested, or know of someone interested in staff opportunities, please contact headquarters!

Chapter Scholar of the Year Deadline Extended

For the last four years we have been able to give chapter the opportunity to name one scholar of the year. That means the we should have over 50 recipients every year.

Unfortunately, in each of these last four years that number has struggled to reach 20, which means 30 chapters have not claimed money for one of their undergraduate members.

This year, the deadline has been extended to apply for this tremendous opportunity. You have until April 15 to submit the name of your chapter's recipient. Qualifications are simple. All you have to do is nominate someone with over a 3.2/4.0 GPA and been a member for over one year. If this person has below this GPA or has been a member for less than a year, simply include a one paragraph explanation why this person was selected by your chapter.

Don't let this money go unclaimed for your chapter! Submit your application today!

Citations Anyone?

Your chapter may be eligible for more recognition than you think! Every chapter is eligible for citations that are announced each year at the National Leadership Conference. All you have to do is tell us what you accomplished last year.

Did your chapter do two service events last year? Are most of your member involved in at least one other campus organization? How about two events for your parents or alumni? Initiate more men then the average on your campus? If you said yes to any of these, your chapter is eligible to be recognized at this summer's NLC. All you have to do is send in the very simple citations packet by June 1, 2001.

Every chapter that receives a citation will also have a letter sent to their Greek Affairs/Student Involvement office, so we can brag about you. Don't let your chapter miss this chance for some positive PR with your administration.

NLC Delegate Registrations are now PAST DUE. Is your chapter registered? If you are a non-delegate, you have just over a month to get registered and save money. Call headquarters for more details!!!!
