There are four social fraternities at Baldwin-Wallace and five social sororities. Two of these fraternities are national and two are local. The nationals are Ohio Beta of Lambda Chi Alpha and Mu chapter of Phi Pi Phi. The two locals are known as Phi Kappa Phi and Zeta Kappa. The five sororities include one national, Beta Sigma Omicron, and four locals known as: Gamma Sigma, Alpha Kappa Sigma, Phi Lambda Chi, and Theta Tau Delta. Membership of the fraternities or sororities is limited to fifty members.

The fraternities and sororities have met with good cooperation from the administration of the college and they are strongly represented in all college activities. All inter-fraternity relations are handled through a Greek Council and an Inter-Fraternity Board. The first is made up of two representatives from each fraternity. The latter is composed of the presidents of all sororities and fraternities and three faculty advisors.

Mr. Ralph Burns

New York, New York

My dear Mr. Burns:

I am very happy to recommend the local chapter of Alpha Sigma Phi as a well-ordered organization which sincerely attempts to cooperate in all phases of our college program. Since I have known members of the organization both as college-mates and because of having three brothers who belonged to it during their college days, I feel rather well-qualified to state that I consider the organization a progressive influence and shall be glad to see it continue under the aegis of Alpha Sigma Phi.

Sincerely yours,

Mr. Ralph Burns,
Executive Secretary,
Alpha Sigma Phi Fraternity.

My dear Mr. Burns:

I understand that the members of our local fraternity, known as Phi Pi Phi Fraternity, have petitioned Alpha Sigma Phi, to be made a chapter of their national organization. I heartily commend them to you. My own conviction is that fraternities fill a definite need on the average campus and that national grouping of chapters has an advantage over locals.

Since the purchase of the house for this local fraternity there has been marked progress. Their cooperation with other fraternities and with the total college program is commendable and their plan for running the house and managing their affairs is regarded as part of their education.

As a general policy of doing well whatever we undertake the fraternities are cooperating. If admitted as a chapter of Alpha Sigma Phi, I am convinced this group of students will be ready to maintain high standards.

Cordially yours,

Mr. Ralph Burns, Executive Sec'y,
Alpha Sigma Phi,
New York City, N.Y.

Dear Mr. Burns:

This is to certify that Phi Pi Phi fraternity, now Alpha Sigma Phi, had a grade index of 1.505 during the year 1938-1939. This is based on the basis of A equals 3; B equals 2; and, C equals 1. D and F equal 0. Please note that in comparison to other grade indices this fraternity ranked as follows: The all-men's average was 1.514, the other national fraternity on our campus, Theta Kappa Nu, now Lambda Chi Alpha, had a grade index of 1.449. The all-fraternity average was 1.441. By this it will be noted that Alpha Sigma Phi ranked higher than any fraternity on our campus.

Phi Pi Phi fraternity has always been a leader on our campus and they have had many outstanding men in the various fields of activity. We can recommend this group very highly as to character and as a vital force on our campus. We recommend Pi Phi Pi for your careful consideration most highly.
