NATIONAL INTERFRATERNITY CONFERENCE

The Decalog of Fraternity Policy

1. The college fraternity has as its goal, in harmony with that of the college, to provide training and discipline of the individual who, in seeking an education, desires to make of himself a useful member of society, possessing knowledge, trained skill, and capacity for accomplishment. The college fraternity, as a group organization, seeks to teach men how to live and work together, striving by precept and example for the personal development of the individual in the training of mind and body. It carries forward the fundamental purposes of education, adding a fraternal influence for correct living and individual development.

2. The college fraternity must regard itself as an integral part of the institution in which it is located. It not only must be amenable to the rules and regulations of the college institution, but must share in all the college responsibilities of the undergraduate. The college fraternity must match the discipline of the college administration, and must accept the added responsibility incident to the supervision of group life in the chapter house. Furthermore, the college fraternity, with complete loyalty and allegiance to the college which nurtures it, has the duty of supporting in every possible way the institution of which it is a part.

3. The college fraternity is also a business organization. Successful management requires sound financial practices and good housekeeping methods. There is the dual obligation of prompt collection of monies owed and prompt payments of accounts due. The fraternity man and the chapter group acquire strength and stature as they develop business experience and a true perception of correct business methods. Financial strength and integrity in the fraternity enables it to accomplish its other aims.

4. The college fraternity stands for excellence in scholarship. It seeks, as a part of its college, to promote diligent application to study by the fraternity member, not only in order that the requirements of the college be met, but also that achievement above the average level may be attained. The college fraternity adds its rewards for intellectual attainment to those given by the college.

5. The college fraternity accepts its role in the moral and spiritual development of the individual. It not only accepts the standards of the college, but, in addition, endeavors to develop those finer qualities of ethical conduct which add to the inner growth of man.

6. The college fraternity recognizes that culture goes hand in hand with education, and, therefore, seeks to broaden the growth of the fraternity member by encouraging the acquisition of knowledge and training in cultural subjects. It is in this field that the college fraternity augments the formal instruction of the institution in encouraging an appreciation of art, of music, of literature, of dramatics, of debate, of sports and games, of speaking and writing, and of national affairs.

7. The college fraternity is the center of much of the social life of the fraternity member. As such it seeks to develop the social graces, the art of good living, the development of courtesy and kindness. Good manners, good taste and good companionship are a part of the training of every fraternity member.

8. The college fraternity recognizes the importance of the physical well-being of its members. It seeks to provide healthful and sanitary housing. It encourages healthful practices by its members, discourages physical excesses and promotes athletic competitions in both fraternity and college life, so that *mens sana in corpore sano* shall be the aim of every fraternity member.

9. The college fraternity assumes civic responsibilities. The chapter-house is another training ground for good citizenship. Fraternity members are taught first their civic responsibilities as members of the college community, and are prepared in later life to assume their responsibilities to their communities and to the nation.

10. The college fraternity seeks to develop those qualities of human understanding, of companionship, of kindness, with a knowledge and training in appraising the basic values of life, which will lead towards a better civilization, with peace and understanding among all peoples.

Alpha Sigma Phi Memorial Fund

On December 6, 1945, on the Centennial of the founding of the fraternity—Alpha Sigma Phi Memorial Fund was established. Pursuant to the Trust Agreement creating the Fund, it is to be used exclusively for one or more of

William C. Mullendore

the following charitable or educational purposes:

“(a) To enable or assist deserving young men, who may but need not be members of Alpha Sigma Phi Fraternity, to obtain or complete a college or university education.

(b) To further learning by the establishment of scholarships, scholarship incentives and awards.

(c) To seek and contribute to the attainment of high educational standards among college and university students.

(d) To make, encourage and promote endowments and other donations to colleges and universities, including, but not

limited to, those where Alpha Sigma Phi Fraternity has chapters.

(e) To conduct research work in the educational field and to supplement educational processes in colleges and universities.

(f) To encourage and contribute to the improvement of education and scholarship and the development of high standards of honor, integrity, character and leadership among students of colleges and universities.”

From this broad list of purposes, specific selection may be made by a donor to the Fund or by the Trustees, provided the specific purpose is exclusively charitable or educational and is within the general purposes of the Fund.

Thus, a donor could provide that his contribution be used to create a scholarship or for student aid at a particular college or university, or to purchase a library for a particular chapter house, or to provide a scholarship award or trophy for a particular chapter. It seems probable, however, that the Bureau of Internal Revenue would not presently recognize financing of a chapter house or of the general operations of a chapter as included in “charitable or educational purposes.”

The Fund will serve as a general memorial to all members of the fraternity who gave their lives during the Second World War. In addition, the Trust Agreement permits the Trustees to “appropriately record any subscription, donation, gift, devise or bequest as a memorial to any person or group of persons designated by the donor or donors thereof.” Hence, any donor with the approval of the Trustees may provide that a particular contribution is to be recorded as a memorial to a specified person or group of persons. For example, alumni of a chapter may contribute funds to establish a scholarship in memory of the heroes of that chapter; or a gift may be made to establish a library at a chapter house, with book

plates indicating that the volumes are in memory of a particular individual.

To carry out the purposes of the Trust, the Trustees are authorized to

Wesley M. Hine

spend either income or principal or both. This will produce flexibility, since a contribution may be (a) devoted at once in its entirety to the desired purpose or (b) applied to such purpose over a limited period of years or (c) devoted indefinitely to such purpose by retaining the principal and disbursing only the income.

Through the assistance of Brother George E. Worthington, a ruling has been obtained from the Treasury Department as to the status of the Trust Fund for federal tax purposes. The most important portions of this ruling are:

(1) Contributions to the Fund may be deducted by the donors in arriving at their net income subject to federal income tax.

(2) Bequests and legacies to the Fund will be deductible in arriving at the value of the net estate of a decedent for federal estate tax purposes.

(3) Gifts to the Fund will be deductible in computing net gifts for federal gift tax purposes; and

(4) Income of the Fund itself is not subject to federal income tax.

The deductions mentioned in (1), (2) and (3) above are subject, of course, to the limitations ordinarily applicable in the case of gifts or bequests for charitable or educational purposes. The full text of the ruling follows this article.

The Trust will be administered by three individual Trustees. All must be members of Alpha Sigma Phi Fraternity and at least one must be a member of the Grand Council. The Trustees have authority to fill a vacancy among the Trustees, subject to the approval of the Grand Council. The initial Trustees are William C. Mullendore, president of Southern California Edison Company; Wesley M. Hine of Rheem Manufacturing Company, and Paul Fussell, attorney-at-law. While all of the initial Trustees live in or near Los Angeles, they are alumni of different chapters, Brother Mullendore being from Theta (Michigan), Brother Hine from Tau (Stanford), and Brother Fussell from Nu (California).

In many respects the Trustees may reach decisions without the necessity of

Paul Fussell

prior consultation with the Grand Council, but decisions on several major points are subject to the Grand Council's approval. Approval by the Grand Council is required, for example, for any one payment which exceeds \$1,000, or for any amendment of the Trust Agreement, or for its termination. Even with the approval of the Grand Council, the Trust Agreement may not be amended so as to change the purposes for which the Trust is created, and even in the event of termination of the Trust the funds must be applied exclusively for charitable, scientific, literary or educational purposes.

The initial contribution to the Fund was by the fraternity itself in celebration of its Centennial. The Trustees hope and believe that many members and friends of the fraternity will make additional contributions in order that the Fund may carry out its charitable and educational purposes.

Those interested in making contributions may secure more detailed information through the National Office, 34 N. Franklin street, Delaware, Ohio.

MAP

Mr. Paul Fussell
Chairman of the Trustees, Alpha Sigma
Phi Memorial Fund
433 South Spring Street
Los Angeles, Calif.

Dear M. Fussell:

Reference is made to the information submitted on behalf of the Alpha Sigma Phi Memorial Fund for use in determining the status of such trust fund for federal income tax purposes.

The information submitted discloses that the Alpha Sigma Phi Memorial Fund was created pursuant to a trust agreement made December 6, 1945, by and between Alpha Sigma Phi Fraternity, Inc., as donor, and three individuals, named therein, as trustees. Article I of the trust agreement provides in part that the purpose of the trust fund shall be to enable or assist deserving young men to obtain or complete a college or university education; to

further learning by the establishment of scholarships, scholarship incentives and awards; to make, encourage and promote endowments and other donations to college and universities; and to conduct research work in the educational field. The income of the trust fund will be derived solely from contributions and will be expended in furtherance of its stated purpose. Article I provides further that the trustees shall pay out and expend such sums from the income and principal of the trust fund as they in their sole judgment and discretion shall determine is necessary or advisable to carry out any one or more of the above purposes provided that no payment which in itself exceeds \$1,000.00 shall be made without the prior approval of the Grand Council of Alpha Sigma Phi Fraternity.

Based upon the evidence before the Bureau, it is the opinion of this office that if the Alpha Sigma Phi Memorial Fund is operated strictly in accordance with its purposes as outlined in the trust agreement, the trust fund will be entitled to exemption from Federal income tax under the provisions of section 101 (6) of the Internal Revenue Code as a trust fund created and operated exclusively for educational purposes.

Accordingly, income tax returns will not be required to be filed for the trust fund unless the purposes for which it was created or its method of operation is changed. Any such changes should be reported immediately to the collector of internal revenue for your district in order that their effect upon the exempt status of the trust fund may be determined.

Furthermore, under substantially identical authority contained in sections 1426 and 1607 of the Code, the employment taxes imposed by such statute are not applicable to remuneration for services performed in the employ of the trust fund so long as such trust fund meets the conditions prescribed above for retention of an exempt status for income tax purposes.

Contributions made to the trust fund will be deductible by the donors in arriving at their taxable net income in the manner and to the extent provided by section 23 (c) and (q) of the Internal Revenue Code, as amended.

Bequests, legacies, devises or transfers, to or for the use of the trust fund will be deductible in arriving at the value of the net estate of a decedent for estate tax purposes in the manner and to the extent provided by sections 812 (d) and 861 (a) (3) of the Code. Gifts of property to the trust fund will be deductible in computing net gifts for gift tax purposes in the manner and to the extent provided in sections 1004 (a) (a) (B) and 1004 (b) (2) and (3) of the Code.

Since the actual activities of a fund or foundation are a material factor in determining whether it is both created and operated exclusively for charitable purposes or for any one or more of the purposes as set forth in section 101 (6) of the Internal Revenue Code, the trustees should after the trust fund has been in active operation for a period of twelve months, complete and file with the collector of internal revenue for their district, Form 1023, in order that the effect of the actual operations upon the exempt status of the trust fund may be determined. There should be attached to the Form 1023 a classified statement of the receipts and expenditures of the trust fund for such period and a complete statement of the assets and liabilities of the trust fund as of the close of such period. A copy of the trust agreement need not be again submitted. However, copies of any amendments thereto should be submitted. It will also be necessary that a copy of the by-laws or other similar code of regulations, if and when adopted, be furnished this office.

The collector of internal revenue for your district is being advised of this action.

By direction of the Commissioner.

Very truly yours,

C. B. ALLEN,
Deputy Commissioner.

New Grand Counselor and New Scholarship Chairman

At its meeting in New York City on April 7, 1946, the Grand Council of the fraternity unanimously elected Donald J. Hornberger, Treasurer of Ohio Wesleyan University, a member of the Grand

eral Home Loan Bank Board, Washington, D. C., in 1935-36.

He served overseas in World War I and besides his hobby of fishing at his summer home in Michigan he has been philatelist for over 30 years and has collected over 15 volumes of stamps.

Paul J. Bickel, Columbia '10, was appointed National Scholarship Chairman by the Grand Council. He secured his A.B. degree from Franklin and Marshall College in 1907 and after teaching two years he secured his L.L.B. from

Donald J. Hornberger

Council to fill the vacancy caused by the death of Philip G. Johnson. The Grand Council reached a final decision to move the National Headquarters from New York City to Delaware, Ohio, and Brother Hornberger was the man chosen to be in close contact with National Headquarters.

"Don" Hornberger, as he is known, graduated from the University of Michigan in 1918. He secured his M.A. from Ohio State University in 1923. He taught at Northwestern University in 1926-27 and secured his C.P.A. in Illinois in 1927. He has written many articles in business journals and served on the Fed-

Ed. Note: The following letter was received from Brother Leroy A. Bates, Psi '43, regarding his part in the past war. Not a glamorous part but a necessary one. We thought you would like it.

We were taken to Middleton Island aboard an Army transport ship. The trip

Leroy A. Bates and his husky companion.

was uneventful except for the landing which was made in a surf boat. The steering gear was smashed and we all got wet. The dunking included our suitcases and supplies.

The location of "our" island is about ninety miles due south of Cordova in the Gulf of Alaska. It is shaped like a triangle about three miles long and one mile wide, with the tip pointed north.

Our station was an Airway communication station, but since it was off the airways we did not handle many aircrafts. The duties of the station operator on watch are as follows: A weather observation is taken each hour and transmitted to Cordova via radiotelegraphy by twenty minutes past the hour. At precisely twenty-nine minutes past the hour,

each hour, a radiotelephone broadcast of the islands' weather is made for the benefit of passing aircraft. Three aircraft frequencies and the Cordova range are monitored continuously. Every six hours we transmit to Cordova what we call a "six-hourly map." Actually it is synoptic data including cloud conditions, state of the sea, data on hydrometers, and general weather trends.

There were five of us on the island. We were unable to send out any mail. Incoming mail was dropped by plane. For over four months there was no fresh food except that which I was able to get by shooting seals, ducks, and geese. We had a Siberian husky puppy which we brought from Nome, Alaska. I taught him to hunt and retrieve.

The weather was mild in the summer. But the winters were terrific. During the winter the temperature did not get down below 18 degrees above, but we would have rain and snow squalls and wind of high velocity. These storms

Tragic news was just received of the death of Alice Lucille Waterbury, 16 year old daughter of Edwin M. Waterbury, Alpha '07, publisher of the *Tomahawk*. Alice was injured fatally, July 16, from a fall while riding on the chassis of a truck at Ramona Beach, bordering Lake Ontario, where Brother Waterbury has his summer home.

In the New York *Herald-Tribune* of April 18, 1946, there appeared the following story:

John V. L. Hogan, Alpha '09, president of WQXR, New York, demonstrated the transmission by radio and produced in facsimile the front page of a special edition four-column newspaper.

Both printed and photographic matter were transmitted by frequency modulation and reproduced within minutes, clearly and sharply, on sheets of paper nine and a half inches by twelve inches, in a demonstration at the laboratories of Radio Inventions, Inc., of 155 Perry Street.

A newly developed frequency-modulation sound and facsimile transmitter and two console model FM sound and facsimile receivers were used. Both are to be manufactured, under license, by the General Electric Company. The system transmits at a speed of four pages in fifteen minutes and receives faster than one can read, with a high definition of text and pictures.

Brother Hogan, inventor of the new process, said that facsimile broadcasting of newspapers on a commercial basis is an assured possibility. Fifteen broadcasting companies in as many leading cities, most of them owned by newspapers, compose a committee which is to carry on demonstrations this year.

Home owners must wait indefinitely for receivers, however, said Brother Hogan. His company, he said, has made three sets for possible home use which he estimated may eventually sell "for \$60."

No news was received from the undergraduate chapter. However, we assure some news in the next issue.

Epsilon OHIO WESLEYAN

H.S.P.: Jean Stone

Epsilon Chapter once again sends its greetings to our brother chapters and to our alumni from the hallowed halls of 121 North Washington in Delaware. This is indeed a great pleasure for we had a great deal of difficulty obtaining the house from Kappa Alpha Theta who had to find another house first. On March 1 the brothers started coming back and we moved in unofficially. It was not until the 15th that the Thetas were able to find another home and leave us in sole possession. During this confusing era we were busily occupied in getting squared away with our house and our studies and also in carrying on a rushing program for the few new men who were allowed to enter the university. Under the able direction of Brother Kenny Walters we pledged the following men: Bill Caldwell, of Chappaqua, New York; Bob Jackson, Max Smith, Al Williamson, all from Delaware, and also Archie Walker, who had been pledged before the war.

To begin the new era in a proper manner we held a Housecleaning Party and the Alpha Chi Omegas turned out 100% to scrub floors, clean wallpaper, dust, and, in their own inimitable way, contribute what they could to our field day. About a month later we went over to their house as a return gesture for their spring cleaning.

Following housecleaning on our busy schedule came the annual elections for student body officers. Alpha Sig's Open House was a most successful contribution to the party's efforts and about 250 of the choice members of the student body attended and enjoyed our warm hospitality. The elections were a landslide for our side with only one of our candidates losing.

Our worst difficulty was overcome when we started our table with the excellent aid of our former cook, Mrs. Dick. A couple Sundays later we began our famous pre-war custom of Sunday dinner dates. A record turnout was welcomed, including Mr. and Mrs. Ralph Burns who were househunting in town. With the athletic schedule set up again we set out to add to those lovely trophies on the mantle. So far this semester we have not lost a game, except for a baseball game with the girls from Pi Beta Phi whose beautiful team was enough to throw anyone for a loss

Our annual spring elections of chapter officers was held on March 25 and the following brothers were elected: H.S.P., Jean Stone; H.J.P., Roland Palmer; H.E., Ned Davis; H.S., John Roth; H.C.S., Bud White; H.M., Kenny Walters; H.C., Myron Smith; Social Chairman, Don Clute, and Chuck Mentzer and Wendy Weisend were elected to the Prudential Committee.

Epsilon has been proud to welcome the National Offices to Delaware where they have selected their new offices. We are looking forward to an even closer association with the national officers.

To top off the activities of the season we

had a spring formal on June 8. We also acted as hosts for the Tekes who wished to hold their formal with us.

AT LAST, the long awaited Victory Sig Bust is at hand and we are looking for a huge turnout at 121. The date will be Saturday, June 29. We hope that all of the brothers who can, and quite a few who can't, will be with us to renew our friendships in the brotherhood. We promise wonderful entertainment and some interesting stories, so, leaving you flat on your back at 10,000 feet with six enemy fighters on your tail, we hope you'll get here safely to tell us all about it.

You will find on this page a picture of Zeta Chapter. The story of Zeta over the past year is remarkable. Only eight men returned to the campus winter quarter and had no house. They met weekly in a rooming house and with the spirit which makes all

fraternities great built the group to its present strength of 29. They have secured a house which they moved into in June and expect to have an outstanding future.

Elwood J. Holman, Zeta '10, died April 7, 1946, of a cerebral hemorrhage that followed several months of illness. He is survived by his wife, three daughters and a son.

We will have a complete write-up on the inauguration ceremonies of Dr. James L. Morrill, Zeta '11, as president of the University of Minnesota in the next issue of the *Tomahawk*.

Last news from the chapter states that there are 11 men in the house this summer with a capacity house of 54 in the fall.

Dr. John D. Fitz-Gerald, Eta '12, noted philologist, whose resignation as professor of Romance languages at the University of Arizona was announced June 5, died at his home today in Urbana, Ill. He had observed his 73rd birthday, May 2, with his family in Urbana. He had left Tucson late in April.

Dr. Fitz-Gerald, who graduated from Columbia University in 1895 and took his Ph.D. there in 1906, taught at Columbia and at the University of Illinois before coming to the Arizona institution. He was head of the Spanish department at Arizona, as well as professor of Romance philology, until his semi-retirement in 1943.

Eminent in the Hispano-American field during the nearly 50 years he has been teaching, Dr. Fitz-Gerald has been a constant leader in establishing cultural relations with the countries of South America, Central America and Spain. In 1939 he served as a delegate of the National Federation of Modern Language Teachers to the world conference at Rio de Janeiro of the World Federation of Education Associations; and, in 1935 and 1937 he was a delegate at the world conferences of the association in Oxford, England, and in Tokyo, Japan. He was also a delegate of the American Association of Teachers of Spanish to the National Convention of the National Federation of Language Teachers in 1939.

He was a member of the Chilean Spanish Academy, the Cuban Academy of History, the Cuban Academy of Language, Dominican Academy of History, The Columbia Academy, The National Academy of Cuba, and numerous royal academies in Spain. He is also a knight commander with plaque of the Royal Order of Isabella the Catholic, and a member of the Hispanic Society of America. In Europe, he studied romance philology at the universities of Berlin, Leipzig, Paris, and Madrid.

On the University of Arizona campus he was instrumental in the activation of a Phi Beta Kappa chapter and also was a leader in the organization of observances on Pan-American day, Cervantes day, and Columbus day.

Surviving Dr. Fitz-Gerald are his wife, a son, Gerald Fitz-Gerald, in New York; and

his daughters, Mrs. Clark Root, Hood River, Mo., and Mrs. Forrest Stewart, of Mt Vernon, Ill.

The last issue of the *Tomahawk* passed us in the midst of reconversion. So to bring everything up to date we shall start with the fall semester. Swapping their G.I.s for good old civies we find five actives back making up for lost time. Incidentally, Uncle Sam has drained us dry, nary a drop left in the old Alpha Sig bucket. Three of them, Brothers Ben Clarke, Bob Dodd, and Bob Hoffman, originally of Theta, and George Conners and Hank Bruner from Westminster. These actives found themselves scattered all over campus, but finally drew together and laid the groundwork for the spring semester.

The March winds blew in three more actives, gleefully shouting, "I'm out," Brothers Joe Fitzgerald, George Vossberg, and George Wolfe. Plus two actives from Missouri Valley, Bill Phillipson and Bill Corbitz, who are in V-12 training here. This brought the box score up to ten actives and one alum, Bob Morley, who is in the law school. We then began to function, election of officers was held, rushing was discussed, and most important, our quest for a post-war home was started. The alumni housing committee is now working hard on this tough problem. We are expecting something definite by the end of this semester.

The latest step in our manpower growth was the formal initiation of pledges, Ken Fryer, Bob Hopps, Nick Quint, and Lou Sleeper. The banquet was held at the Red Coach Inn and it certainly looked like the good old days were here again. Pledges Al Harbok and Jack York will be initiated next fall. We have decided to withhold on any further rushing until we know more about the housing situation. We are expecting at least ten more actives back for the fall semester.

Handicapped as we now are we are doing a bang-up job in campus activities. Our record smashing booth at the Michelodian was a huge success. In the Interfraternity Softball League our team has won three games with no defeats, and is a cinch for first place tie. New pledges, Jack Heller and Bill Kissel are really in there, out on the diamond.

We have heard from Brothers Erpelding, Leeever, Waterbury, and Winters. They are all rarin' to get back in the fold. We hope to hear from the rest of you, wherever you may be. Drop us a line.

Nu

CALIFORNIA

California Nu is inactive during the summer as very few of the brothers are attending Summer Session, but in September they will reopen the house on Channing Way.

There were so few back in the Spring that swimming was the only sport in which we took an active part. Four of the men garnered third place for the house.

Of the nine scholarships to students by the Board of Regents, Clarkson Wilfred Pinkham, graduate in engineering, received one of the James Monroe McDonald scholarships.

Do you remember five years ago, July 1, 1941, the following item in the Berkeley Daily Gazette:

"Arthur Harris, 28 year old authority on municipal government, was seated as a member of the Berkely City Council today. In succeeding William Porter, he became the youngest councilman in the state of California.

Paul Price, Class of '48, won honors for the best beard on campus for 1946 at the Junior Class Bull Durham drag but had to forego the announced prize of a bottle of bourbon for a money prize. He was given a shave by Leonard Kleppe, owner of the O. K. Barber Shop, Richmond.

Col. Harry B. Liversedge, Nu '15, is now commanding officer at the San Diego Marine Corps Base.

Paul L. Fussell, Nu '14, a member of the Grand Council, and a trustee of the Memorial Fund is President of Town Hall in Los Angeles.

We got off to a late start, but at the present time we are rolling right along.

We have nine men back with us this semester: Dick Roseman, Don Perry, Don Lohrman, Bill Diehl, John Hopkins, Hank Weymer, Bill Nicholas, Howard Gilland, and Jerry Russell. These men are devoting all the time they possibly can to getting the

house back in A-1 condition. The house was in bad shape when we moved in, but the fellows have it looking much better now.

We are operating as a fraternity boarding house this semester, but by the beginning of the fall semester we expect to operate on our own. We have seven pledges thus far: Bill Hartman, Howard Tait, Dave Demerest, Ted Dougherty, Fred Griffith, Thad Komorowsky, and Jim Workman. We also have a few more prospective men, so with the addition of our returning brothers, the fall semester should start off with a "bang."

Several old brothers have visited us this semester, and among them was Chuck McGregor, Upsilon '26. The boys were glad to see you Chuck, and hope to see you around again. Jack Jordan spent a few days with us in March, and helped us out with a few of our problems. Mel Anderson, Yoggy Long, and Jake Hay dropped in for a short visit a few weeks ago. Al Petrosky, Ed Peetz, and Jack Putman were around to let us know that they will be back in September. Also, Joe Rydle is discharged and plans to return in the fall. We would like to hear from some of you Upsilon men who are still in the service, so don't hesitate to drop us a line.

SYRACUSE

H.S.P. Robert J. Franger

In the pre-war days, June was that time of year when the Ol' Gal pulled down the shades, locked the doors, and went into hibernation until fall rolled around.

But that was three years ago.

Today, Syracuse University is jammed with 4,300 veterans attending the third (summer) semester.

Thus, we also find the Alpha Epsilon chapter bustling with activity, filled to overflowing with brothers, pledges, and roomers, to say nothing of a new "summer president."

When the regular spring term ended in April, one brother went his way as a graduate, three more disappeared into the north woods (the site selected by the Forestry College to give the woodchoppers their basic training), and two brothers decided to rest up for the forthcoming fall grind.

But while some of the men were moving out of Alpha Sig, others were moving in. In short, the house swung into the third semester without even bothering to shift gears.

Scanning a few pages of notes on the brotherhood's activities we find that the election of officers for the summer term was held the last week in April. Into office came Bud Franger as president; Leon Messenger, vice-president; May Taylor, treasurer; John Needham, secretary; and Mort Palmer, marshal and pledgemaster.

This array of talent, incidentally, represents the contingent of Alpha Sigs, who, in the spring of 1943, trudged off en masse to war.

The roster for the summer term shapes up thusly: six brothers, Bill Perry, who returned to Syracuse to take up engineering where he left off three years ago, and the five officers mentioned above; seven pledges, Jim Mahon, Sam Taormina, Charles Stonier, Jud Wood, John Rosati, Walt Mordaunt, and Frank Vault; and two alumni, Charles Remy and Bill Ehling.

Three other alumni who returned to Syracuse are: Lee Taylor, president in '41-'42, now enrolled in the Law College and living in town with his wife; Wayne Merrick, president in '38-'39, working for his master's in sociology and holding down a proctor's job in one of the men's living centers; and Al Liguori, marshal in '40-'41, also working for a master's and living at the university's trailer camp with his wife and baby.

Jack Badgley, who returned to Syracuse after a nip-and-tuck career as a line company commander in the 90th Infantry Division to finish up his senior year, celebrated the birth of a second daughter recently.

Meanwhile, Bill Tague, president in '42-'43, recently dropped a hint that he and his wife will shortly celebrate their first-born.

And to keep things moving, three Alpha Sigs, Stonier, Harpo Podley, who just stepped out of office as president, and Ed Dreyman, ex-president, who graduated last December, are planning to get married in August.

Meanwhile, the House-Improvement Committee, which has been mysteriously wandering around the house for the past month with a notebook and pencil, just came in with a report announcing that the Ol' Gal would receive a new coat of paint, have her porch repaired, and roof fixed.

As additional newsy notes, it might be added that Palmer and Perry, former members of Syracuse's pre-war gridiron combine, are running through summer football drills under the direction of the university's new grid coach, Biggie Munn.

This brings us up to date, except for a brief explanation of the house's policy in taking in student-roomers. Because of the ever-increasing influx of veterans and the resulting shortage of rooming facilities, the fraternities at Syracuse have cooperated with the university by providing available space to incoming students. Thus, there are eight student-roomers now living in the house for the summer semester.

H.S.P. John Herbert Bazar

With a total of 32 actives and two pledges the Alpha Mu Chapter is again "in like

Flynn." Following a large department store's slogan, we say, "Watch us grow."

On May 14, our fraternity house was returned to us by the college and our first week of summer term was used in cleaning up the house so that it would be in presentable shape for the initiation that took place on Sunday, May 19. All the boys pitched in and we got the house in good shape. The college is painting the whole house and they are making necessary repairs. We now have 20 men living in the house.

On May 19 we initiated seven men into Alpha Mu. They are Dick Croyle, Ned Heffner, Dave Mobberly, Ben Roth, Ken Russell, Wally Smith, and Howard Koch. Wally Smith was chosen as the outstanding pledge in his class and he was awarded a recognition pin at the dinner following the initiation. Brother Smith is a member of Pi Kappa Delta, the national debate fraternity. We were fortunate in having our National Executive Secretary, Ralph Burns, with us for initiation.

Our new pledges are Harry Cary and Dick Walz. Cary was just elected secretary of the Y. M. C. A., and he is going to be a fine leader on this campus. We are now formulating plans for a big rush party for new students on June 6.

We have welcomed back six old members of Alpha Mu. Dick "Sugar" Kane, Gene "Grampa" Socha, Bob Herron, Les Roig, Jim Southwick, and Hank Miller. Brother Kane is one of the mainstays on our baseball team, and "Gramps" Socha came back and immediately won the school ping-pong championship for Alpha Sig. Brother Roig recently pinned Middy Lent, a member of our sister sorority, Delta Zelta.

Our new H.S.P. is "Herb" Bazar, who is quite a fellow. He is from Lakewood, Ohio, and is really doing a wonderful job. He was elected president of the Greek Council, which is the highest fraternity position on campus. Herb is a veteran of the Navy and held the rank of warrant officer. He was in the great D-Day operations at Normandy.

Brother Steve Dan was drafted on May 8 and we had a farewell party for him in typical Alpha Sig fashion. I can say that the party was truly a great success and a good time was had by all.

Brother Mountz was married June 2. We wish him lots of luck. Incidentally, Brothers Bazar, Jarvey and Lyons are members of the student council.

Well, brothers, that is all to report from Alpha Mu, and don't forget our slogan, "Watch Us Grow."

Alumni News of Former Alpha Mu Members

There was a meeting of many Old Grads on May 4 in Wheeler Hall under the able leadership of George Christensen. This was Commencement week end. Twenty-five men got together. Many were recently returned

from war areas. Those present were especially happy to see Lieut.-Col. Paul Lemkau, a former president of Alpha Sigma Phi. Dr. Lemkau graduated from John Hopkins Medical School with high honors after leaving Baldwin-Wallace. He served as a psychiatrist at Walter Reed Hospital. He received very fine recognition in the October 1944 number of *Cosmopolitan Magazine*. He is now director of Mental Hygiene of the city of Baltimore.

Dr. Wesley Roehm, another alumni of Alpha Mu, is writing a history text for Health and Company, publishers of college texts.

Alpha Xi

ILLINOIS TECH.

H.S.P. Robert Czeropski
Alumni President William Caldwell

With the colleges throughout the country somewhat returning to normalcy with the influx of veterans, Alpha Xi Chapter intends to remain as one of the most active fraternities on the campus of the school.

Newly elected officers are: H.S.P., Robert Czeropski; H.J.P., Edward Allen; H.S., Robert Robertson; H.C.S., Robert Oldenburg; H.E., Roland Fisher; H.C., Gordon Gettum; H.M., Marvin Brown, and H.A.E., Don Ennis.

During the war, the mainstay of the chapter was the Navy V-12 trainees who composed the larger part of the active membership. Most of these men were graduated and commissioned as ensigns at the end of the past semester, and left for sea duty, discharge or further training in various parts of the states.

Jack Chrystal, Dick Rammel and Edward Havlat became victims of their draft boards during the semester and will be taking an extended vacation from the fraternity at the expense of Uncle Sam.

Returning to the campus after serving in various branches of the service were John Rittenhouse, Harold Skinner, Mark Dunnell, Jim Alger, Bob Oldenburg and John Basich. We are sure glad to see these fellows back and they have been very helpful in renewing some of the fraternity's activities.

Another recently acquired brother of Alpha Xi Chapter is Roger Dreffin, former member of Iota Chapter at Cornell University. Dreffin has been serving in the Armed Forces.

The chapter alumni was also very well represented in the Army, Navy and Marine Corps and many of the men have already returned to their respective positions in industry.

Alpha Xi Chapter has been quite successful in sports activities in the school and has acquired a large aggregate of medals, trophies, etc. Latest accomplishment was the first place spot in the hotly contested interfraternity basketball tournament which was completed at the end of the past semester. In the cur-

rent softball tournament, the chapter has won its first two games and hopes to go undefeated throughout the season.

Brothers are also currently engaged in many other activities in the school such as the rifle team, intramural sports, honorary engineering fraternities and the Veterans Club.

Rushing activities were more vigorous this semester than in the past but were restricted to some degree by the fact that the chapter house will not be in the hands of the fraternity until this summer. New pledges are Robert Scharding, Edward Cox, Paul Dresselhouse, Eugene Szymiski, Malcolm Greenlaw, Frank Havel and George Hamilton. Several pledges were forced to drop out because of scholastic difficulties.

One of the highlights on the social calendar for the semester was the interfraternity ball held in the Chicago Furniture Mart, on May 10. It was quite unique in that all illumination, even that to the orchestra, was furnished by candles. The city of Chicago's power output was severely restricted during the coal controversy which was in progress at this time.

Members of the Alpha Xi Alumni have been very active in affairs concerning the fraternity and have rendered invaluable assistance to the chapter. Talks by Otto Peterson and Bill Caldwell at monthly dinner meetings, familiarized rushees and pledges with the fraternity's activities, purposes and ideals. Bob Kerny, graduate student, has been appointed "alumni guide" to assist actives on the campus.

Much emphasis has been placed on discussion concerning the return of the chapter house. A committee of both active and alumni members was appointed recently to seek further information on the technicalities which will be involved in the transfer of title from the Navy.

In anticipation of the return of the house on July 31, 1946, Alpha Xi Chapter has big plans for the future, including sports, socials and scholastic attainment. Once again will the walls of the chapter house echo with the tunes of "a jolly bunch of Alpha Sigs."

DON ENNIS, Associate Editor.

From William M. Caldwell
Alumni President

The men of Alpha Xi Chapter, alumni and actives, are in a jubilant mood because we will be back in "The House" this next fall.

Since 1942, when the house was leased through the school to the Navy for use of V-12 students, the alumni have been meeting at various times with the active chapter. At these meetings we have arranged for periodic checks on the conditions at the chapter house, the handling of the rental fees, and the continuance of alumni activities.

This last item has had as its goal a well-knit alumni organization—a group which enjoys meeting together and working with the active chapter for their continued success on the campus. To that end we have established our news-letter to all our alumni; a permanent address file of all initiated and pledged

men; a complete correspondence record; a bonded treasurer—not that he needs bonding; a fair bank account for use in resurrecting the chapter house; and an alumni guide for the active chapter. Brother Bob Kerney is acting in this last capacity while taking additional studies at Illinois Tech.

Brothers Norm Schmidt and Mike Coccia form a legal committee to assist Brother Otto Peterson with many of the details associated with moving back into the chapter house at 3154 South Michigan Ave.

An alumni committee to work with the actives in the preparation and working out of rushing details for this fall has been made up of Brothers Otto Peterson, Wally Ander-

son, Bob Kerney, Tom Collier, and Bill Plengey. These men will arrange to have alumni at the various rushing activities and be ready to answer any and all questions regarding our chapter activities in the past.

Our architects as a whole are in on the chapter house rejuvenation program and we know that we will have, not only the best fraternity chapter on the campus, but also the best looking chapter house.

Guess that's all for now except to say that we are glad to hear that the National Office has moved into Ohio. Maybe a few of us will now be able to drop in and get acquainted.

Remember, men, that "The House" location is again 32nd and Michigan Avenue.

oldest organized city in Ohio and the Northwest Territory (Ohio, Indiana, Illinois, Michigan, Wisconsin and part of Minnesota) and was founded on April 7, 1788, by General Rufus Putnam and

ing features which you will not want to miss. Some of the highlights of the program are:

Silent Black Lantern procession, Thursday evening from the hotel to the campus. Recreation and golf, Friday afternoon... Formal Initiation on Friday evening. Historical tour of the city. Afternoon for ladies on Saturday. Centennial Banquet and dance on Saturday night.

The Marietta alumni and active chapter are handling all the local details. The committee is composed of the following: Charles J. Otto, Delta '28, General Chairman, to whom all communications should be addressed to Otto Brothers, Marietta Ohio; Paul E. Petty, Delta '30, Banquet; Dr. Edward H. Sprague, Delta '27, Entertainment; Clarence G. Robinson, Delta '08, Golf outing and sports, Daniel W. Burton, Delta '36, Publicity, and George L. Meyer, Delta '26, Finance.

This committee has been working hard to produce a Convention which those who attend will long remember.

The first session of the first National Convention was called for 4:00 p. m., June 19, 1907. This was postponed because of the non-arrival of the Alpha delegates who were delayed by a train accident on the Pennsylvania Railroad, 40 miles east of Pittsburgh. Many of the delegates to this Convention will motor and fly to the Convention. U. S. Routes 50 and 21 and Ohio Routes 7 and 77 lead directly into Marietta, as well as excellent train and bus service. All of these facilities should prevent a similar occurrence to that in 1907.

Come to Marietta in September.

You will note on the inside of the front cover and the back cover the tentative program for the Convention. It is packed full of work, play, and interest-

SIG SAWS

BY EDMUND B. SHOTWELL

Sigs remember, *Causa Latet Vis Est Notissima*.

Saw where Yale had established a course in the field of Civilization. Now, somehow, we feel safer.

Sigs remember the Old Gal was founded in 1845.

Saw where a certain denizen of Mount Vernon, N. Y., "returning home from a college reunion in New Jersey," was unable to gain admittance to his home, in the wee sma' hours, by the ordinary expedients of ringing the bell and tossing pebbles against wife's bedroom window. From a cellar entrance he obtained a small cannon "of the variety used in starting yachts" and taking it around front let go with two salvos. Wife opened the door. Somehow we feel that is in the old Sig spirit; we must ask the Grand Council Expension Chairman if he's posted on New Jersey.

Sigs reading Alpha Sigma Phi's Yale *Tomahawk* in 1851 saw this advertisement:

TO LET

Half of a coal closet in South Middle. All who do not occupy it, or some similar apartment, will be charged one dollar per term. By Order of the Faculty, J. B. Talcott, Senior Tutor.

We trust some of the brothers at Alpha

will let us know whether this space is still available.

Saw where Hon. Augustus N. Hand, Judge of the U. S. Circuit Court at the 70th Annual Meeting of the Legal Aid Society in New York last February referred to the continuous questioning of things as they were, the challenging of the *status quo* that went on in the early Greek states; vox pop popped off at the slightest pretext or for no good reason at all. He suggested that Socrates may have accepted the hemlock as the easy escape from the continual irritating interrogatories. Lucky the H.S.P. who can let the debate at meetin' run its course, yet get the question put before cant and weariness ruin the spirit of the chapter.

Sigs of Epsilon can be proud of alumnus Lieut. Jim Ferris, Chaplain of the aircraft carrier U. S. S. Wasp, who on his first appearance in his home town pulpit at Ocean Grove, N. J., asked all veterans to look to religion for a "purpose for living and an added meaning" for their lives. A rampant board of trustees will hardly trouble a pastor who can recall an occasion when his Sunday morning service was interrupted by a call to General Quarters and the entire congregation was at battle stations in a few seconds; ten minutes later the Retire sounded and each and all of the 400 returned to their seats, and the sermon resumed from the middle of the sentence where it had been left hanging.

would not last just a day or two, but go on for days. Gusts of wind around sixty miles per hour were a common occurrence. During June and July the weather was nice. The temperature never rose above sixty degrees. But during the rest of the year, one was lucky to see the

sun for a whole day!

While we worked seven days a week, had no place to go, and saw people very seldom, we did like it while we were there. The housing accommodation was good, we enjoyed the work, and we also enjoyed the wild life, i.e. foxes, fowl and seals.

NATIONAL INTERFRATERNITY CONFERENCE

FRATERNITY CRITERIA

WE CONSIDER THE FRATERNITY RESPONSIBLE FOR A POSITIVE CONTRIBUTION TO THE PRIMARY FUNCTIONS OF THE COLLEGES AND UNIVERSITIES, AND THEREFORE UNDER AN OBLIGATION TO ENCOURAGE THE MOST COMPLETE PERSONAL DEVELOPMENT OF ITS MEMBERS, INTELLECTUAL, PHYSICAL, AND SOCIAL. THEREFORE, WE DECLARE:

- I THAT THE OBJECTIVES AND ACTIVITIES OF THE FRATERNITY SHOULD BE IN ENTIRE ACCORD WITH THE AIMS AND PURPOSES OF THE INSTITUTIONS AT WHICH IT HAS CHAPTERS;
- II THAT THE PRIMARY LOYALTY AND RESPONSIBILITY OF A STUDENT IN HIS RELATIONS WITH HIS INSTITUTION ARE TO THE INSTITUTION, AND THAT THE ASSOCIATION OF ANY GROUP OF STUDENTS AS A CHAPTER OF A FRATERNITY INVOLVES THE DEFINITE RESPONSIBILITY OF THE GROUP FOR THE CONDUCT OF THE INDIVIDUAL;
- III THAT THE FRATERNITY SHOULD PROMOTE CONDUCT CONSISTENT WITH GOOD MORALS AND GOOD TASTE;
- IV THAT THE FRATERNITY SHOULD CREATE AN ATMOSPHERE WHICH WILL STIMULATE SUBSTANTIAL INTELLECTUAL PROGRESS AND SUPERIOR INTELLECTUAL ACHIEVEMENT;
- V THAT THE FRATERNITY SHOULD MAINTAIN SANITARY, SAFE, AND WHOLESOME PHYSICAL CONDITIONS IN THE CHAPTER HOUSE;
- VI THAT THE FRATERNITY SHOULD INCULCATE PRINCIPLES OF SOUND BUSINESS PRACTICE BOTH IN CHAPTER FINANCES AND IN THE BUSINESS RELATIONS OF ITS MEMBERS.

THESE CRITERIA SHOULD BE APPLIED IN CLOSE COOPERATION WITH THE ADMINISTRATIVE AUTHORITIES OF THE INSTITUTIONS. DETAILED METHODS OF APPLICATION WILL NECESSARILY VARY IN ACCORDANCE WITH LOCAL CONDITIONS. IT IS THE PURPOSE OF THE NATIONAL INTERFRATERNITY CONFERENCE TO OFFER DETAILED SUGGESTIONS, AFTER FURTHER STUDY AND INVESTIGATION, REGARDING PRACTICAL STEPS TO MAKE THIS COOPERATION EFFECTIVE.
